

Minutes of the Meeting of the Executive Committee of the Board of Trustees of the University of Kentucky, July 21, 1951.

The Executive Committee of the University of Kentucky met in Somerset, Ky., at 6:00 p.m., Saturday, July 21, 1951. The following members were present: Guy A. Huguelet, Chairman; H. D. Palmore, R. P. Hobson, J. C. Everett, and Harper Gatton. Absent: None. President Donovan and Secretary Frank D. Peterson met with the Committee.

A. Approval of Minutes.

The minutes of the Executive Committee of May 18, 1951, were approved as published.

B. Report of the Comptroller.

The Comptroller made a report of the financial operations of the University for the eleven-months period ended May 31, 1951. The report consisted of balance sheet and related summaries covering University fund transactions. Each member was given a report, and after sufficient examination, upon motion duly made, seconded and carried, the report was authorized received and filed.

C. Purchases Made by the Comptroller's Office Approved.

President Donovan submitted the following statement from the Comptroller listing state requisitions and other documents evidencing purchases made from April 1, 1951, through June 30, 1951:

July 9, 1951

Dr. H. L. Donovan, President  
University of Kentucky

My dear President Donovan:

I submit a list of state requisitions, advices of emergency purchases, special purchase orders and departmental purchase orders which have been made by the purchasing division from April 1, 1951 through June 30, 1951, yet to be approved by the Board of Trustees... The listing below gives the numbers of the documents requesting the purchase or actually issued as purchase orders, which documents are made a part of this record and are held in the Office of the Comptroller subject to inspection. The purchases have been made on properly drawn documents at the request of the various departments and have been charged against available funds.

State requisitions numbered	729 through 1018
Emergency purchase orders numbered	339 through 499
Library departmental orders numbered	2211 through 2239
University departmental orders numbered	1260 through 1331
Special purchase orders numbered	9301 through 12250.

The foregoing record of purchases is respectfully submitted with the request that they be approved by the Executive Committee of the Board of Trustees, thereby ratifying the action of the Comptroller in making the purchases.

Respectfully submitted,

(Signed) Frank D. Peterson,  
Comptroller.

Transactions outlined in the communication were discussed, and after due consideration, upon motion duly made, seconded and carried,

State requisitions numbered	729 through 1018
Emergency purchase orders numbered	339 through 499
Library departmental orders numbered	2211 through 2239
University departmental orders numbered	1260 through 1331, and
Special purchase orders numbered	9301 through 12250

were ratified, and the action of the Comptroller in making such purchases was approved.

#### D. Budget Changes.

President Donovan stated a few budget changes had been approved by him as evidenced by "Payroll Changes -- Budget Transfer." He read a list of the changes representing decreases and increases in appropriations. The net increase in appropriations amounted to \$24,509.23. President Donovan recommended that these decreases and increases in appropriations be ratified and approved.

After due consideration, upon motion duly made, seconded and carried, the budget changes as recommended by President Donovan were approved and the Comptroller was authorized to make the necessary budget adjustments.

#### E. Change in Zoning on South Limestone Discussed.

President Donovan presented to the members of the Executive Committee a communication from Dr. and Mrs. Henry G. Foushee. Dr. and Mrs. Foushee stated in their communication that there are 27

pieces of property in the 200 block on South Limestone, still zoned as Residence C, and these properties are now under consideration for rezoning to Business A. The communication listed reasons for changing the zone from residence to business, and requested approval of the Executive Committee for the change in zoning.

Members of the Executive Committee discussed the request at length, and upon motion duly made, seconded and carried, declined to approve the request and left to the discretion of President Donovan the question of active opposition on behalf of the University to any change in the present zoning regulation for property in the 200 block of South Limestone Street.

F. Rental Rates in Men's Residence Halls Revised.

President Donovan submitted communication from A. D. Kirwan, Dean of Students, regarding schedule of rental charges in the men's residence halls as approved by the Board of Trustees in 1946 and 1947. Dean Kirwan called attention to considerable improvement and the addition of new furniture in the older halls. The accommodations in all halls are now entirely comparable, and he recommended that adjustments in room rental in all halls be re-studied and the rental rates made within the minimum and maximum rental charges heretofore authorized by the Board of Trustees.

