Dear Folks -

I still existing here  
in the same old town. The  
fact is I have been here longer  
than any one place since I  
have been in the army,  
six weeks last Saturday.

Rumors come in thick and  
fast about our leaving here  
for Russia, Coblenz or an  
embarkation point. I don't  
consider the first and feel  
doubtful of the other two  
for a while yet. I am  
little I was about the armistice  
signing. I believed it when  
the <sup>guns</sup> had actually quit for a  
day or two. Now I will  
believe we are going home
