

Cooperstown Apartment Rates Announced

Rent on the new Cooperstown apartments was officially set this week at \$62.50 a month for efficiency apartments and \$72.50 a month for one bedroom apartments.

President H. L. Donovan announced the rates Tuesday afternoon at a conference held with married students from Shawneetown. The president told the delegation that "everything possible has been done to keep the costs low and I think the University has done an excellent job in this."

The Shawneetown residents have protested the \$25 to \$40 rent increase. However, President Donovan said

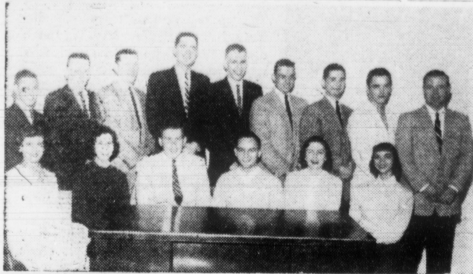

the prices were barely enough to meet loan payments and cover the upkeep on the buildings.

Donovan and Vice President Frank Peterson itemized the monthly operating costs. All expenses except amortization charges have been cut. Service charges at Shawneetown amounted to \$30.30 a month. This has been sliced to \$25.51 and the new figure includes the cost of hiring two more janitors.

Here is a complete monthly breakdown of old and new maintenance costs on each apartment.

Management (includes director, clerical help) old price \$3.42; new price \$2.27
 Utilities (gas, lights, water) old price \$13.69; new price \$11.35
 Repairs (includes painting, upkeep on buildings) old price \$11.58; new price \$9.34
 Operation of Buildings (janitors) old price \$6.00; new price \$2.27
 Insurance, old price \$9.00; new price \$6.63
 Miscellaneous, new price \$2.25

Constitutionalists Party

Candidates in the coming SGA election from the Constitutional Party are first row (l. to r.) Jane Marvin Brock, Tippie Daniel, Roy Gibson, vice president, Dick Lehman, president, Barbara Nell Paxton and Peggy Collinsworth. Second row (l. to r.): Dick Hunsinger, Tom Martin, Jerry Falley, Dan Woodward, Francis Bush, Terry Woolum, Bill Gelton, George Hancock and Jack Hall. Note in picture: John Davis, Bob McCracklin and Fred Shafer.

The Kentucky KERNEL

Vol. XLVII University of Kentucky, Lexington, Ky., Friday, May 4, 1956 No. 25

SGA Election Slated For Next Wednesday

Three Parties Vie; Platforms Are Given

By L. B. POWERS

A total of 58 candidates will be seeking 22 positions, including the offices of president and vice president, in the spring SGA election next Wednesday, May 9.

For the first time three major parties will be seeking seats in the student governing body. The three are the Constitutional Party, the United Students Party and the recently organized Students Party.

The Students Party was organized when 10 groups broke away from the Constitutionalists and the United Students.

Those competing for the office of president are Dick Lehman, Const.; Chip Rice, USP; and Charles McCullough, SP. Roy Gibson, Const.; Al Brooks, USP, and

Dave Ravencraft, SP, are competing for vice president.

All of the candidates for the top two offices are active in campus affairs. Lehman is a member of the Patterson Literary Society and the Social Work Club. He is past president of the UK Newman Club and a former state president of the Newman Club. He was a member of the truck team last year.

Rice is vice president of SGA, a member of the Judiciary Committee, president of Phi Delta Theta fraternity, vice president of Lances and a former vice president of Keys. He is also a Scabbard and Blade, military honorary, pledge.

McCullough is vice president of Delta Tau Delta Fraternity, vice president of Lances, past president of IFC, and former president of the Student Union Board. He is a member of Keys and Lamp and Cross.

Brooks is president of the Married Students Assembly. He is a member of the Patterson Literary Society and Phi Eta Sigma.

Ravencraft is president of the UK Troupers. He is active in the American Society of Metals and the American Institute of Mining and Metallurgical Engineers. At Ashland Junior College he was a member of SGA. He was selected one of 10 outstanding students of the year at the junior institution.

Roy Gibson is president of Alpha Gamma Rho Fraternity. He is vice president of Phalanx. He is active in the 4-H Club, Block and Bridge, the Dairy Club, IFC, and SGA.

Two candidates, Terry Woolum and Pete Perlman, are on two slates. Woolum is on the Constitutionalists and the Students slates, Perlman is running for the United Students and the Students.

(Continued on Page 16)

Honors Day Program Announced

Dr. Edwin E. Mims, professor of English Emeritus at Vanderbilt University, will be the principal speaker at the annual Honors Day program, to be held at 7:30 p.m. (ODT) May 14 at Memorial Hall.

President Herman L. Donovan will present the Sullivan Medallions to the outstanding male and female in the graduating class as a part of the program. This is a change from recent years, as the Sullivan awards were formerly given as a part of Commencement exercises. Dean of Men Leslie L. Martin will introduce the award winners.

Other features will include the organ prelude and postlude by Charlotte Sidney Lambert, senior in the College of Arts and Sciences; invocation by Raymond Donald Clark, president of the University YMCA; recognition of honor groups by Law College Dean Elvis J. Stahr Jr., chairman of the Honors Day Committee; benediction by Betty Dean Gabehart, president of the University YWCA.

One hundred and eighty-one students will be presented on Honors Day, in recognition of their outstanding scholastic achievements. These students represent the upper three percent of their respective classes.

Sliderule Merriment

Engineers Hold Annual Affair

Engineers will hold their annual Engineers Day Open House this afternoon and night and the spring Engineers Dance tomorrow night.

The first session of the open house will begin today at 1 p.m. and will end at 4:30 p.m. The night session is from 7-9 p.m.

The highlight of the dance, sponsored by the Engineering Student Council, will be the crowning of the engineering queen. Each department has selected a queen and the four finalists will compete for the crown. Names of the candidates were not available at press time.

The dance is set for 8:30 to 12:30 p.m. Saturday. The Rhythm Jocks will provide the music. Late permission has been granted. No tables will be reserved.

Between 2,500 and 3,000 people are expected to attend the open house. Demonstrations and exhibits will be presented by all of the engineering departments, the

United Students Party

United Students Party candidates for the coming SGA election are first row (l. to r.): Carol Walter, Joan Stadelman, Angela Riggs, Nancy Jobert and Helen Anderson. Second row (l. to r.): Pete Perlman, Olson Huff, Howard Dohrman, Walter Harris, Ed Beck, Chip Rice, president, Vance Harper, Bill Downey, Arthur Brooks, vice president, and Bill Dawson.

Election Notes

SGA polls will be open from 9 a.m. to 4 p.m. next Wednesday. Each student must have an ID card and vote in his own college.

Arts and Science and Graduate students will vote in room 127 of the SUB. All other students will vote in their respective colleges.

SGA will hold a political rally at the SUB next Tuesday from 7 p.m. to 7:45 p.m. Party candidates will speak. Girls have received permission to stay out until 8 p.m.

Students Party

Candidates from the newly formed Students Party in the coming SGA election are, first row (l. to r.): Dave Ravencraft, vice president, Marcy Burman, Freda Short, Patsy Beard, Charlie McCullough, president. Second row (l. to r.): Ronnie Bonnell, Leonard Bennett, Harry Conley, Pete Perlman, Terry Woolum, Joyce Beals, Nancy Boggs, Terry Kuester, Geren Bybee, Ray Trout, Jack Deacon and Danny Yates.

Phi Beta Kappa Taps 19 Spring Initiates

Alpha of Kentucky chapter of Phi Beta Kappa, national scholastic honorary fraternity, has announced the spring 1956 initiates. The students chosen are all seniors and are selected on the basis of their four year record in the College of Arts and Sciences.

The new initiates are Barbara Ann Ashbrook, Lexington; George Merrill Bartels, Louisville; Joseph Newbill Binford, Versailles; Mary Ellen Curtin (Mrs. Robert E. Curtin), Lexington; L. Yvonne Eaton, Corbin; Paul Egum, Corbin; Mona Jane Hagyard, Lexington; Shirley

Virginia Harris, Lewisburg, West Va.; Marguerite Karol Martersteck; Gary Bowman McCreary, Tompkinsville; George Richardson Park, Richmond; John Dixon Perrine, Maysville; Jean Elizabeth Gardner Pival (Mrs. Joseph Pival), Lexington; Joseph Carlyle Ray Jr., Berea; Harriet Drury Vanmeter (Mrs. J. Ferra Vanmeter), Lexington; Charles Norman Vittito, Lexington; William Godfrey Wheeler Jr., Ashland; Jane White, Fulton; Ann Peyton Young, Dante, Va.

The students were selected April 24 and will be initiated May 17. Officers of the Kentucky chapter of Phi Beta Kappa are, Dr. Arthur L. Cooke, president; Dr. Fred Whiteside, vice-president; Keller Dunn, secretary; and Dr. Herbert W. Hargreaves, treasurer.

Barkley Dies Giving Speech In Virginia

Sen. Alben W. Barkley, long time Kentucky statesman, collapsed and died of a heart attack Monday, April 30, while making a speech at Washington and Lee University's mock Democratic convention.

