The above is a report of the 1957-58 contributors by counties in Kentucky and by states as of July 1.

Last year (1956-57)—5,266 alumni contributed \$29,952.00.

This year — Beginning June 1, 1957, we asked 25,000 alumni to contribute \$125,000.00

AS OF JULY 1—1,693 alumni have contributed 11,546.00

Leaving 23,307 alumni to subscribe the remaining 113,454.00

AN HONOR ROLL containing the names of all contributors to the 1957-58 Alumni Fund will be published in 1958. This will include annual members, associate members, life members, and 1957 U.K. graduates.

OUR THANKS to the alumni clubs, the officers, and members for their support. July 1 of this year there were 868 more active members than at the same date last year—a 100% increase. Please keep us moving. Tell everyone about the Alumni Honor Roll. A \$5.00 contribution will put their names on the roll.

Yours for a greater University of Kentucky.

Alumni-Staff House Honors J.W. Carnahan

Residence Named For Generous Donor

The handsome residence at Coldstream Farm, the 1,125-acre farm purchased last winter by Gov. A. B. Chandler for the Commonwealth of Kentucky to be used by the University as an experimental farm, has been named officially "Carnahan House" in honor of J. W. Carnahan, '96, of Chicago, eminent alumnus and renowned textbook publisher, who has contributed \$30,000 to the project for its renovation and redecoration.

The residence, designated by President Frank G. Dickey for use as an Alumni-Faculty house shortly after its acquisition, stands within an eight-acre stone-walled enclosure and was the main house on the farm. Supplemented by a swimming pool and a tennis court, this beautiful and gracious residence will be used by alumni and faculty of the University for social and recreational purposes and is now in the process of being readied for such use.

Dr. Carnahan made an initial gift of \$15,000 for the purpose of establishing such a house a year before the present land was acquired, at which time he promised to make an annual contribution to the project. With the windfall of the new property, representatives of the Alumni Association visited Dr. Carnahan in Chicago and outlined the possibilities of the house to him, at which time he again pledged to continue his annual contributions until the estimated \$60,000 needed for complete renovation and redecoration had been contributed.

Early in the spring a membership campaign was conducted among faculty members and alumni living in Lexington and the adjoining counties of Jessamine, Scott, Bourbon, Woodford, Madison and Clark, for the purpose of obtaining resident memberships in the house. More than 500 faculty and active members of the Alumni Association took out resident memberships, which assured the successful operation of the project, at which time President Dickey appointed a steering committee, headed

by Vice President Frank D. Peterson, for the purpose of getting the project in operation.

At this writing it was expected that out-door facilities at the house would be available in the immediate future, with the residence itself to be readied for operation not later than September 1.

On June 16 the entire membership was invited to meet on campus to formulate an organization and to select a board of directors, by which group the officers of the organization would be chosen. The following were elected from the faculty: Dr. Frank D. Peterson and Dean R. E. Shaver for two-year terms; and Dean Lyman Ginger and Helen G. King for one-year terms. From the alumni the following were elected: Penrose T. Ecton and Robert H. Hillenmeyer for two-year terms; and Dr. Ralph Angelucci and J. Ed Parker, Jr., for one-year terms.

Dr. Dickey Honored By Transy, Berea

President Frank G. Dickey was honored last spring by two neighboring institutions, when Transylvania and Berea Colleges conferred honorary degrees upon him at their annual commencement exercises.

Transylvania, President Dickey's alma mater, from which school he received his undergraduate degree in 1939, granted him the honorary degree of Doctor of Laws, and Berea College conferred the same degree upon the University's distinguished president.

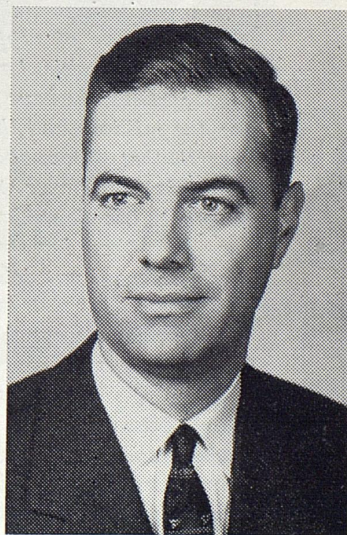

President Dickey was also the commencement speaker at Berea's graduation exercises and told the 1957 graduating class there that "education helps people evaluate issues and events intelligently."

Inauguration Of Dr. Frank G. Dickey Set For September 24

The inauguration of Dr. Frank Graves Dickey, fifth president of the University of Kentucky will be held Tuesday, September 24 at three p.m. in Memorial Coliseum, according to an announcement from Dr. Leo M. Chamberlain, University vice president and chairman of the inaugural committee.