President Donovan recommended that the Dean of Students and the University Comptroller be authorized to fix the room rental in all the halls at a rate ranging from \$51.00 to \$69.00 per semester.

The Committee being thoroughly advised, upon motion duly made, seconded and carried, on recommendation of the President, the Dean of Students and the Comptroller of the University were authorized to fix the room rental in all men's residence halls within the minimum and maximum recommended.

G. Invoice, Oak Ridge Institute of Nuclear Study Approved.

President Donovan recalled that the University, since 1947, had participated in the Oak Ridge Institute of Nuclear Study and that he had placed before the Board from time to time invoices representing the University's contribution to the work of the Institute. He stated that he was of the opinion that it was profitable to the University of Kentucky to continue participating in the work and submitted an invoice of the Oak Ridge Institute of Nuclear Study for the contribution for the fiscal year 1951-52 in the amount of \$900.00. He recommended that the Comptroller be authorized to pay same from the Haggin Fund.

The members of the Executive Committee being thoroughly advised, upon motion duly made, seconded and carried, approved the invoice for the fiscal year 1951-52, and authorized the Comptroller to make payment from the Haggin Fund.

#### H. Southern Railway System Track Extension.

President Donovan reported to the Committee that it was necessary to extend the railway track serving the Central Heating Plant to service the Maintenance and Operations building. He reported that, through the efforts of Mr. Guy A. Huguelet, the Southern Railway System, through its Vice President, Mr. Hamlin Brown, had agreed to take care of the 106-foot extension to track No. 82-39 without cost to the University, provided the University would grant an easement of the right-of-way for the extension to the trustees of the Southern Railway System, or to the C.N.O. & T.P. Company.

It is understood that if this agreement is consummated, the track will be owned and operated by the railway company but will be maintained by the University of Kentucky.

Members of the Committee discussed the extension, the granting of the easement, and the assistance rendered by Mr. Huguelet, and upon motion duly made, seconded and carried, authorized the easement executed on behalf of the University, when in proper form. Also, they extended sincere thanks to the Southern Railway System for the generous extension of track without cost to the University, and to Mr. Huguelet for his able assistance.

#### I. Annuity for Miss Marie Nottnagel.

President Donovan presented contract between the University of Kentucky and Miss Marie Nottnagel, residing at 110 Woodland Avenue in the City of Lexington, Fayette County. He explained that it was Miss Nottnagel's request that she be permitted to deed to the University the lot and house where she now resides at 110 Woodland Avenue in the City of Lexington, Fayette County, Ky., without encumbrances, and to receive payment of \$200.00 per month during her natural life. The University is to receive the rent on apartments not used by Miss Nottnagel.

The President also reported that the agreement included gift from Miss Nottnagel to the University of the furniture belonging to her, which is now in the rented apartments on the first and second floors. At the death of Miss Nottnagel, the Nottnagel Scholarship Fund shall be established, and the principal shall consist of the residue of the estate after deducting such payments as may be made by the University.

The contract was read to the Committee, and they being thoroughly advised, upon motion duly made, seconded and carried, authorized same executed on behalf of the University, attested to by the Secretary, and directed that such payments as may be necessary in accordance with the contract be made from the Haggin Fund.

#### J. Department of Air Science Created.

President Donovan recommended the creation of a Department of Air Science separate from the Department of Military Science. He stated that the recommendation was made because, for all practical purposes, the two branches of service are distinct and the vast majority of the land grant colleges have separate departments.

The creation of the Department of Air Science has the endorsement of M. M. White, Dean of the College of Arts and Sciences; Colonel Mackenzie, the current P.M.S. & T.; Lt. Col. Edward G. Davis, in charge of the ROTC Air Force unit at the University; and Major General Hodges of the First Air Force, Mitchell Air Force Base, New York.

