W. B. Seaton, Esq.,  
Ashland, Ky.

My dear Seaton:

I did not know until yesterday when I received your letter of the day before of Mr. Peebles' death. But I remarked a dispatch from California in this morning's newspaper mentioning it. Mr. Peebles has been obviously an invalid for so long that his death could hardly have taken his family or friends by surprise.

I was sorry to have missed you on your visit some weeks ago, and shall hope for better fortune when you come down again.

As I remember, the next regular Board meeting would fall on Wednesday, January 18. I have some notion of going to Toledo for a meeting to be held there on January 19, and if our Board meeting could be held on the 16 or 17 it would set me free to do so. Will you consider whether this may be done without inconvenience to the other members of the Board?

It seems to me clear that at the next Board meeting we should elect one of Mr. Peebles' sons to succeed him in the Board. You will know best which one to propose. I don't think we should delay this. The one who is to be Executor of his will is probably the proper member.

Pray give my regards to Mrs. Seaton, and believe me

Sincerely yours,

*Jno. F. Winslow*
