Our Lady of Gethsemani
Trappist, Kentucky

Dear Victor:

Fine: I shall plan to see you on the 16th, a week from today. I hope that everything will work out all right. I hope to get there about 11.30 or 12. And will probably have to leave about 2, hoping to get a ride to the doctor's office where the other Trappist will be, and then we can take off at once for the monastery. It will be marvelous to see the picture and the poem. I liked very much the lettering you sent.

All the best and all blessings
in Christ,

Torn