The recommendation of the President was discussed, and upon motion duly made, seconded and carried, the recommendation was concurred in, and the Department of Air Force was authorized created, effective July 1, 1951.

#### K. Candidates for Degrees.

President Donovan stated that it was impossible to submit a list of candidates for degrees at the annual summer commencement exercises at this time, but told the members of the Committee that the list would be submitted to the University Faculty and properly recommended to the Committee for authorization.

Members of the Committee discussed the problem. President Donovan stated that the University Faculty records would contain names of the persons recommended to the Committee for degrees, with recommendation that the degree to which each person is entitled be approved by the Committee.

Upon motion duly made, seconded and carried, the following list of candidates for degrees to be approved by the Faculty was authorized inserted in these minutes, and President Donovan was authorized to confer upon each at the Commencement exercises on August 10, 1951, the degree to which each is entitled.

L. Women's and Men's Residence Halls and Science Building Authorized.

President Donovan made the following statement:

"The Board of Trustees of the University authorized that architects' plans and specifications be prepared about five years ago for a Women's Residence Hall, a Men's Dormitory and a Science Building. Since that time we have kept before the people of the state this urgent need for these buildings at the University. Recognizing the need, the state has not had available funds to meet the construction cost of these projects heretofore.

"While attending a meeting of the Franklin County Alumni Association of the University of Kentucky Tuesday evening, Chairman Guy A. Huguelet of the Executive Committee, Senator Louis Cox, Chairman of the Executive Committee of the Alumni Association, Senator R. P. Moloney, and I secured a conference with Governor Lawrence W. Wetherby on the question of erecting these buildings. Governor Wetherby was deeply interested in finding ways and means for the erection of these projects as soon as permission could be obtained from government agencies.

"It was agreed that the University should immediately request the State Property and Building Commission for authority to proceed with this construction. The Governor said he would support such a request.

"These projects will be financed by a bond issue together with such funds from the Building Commission as are necessary to finance these buildings on a sound basis. Legislative appropriations will be requested to offset fees used to retire bonds so as not to impair the current program of instruction, research, and extension of the University.

"Requests for permission to construct these buildings will also be made immediately to the National Production Authority which has control over critical building materials.

"All present at the conference last night expressed hope that construction of these projects can be begun as soon as federal authorities give clearance."

The members of the Committee discussed at length the question at issue, and upon motion duly made, seconded and carried, authorized President Donovan to request immediately the State Property and Building Commission for authority to proceed with the construction of the Women's Residence Hall, Men's Dormitory, and Science Building.

They also approved the issuance of revenue bonds as may be necessary to finance these buildings, and the request to the Legislature for appropriation necessary to offset fees which will be used to retire bonds issued so as not to impair the current program of instruction, research and extension of the University. The administration was authorized to request permission of the National Production Authority to construct these buildings and to take the necessary steps to secure building materials and permits necessary.

M. Gifts.

From: Kentucky Distillers' Association,  
Louisville, Ky. -- \$2,500.00.

President Donovan reported to the Committee receipt of a check for \$2,500.00 from the Kentucky Distillers' Association of Louisville, Ky., to be used to provide ten freshman scholarships at the University. He stated that he considered these scholarships a very important part of the University's freshman scholarship program, and he was very glad to have the opportunity of again assigning the awards. He recommended that they be accepted, and upon motion duly made, seconded and carried, the gift of \$2,500.00 from the Kentucky Distillers' Association, Louisville, Ky., was ordered accepted, and President Donovan was requested to thank the donors.

From: Kentucky Brewers Association,  
Louisville, Ky. -- \$900.00.

President Donovan reported receipt of check for \$900.00 made payable to the Kentucky Research Foundation, to be used for three freshman scholarships of \$300 each during the 1951-52 school year. He stated that this gift would be a splendid contribution to the University scholarship program and recommended acceptance of the gift. Upon motion duly made, seconded and carried, the gift of \$900.00 by Kentucky Brewers Association, Louisville, Ky., to the Kentucky Research Foundation was ordered accepted, and President Donovan was requested to write a letter of appreciation to the donors.