Nearing the end of a 30-minute key-note speech, Barkley had just recalled his national political career again for the cheering students. His last words were: "I am willing to be a junior, I am glad to sit on the back row, for I had rather be a servant in the house of the Lord than to sit in the seats of the mighty."

He stepped back as though trying to continue and fell at 5:13 p.m., brushing a microphone to the stage with him.

Dr. Robert Munger, University physician, reached the senator about five minutes later. Dr. Munger announced that the heart attack was the cause of death.

The 78-year-old former vice president held an honorary degree of Doctor of Law which the University of Kentucky bestowed upon him May 29, 1942.

Barkley's last public appearance here was Oct. 30, 1955, when he attended the University's annual Homecoming. He delivered the commencement address at the University in 1949 and has been the principal speaker at many other functions.

Short Elected Prexy

Fredda Sue Short was installed on April 24 as president of Iota Chapter of Phi Upsilon Omicron, Home Ec Honorary.

A junior from Eubank, Ky., she succeeded Sarah Tabb, Lexington. Freddie is majoring in Vocational Home Economics. As president she will represent UK at the National Conclave June 20-22 at Penn State.

Are you playing the right Spalding ball?

For the low handicapper, Spalding's new high-compression AIR-FLITE® offers maximum distance. The exclusive DURA-THIN® cover withstands scuffing and bruising far longer. \$14.75 doz., 3 for \$3.75.

The Spalding KRO-FLITE® couples distance with superb durability. The tough cover will stand up under surprisingly rough treatment and the ball stays round, white and puttable. \$14.75 doz., 3 for \$3.75.

The Spalding OLYMPIC® is a medium-priced ball with a very tough skin. It combines exceptional wearing qualities with a playability usually associated with higher-priced balls. \$11.40 doz., 3 for \$2.85.

Many golfers choose the Spalding HONOR®. Popularly priced, it offers good durability and playability. Like all Spalding balls, it features True Tension winding for extra resilience. \$9.00 doz., 3 for \$2.25.

Get economy and quality in this golf ball. Spalding's VICTOR® is an "economy" ball with plenty of distance. The extra-thick cover promises great durability. \$7.00 doz., 3 for \$1.75.

Art Exhibition To Be May 16

A juried exhibition of paintings, drawings and prints by artist of Kentucky and Southern Indiana, will be shown in the University Art Gallery through Wednesday, May 16. This is the 29th Louisville Art Center Annual Show.

Mr. Robert Beverly Hale, Associate Curator of American Painting at the Metropolitan Museum of Art selected the exhibition.

Several paintings and prints by UK faculty and students are in the exhibition.

New Zealand is considering a boost in auto drivers' license fees to provide more funds for road safety.

Norman Vincent Peale To Speak Here Thursday

Dr. Norman Vincent Peale—author, lecturer, minister—will present the last program of the Central Kentucky Concert and Lecture Series at 8:15 p.m. Thursday, May 10, at Memorial Coliseum.

Dr. Peale is the author of "The Power of Positive Thinking," one of the most famous best-sellers of the present time, and of "A Guide to Confident Living."

The Marble Collegiate Church, the oldest Protestant church in

America, has been under the ministrship of Dr. Peale since 1932. The church, located in New York City is now in its 329th year, and it is famed for having one of the largest congregations in the country.

In addition to a radio program on the NBC network each Sunday morning, Dr. Peale writes for national magazines which include "Reader's Digest," "American," "McCall's," and "Red Book." For his spiritual contributions to the nation, Dr. Peale was awarded the 1955 American Education Award, and the 1952 Horatio Alger Award presented by the American Schools and Colleges Association for outstanding achievement.

Dr. Peale was graduated from Ohio Wesleyan University in 1920. He received his Master of Arts degree from Boston University, and the Bachelor of Sacred Theology from the Boston University School of Theology in 1924. He was born in Ohio.

He is a member of the Rotary Club of New York, the Sons of the American Revolution, the Shrine, and Phi Gamma Delta fraternity.

SUB Passes New Ruling On Elections

The Student Union Board recently passed a ruling which says no campaigning or electioneering will be permitted in the SUB for any election except the SGA election.

No restrictions will be placed on the Arts and Sciences campaigners since campaigning is allowed in other buildings where other college elections are held.

This ruling was passed at the suggestion of several organizations. It has been said that during the numerous elections held in the SUB, candidates, to insure their election, have been forced to be present a few feet from the ballot boxes.

In the future, all organizations holding elections in the SUB will be asked to disqualify any candidate who does not abide by this rule.

Failure of any organization to enforce the ruling will waiver future use of the SUB for its next election.

Engineers Compete

Dick Redmon, Jimmie D. York Jr., and Dr. W. M. Carter represented the UK College of Engineering at the American Society of Mechanical Engineers Student Conference at St. Louis last week. York competed in a student paper competition contest.

Choristers To Present Spring Program Sunday

The University Choristers, directed by Miss Mildred Lewis, will give their annual spring program Sunday in Memorial Hall at 4 p.m. They are being presented on the Sunday Afternoon Musicales series which is free to the public.

The mixed group of 45 voices has appeared at UK Founder's Day, Religious Emphasis Convocation, the Kentucky Education Association meeting in Louisville, and recently presented a radio program over WHAS.

Miss Lewis, the founder of the group, is a member of the UK music faculty.

Sunday's program includes a group of sacred and secular numbers in commemoration of Mozart's 200th birthday, and a group of

songs by John Jacob Niles, who is celebrating his 50th anniversary as a collector of American folklore.

Linda Link, freshman music major from Lexington, is the accompanist for the group. Heard in solo parts will be Joan Skaggs, soprano, Taylorsville; Ewel Cornett, baritone, Louisville; Charles Sims, baritone, Wilmore; Gail Jennings and Phyllis Tilton, sopranos from Lexington; and Jerry Reese, baritone, Lexington. Gordon King will be the narrator.

On Campus with Max Shulman
(Author of "Barefoot Boy With Cheek," etc.)

IT'S LATER THAN YOU THINK!

All year long you've been promising yourself to go there. Now summer vacation is just around the corner and you still haven't set foot in the place. Shame on you!

But it's not too late. Right now, this very minute, before you weaken, lift up your head and forward march to the place you have been avoiding ever since school began. I refer, of course, to the library.

Now here you are at the library. That wasn't so bad, was it? Of course not! Go inside. What do you see? A sign that says "NO SMOKING." Go outside. Light a Philip Morris. Smoke. Go back inside.

Because now you are ready. Now your trembling resolution is rigid. Now your pulsing psyche is serene. You have been gentled by gentle Philip Morris. You have been tranquilized by a smoke that dotes and pampers and caresses, that lifts the fallen, repairs the shattered, straightens the bent, unravels the knotted, rights the askew, and fastens the unbuttoned.

In the center of the library you see the main circulation desk. Look in the card catalogue for the number of the book you want, write the number on a slip, and hand it to the efficient and obliging young lady at the desk. The efficient and obliging young lady then gives the slip to an efficient and obliging page boy who trots briskly back into the stacks, curls up on a limp leather encyclopedia, and sleeps for an hour or two. Then, puffy but refreshed, he returns your slip to the efficient and obliging young lady at the desk, who tells you one of three things: (a) "Your book is out." (b) "Your book is at the bindery." (c) "Your book is on reserve."

Having learned that the circulation desk hasn't the least intention of ever parting with a book, let us now go into the periodical room. Here we spend hours sifting through an imposing array of magazines—magazines from all the far corners of the earth, magazines of every nature and description—but though we search diligently and well, we cannot find *Mad* or *Confidential*.

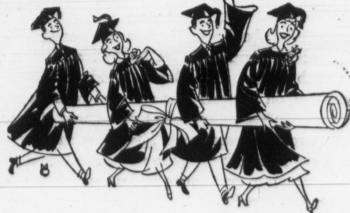

Next let us venture into the reference room. Here in this hushed, vaulted chamber, we find the true scholars of the university—earnest, dedicated young men and women who care for only one thing in the world: the pursuit of knowledge.

Let us eavesdrop for a moment on this erudite couple poring over heavy tomes at the corner table. Hush! She speaks:

SHE: Whatcha readin', hey?
HE: "The Origin of Species." You ever read it?
SHE: No, but I seen the movie.
HE: Oh.
SHE: You like readin'?
HE: Naah.
SHE: What do you like?
HE: Hockey, licorice, girls, stuff like that.
SHE: Me too, hey.
HE: You pinned or anything?
SHE: Well, sort of. I'm wearin' a fellow's motorcycle emblem.... But it's only platonik.
HE: Wanna go out for a smoke?
SHE: Philip Morris?
HE: Of corris!

And as our learned friends take their leave, let us too wend our way homeward—a trifle weary, perhaps, but enlightened and renewed and better citizens for having spent these happy hours in the library. Aloha, library, aloha! ©Max Shulman, 1956

The makers of Philip Morris, who sponsor this column, could write volumes about the gentleness of today's Philip Morris, but we'll only tell you this: Take a leaf from our book. Enjoy Philip Morris.

Pre-Alums

The best way to create active alumni is by reaching UK students before they become alumni.