About 550 universities, colleges, foundations and educational organizations have been invited to send delegates to the ceremony. Dr. Dickey became president last September, succeeding Dr. Herman Lee Donovan who retired after 15 years in the presidency.

The tentative program for the day will include registration of delegates in the morning, a luncheon at noon for delegates and special guests of the University, the inaugural ceremonies that afternoon, and a reception, following the inauguration, at Maxwell Place, the president's home on the campus.

Dr. Frank Graves Dickey

Carnahan, Friend Of University

(No words of ours could describe as well as has the Editor of the Lexington Herald the deep appreciation the faculty and alumni of the University feel toward Dr. Carnahan. His gift will live as long as Carnahan House opens its gracious doors to its members and guests, and his generosity will live forever in our memories.—Editor)

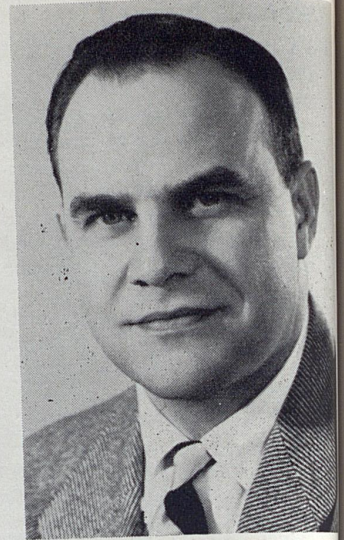

The gift of \$15,000 to be used to remodel the residence on Coldstream Farm, recently acquired by the University of Kentucky, places James W. Carnahan at the head of the list of friends of the University. The Chicago book publisher previously had given \$15,000 toward renovating the building which will be used as a social center for alumni, faculty and staff members of the University. Announcement also was made at the time of the last gift that he would give a similar amount for the next two years, bringing the total to \$60,000.

Mr. Carnahan, who has been one of the University's best friends since graduating from the institution in 1896, is a native Kentuckian who grew up in Knox County and taught in a rural Kentucky school in his early life. He entered the book publishing business and is recognized as one of the leaders in this work in the United States. During all the intervening years his love for the University and its ideals has not diminished, and it is most fitting that the new center at the Experiment Farm will be called "Carnahan House" in recognition of this loyalty and support.

Kentucky, while it has received numerous gifts from organizations and individuals, never has received the type of support that independent colleges and universities have received. Eastern educational institutions have endowment funds running into the millions and thus are able to do much in research that state-supported schools are unable to undertake. Of course, these schools with large endowments are dependent entirely upon their income from these investments plus student fees, but this fact should not deter Kentuckians from giving liberally to their state-supported institutions.

Kentuckians everywhere will be pleased that a former student has contributed so generously to the building of a center that will mean so much to relations between faculty and alumni. The gift that made possible the renovating and decorating of "Carnahan House" should serve to inspire other former students and friends of the University to make similar gifts.

American-Standard Promotes Ragland

Ben Ragland, 1936 electrical engineering graduate of UK and former Lexingtonian, has been named general marketing manager for the American Blower Division of American-Standard, with headquarters in Detroit, Mich.

SONGS OF UK

The Department of Public Relations recently published a pamphlet containing songs frequently used by former and present students at UK.

Included in the book are "On, U of K", "Hail Kentucky, Alma Mater," "My Old Kentucky Home" and "Dixie."

Alumni groups desiring copies of the song pamphlet may request them by phoning or writing the Department of Public Relations, Room 205 Administration Building, UK Campus.

Dr. Marshall Hamilton, '36, president of the Georgia unit of the Association for Student Teaching, professor of education at Georgia Teachers College, was elected president of the southeastern region of the Association of Student Teaching at a meeting held at the University of Kentucky last February.

Hillenmeyer, Cooper Head UK Alumni

Hardwick, Myers, Evans Are On Board

Robert H. Hillenmeyer, '43, of Lexington, a partner in the firm of Hillenmeyer Nurseries, has been elected president of the Alumni Association for the 1957-'58 fiscal year.

Serving with him will be Richard E. Cooper, '38, of Somerset, Ky., general manager and part owner of the Somerset Stone Co., who was elected vice president, and three members of the Alumni Association who were elected to serve three-year terms on the executive committee: T. H. Hardwick, J. Carlisle Myers, Jr., and Herndon J. Evans, all of Lexington.