From: Mr. P. A. B. Widener, III, Elk-  
hill Farm, Lexington, Ky.--  
Painting.

President Donovan reported gift from Mr. P. A. B. Widener, III Elkhill Farm, Lexington, Ky., of a large painting attributed to the English landscapist, John Constable, and recommended that it be accepted by the Committee. Upon motion duly made, seconded and carried, the gift was ordered accepted, and Dr. Donovan was

requested to write a letter of appreciation to Mr. Widener.

From: Colonel James H. Graham, Louisville,  
Ky.--420 Volumes.

President Donovan read a letter from Dr. Lawrence S. Thompson, Director of Libraries, reporting receipt of gift from Colonel James H. Graham of the better portion of his private library, 420 volumes in all. He quoted Doctor Thompson as saying that this would be an exceptionally valuable addition to the Library's materials for general reading, and that he considered it as one of the most valuable gifts the Library has received recently. President Donovan recommended acceptance of this gift, and upon motion duly made, seconded and carried, 420 volumes from Colonel James H. Graham's private library were ordered accepted, and the President was asked to thank Colonel Graham for the generous gift.

From: R. R. Dawson Bridge Company --  
\$500.00.

President Donovan reported receipt from the R. R. Dawson Bridge Company in the amount of \$500.00, to support the scholarship given in the name of J. Stanley Dawson. He stated that this is the third renewal of this scholarship and recommended acceptance of the gift. Upon motion duly made, seconded and carried, the gift of \$500.00 from the R. R. Dawson Bridge Company was ordered accepted, and the President was asked to write a letter of appreciation to Mr. R. R. Dawson, Bloomfield, Ky.

From: Dr. D. R. Warehime - \$50.00.

President Donovan reported gift of \$50.00 from Dr. D. R. Warehime, to be used in the speech clinic in the Department of Psychology, under the direction of Doctor Diehl. He asked that it be accepted, and upon motion duly made, seconded and carried, the gift of \$50.00 from Dr. D. R. Warehime was ordered accepted, and President Donovan was requested to thank the donor for this generous gift.

From: V. V. Cooke Foundation, Inc.,  
Louisville, Ky. -- \$100.00.

President Donovan reported gift of \$100.00 from V. V. Cooke Foundation, Inc., Louisville, Ky. He said that these funds were to be used to aid in sending a 4-H Beef Cattle Judging Team to participate in an International Youth Beef Cattle Judging Contest, to be held in Scotland on the 21st of June. He recommended that the gift be accepted. Upon motion duly made, seconded and carried, the gift of \$100.00 was ordered accepted, and the President was asked to write a letter of appreciation to the donors.

From: Mr. Frank Zoringer, Wilmore, Ky. --  
Portrait of Coach Rupp.

President Donovan reported that he had been informed by Mr. Guy A. Huguelet that Mr. Frank Zoringer, who has a country estate near Wilmore, Ky., wished to present to the University a portrait of Coach Adolph Rupp, to be painted by Mr. William Welsh. He recommended that the gift be accepted, and after some discussion of the generous offer, upon motion duly made, seconded and carried, the gift of a portrait of Coach Rupp was ordered accepted, and President Donovan was requested to express the appreciation of the Executive Committee and the University.

From: Kentucky Broadcasters Association,  
Ashland, Ky. -- \$150.00.

President Donovan reported receipt of check for \$150.00 made payable to the Kentucky Research Foundation, from Kentucky Broadcasters Association, Ashland, Ky. He stated that, according to the wishes of the donors, this gift would be used to provide a scholarship in 1951-52 for a student in Radio Arts. He recommended that the gift be accepted, and upon motion duly made, seconded and carried, the gift of \$150.00 from the Kentucky Broadcasters Association, Ashland, Ky., was ordered accepted, and President Donovan was requested to write a letter of appreciation to the donors.

