Herolstein Germany

Dear Folks:

Another year has rolled around and finds me sitting on a 'bunk' on the fourth floor of an old Gasthaus in Herolstein. While last year I and I were bumping over the roads in a Ford bound for Kellerton. Things have changed a lot since then and I want them to change some more before another year passes.

Received the package the day before Xmas along with some letters. Everything tasted good and was about what I wanted. The fruit cake