Mr. Hillenmeyer is a native of Fayette county, and was educated in Lexington schools, attended Campion High School, Prairie du Chien, Wisconsin, and the University from which he was graduated with a B.S. degree in Commerce. He served as a captain of Infantry in the U.S. Army in World War II two and one-half years of which were spent in the European theater.

Following his discharge he was connected with the Connecticut Mutual Life Insurance Co. in Cincinnati. He is past president of the Greater Cincinnati UK Alumni Club, has been a member of the Alumni Executive Committee since 1948 and has served as Association vice president.

Mr. Cooper was graduated "with distinction" from the College of Commerce in 1938. He served in the Army during World War II part of which time was spent in the Southwest Pacific theater. He was discharged as a sergeant in 1946 after three and one-half years of service. He has served on the Executive Committee of the UK Alumni Association for several years.

Mr. Hillenmeyer has named nine appointive members to the Executive Committee to serve one-year terms. They are: Mrs. Elmer T. Gilb, Lexington; James B. Allen, Winchester; Homer L. Baker, Louisville; William P. Curlin, Frankfort; Beattie M. DeLong, Ft. Thomas; David B. Graham, Jr., Clinton; N. W. Neel, Henderson;

Robert H. Hillenmeyer

Richard E. Cooper

Barkley J. Sturgill, Prestonsburg, and Virgil O. Watson, Ashland.

The new officers and elected and appointed members of the committee

officially took office at the annual meeting of the Alumni Association held on May 25 at Carnahan House.

Dean Welch, Dr. Clark Elect To Stay At The University

Dean Frank J. Welch, dean of the College of Agriculture and Home Economics and director of the Kentucky Extension Service, and Dr. Thomas D. Clark, head of the Department of History and distinguished author, have, within recent weeks, refused impressive and lucrative offers to leave the University of Kentucky.

Dean Welch was offered the position of assistant Secretary of Agriculture under Ezra Taft Benson, and Dr. Clark was offered the post of head of the Department of History at Ohio State University.

Dr. Welch came to the University of Kentucky in 1951. Before that he was dean of the School of Agriculture and director of the Agriculture Experiment Station at Mississippi State College.

Since he has been in Kentucky he

has made several trips overseas for the U.S. Department of Agriculture and recently was appointed by President Eisenhower as a member of the advisory board of the Commodity Credit Corporation.

Dr. Clark has been head of the Department of History at UK since 1942. He is a graduate of the University of Mississippi, holds the M.A. degree from UK and the Ph.D. from Duke University.

He is a distinguished historian and author, is president of the Mississippi Valley Historical Society, and in 1946 his colleagues in the University's College of Arts and Sciences selected him as the college's "Distinguished Professor of the Year." In 1948 UK's Board of Trustees named him as "Distinguished"

An Open Letter

TO: Dean Frank J. Welch
Dr. Thomas D. Clark

Dear Fellow-Kentuckians:

No other greeting could be as appropriate, in the light of your recent decisions to turn down lucrative and impressive offers, in order to remain at the University of Kentucky.

Each of you has achieved great national distinction in your respective fields—Dean Welch as an agricultural administrator, and Doctor Clark as an historian, an administrator and teacher—and each of you has refused very recently to accept tempting invitations to leave Kentucky.

THE KENTUCKY ALUMNUS, as the mouthpiece of the University's graduates and former students, wishes to express to you publicly at this time our deep appreciation of your devotion and loyalty to the University, and our humble gratitude that you have decided to stay in Kentucky and by so doing lend this institution your wisdom, your leadership and your prestige.

The University of Kentucky will continue along the pathway to greatness so long as men like you dedicate your lives and your talents to its development. Our facilities leave much to be desired, our classrooms are crowded, our laboratories and our research programs need much implementation—but so long as distinguished leaders in education cast their lots with Kentucky, we need have no worry about the physical aspects of the picture because public demand will provide the material things with which to do the job.

THE KENTUCKY ALUMNUS SALUTES YOU,
GENTLEMEN — IN AFFECTION AND IN
GRATITUDE.

gished Professor of the University of Kentucky," a distinction conferred upon fewer than a dozen faculty members.

Dr. Clark's best known books are: "The Rampaging Frontier"; "The Kentucky," one of the Rivers in America series; "Pills, Petticoats and Plows," a history of the southern coun-

try store; "The Southern Country Editor," a study of the rural weekly newspaper in the south from the Civil War period; "A History of Kentucky;" "The Rural Press of the New South;" and his latest works, "Bluegrass Cavalcade," an anthology on central Kentucky writing, and "Travels in the Old South," a two-volume bibliography.