From: Kentucky Highway Contractors Association -- \$500.00.

President Donovan reported gift of \$500.00 from the Kentucky Highway Contractors' Association, made payable to the Kentucky Research Foundation, to be used as a third renewal of a one-year freshman engineering scholarship. He recommended acceptance of the grant. Upon motion duly made, seconded and carried, the gift of \$500.00 from the Kentucky Highway Contractors Association was ordered accepted, and President Donovan was requested to thank the donors.

From: Gardner-Denver Company of Quincy,  
Illinois--one Model S55 Sinker,  
one Model D73 Drifter, and one R94  
Stoper.

President Donovan reported receipt from the Gardner-Denver Company of Quincy, Illinois, of a gift of one Model S55 Sinker, one Model D73 Drifter, and one D94 Stoper. He explained that these machines have been used but are in excellent operating condition and could not be bought on the open market for less than \$600.00. He said that their use would result in improved quality of instruction in Mining Engineering, and recommended their acceptance by the Committee.

Upon motion duly made, seconded and carried, the Committee concurred in the recommendation of the President, and authorized acceptance of the generous gift of the Gardner-Denver Company. They requested that the President write a letter of appreciation to Mr. C.H. Rieman, Manager of the Rock Drill Division, through whose kindness the gift was made available to the University.

From: American Society of Refrigerating Engineers -- \$1,000.00.

President Donovan reported receipt of a check for \$1,000.00 payable to the University of Kentucky. He stated that this is a grant from the American Society of Refrigerating Engineers for the study of "Discoloration of Meat while in Storage." He recommended that the gift be accepted.

Upon motion duly made, seconded and carried, the gift of \$1,000.00 from the American Society of Refrigerating Engineers was ordered accepted, and the President was requested to thank the donors.

From: Executor of the Fannie L. Jones Estate -- \$3,000.00.

President Donovan reported receipt of a check for \$3,000.00, made payable to the Kentucky Research Foundation by Mr. J. Owens Reynolds, executor of the Fannie L. Jones Estate. He stated that this would be used as an addition to the scholarship fund which Mrs. Jones had previously established. He recommended acceptance of the gift, and upon motion duly made, seconded and carried, the gift of \$3,000.00 was ordered accepted, and the President was requested to make acknowledgment to Mr. Reynolds.

From: Republic Steel Corporation--\$4,100.00.

President Donovan reported receipt of a check for \$4,100.00 from the Republic Steel Corporation. He said that this contribution is made for the continuance of experimental work on pasture management and pasture and tobacco irrigation, which was begun last year. He stated that this work promises to give results that will be of benefit and he recommended acceptance of the gift. Upon motion duly made, seconded and carried, the gift of \$4,100.00 from Republic Steel Corporation was ordered accepted, and President Donovan was requested to acknowledge the gift.

From: Mr. Francis W. Edgerton, Lexington, Ky.--\$25.00.

President Donovan reported gift of \$25.00 to University Station WBKY from Mr. Francis W. Edgerton, 348 Aylesford Place, Lexington, Ky. He recommended that the gift be accepted, and upon

motion duly made, seconded and carried, the Committee concurred in the recommendation of the President.

N. Injury to Dan Welch.

Attention of the Executive Committee was called to the meeting of the Board of Trustees of June 1, 1951, which authorized an operation on Dan Welch, and on motion duly made, seconded and carried, the hospital and doctor's bills were ordered paid, with the expressed understanding that the action on the case was without commitment as to future action of the Executive Committee and it did not establish a precedent and did not admit negligence or liability in paying the bills.

O. Leaves of Absence Granted.

President Donovan reported that Dr. Hollis Summers, Assistant Professor of English; Mr. Clifford Amyx, Assistant Professor of Art; and Dr. Carl B. Cone, Associate Professor of History, had been offered and had accepted Ford Foundation Fellowships.

