Dear Sir:

Subpoena has been served on us to testify in behalf of Mr. Powers and we are perfectly willing to come and do what we can to aid him if assured our expenses. We are willing to give our time and no claim for per diem will be made. Only actual and necessary expenses. This will be a great sacrifice for both us. Please advise us at once and write Read here and Huntsman at Owensboro, Ky.

In order to save Mr. Powers any unnecessary expense will come at call by telegraph when our presence is actually needed.

Very Respt