MEMORIAL ALUMNUS

The Alumni Office has available approximately 1,000 copies of the World War II Memorial Edition of the KENTUCKY ALUMNUS.

Anyone desiring a copy may have it by writing a note of request to the Alumni Office, Room 124, Student Union. Unclaimed copies will be disposed of after a reasonable time has elapsed.

ACTING DEAN OF ADULT ED. NAMED

Dr. Arnold D. Albright, chairman of the University's Division of Education Administration, has been named acting dean of the UK College of Adult and Extension Education as of July 1.

Dr. Albright will succeed Dr. Lynn Ginger, presently dean of the College of Education and acting dean of the College of Adult and Extension Education.

Dr. Albright has been serving as director of the Bureau of School Service, College of Education, since joining the faculty in 1954.

A native of Washington, D. C., holds degrees from Milligan College, the University of Tennessee and New York University.

Action on Dr. Albright's appointment was taken by the Board of Trustees at its quarterly meeting June 11.

M. J. KELLY GRANTED HONORARY DEGREE

Dr. Mervin J. Kelly, '16, president of the Bell Telephone Laboratories was awarded an honorary Doctor of Science degree by the University of Pittsburgh at its annual commencement exercises last June 12.

In conferring the degree Pitt Chancellor Edward H. Litchfield cited Kelly for his "contributions to modern science, for his insistence upon higher standards of professional education, and for his outstanding assistance in the growth of corporate standing of the role of research in modern industry."

Dr. Kelly holds an honorary degree from the University of Kentucky granted in 1946.

Seward, Shaver, Matthews Are Appointed Deans Of Women, Engineering, Law At UK

Three new deans for the University of Kentucky—dean of women, dean of the College of Engineering, and dean of the College of Law—were appointed April 2 by the Board of Trustees.

They are, respectively:

Dr. Doris M. Seward, assistant dean of women and associate professor, Purdue University.

Prof. Robert E. Shaver, professor of civil engineering and head of the Civil Engineering Department, University of Kentucky.

Dr. William L. Matthews Jr., professor of law and acting dean of the College of Law, University of Kentucky.

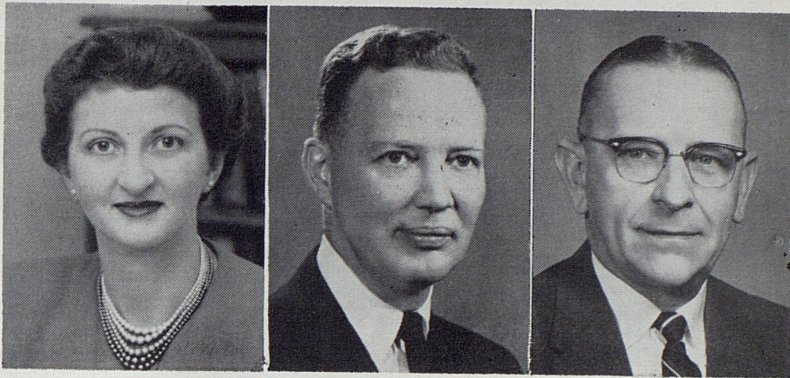

The appointment of Dr. Seward, who also will serve at UK as professor of education, will be effective August 1. The other appointments will be in effect July 1.

Miss Seward will succeed Dean Sarah B. Holmes and Professor Shaver will replace Dean Daniel V. Terrell, both of whom have been granted a change of duties. Dr. Matthews will take over the post which has been held by Dean Elvis J. Stahr Jr., who resigned to become vice chancellor of the University of Pittsburgh.

A native of Bloomington, Ind., Miss Seward attended Indiana University, Syracuse University, Columbia University, and the University of Minnesota. She holds the doctor of philosophy degree from Syracuse University, where she majored in student personnel administration.

Dr. Seward served on the staff of Dean of Women Sarah G. Blanding at the University of Kentucky in 1939-41. She has been associated with Syracuse University, the Student Christian Movement of New York State, University of Minnesota, Pennsylvania State University, and Purdue University. Dr. Seward joined the Purdue staff in 1952 as assistant to the dean of women. In 1953 she was made assistant dean of women and during 1955-56 she served as acting dean.

Professor Shaver was born at Greenville, Ky. He received his early education in the public schools of that city and in 1922 was graduated from the

Greenville High School. He attended the University of Kentucky and in June, 1927, was awarded the bachelor of science degree in civil engineering. For the ensuing four years he served as an engineer with the Kentucky Department of Highways and worked toward an advanced degree at UK. He won the degree of civil engineer in June, 1931, and in September of the same year was appointed instructor in surveying at the University.