The Fellowships awarded by the Foundation are intended to enable college and university teachers to take a year's leave from teaching duties in order to carry out programs aimed at improving the teaching of the Fellowship holders. The Fellowships are granted on the basis of plans submitted by the applicants of what they purpose to do during the year. These plans are judged and awards are made to those considered to have submitted the better plans.

Members of the Committee heard the recommendation, and upon motion duly made, seconded and carried, concurred in the recommendation of the President. Doctor Donovan was requested to convey to the Fellowship holders the congratulations of the members of the Executive Committee upon having received this recognition and award of merit, and to express to each of them the appreciation of the University for having brought such distinction and high honor to themselves and to this institution.

P. Dr. Richard L. Tuthill Employed as Registrar.

President Donovan advised the Committee that Dr. Lee Spowles, Registrar, had accepted a position in the School of Education of the University of Georgia, and had submitted his resignation as University Registrar, effective September 1, 1951.

President Donovan stated that he was in receipt of a recommendation from Dr. Leo M. Chamberlain, Vice President, for the appointment of Dr. Richard L. Tuthill, who at present holds the position of Professor of Geography in the College of Arts and

Sciences.

Doctor Tuthill is 40 years of age, is married, and has two children. He came to the University in September, 1946, with the rank of Associate Professor. He received his bachelor's degree from Bates College, and both the master's degree and doctor of education degree from Columbia University. Prior to coming to the University he had acted as high school teacher in New Jersey for approximately six years, and as an instructor at Teachers College, Columbia University, for three years. He was research analyst for the War Department in 1942-44, and was assistant research director for Pan American Airways 1944-46. The President stated that Doctor Tuthill has shown evidence of good judgment, has a reputation for hard work, and has gained the confidence of his colleagues.

President Donovan recommended that Doctor Tuthill's appointment become effective September 1, 1951, and that he be paid his regular salary on a twelve-months basis.

Members of the Committee being thoroughly advised, upon motion duly made, seconded and carried, approved the appointment of Dr. Richard L. Tuthill as University Registrar, effective September 1, 1951, at his current salary.

Q. Policy Governing Candidates for Office.

The President made the following statement:

"Sometime during the summer, the Head of the Department of Political Science made inquiry of the administration of the University to ascertain if the Board of Trustees had some years ago passed a resolution requiring that if a member of the teaching staff, or any person employed by the University, became a candidate for a public office, he should sever his connection with the University. At the time this inquiry was made, I was not aware of any such regulation by the Board of Trustees but I requested that a search be made of the minutes to ascertain whether or not such a policy had ever been adopted by the Board. This search revealed that at a meeting of the Executive Committee on February 24, 1931, the following resolution was offered and adopted:

'It is the sense of the Executive Committee of the University of Kentucky that if any member of the teaching staff, or any person who is employed by the University for any purpose whatsoever, shall become a candidate for any public office, or for the nomination for a public office, except as a member of the county or city Board of Education, he shall, immediately upon becoming a candidate, sever his connection with the University.'

"Sometime later in the summer, Mr. Bart Peak, who has been Executive Secretary of the Y.M.C.A. for the past thirty-one years, came to my office and stated that he had heard that there was such a ruling by the Board of Trustees that required the resignation of any employee of the University who might be seeking public office. He stated that he was going to run for Representative of Fayette County and that he would submit his resignation before announcing for office. On June 20, Mr. Peak submitted his resignation to Dean A. D. Kirwan, to whom he reports as Executive Secretary of the Y.M.C.A.

"Dean A. D. Kirwan  
Dean of Students  
University of Kentucky  
Lexington, Kentucky

Dear Dean Kirwan:-

For some time I have felt it my duty to offer my services in the political area of the State. I have filed for the Legislature and therefore it becomes necessary for me to resign. I hereby tender my resignation to take effect August 31, 1951.

Dr. James W. Gladden is chairman of the YMCA Advisory Board and I hope you will work with him and the Board in the selection of my successor.

I appreciate your many kindnesses to me as we have worked together.