This simple fact seems to have been ignored for some time, but now the UK Alumni Association is starting to do something about the situation. A committee of junior and senior students met to discuss and formulate plans for aiding the alum association.

The first activity of the group will be contacting the senior classes of each college and informing the graduating students of the value of belonging to and supporting the Alumni Association. This act alone will help a great deal; far too many students have a hazy picture of what the association does.

Ultimately the association hopes to have all students learn about its programs. It is not limited to graduates only; the minimum requirement is that the student attended UK for at least a semester.

Civil Defense

Day and night, across the nation, hundreds of modern-day patriots are donating their time that Washington, Los Angeles, New York—or even Lexington—may never become another Hiroshima.

These people are members of the Civilian Defense Corps, and it is their actions and not their words that proclaim them true citizens of a working democracy. They are the men and women who scan the skies, ready to alert the nation should an aggressor try to strike.

Members of the Civilian Defense Corps wear no uniforms and receive no pay. They garner no medals, nor do they gain public recognition.

On the surface their jobs seem monotonous, and some even go so far as to question the merits of the CDC.

"What about the DEW Line and modern radar?" asked one student. "No plane could slip through those setups!"

"No nation would dare try to bomb the United States," said another. And one young lady stated that defense was the responsibility of the military.

The military realizes that no scientific warning pattern is perfect. Pearl Harbor proved that an enemy nation could and would dare a sneak attack, and defense is everybody's, not just the military's job.

Of course, most UK students already

realize these facts. Unfortunately few do anything about it.

Lexington's Civilian Defense unit has repeatedly asked for volunteers from the University, but the turnout has been almost negligible. This is probably not from sheer unconcern, as it might appear, but rather from ignorance of the important work that CDC is accomplishing.

More students would become CDC members, more than likely, if campus organizations took up this work as their projects. SGA, for one, could effectively help publicize the goals of this national defense organization. Many women's groups could help especially.

Students who do volunteer a portion of their time to the CDC—whether in their home towns or in Lexington—will find that the work is both interesting and rewarding in personal satisfaction. There is, after all, more in being an American than just waving a flag.

The nation lost one of its ablest and best-loved legislators Monday with the death of Senator Alben W. Barkley from Kentucky. The former Vice President, a 46-year veteran of the political wars, was respected and admired by Democrats and Republicans alike. His passing leaves a large vacancy in the ranks of the great men.

It was an excellent idea to go to the students themselves for ideas, but like any other new group, the committee selected to work with the Alumni Association could easily be talked to death. Talking in broad, general terms will not help the alum association, and will certainly kill student interest.

The committee should be put to work immediately, so that interest will not die. The best way to keep up interest, perhaps, would be the sponsoring of an annual event for students and alums, with the funds to go to the Alumni Association. Regular meetings of the committee should be held, and possibly a "Pre-Alums" club, open to all juniors and seniors should be formed. This would interest students in being active alums long before they graduate.

The program for student support of the Alumni Association has been born. It is only hoped that it will not die in its infancy.

LITTLE MAN ON CAMPUS by Dick Bibler

"WELL, TELL HIM AGAIN—I'LL BE DOWN IN A MINUTE."

Back Talk

Third Party

Dear Sir:

In view of the recent controversy over the new party, it would seem to me that the opinion of some outsiders would be appropriate. Since I could not sign everyone's name to this letter, I will use my voice to express the feelings of others.

In the last student election, 1800 out of 6500 students on the campus of the University of Kentucky, cast their ballot, knowingly or unknowingly, for students to represent them in S.G.A. The fact that these students were interested or qualified was not questioned. The platforms of their parties, if known, made little difference to the average individual voter. No one asked what our student government did after elections. All these things would seem to indicate a lack of interest in our student government association.

Some weeks ago several student organizations were brought abruptly to the realization of their dogma surrounding campus politics. They banded together and began a movement destined to snowball into the most overwhelming campaign ever seen on this campus. Why? Because for the first time students are interested in students; interested in the independent and the Greek alike on the basis of their "personal merits"; interested in hearing the voice of the individual and giving him more power to get a fair deal.

In short, it appears that the principle and theory of the new party is not based on popularity and personal preferences, but on the individual qualifications of the candidates.

Sincerely,

Pat Roache

Back Talk

BSU Complains

Dear Sir:

Last Friday's "Workshop" published in the Kernel and written by Ray Hornback contained, we believe, an unjust statement and we wish clarity. The Baptist Student Union, a religious organization on campus was referred to as a political pressure group and as "the independent stronghold of the USP."

We feel the wrong impression is given, for the purpose of the BSU is to serve as a link between the student and the college church in Lexington, and not to be known for its non-existent group part in party politics.

Granted that a number of BSU'ers actively participate in campus politics. However, their own convictions about student government should not be confused with the interests of the entire group.

Being a religious group the Baptist Student Union has not joined any political party.

Sincerely,

Bob Howerton

Jim Bergman

Short Shifts

The Kernel admires Stylus for their sassiness. A month or so ago the Kernel condemned UK's literary magazine as "obscene, profane, and poorly written". Last week, in answer to the Kernel, posters for the spring Stylus said "obscene, profane, bad writing—Stylus rides again."

The Kernel's suggestions for making the street flanking the Funkhouser Building and McVey Hall safer for pedestrians and drivers alike should be followed up with action by SGA. It will be too late to worry after some student is either killed or injured.

Double congratulations to UK's Pershing Rifles for not only sponsoring the recent sectional competition—but also winning it!

If UK is to ever see the return of the card section, Suky should start working on the plan submitted by the joint SGA-Suky Committee long before the first football game.

Candidates for political offices on the UK campus are becoming almost as plentiful as queens.

The Workshop

Worm Turns As Jokes Told By Biggest Of All - Hornback

By RAY HORNBACK

H. Allen Smith, one of America's funniest writers, has written a book entitled, "The Compleat Practical Joker." It's an extremely humorous account of some of the zaniest practical jokes in history....

Mr. Smith tells of the practical pranksters who disguised themselves as workmen and dug up New York's busiest street, of the publicity agent whose practical joke sold a thirty-five cent painting for ten thousand dollars, and of the man who found an automobile parked in his bedroom.

I've certainly enjoyed the book, but I feel that Mr. Smith would have enriched his book considerably if he had visited our fine campus, where practical jokes grow in abundance.

Not too long ago, four spirited lads "borrowed" a bathtub from a local auction house. They traveled several blocks with the rather bulky article to a well known sor-

ority which is housed in a Kroger-like mansion.

The time was midnight. The lads strolled to the front porch of the sorority and deposited the tub on the young ladies' front porch. But their foray had not gone unseen. The housemother appeared upon the scene before the sprightly lads could vanoose. Her only utterance as she pointed to the tub was, "What . . . are you . . . doing here . . . with that?"

The boys were too dumbfounded to answer immediately. Finally one fellow said, "Well, mam, we said someone left this thing on our front porch and we were just coming to get it out of your way." With that, the four picked up the tub and marched away.

It was now nearly 12:30, and the tub had not yet lived up to the ultimate in fun. So the fellows took it four or five doors up the street to another sorority. It was now that time of the evening when the young ladies were saying good-night to their dates. But this did not halt the four jokers.

They made their way through the mass of entangled bodies, waving to the fellows and girls. When they reached the front door, the

tub was gently placed against the door and the fun-loving lads walked merrily away.

Several days later, one fellow called the sorority under the guise of Joe the junk dealer and asked if the sorority had any old bathroom implements to give away. The girls anxiously said they did have an old bathtub. The boys picked the thing up the following night and it was returned to the auction house in fine condition.

We heard this story about one of the Courier-Journal's leading sports writers. Said writer was usually knocking out a story late one evening when he received a telephone call from Lexington. The mysterious informer told the sports writer that UK's All-American center, Bob Burrow, had packed up and gone home to Texas.

The sports writer was told he was the first to know of the move. What a scoop, he thought.

Being a thorough newsman, he called Mr. Rupp—although the hour was nearing 1:30. Of course this was all new to Mr. Rupp. A quick call to the men's dormitories revealed that Bob was sleeping soundly. We understand Mr. Rupp didn't speak to the fellow for quite a while.

Then there's the young lady who resides at the 3-Dimensional house. She spends many hours dropping freerackers from her window onto window ledges below. Her victims

Concert Band To Present Twilight Concert Wednesday

The UK Concert Band, directed by Prof. Frank Prindl, will present a twilight concert at 7:30 p.m. Wednesday May 9, in the Amphitheater behind Memorial Hall.

This concert will be under the direction of three seniors, Ray ReCTOR of Lexington, Joe Ireland of

Cynthiana and Donn Herring of Lexington.

Herring will direct the first two numbers, "To Thee We Sing" and "March" by Prokofier.

Ireland will direct Creston's "Legend"; "Holroyd March" by Alford; and "Huntingtower" by Respighi.

The finale from the "Firebird Suite" by Stravinsky; "Suite for Band" by Tutuill and Alford's "Purple Carnival March" will be directed by ReCTOR.

Herring, a native of Parkersburg, West Virginia, was at one time in a band under the direction of Earnest Williams, one of America's great handsmen.