Shaver was promoted successively to assistant professor of civil engineering (1932), associate professor (1937), and professor and head of the Department of Civil Engineering (1946).

A registered professional engineer, he has long been active in the University's campus planning and building programs. He served in 1940-41 as secretary-treasurer of the Kentucky Section of the American Society of Civil Engineers, and in 1942 as president.

In addition to the A.S.C.E., the UK civil engineer head holds membership in Sigma Phi Epsilon social fraternity, Tau Beta Pi honorary engineering fraternity, Omicron Delta Kappa leadership society, and the Pyramid Club.

Dr. Matthews is the son of Mr. and Mrs. W. L. Matthews Sr., Bowling Green. He first became associated with the University in 1947 when he was appointed associate professor of law, and in 1949 he was advanced to professor of law.

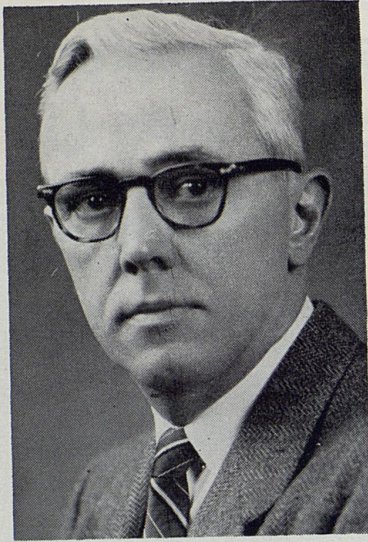

Admitted to the Kentucky Bar Association in 1941, Matthews served in the Army Air Force from 1942 to 1946 and held the rank of major at the time of his discharge. Prior to joining the UK staff, he was associated with the Finn and Orendorf law firm at Bowling Green.

Dr. Matthews was graduated from College High School, Bowling Green, in 1936. He holds the A.B. degree from Western Kentucky State College, the LL.B. from the University of Kentucky, and both the LL.M. and S.J.D. degrees from the University of Michigan.

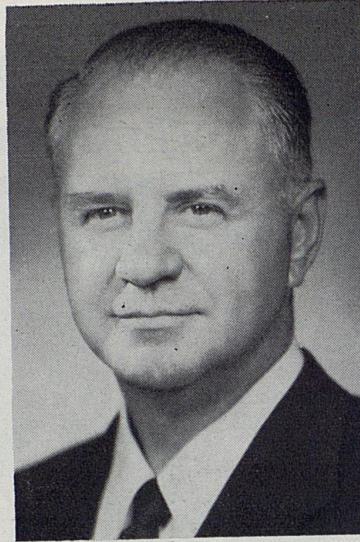

Samuel L. Cassidy, '25, of Pittsburgh, Pa., represented the University of Kentucky at the inauguration of Dr. Edward H. Litchfield as 12th chancellor of the University of Pittsburgh last May.

Green Promoted By Southern Bell Co.

Ridgway Advances To Commercial Mgr.

C. Hunter Green, '27, of Louisville, Kentucky commercial manager for Southern Bell Telephone Company, has been elected a vice president of the firm by the board of directors.

He will succeed H. G. Bartee, of Louisville, as vice president and general manager in charge of Kentucky operations.

The changes were effective June 1. The promotion of Mr. Green to assume charge of Kentucky operations follows a telephone career of 30 years during which he has served the company in positions of increasing importance. All of his service has been in Kentucky.

Joining the firm in 1927 in Louisville as a service salesman, he filled various positions in the district and state organizations. He became Louisville district manager in 1943 and was advanced to the position of Kentucky commercial manager in 1950.

Widely known in telephone, business and civic circles throughout Kentucky, Mr. Green is prominent in public-spirited affairs. He is an active Episcopal layman and is presently vestryman at St. Mark's Episcopal church in Louisville.

He is a graduate of the University of Kentucky.

Following Mr. Green's election to the vice presidency of the company, he announced the advancement of Sam H. Ridgway, '24, to the position of commercial manager. Mr. Ridgway has been serving as Kentucky plant manager for Southern Bell since 1951.

Mr. Ridgway, a native of Shepherdsville and a graduate of UK joined Southern Bell in 1924. He worked in the engineering and plant departments in Louisville and later in the company's headquarters in Atlanta.

He served in plant assignments in Mississippi, Georgia and Louisiana prior to military service in 1942. In 1946 he became Ky. division schedule supervisor and a year later was advanced to Ky. plant supervisor. In 1950 he was named assistant Ky. plant superintendent and two years later became Ky. plant manager.