Yours sincerely,

/s/ Bart N. Peak  
Bart N. Peak"

"Dean Kirwan and I discussed the policy that had been adopted twenty years ago by the Executive Committee and we found ourselves in complete disagreement with it. We decided not to accept Mr. Peak's resignation, but that I should take this question back to the Executive Committee for its consideration.

"I am now bringing this matter up for you to consider again. There is no member on the present Executive Committee that was on the Committee twenty years ago. You may have a different point of view from that held by your predecessors.

"I should like to recommend strongly to you that this policy of the Board of Trustees be repealed. I offer for your consideration the following reasons:

- "1. The policy as it now stands disqualifies any professor or other staff member of the University from becoming a candidate for public office. In my judgment, it would be difficult for any person to give a sound reason why this should be done. It is discriminatory legislation against a professor or other member of the staff of the University. There is no other agency of the state that has placed such a discrimination against any employee. As a matter of fact, men and women in public offices repeatedly become candidates for re-election or candidates for other public offices.
- "2. I know of no other institution of higher education in this country that places such a limitation upon its faculty and staff members. Such a discriminatory regulation is not a sound public policy. In a democracy any citizen should have the right to become a candidate for public office.
- "3. Many members of our staff are highly educated in public affairs and if education and training for public service have any merit, their services to government should not be denied to the people of this state, if there should be a demand on the part of voters that one of the professors or staff members of the University of Kentucky become a candidate for public office.

"For these reasons, I recommend the repeal of the resolution adopted by the Executive Committee at its meeting on February 24, 1931.

"That you may be made aware of the particular incident that calls this matter to our attention, I may say that Mr. Bart Peak, who has been employed by the University as Executive Secretary of the Y.M.C.A., has rendered this institution outstanding service in his work with the young men, and to some extent, with the young women of the University. He has done as much to build character of the young people as any person ever connected with the University. Mr. Peak is a graduate of the University of Kentucky and secured his Law Degree in 1931. He has always been profoundly concerned about good government and he told me when he visited my office that he felt the urgency to make the race, even if it became necessary for him to resign as an employee of the University.

"I should like to report that Mr. Peak is in no sense a candidate of the University, and that he is making the

race entirely upon his own initiative without anyone connected with the University urging him to do so.

"It is my judgment that when a professor or other staff member of the University is a candidate for an office he should either take a leave of absence without salary while campaigning, or that he should not neglect his duties in order to carry on a campaign. I think this is a principle that is sound public policy and should be enforced, but it is not a sound policy to discriminate against employees of the University in the matter of their becoming candidates for public office."

Members of the Executive Committee discussed this problem thoroughly, and each member expressed his opposition to the policy adopted twenty years ago; whereupon, motion was made, seconded and unanimously adopted repealing the resolution adopted by the Executive Committee on February 24, 1931.

#### R. Easement to Louisville Gas and Electric Company.

President Donovan submitted request of the Louisville Gas and Electric Company to cross University property on the south-west corner of the Shawneetown housing project for a distance of 465 feet. It was stated that, at the present time, the gas line cuts across various lots and this easement will permit the line to run from west to east along the fence line of adjacent property owners and at the rear of Shawneetown housing project. The line will be not less than thirty inches underground, and if it becomes a hazard to the University, will be removed at the expense of the Louisville Gas and Electric Company. The ground will be replaced in its original condition. The Gas Company agrees to pay \$200.00 as a consideration for the easement.

The Committee being advised, upon motion duly made, seconded and carried, authorized the easement approved and executed on behalf of the University, and directed the Comptroller to supervise the placement of the gas line.

#### S. Report on Athletics.

President Donovan made a report to the Committee on the operations of the Athletics Department for the fiscal year 1950-51. Members of the Committee expressed much interest and, after being thoroughly advised, upon motion duly made, seconded and carried, the report of the President was ordered received and filed.

T. Appointments and Other Staff Changes.

President Donovan submitted staff appointments, reappointments, salary adjustments, leaves of absence, resignations, promotions and other staff changes requested by deans and heads of departments.