Ireland is the president of Lambda Chi Alpha fraternity. He is a member of Phi Mu Alpha, men's music honorary. He recently appeared with the brass choir in a campus recital.

Ray ReCTOR is a graduate of Henry Clay High School. Upon graduation from UK this spring he will go to North Texas State College where he has been granted a teaching fellowship. He is past president of the UK band, Phi Mu Alpha, and the Youth Orchestra.

have not caught the pert young miss yet, but the old proprietor feels that her day is soon to come.

One sorority has found that culprits repeatedly borrow light bulbs from the sockets in the rear of the house, while another fine sorority recently awakened to find that a male had spent the night in the house. It seems he had done it on a bet. From all I can gather, the thing was pretty well hushed up.

And finally, there's the story of last year's Kernel staff. Several of the more spirited staff members rigged up a deal whereby they could speak into a mike which would transmit their voices through the speaker of a radio. The characters then placed the radio in the window and began broadcasting hourly newscasts which could be heard by all walking in the vicinity.

Such bits of news as sorority burglaries, a third world war, campus suicides and arrests, fake sporting results and the like gave passersby many anxious moments.

There are quite a few other campus yarns we would like to spin for you, but our space allotment just won't allow it. Drop around the Kernel office anytime if you wish to hear more about UK's practical jokers—long may they live.

ed in his bedroom.

Kernel Kutie

Vivacious Marcy Burman of Alpha Xi Delta joins the ranks of Kernel lovelies this week. You can pick up your orchid any time, Marcy, at the Lexington Flower Shop.

Nauseated Writer Tells Of Society Wedding

By SALLY BURKE

Have you ever been completely nauseated by a glowing account of an ultra-fashionable society wedding? "The bride radiated beauty and goodness. . . . The groom is a member of the Polo Club, Racquet Club . . ."

In order to prevent the newspapers of this Democratic country from falling completely into the hands of our blueblooded aristocrats, the following account of this

type of wedding could be featured on society pages . . .

The vows of matrimony were exchanged Saturday afternoon between Miss Ulvuta Birddog, daughter of Mr. and Mrs. We Birddog II, and Mr. Oliver Crud, of undetermined heritage.

The altar was covered with dust, old flypaper, and little Bo-Peep ammonia bottles from the bride's personal collection. A program of wedding music was presented by Smokey Joe and his Firehouse Five.

Rushed to the altar by her jubilant father, Miss Birddog was perfectly repulsive in a regimental stripe sweat shirt, spinach-green satin pedal pushers, and blood-stained army shoes, which were worn by her maternal grandmother in the Battle of the Alamo. Her hideous ensemble was completed by a tartan plaid propeller beanie, gift of the groom, and she carried a paper-bound edition of the Kinsey Report topped with an Alf Landon button.

Miss Sara Toea was Maid of Honor and, equally obnoxious in her powder blue checked union suit, high heeled tennis shoes, and contrasting headdress of Drano labels.

Mr. Crud, attired in his usual dirty double-duty coveralls and sheepskin warm-up jacket, was unable to find a best man—in fact, he couldn't even find a good man. Miss Birddog attended P.S. 36 where she was a member of the Dirty Dozen, Amboy Dukes, and President of the Al Capone Fan Club. Mr. Crud finally escaped from Joliet, and attended P.S. 36 for 11 years. He was graduated from the eighth grade with distinction, being the only member of his class on the G.I. Bill.

THE PARTY LINE by Christie Vandergrift

IFC To Eliminate Rush Parties Over The State This Summer

The possibility of a series of interfraternity rush parties next summer was eliminated by the Interfraternity Council at their meeting Tuesday night.

The rush committee, headed by Dan Woodward, for some weeks had been working on a plan whereby IFC would sponsor a number of interfraternity rush parties over the state during the summer. These parties would primarily be held to introduce the incoming freshman to UK fraternity life as a whole, not to supplement the individual fraternity rush parties.

IFC decided, however, to postpone any further discussion on the project until next year. Although the group wanted to develop this program for the summer of '57, they felt it was too late this year to work out an adequate program

for this summer.

A partial list of prospective rushees for next fall was handed out at the meeting. At the previous meeting IFC had voted to have the list compiled from applications for enrollment already received in the Registrar's office.

Barkeley Baird, treasurer of the group, announced that next fall's IFC dance would be held on Dec. 8 at the SUB.

Commerce Honorary

The College of Commerce honorary, Beta Gamma Sigma, held its annual spring initiation and banquet, yesterday in the SUB.

Guest speaker was Ernest R. Mitchell, who was awarded honorary membership of Beta Gamma Sigma.

Those initiated were Stanley Gentry Davis, Betty Irvin, Douglas Lawhorn, Donald Schoit, Donna Jean Turner, John Warnecke, Roy Woodall, and faculty members John Masten and Walter Pearce.

For the first time, an award was presented to a sophomore with the highest standing. The recipient was William Gillespie with a 4 overall. Freshmen with the highest standing were Marilyn Lipsky and Richard Roberts.

Margaret Humphrey is president of the organization.

Pi Mu Epsilon, Mathematics honorary society, held its initiation banquet Friday, April 27, with Dr.

Frank Rose, president of Transylvania College as the guest speaker. New initiates were Jan Bartlett, Noel Cuff, Vera Cummins, Robert Keskins, Jack Dockery, Ralph Hoovermale, William Jones, Jackson Lackey, Garnet Stephens, Kenneth Stoll, Eugene Wilhoit, Joyce Lutz, Charles Vittitoe and faculty members, Profs. J. S. Calvin, Frank Levin and Thomas Rowland.

Spring Dances

Dances this spring have certainly been of many varieties and types. Last Friday the Kappa Sigs had "Poppa John Gordy" playing for them and elected Lissy May as their sweetheart. Before that the Sig Eps selected as their "Dream Girl", Harriet Hart. The KD's, Kappa's and Chi Omega's have all entertained in the spring fashion and in the coming weeks the Phi Taus will have one of the biggest formal this spring. They will travel to Cincinnati and board the Excursion Boat, "Chaperone" for a three hour cruise on the Ohio River.

The Deltas will again travel to Cumberland Falls for the weekend of May 19. That same weekend the KA's will hold their annual "Old South" Ball at the Phoenix Hotel. These dances are just a few of the many good ones that have been and will be held this spring.

Tomorrow many students will travel to Louisville for the Kentucky Derby. The following weekend is the Suky May Day Parade.

Pre-Med Society

Russell Zachem, a pre-med student was recently elected president of Pryor Pre-Med Society.

Other officers are George Hancock, vice president, Lenore Barber, treasurer, and J. M. Dishman, corresponding secretary.

Physics Prof To Speak

Professor Robert Becker, assistant professor of physics at UK, will speak on "The Nature of Deuteron and Alpha Particle Induced Reactions at Low Energies" at the physics weekly seminar which will be held at 4 p.m. Wednesday, May 9, Room 208 Pence Hall.

About 65 million Americans ride some form of public transit every day.

Kentuckian

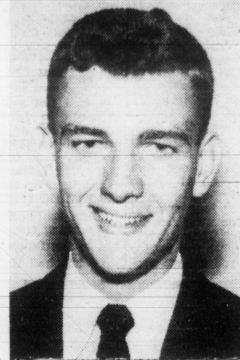

Perry Ashley, Kentuckian editor, announced that delivery of the Kentuckian can be expected in

about two weeks.

Ashley said that the Kentuckian has been printed and sent to the C. J. Krehbiel Co. of Cincinnati, Ohio for binding.

COLONEL of the WEEK

The Stirrup Cup disgustingly presents as its Colonel of the Week, Ray Hornback. (The Stirrup Cup actually had no choice in this matter, as Mr. Hornback is writing this mess and is making himself Colonel of the Week.)

Mr. Hornback frankly admits that his choice is purely a selfish one. But two delicious free meals are nothing to be sneezed at. After writing this weekly blob for two full semesters, Mr. Hornback feels he need not have accomplished anything to be awarded such a distinguished honor.

He also admits that this week's selection does not measure up with the top-notch selections of past weeks. But two delicious free meals from the Stirrup Cup are held in higher esteem than honor.

Printer's Note—We hope his standing is good enough that he will graduate this year.

Commerce Dean Returns From Meet

C. C. Carpenter, dean of the College of Commerce, has returned from the 38th annual meeting of the American Association of Collegiate Schools of Business and Annual Conference on Professional Education for Business, held at Berkeley, California, April 25-28.

Theme for the conference was "When Enrollments Rise." Dr. Carpenter said that there were 145 representatives from all the major schools of the United States.

He said that next year's conference would be held in Philadelphia.

Chief problems discussed were: coming flood of students and finding faculty and space to teach them, training of more faculty members, encouraging graduate students to go into teaching, getting teachers from industry, using present staff more efficiently, and use of mechanical, electrical, and clerical aids in teaching.

A small profit last year reversed a series of deficits for New Zealand's Railway System.

Jobs Available For Seniors

Seniors desiring job interviews through the UK Placement Service should keep in close touch with the Service from now until the end of school, Mrs. D. C. Kemper, Director, said today.

Just as many interviewers will be on the campus in May as there have been in previous months, Mrs. Kemper said, but it will not be possible for advance notification of these interviewers to be given as early as it has been.