Dr. Peterson Is Speaker At Alumni Spring Sports Dinner

C. T. Hughes, Lewis Root Are Honored

Dr. Frank D. Peterson, vice president, Business Administration at UK, was the principal speaker at the Fayette County UK Alumni Association's spring sports dinner last May, honoring athletes participating in spring athletic events at UK, and paying tribute to two former Kentucky athletic greats—C. T. "Turkey" Hughes, Kentucky's first four-letter man and Lewis V. Root, whose record of 15:1 in the high hurdles, set in 1928, had stood until this year when broken by Ray Blasingame, Wildcat track star.

In his address Dr. Peterson suggested "a large sports center out in the country for UK, where there would be plenty of room."

Dr. Peterson said there was a crying need for consolidation of sports activities at UK and envisioned facilities where baseball, tennis, track, football

and other sports could be played, not only by varsity and freshman teams, but also by intramural squads. He pointed out that at present sports are conducted at UK on widely separated playing fields.

Special guest for the occasion was Charles T. "Turkey" Hughes, presently athletic director at Eastern Kentucky State College, who was the recipient of the Fayette County Alumni Chapter's silver trophy to be awarded annually to an outstanding sprint sports star. Also recognized was Mr. Root.

Mrs. Elmer Gilb, outgoing president of the Fayette chapter, presided at the dinner. Robin Griffin, incoming president, presented a gift to Mrs. Gilb in recognition of her two years of service to the club.

Other new officers chosen were Guy A. Huguelet, Jr., vice president; Mrs. James Hisle, secretary, and Sam Huey, Jr., treasurer.

The executive committee of the Alumni Association has set the date of Saturday, November 23, as homecoming for all Kentucky alumni, in an effort to face the inevitable choice of all Kentuckians to be present when the Kentucky Wildcats lock horns with the University of Tennessee Volunteers.

Registration for all homecomers will be held from 9:30 to 11:30 that morning in the lobbies of the Lafayette, Kentuckian and Phoenix hotels, the Campbell House, the foyer of the Coliseum and the great hall of the Student Union.

From 11:30 a.m. to 1:00 p.m. a buffet lunch will be served in the ballroom of the Student Union, to enable returning alumni to visit the campus, find parking facilities and to enjoy the companionship of fellow-alumni prior to game time.

The Kentucky-Tennessee football game will be played at 1:30 p.m. on Stoll Field, and that afternoon the President and Mrs. Frank G. Dickey will have the traditional reception for alumni, faculty and friends of the University following the game, at Maxwell Place.

At 8:30 p.m. that evening returning alumni and their friends are invited to attend the alumni dance at Convention Hall in the Phoenix Hotel. The dance will be free to the women and each man will be asked to pay \$1.00 to help defray expenses of the dance.

We are printing in this issue of the ALUMNUS the 1957 football schedule, so that all alumni may mark the dates on their calendars.

Tau Delta fraternity, presented the Robert C. Freeburg Memorial Plaque to Roger Messick as the outstanding UK swimmer, and John Dietrich of the Louisville Bureau of the United Press presented Johnny Cox, UK sophomore basketball player, with a certificate for earning a berth on the UP third All-America basketball team.

One of the highlights of the banquet was the introduction of 72 members of the various teams being honored as winner of varsity "K's" and numerals.

Can Good Sophs Get Job Done In '57?

By **KEN KUHN**
Sports Publicity Director

Coach Blanton Collier hesitates to come right out and predict that Kentucky will be weaker or will field a stronger team than the outfit of a year ago which rang up a very respectable, 6-4 record. However, the hesitancy isn't merely the normal reticence of every football mentor to put himself "on the spot" before the season opens.

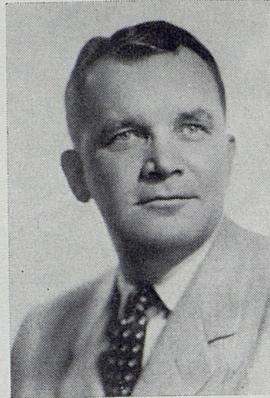

In the case of the 1957 Wildcats, the difficulty of forecasting a definite outlook is due to two opposing factors: (1) Kentucky was blessed with an admittedly good crop of freshmen last season, many of whom had a lot of physical equipment and ability that should qualify them for outstanding varsity play; (2) losses via the graduation route took away eight starters, including the entire backfield, and seven other experienced lettermen.

