Saturday

Dear Victor -

Sorry I am not seeing you today but doubtless it is best for the wind is cold, the clouds are dark and it looks like snow. Next Saturday, the 16th will be best - I hope it is nice.

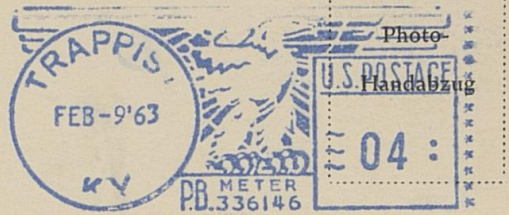

The Saturday after that will be no good for me, alas. I hope we don't have to part it off. All best wishes & blessings to you both.

M. L. T. P.S. I found the transparencis Nr. 1525