It is also necessary for students to keep in closer touch with the Placement Service than previously, Mrs. Kemper said, so that prospective employers can have more up-to-date information on job applicants.

Organizations which have already scheduled interviews for May are the US Foreign Service (Liberal Arts and Graduate students)—May 4; United Air Lines (women in all colleges)—May 8, 9; Naval Officer Procurement Officer (men and women interested officer candidate program)—May 22-24 in the corridor of the Student Union Building; Louisville Bell Telephone (men in Commerce and Liberal Arts for all phases of work; Mathematics, Physics, and Engineering for technical work)—May 24.

Ray Hornback is this week's Colonel of the Week.

UK ROTC Department Commended By Singer

UK's ROTC department is "one of the best," said Col. Merton Singer, professor of military science and tactics at the University of Pennsylvania. Col. Singer, head of the inspection team for UK's annual military inspection, also said the department is "superior" in all phases of its work. Col. Henry H. Rogers, professor of military science said.

The other members of the inspection team were Lt. Col. Joseph V. Chaufy and Maj. Leonard Peterson. Lt. Col. Chaufy said he "doesn't know of anything that could be done to improve the program here." Maj. Peterson expressed that he "doesn't know of a finer (ROTC) rifle range." He added UK has one of the best shooting records in the country.

Col. Rogers said the cadets got very high ratings from the inspectors. He added the ROTC department got no demerits in the supply and equipment inspection, and only three "minor deficiencies" were noted on paper-work of the department.

The visitors had lunch with Dean M. M. White of the College of Arts and Sciences, the entire military staff, and Cadet Col. Douglas A.

Lawn, the brigade commander, and Cadet Col. John B. Chenault III, the regimental commander. "The (Arts and Sciences) College-ROTC cooperation is the finest," the inspectors noted.

Geography Class To Take Part In Field Trip

Students in the "Geography of Kentucky" class will take part in the regular field observation of the state, May 5-8.

Leaving Sunday noon, the group will cover the special land-form features of the Pennyroyal, the Mammoth Cave Plateau, the Jackson Purchase, and Western Coalfields.

They will stay overnight at Mammoth Cave National Park. While in this area they will study the Green River Gorge, the famous karst region, and Mammoth Cave.

Kentucky Dam Village, Gilbertsville, will be another stopping place. Kentucky Dam Village is a state-operated hostel for tourists and visitors.

Dr. Joseph R. Schwendeman, head of the Department of Geography, is to conduct the tour. His wife and daughter Beth Ann, will accompany him on the trip.

Ray Hornback is this week's Colonel of the Week.

UK Brass Choir To Return Tonight

The UK Brass Choir, under the direction of Prof. William Worrel, is scheduled to return tonight from a three-day tour of Eastern Kentucky where concerts were given at Hazard, McDowell, and Prestonsburg.

The brass choir is a service organization which meets on its own time for no academic credit. It was started in 1950 to give members an opportunity to read musical literature that they may later use as band directors.

The group serves UK as a small group that can perform at many functions for which larger groups would be either too expensive or impractical because of size.

Much To Do About A Little

President Herman L. Donovan left for New York Wednesday where he will attend a conference of the National Association of State Universities on May 7-8. Donovan was president of this group last year.

Following the New York meeting, Donovan will go to Nashville to attend a meeting of the Peabody College Board of Trustees May 10. He will return to the campus May 12.

Two members of the Modern Foreign Language Department will attend the 39th annual meeting of the Central States Modern Language Teachers Association in Chicago on May 4-5. Dr. Gerhard Probst and Dr. Blaine W. Schick will represent UK at the meeting.

Dr. Arthur C. McFarlan, head of the Department of Geology, went to Cumberland Gap on April 28 to study the rock strata of the area. He was accompanied by three graduate students, Melvin Smith, William Conyers, and Wallace McCord.

The YWCA and YMCA spring retreat will be at the Blue Grass Christian Assembly grounds on May 4-5.

The retreat is for the old and new cabinet members to evaluate the year's "Y" programs and plan the 1956-57 program.

The cost is \$3. Reservations can be made by calling the YMCA or YWC Aoffice.

A tea for the YWCA Advisory Board and cabinet members will be from 3:30 to 4:30 p.m. Monday, May 7 in the Music Room of the SUB.

A report on the plans made at the evaluation and planning retreat is to be given by Betty Gabehart, YWCA president.

Miss Freja Peterson, a representative of United Air Lines, will

be on campus May 8 and 9 to interview any girls interested in becoming a United Air Line stewardess.

Appointments may be made by seeing Mrs. Katherine Kemper in the Administration Building or calling ex. 2278 or 2365.

To qualify for a stewardess a girl must be attractive, unmarried, 21-27 years old, under 135 pounds, 52" to 57", good vision, college training, a registered nurse, or a high school graduate with related experience in public contact work.

All pre-pharmacy students are to meet Wednesday, May 9, at 4 p.m. in room 111, McVey Hall. Those in this field of interest should attend to learn about the requirements of the State Board.

Dr. Gladys Kammerer, political science, has been selected as National Secretary of the American Political Scientists Association. She also just received a grant-in-aid for 1957 from the Social Scientists Research Council.

Roy Kavanaugh, Delta Tau Delta candidate, won the Alpha Phi Omega Ugly Man contest last week. He was awarded a trophy at the K Club dance Saturday night. Money collected from the contest by APO will be used next year on campus projects.

Alpha Lambda Delta, freshman scholarship honorary society will have its initiation 6 p.m. Tuesday.

The annual Home Economics Club breakfast for graduating seniors will be held at 8 a.m. Sunday, May 6, at the Home Economics Building.

The guests will include Dr. and Mrs. Herman Donovan, Mrs. Sarah B. Holmes, Miss Jane Haselden, and the faculty of the School of Home Economics.

Breakfast will be prepared and served by the Home Economics Club members.

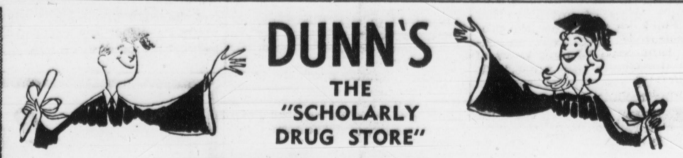

Do you want to know about your Student Government Association? Watch the bulletin boards. Copies of the SGA min-

utes will be posted on campus bulletin boards for the benefit of the students.

A reception in honor of Dr. Lyman V. Ginger, dean of the Extension College, will be held Tuesday night at the Education Building. Dr. Ginger has been selected as nominee for vice-president of the National Education Association.

The University of Kentucky has given a grant for graduate work in geography to J. Alan Rayburn of Ontario, Canada. He has an especial interest in land use and settlement, and plans to write a thesis on the population distribution of Orangeville, Ontario.

Dr. E. G. Trimble has been named as acting head of the Political Science Department during the absence of Dr. Amry Vandensbosch in the Orient.

UK Library Termed Tops Administratively

Although the UK Library has the lowest administrative costs of any large library system in the nation, it is tops, qualitatively, among all southern universities.

To acquire and catalog another comparable collection of the 700,000 volumes now in our library would cost approximately \$10,000,000.

In 1955, more visitors came to the King Library than the total number of spectators at a Kentucky-Tennessee football game.

Since the accession of the first book in 1909, when Miss Margaret I. King set up UK's first library in the old Carnegie Building, the library has grown rapidly. Within two decades the Carnegie Building

was over-crowded and in 1931, the bulk of the collections was moved into the present library building.

When Miss King retired in 1948, this building was filled with 427,000 volumes, a growth exceeded only by the UCLA Library among institutions founded in the Twentieth century.

To keep up this progress, larger book funds, salary scales to compete with neighboring institutions, and an addition to the building are needed.

Religious Notes

Newman Club

A Mass, celebrating First Friday, will be said at 5 p.m. today in the Newman Club Chapel at the corner of Lexington and College View.

Confessions will be heard from 4-5 p.m. Saturday, in the chapel.

Masses will be said at 10 a.m. and 11:30 a.m. Sunday, May 6, in the chapel.

Newman Club members will participate in a Living Rosary and May crowning in honor of the Blessed Mother at 7:30 p.m. Tuesday, May 8, at Memorial Hall. A statue of the Blessed Mother will be crowned by one of 12 Newman Club members who are candidates for the honor. Four of the girls will attend her. Candidates are Dorothy Jane Allen, Sandra Connell, Martha Richardson, Pat Nichols, Jerry Sheridan, Joan Reid, Mary Neel, Martha Kuebler, Joan Weissinger, Joann McElroy, Laura Watson, and Pat Mosely.

DSF

A Disciple Student Fellowship study group will meet from 6:30 p.m. to 7:20 p.m. Tuesday, May 8, in Room 127, SUB.

Noonday worship services are held from 12 noon to 12:15 p.m. Monday through Friday, in Room 127, SUB. All Christian church students are invited.

DSF members attended a two-state conference April 27-29, at Bethany Hills, Tenn. "Let Love Be Genuine: Thorough Revolution and Reconciliation" was the theme of the DSF conference. Lexington was represented by students from UK and Transylvania College.