The big question that cannot be answered before the classy schedule of next season is at least three games old is "Can the prospect of greater depth in the form of 40-odd sophomores offset the loss of experience to a degree that will allow the re-building of a combination capable of winning in the class of competition to be challenged." Collier professes to be uncertain in view of his experience that "sophomores generally have to learn the hard way and their mistakes in the process of learning sometimes are costly."

Chief problems are the finding of an entirely new backfield combination, a right tackle and depth at the end spots.

Personnel-wise, the mainstay of the team and the leader Collier is counting on to rally the predominantly-young squad is All-America Lou Michaels, 230-pound senior from Swoyerville, Pa. Bigger and rougher than a year ago when he was a consensus All-America choice, Lou again will anchor the left side of the line and from all spring practice indications should have another great year as one of the nation's top linemen.

Other top performers include junior flankman Doug Shively, due to hold down the left end assignment that he

Blanton L. Collier

did so well at late last season. Collier classes the 6-2 197-pound Shively as a fine receiver, a rapidly improving blocker, excellent defensive man, good in the speed department and predicts he will be one of the best all-around ends in the league. Doug was an All-Conference Sophomore Team selection last season.

Last year's leading ground gainer, halfback Bobby Cravens, returns to lend valuable help in the backfield where he posted a 4.3 average in the past campaign. Although he was an All-American high school performer, the Owensboro, Ky., speedster never quite made the grade to regular starting duty a year ago as a sophomore but is being counted upon to produce as a number one man this season. Another veteran who looked good this spring is senior right end John Cornelius, second leading pass receiver in a blighted passing attack last year who has shown signs of definite improvement.

In the sophomore department next fall, Kentucky expects to have a trio of outstanding backs. Due to be battling it out for the quarterback assignment are Lowell Hughes, one of Kentucky's most fabulous all-around athletic products since Wah Wah Jones, and Jerry Eisaman, a Pennsylvania sharpshooter who "threads the needle" with his accurate tosses at distances up to 60 yards. Between them, the rivals accounted for five touchdowns via the airwaves in the spring practice game.

The other standout in the first year varsity ranks, on the basis of his terrific pace as a freshman and spring showing this season, will be halfback Glenn Shaw. A six-foot-one-inch, 200 pounder from Paducah, Ky., Shaw was an All-America schoolboy sensation and led the Kentucky freshmen to an undefeated season last year by posting a phenomenal 11.7 rushing average.

Improvement also is expected in Kentucky's overall attack with the prospect of two top notch passers in the sophomore quarterbacks and better team speed to bolster the running phase of operations.

Whether the presence of potentially outstanding personnel and expected offensive improvement will make for a better record against a field of 10 strong opponents in the space of one session remains to be seen. There's no optimism in the Kentucky camp that the anticipated improvement will make the Wildcats a world beater. Rather, many feel it may take still another year for the "new look" Collier team to reach the status of a serious championship contender. About the only thing certain is the belief that this will be an interesting outfit capable of giving every opponent a terrific battle.

Cage Team Has Formidable Opponents On Schedule

Tests against five major foes rated among the top 10 basketball powers of the country at the close of last season and 14 engagements within the increasingly tough Southeastern Conference highlight a 25-game 1957-58 cage card for Kentucky's Wildcats.

Athletic Director Bernie Shively said the schedule will include 11 home appearances and 12 contests at other sites, plus the fifth annual University of Kentucky Invitational Tournament, scheduled for Dec. 20-21 in Memorial Coliseum.

He classed the card as "one of the most difficult ever arranged for regular-season play" in terms of the caliber of opposition to be faced and travel involved.

Newcomers to the schedule include North Carolina, undefeated 1957 national champion; West Virginia's Mountaineers, the No. 8 team in the final 1956-57 ratings, and the perennially powerful Minnesota Gophers, third-place team in the Big 10 last season.

The trio of national title contenders makes up the visiting lineup vying with the host Wildcats for honors in the prestige-packed UKIT.

Also new on the slate are Ohio State and Utah State.

The Buckeyes, who tied with Minnesota in the tight Big 10 race last season, replace Miami of Florida as the second opponent of the season and will entertain Coach Adolph Rupp's crew in Columbus on Dec. 4. The Wildcats and Buckeyes have met previously seven times with Coach Floyd Stahl's charges showing a 4-3 edge in victories as the result of success in the last meeting in the NCAA tournament in 1945.

The tilt with Utah State will be the first in the hardwood history of the two schools. Last season, the Aggies posted an 11-13 record and finished fifth in the Skyline Conference.

