

"WITH THE COLORS"

Oct 16 18

Dear Folks +

Wrote a few days ago but received a coupon for a Xmas postage this morning and thought I might as well use the opportunity to get something from home. I don't believe there are many optimists enough to think they will eat Xmas dinner at home.

We are still located in billets. It has been raining almost all the time the last few days so I am glad to be in the dry at night. We have made a stove out of a coffee can and it makes it