Canterbury Fellowship

The Canterbury Fellowship will have Evensong at 6 p.m. Sunday, at the Canterbury House, 472 Rose St. A dinner will be held afterwards.

Holy Communion will be celebrated at 7 a.m. Wednesday, May 3, at the Canterbury House.

Westminster Fellowship

A supper will be held at 5:30 p.m. Sunday, May 5, at the Westminster House, 178 E. Maxwell St. A planned program will follow.

Study group will meet at 4 p.m. Thursday, May 10, at the Westminster House.

Baptist Student Union

Baptist Student Union members are asked to sign up to attend Student Week, to be held June 7-13, at Ridgecrest Baptist Assembly in North Carolina, at the BSU Center, 371 S. Limestone St. Registration fee is \$2.50.

Noonday devotions are held from 12 noon to 12:15 p.m. Monday through Friday, at the BSU Center.

Wesley Foundation

The Wesley Foundation choir will sing at Christ Methodist Church at Louisville at 10:45 a.m. Sunday, May 6. Cars will leave for Louisville at 8 a.m. Sunday.

A Sunday evening program will be held at 5 p.m., May 6, at the Student Center.

YW-YMCA

YW-YMCA members will have retreat May 5-6 at Gentry's Old and will be held at the "Y" office in the SUB. The group will meet at 1 p.m. Saturday, in the "Y" Lounge.

A tea for the YWCA Advisory Board and Cabinet will be held on 3:30 p.m. to 4:30 p.m. Monday, May 7, in the Music Room of the SUB. Incoming and outgoing members of each group are invited. A report of the retreat will be given.

The YW-YMCA will meet at 7 p.m. Tuesday, May 8, in the "Y" Lounge.

Why Sen. Estes Kefauver
reads The Reader's Digest

"A magazine like *The Reader's Digest* takes up where school leaves off. It touches on an impressive array of significant subjects. It throws a white light on the issues that confront us. It educates as it entertains."

**In May Reader's
Digest don't miss:**

CONDENSATION FROM BEST SELLER: "HOW TO LIVE 365 DAYS A YEAR." Half of those seeking medical aid can blame badly handled emotions, says Dr. John Schindler. Here he contrasts the damage done by flare-ups and worry with the healing power of good emotions, and gives 7 steps for cultivating a happier disposition.

THE CURIOUS CUSTOM OF GOING STEADY. Cameron Shipp describes the elaborate rituals and taboos of modern teen-age social life.

THE ART OF UNDERSTANDING OTHER PEOPLE. Before we judge another, we should ask: "Might I not be as bad or worse if faced with his troubles?" Clarence Hall shows how amazingly our souls are enlarged by searching out the best in others.

WHAT WOMEN DON'T KNOW ABOUT BEING FEMALE. "As a doctor," says Marion Hilliard, "I don't believe there is such a thing as a platonic relationship between a man and woman who are alone together a good deal." Here are her reasons.

Get May Reader's Digest
at your newsstand today—only 25¢

43 articles of lasting interest, including the best from leading magazines and current books, condensed to save your time.

Shannon To Speak On Wilson At Political Science Conference

Dr. Jasper A. Shannon, Political Science Department, will speak before the Midwest Conference of Political Scientists in Milwaukee, May 3.

Having as his topic "Woodrow Wilson As A Domestic Political Leader," he will talk during the first of a two-part roundtable discussion of Wilson.

The first half of the discussion will concern the life and domestic policies of the 28th President. International leadership is to be considered during the second part of the program.

Dr. Shannon says that Wilson's election in 1912 over strong and

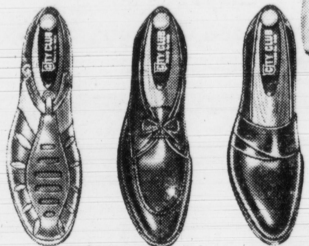

experienced political foes was a minor miracle. He attributes it to a party split, based on regional factionalism, because "congealed hatreds of the Civil War made it impossible for the agrarian South to vote Republican and well nigh impossible for the agrarian Northwest to vote Democratic."

Wilson composed a "New Freedom" by reshaping political philosophy to campaign oratory that lacked clichés, or grammatical errors. According to Dr. Shannon he "simply coasted to victory on rhetoric composed of metaphors reduced from commencement to popular appeal."

"ARE YOU IN STEP?"

asks ANNE FRANCIS co-starred in MGM's "FORBIDDEN PLANET" in CinemaScope and Color

The girl in your life, like Anne, dresses properly for each occasion. And she expects you to be in step, too, with shoes like:

Northwestern Professor Gives Delinquency Talk

Dr. Robert H. Gault of Northwestern University will address the students and faculty of the University and the general public on the subject, "The Prevention of Juvenile Delinquency." The talk will be heard Wednesday night in Room 6 of the Fine Arts Building at 8.

In previous publications and addresses, the speaker has taken the general position of believing the control of delinquency depends mainly upon the development of "strong character." This, he holds, is principally in the hands of parents, because they are first on the ground and are in a strategic position to help in the development of "character."

Dr. Gault will also present what he believes to be the role of educational and religious leaders in the control of delinquency. At present, Dr. Gault is emeritus professor of psychology, at Northwestern University. Since 1911 he has been editor-in-chief of the Journal of Criminal Law and Criminology, a Northwestern University publication. The Journal was the first publication in English devoted to criminology and has since been recognized as a leader among periodicals of its kind.

Dr. Gault was closely identified with the Juvenile Court movement in its earlier years in Chicago, and even more with the early work in that city toward social and mental hygiene.

He is a member of the usual

national and international societies of criminologists and psychologists; fellow and life member of the American Association for the Advancement of Science, and of the American Psychological Association; life member of the Chicago Crime Commission; honorary member of the Argentine National Institute of Penology; and member of the Panel of the American Arbitration Association, etc.

The address is sponsored by the UK Department of Sociology.

Cooperstown

(Continued from Page 1)

The repayment charges on the \$2,800,000 construction loan will be \$36.24 a month for each apartment. The buildings actually cost \$3160,000, but the University was able to use \$250,000 of its own funds. The bond issue for the project was sold to the Nuten Corporation of Chicago at an interest rate of 3.19 per cent. This rate, President Donovan said, is lower than the one quoted to the University by the government. The loan will be repaid over a 40 year period.

The total average expense for each apartment will be \$61.75 a month. The University has added a vacancy loss charge of nine per cent to this price. Shawneetown has a four year vacancy average of 12 per cent.

All the rent money will be placed in a separate fund for retiring the bonds. Vice President Peterson said if the fund should accumulate a surplus it will be used on the debt and the rent will be reduced proportionately.

The brotherhood of man is not a dream: it is a fact. And if mankind is to survive as a species, this fact must be recognized. This curious point where biology and religion meet must be our new point of departure, the only basis for a brave new world—its alternative being war and chaos. — Stuart Cloete

Man was created alone, for the sake of peace among men, that one might not say to his fellow: "My father was greater than thine." — Mishnah, Sanhedrin, iv. 37

I-M Softball In Full Swing

PKT and SN, both battling to remain undefeated in the Intramural softball tourney, clashed Tuesday with the SN's emerging as victors, 5-3. SN is shown here at bat.

4-Run Homer, One Hitter Tops I-M Softball Play

A grand slam home run and a near no-hit game featured the intramural softball play during the past week.

In a game Tuesday won by PDT 15-0 over KA, Carroll Teague came within one out of pitching a no-hit ball game. In this same contest, Dan Buffler hit a grand slam homer to help lead the PDT's to victory.

Monday evening action saw SAE score three runs in the first inning and explode for six more in the third as they downed SPE 12-1. KS scored three runs in the first frame and went on to defeat LXA 12-3. Don Ecton, LXA, hit a homer with one man on base for the losers.

In Tuesday night games ATO scored three runs in the last inning to overcome FKA 10-9. SN, led by the hitting of Jim Campbell and Dave Noyes, defeated PKT 5-3. SN scored four of its runs in the big fourth inning to down the PKT's.

Vandy Varsity, Frosh Top UK On Cinders

By BOB SMITH

Vanderbilt's power laden thimles inflicted double injuries on Kentucky, as they defeated the UK varsity and freshman thimles on Stoll Field Saturday, 85 $\frac{2}{3}$ to 50 $\frac{1}{3}$ and 77 to 59.

Dave Franta, the freshman sensation once again drew rave notices with his star performances. He bowled over the UK freshman sole vault record with a soar of 13' 4".

He also proceeded to maroon "Shipwreck" Kelly's broad jump record of 23' 5 $\frac{3}{4}$ " and set a new school standard at 23' 8".

Billy Mitchell was the big man for the varsity, netting 14 points. He turned on the heat in the 100 and 220 yard sprints and outran his opposition in both dashes. He gained points with a second place

in the high jump and for Kentucky's win in the 440' relay in which he ran anchorlap.

Ray Blasingame, one of the Wildcat's big guns, was held to a single victory, the 220' low hurdles, in which he avenged a defeat that Vandy's Charlie Horton had handed him in the high hurdles. Blasingame's winning effort was clocked in 24.9.

