

Tuesday evening.

Dearest Edna:- I am so happy
to think I am going to have a
real Theta sister - & not only that,
but one whom I have kissed
ever since our first meeting.
Do you remember? I met you
just at the corner of Pres. Brooks's
home & we walked on out to the
University together.?

I have tho't I would see you

~~mes~~ I hope it will be read soon.

Lots & lots of love to you,
Merle.

sometime to talk just a little any-
way, but that opportunity seems
not to come. I have wanted to
ask you to come down to spend
the weekend with us, so am
writing the invitation. That will
be much more prompt, I know,
than waiting for a time when
I may see you.

Please write me when it will
be convenient for you or when you
can best come down. Most any
time will be convenient for