Buddy Goins, freshman griddler for UK, wound up high point man of the afternoon. Goins set a freshman discus record with a 134' 4" hurl, a toss better than the varsity mark set 19 years ago.

He dominated the sprints with first place finishes in the 100 and 220, winning the latter in 22.3 and added to his total with a third in the shot put.

Tom Jones flew 12 feet to cop the varsity pole vault, his third triumph of the season and Dayton

UK Hitters Finally Explode For Seasons First Homers

Gerry Calvert hit two home runs and Bill Livings hit one in the Transylvania game for the first Wildcat homers of the season.

Ken Morris continued to lead Wildcat hitters with his 367 batting average through 18 games. Lavon Lewis raised his average 22 points during the past week and now owns a lusty .340 hitting percentage. Other .300 hitters are Calvert (.308) and Livings (.304).

Calvert also batted in four runs in the Trans game and raised his lead in this department to 13 runs batted in.

Ken Lehkamp, a lefthander, continues to lead the Wildcat hurlers with his 1-2 record. "Cookie" Grawemeyer also a southpaw, won his first game of the season against Transylvania and now has a record of 1-4.

As a team the UK squad is hitting at a .227 clip which is a rise of 12 points over last week. The Kentucky defenses improved over the week as they only committed one error and raised their fielding percentage to .897.

UK pitchers have allowed 142 earned runs in 154 innings and have struck out 87 batters and given up 133 walks.

Ann Abernathy is from Hopkinsville, Ky.

Spiked Shoe Society Holds Annual Relays Today; More Than 350 High School Athletes To Compete

Santee Changes Mind

Amateur Status Clear, Seaton Tells Coaches

Over 350 high school track stars will participate in UK's annual Spiked Shoe Relays starting at 1:30 p.m. today with the field events and at 7:30 tonight with the relay races.

This large group of high school tracksters represent 22 schools throughout the state. Although no team championship is given in the relays, the defending Kentucky state track champions, Ashland's Tomcats, are expected to win many laurels in the one-day meet.

The Tomcats have a strong 21-man team headed by their sensational star, Jim Rutledge.

Ashland is paired in Class A competition along with Henry Clay, Lafayette, Atherton, Manual, Southern, St. Xavier, Valley and Dixie Heights.

E. G. Plummer, state mile record holder, is the main reason why Danville is considered a dangerous threat in Class B competition. Besides Danville, the Class B group will include St. Joe Prep with its cross country champion, Press Whelan. Others are Elkhorn, Eubank, Highlands, KMI, Lexington Catholic, Oldham County, Trimble County, Simon Kenton, Trinity, University High, and Versailles.

The finals of the Intramural track meet's 880 yard relay will be run tonight in the Spiked Shoe Relays around 8:45 p.m. Six teams qualified yesterday afternoon for this final event.

Since Wes Santee is scheduled to make an appearance on the Stoll Field track, many high school coaches have asked if their athletes would retain their amateur standing running in the same meet with Santee, who is under pressure by the AAU because of his questionable amateur standing.

Dr. Don Cash Seaton, UK's track coach and head of the relays, cleared all doubts of the high school coaches by stating "I have been assured by high school officials that absolutely no danger over their boys' amateur status will exist by virtue of their participation in the same meet as Santee. He will run in an entirely separate exhibition race."

Vandy Wins

Matlock bettered his own personal mark with a 22' 6" win in the running broad jump.

The relays were split, Kentucky winning the 440 in 44.4 and Vandy the mile relay in 3:39.4.

Pat Swan picked up twin victories for the visitors in the shot put and discus toss. Charlie Horton added the javelin throw to his high hurdle victory and Tom Adams captured the mile and two mile runs.

Dave Rodahoffer and Gurney Norman were the only two freshmen besides Goins and Pranta to finish in a first place position for the Kittens.

Next on the agenda for Coach Don Seaton's runners will be a home contest with Western tomorrow. Coach Dwight "Speedy" Price's frosh remain idle.

Bacteriological Society

Dr. Riley D. Housewright, chief of the Medical Bacteriology Division at Ft. Detrick, Frederick, Md., will address a meeting of the Bacteriological Society at 7:30 p.m. Monday. His subject will be, "Biosynthetic Control of Morphology and Virulence."

We have committed the golden rule to memory; let us now commit it to life.—Edwin Markham

Sports Questionnaire

What's Your Opinion About Inter-League Baseball Schedules?

By MOT NOTSERP

In the June issue of Sport Magazine, the editor's column, Time Out, asks the question, Why Not Inter-League Baseball.

The column continued by saying, "Hank Greenberg, the articulate general manager of the Cleveland Indians, has advocated for several years that the major leagues adopt a radical schedule change that would match each club at least once during the season with every ball club in the other league—the inter-league games to count officially in the pennant races. Thus, Cleveland would take eight games off its regular home schedule and replace them with eight visits by National League Clubs."

The Kernel Sports Department feels that this is an interesting question for sports fans to kick

around. The staff therefore is wondering how UK students would react to such a schedule change.

Because of this, the kernel is asking its readers to fill out the questionnaire below and send it in. Either bring the opinions by the sports office in the Journalism Building or mail them. By the way, it doesn't cost a thing to mail matter on campus!

If enough replies cross the Sports Editor's desk, he will forward them to the editors of Sport Magazine.

Any other comments that would be of value concerning this question will certainly be appreciated.

QUESTIONNAIRE

I favor the schedule change suggested by Hank Greenberg. ()

I DON'T favor the schedule change suggested by Hank Greenberg. ()

Send to: Tom Preston, Sports Editor, Kentucky Kernel.

Mr. Kentucky Contest To Be Held May 13

Plans for the coming Mr. Kentucky Physique and Odd-Lift Contest will be discussed at a meeting of the Wildcat Barbell Club at 4 p.m. Thursday, May 10, in the weight lifting room of Alumni Gym.

The contest will be held at 2 p.m., May 13 in the Euclid Avenue Building Auditorium. The contest is sponsored by the club.

Local track fans can see Wes Santee in an unusual position tonight as he will try to break the half-mile record instead of the much publicized four minute mile.

Santee will go after Mal Whitfield's Stoll Field record for the half-mile or 880 yd. run of 1:51.1 in the feature event of the annual Spiked Shoe Relays.

The former University of Kansas miler called Dr. Don Cash Seaton, UK's track coach and head of the relays, Wednesday morning and asked him if he could run some other distance event. Dr. Seaton suggested the half-mile and Santee accepted the challenge.

Regarded as America's greatest miler, Santee told Dr. Seaton that due to his present uproar with the Amateur Athletic Union, he did not feel in the right mental attitude to give the local fans his best performance in the mile.

Santee, just last week turned in a 4:12 mile run in Virginia, but the fans down there thought it was a terrible performance.

Dr. Seaton called Wes's last run as a "terrific mile," and he expressed belief that the fans attending tonight's relays will give Santee a good reception.

Three or four weeks ago, Santee called Dr. Seaton and the famous miler expressed a great desire to go all out to break the four minute mile.

Santee, a Marine lieutenant, follows many of the track and field events which have previously performed in the Spiked Shoe Relays.

The first great track star to appear here was the Olympic 100 meters and high hurdles champion, Harrison Dillard. That was in 1948 when the relays was

started. The Rev. Bob Richards, Olympic pole vault champion, Mal Whitfield, two time Olympic middle distance champion, and Lem Trues, another Olympic star, all have appeared as guest stars of the annual relays.

Barney Miller's

WES SANTEE, if he keeps going at his present clip, will become more of a headache to UK and track coach Don Cash Seaton than an asset.

First, Santee assured Coach Seaton that he would go all out in trying to break the four minute mile. He emphasized how hard he had been training. Now, the Marine officer has decided that he can't fight the four minute mile record here in Lexington. He has asked UK if he might run another distance. He received his wish.

In the meantime, Dr. Seaton has been working night and day trying to round up mile runners to go against Santee. Under fire from the AAU, Santee has a questionable position in the amateur ranks. Therefore amateur runners won't compete against him for fear of being declared a professional.

Besides fretting over the track star from Kansas, Dr. Seaton has been planning for the hundreds of high school performers who will be on campus today for the Spiked Shoe Relays. I bet he'll be glad when this day is over!

CONGRATULATIONS to Bill Wheeler. A regular tackle on Kentucky's football team, President of the Arts and Sciences senior class, and a member of ODK, Wheeler has been honored by Phi Beta Kappa. Brains and brawn certainly go hand in hand with this outstanding fellow.

A publicity release from the University of Mississippi says that, "Mississippi's football calling card this autumn may not carry the Johnny Reb's past the third quarter. The big need is for experienced depth." But a fingertip survey of the first team shows six offensive positions that should be stronger than last season and four of five defensive posts which have no worries. If the 1955 SEC football champs aren't any weaker than that in starting positions then they won't be crying too much next fall. It's amazing how coach Johnny Vaught can cry about not having the material and then suddenly find a little extra punch. Must be experience of coaching that does it!

TIPS ON TOGS

By LINK

SPLASH — That is a wonderful sound whether it comes from pool, river or lake. A sound of fun and relaxation and you will enjoy your swimming party more if you are wearing keen, streamlined swim trunks. "Jantzen" and "McGregor" have some terrific models on the market this year. The most popular is the brief reversible type in a wide variety of colors and patterns. Cabana set (matching shirt and trunks), are considered very smart — particularly for week-end parties, etc. Another item that will be seen quite a bit at beaches and pools this year is a little carefree straw hat made up in the "Tyrolean" style and worn with swim trunks or Bermuda shorts. It is advisable to buy your trunks early while the selection is good. When the season starts, swim trunks move so fast that it doesn't take long until the supply is exhausted. A word to the wise . . .

GEREN BYBEE — Of Sigma Phi Epsilon fraternity, is sporting one of the new "walking suits" (that I told you about last week). He selected the olive shade "Duke" model that has the matching Bermuda shorts, besides the regular suit pants. He wears his clothes extremely well and looks very sharp in this outfit. By the way — he chose black as his contrasting color. Nice going, Bybee!

A THANK YOU NOTE — To the swell bunch of guys of "Kappa Sigma fraternity" for the invitation to their dance last Friday night and I want to extend congratulations to the decorating committee — you did a wonderful job. I especially liked the huge Japanese lanterns that ran from ceiling to floor, with pastel lights glowing from within. Everyone was appropriately dressed and — to quote an old saying — "a good time was had by all."

So long for now.

Cats Avenge Early Season Loss By Defeating Transylvania 14-7

By LOWELL GRIFFIN

Kentucky's Wildcat baseball team avenged an earlier season setback as they trounced Transylvania last Friday, 14-7.

The Pioneers had defeated the Wildcats 7-4 in a previous contest. Cookie Grawemeyer went all the way for the Cats to gain his first victory of the campaign. The "anky" southpaw was in trouble in only one inning as he allowed the Pioneers nine hits and issued only four bases on balls.

Grawemeyer was very effective in the strikeout department as he fanned 19 of the Transy batsmen. He wiffed seven of the last eight

Calvert had two home runs and a single and Livings had a home run and a triple.

Jimmy Hutchens, who won the previous contest for the Pioneers this season, was the losing pitcher.

The Wildcat record now stands at two wins and sixteen losses.

Today and tomorrow the Cats play host to the Tennessee Volunteers on the Stoll Field diamond as they try to avenge two earlier defeats by the Vols.

Tennessee won the previous games at Knoxville, 6-3 and 7-1. Next Wednesday, May 9, the Wildcats will play Eastern on the home field.

Kittens Add Three Wins

Kentucky's freshman baseball team continued its winning ways by adding three victories to the record.

Last Friday the Kittens defeated Manual in a doubleheader on Stoll Field, 7-2 and 9-0. Joe Dawson was the winning pitcher in the first contest as he struck out 11 men and gave up only six hits. He also contributed a home run to his cause.

Don Baskette also had a home run and Doug Shively a triple.

In the second game, Jim Host, ex-Ashland, ace, allowed only two hits as he coasted to his shut-out win. Host also fanned 11 batters.

Shively had a double and two singles and drove in three runs. Vince Lococo and Scott Duncan had two hits in the night-cap.

On Monday, April 30, the Kittens blanked Shelbyville 5-0 as Dawson gave up only two hits, both singles.

Vince Lococo paced the winners with a double and a single.

UK Freshmen Easily Down Prep Thinlies

The Kitten track team descended into high school competition Tuesday and easily outscored three neighboring schools, Danville, Lafayette and Henry Clay. The scores in that order, 63 to 36 to 32 to 21.

The freshmen dominated their younger rivals and seized eight first places in 14 events. Buddy Goins and Dave Franta personally accounted for the Kentucky victory, taking five first places between them.

Goins was top point getter with victories in the 100 and 200 yard dashes and also captured the laurels in the discus throw besides aiding UK in taking the 880 relay.

Franta easily eliminated his rivals in the pole vault with an 11 foot leap and then quit at that mark, not wishing to assault any more records. He also won the running broad jump with a 21' 1" effort.

Paul Sloan sprinted the 440 in 52.6 for an additional Kentucky triumph.

E. G. Plummer of Danville was the outstanding high school participant in the quadrangular meet. He spanned the mile in 4:40.9 and won his second event of the day by speeding the half mile in 2:08.4

SGA Platforms

(Continued from Page 1)

Sharon Miller, chairman of the Students Party, said that the reason for the two candidates running on two slates was that the Students Party wanted the best candidates possible.

Buzzy Nave, of the Law School, is running on the ticket of the Students. He is a member of the Barristers Party.

The planks of the platforms of the Constitutionalists, the Students, and the United Students, are respectively:

1. To continue on working with the library officials to obtain extended library hours on Sunday in order to satisfy the students who find it necessary to work in the library on weekends.

2. To strive to give SGA more power by allowing the president of SGA a vote in University Faculty meetings.

3. To insist that a traffic signal be installed at the intersection of Washington and Rose streets. We will also insist that sidewalks be reconitioned on the campus. These two problems must be solved as the sidewalk condition not only detracts from the appearance of the campus but is endangering the student's safety and, of course, the installation of a traffic signal at the intersection is needed for the safety of students.

4. To establish a SGA committee for student organizations to work in conjunction with the present faculty committee for students organizations, thereby giving the students and organizations on campus a participating voice on that committee which has been a factor in shaping the destiny of present day organizations.

5. To conduct a thorough investigation into the present intramural difficulties and try to remedy the situation by seeing that better organization and playing conditions are obtained.

1. We shall improve the Student Government Association with a stronger Constitution written and voted on by the students.

2. We shall integrate the Student Government Association Social Committee with the Student Union Board Social Committee.

3. We shall investigate the methods by which other universities have effective pre-registration and thus work out an effective pre-registration system for UK.

4. We shall inform the student body of the activities of SGA and work toward a closer relationship between the colleges and their representatives:

(a) By publishing the SGA agenda in the Kernel each week, with the cooperation of the Kernel staff.

(b) By stressing the openness of SGA meetings.

(c) By posting in a centrally located place in the Student Union a list of the Assembly members and a way by which these members can be contacted by students of their respective Colleges.

(d) By having organizations on campus each send a non-voting representative to SGA meetings who will have privilege of discus-

Engineers

steamboat, and a miniature train. Also in operation will be a turbine operating by steam produced from the heat of the sun. An induction heating oven, similar to those on the market, will be on display.

A set of anvil bookends, poured in the engineering foundry, will be awarded as a door prize.

Souvenir ash trays will be given away. A visitor may watch the trays being made in the mechanical laboratory, and if he desires he may have his name engraved on a tray.

Prejudice is not held against people because they have evil qualities. Evil qualities are imputed to people because prejudices are held against them. — Marshall Wingfield

To exert every possible effort to eliminate un-democratic practices and undemocratic attitudes, to do all that we can do to close the gap between our professions of democracy and our practice of it... is the only way that we can achieve our maximum national strength and unity and fully discharge our international responsibilities. In these critical times, this we must do. We cannot afford to do less. — Ralph J. Bunche

The great secret is not having bad manners or good manners of any other particular sort of manners, but having the same manners for all human souls. — George Bernard Shaw

sion, and will report the activities of SGA to their respective organizations.

(e) By having a booth in the Student Union at a definite time each month with SGA representatives present to give interested students information about SGA and to take suggestions involving SGA policies.

5. We shall promote the idea of student convocations at which programs would be scheduled of interest to the entire student body.

6. We stand for the betterment of public relations and publicity at the University of Kentucky with, as a possible solution, a pamphlet to prospective students.

7. We shall reorganize the SGA Assembly as the University of Kentucky enrollment increases to allow for more representation instead of re-apportionment.

8. We shall stand for student representative at faculty meetings.

1. Have SGA president and executive committee meet twice a month with the University president so as to have a direct liaison between the president on all new policies, regulations, and problems.

2. Have a committee from SGA meet with a committee from the University Faculty, so as to have a better working relationship between the two.

3. Have the president of House President's Council, president of Men's Dorms Association, and the president of the Married Student's Association be automatic voting members of SGA.

4. Petition the Board of Trustees through the President of the University to give SGA more broad

powers concerning the regulation of conduct and handling of student facilities on the campus.

5. Have the SGA president during Orientation Week explain the mechanics, the duties, and responsibilities of SGA and its party system.

6. Have a sliding scale in SGA whereby the number of representatives in the General Assembly may increase or decrease in proportion to an increase or decrease in the enrollment.

7. Appoint a standing SGA committee to help direct Maintenance and Operations in carrying out students' ideas and requests in keeping the campus clean and orderly.

8. Appropriate funds for bi-weekly student jam sessions.

9. Continue beef sessions in SGA.

10. Abolish the rule that cars must have UK parking permits before driving across campus.

11. Establish a Sadie Hawkins Day Contest and Dance and a "little 500 bicycle" race with the proceeds to be given to the Alumni Association in its effort to establish more scholarships at the University.

12. Sponsor elections of class officers for each college and have the president of each class an ex-officio member of SGA.

13. Sponsor state and national political debates on issues and elections by bi-partisan people.

14. (a) Have all business referred to a committee and placed on a planned agenda before being discussed in SGA.
(b) Demand that all reports from committee or individuals be written.