The Ruppmen open at home Dec. 2 against Duke with a record at stake of not losing a season opener since 1926. During the remainder of December they will have tests with Temple, Mary-

land, St. Louis and Southern Methodist in addition to Ohio State and the UKIT foes.

Three trips totaling nearly 1,500 air miles during the month bid to make the nation's No. 3 outfit of last season one of the most traveled Kentucky cage teams in several years. Besides the visit to Columbus, the Wildcats will be in action on the East Coast against Maryland, Dec. 9, and make their first invasion of the Southwest when they take on the fourth-ranked SMU Mustangs in Dallas, Dec. 16, following a stopover in St. Louis for a battle with the 10th-ranked Billikens.

The conference portion of the schedule, which sees Kentucky in search of a record 18th SEC championship, gets under way Jan. 4 with Georgia Tech's troublesome Yellow Jackets

visiting Memorial Coliseum. The only interruption will be a return engagement with Chicago Loyola at Chicago Stadium, Feb. 14. The Ramblers will appear here Dec. 30.

Coach Rupp, who loses only one starter and two reserves off the club that posted 23 victories in 28 starts last season, looks for a somewhat stronger team in 1957-58.

The veteran mentor will pick up height and scoring potential in a hot-shot graduate of the freshman five, 6-7 Don Mills; a junior-college transfer, 6-4 Owensboro native Kelly Chapman, and the return of 6-6 Phil Johnson from the ranks of ineligible.

Regulars due back are Johnny Cox, Ed Beck and Vernon Hatton.

TUITION INCREASED BY U.K. TRUSTEES

A new schedule of registration and incidental fees for the University of Kentucky, designed to help meet increased operating costs, was adopted last June by the Board of Trustees in quarterly meeting.

The revised schedule of fees for one semester follows:

Full-time Kentucky students (all colleges except Law), from the present \$65 to \$80; College of Law, from \$68 to \$85.

Part-time Kentucky students, per semester hour (all undergraduate colleges except Law), from the present \$5.50 to \$6.50; College of Law, from \$8.50 to \$10; Graduate School, from \$7.50 to \$8.50.

Full-time out-of-state students (all colleges except Law), from the present \$125 to \$180; College of Law, from \$131 to \$190.

Part-time out-of-state students, per semester hour (all undergraduate colleges except Law), from the present \$10.50 to \$15; College of Law, from \$16.50 to \$20; Graduate School, from \$14 to \$18.

The new schedule of fees will take effect Sept. 1.

Bernie A. Shively, '36, UK athletic director and treasurer of the Alumni Association was honored by the Lexington Salesman's Club last May for his 30-year service to the University of Kentucky. He was presented with a life membership in the organization.

E. S. Monohan Named Schenley Vice-Pres.

Edward S. Monohan, of S. Ft. Mitchell, Ky., an alumnus of the University of Kentucky, has been named vice president in charge of plants and production for Schenley Industries, Inc.

Mr. Monohan will continue to make his headquarters in Cincinnati where he has been president of Schenley's major production subsidiary.

A native of St. Matthews, Ky., Mr. Monohan studied civil engineering at the University of Kentucky, after which he joined Schenley in 1934 at Lawrenceburg, Ind., as an assistant engineer.

In 1937 he joined the Frankfort, Ky., plant as a maintenance engineer and in 1939 was made supervising engineer. In 1941 he was advanced to the position of production engineer and moved to Cincinnati. In 1944 he was named chief engineer for Schenley Distilleries and in 1946 was advanced to operations manager of the distilled spirits division, both domestic and foreign. Three years later he was promoted to vice president and in 1953 to president of Schenley Distillers, Inc.

Mr. Monohan and his wife, the former Mary Lally of Frankfort, have

three sons and a daughter. They make their home on Lyndale Road, S. Ft. Mitchell. He is a trustee of Villa Madonna College.

Ashland, Ky. Junior College became the Ashland Center of the University of Kentucky last July 1, following official action of the University of Kentucky Board of Trustees at its quarterly meeting on June 11, which body, at the same time voted unanimously to locate an extension center of the University at Cumberland in Harlan county.

The new status of Ashland Junior College was established by an agreement signed last June by the Ashland Board of Education and the University's Board of Trustees, meeting jointly in Lexington.

The agreement provides that the University will have control of the school's administration and academic program, which will be the same as that provided for the first two years on the campus in Lexington. Students will be entitled to the same credit they would receive while in residence at the University.

The Ashland Board of Education will be responsible for providing land, buildings, equipment and other necessary facilities. The University will collect tuition and other fees, using them to pay for operating expenses, including teachers' salaries.

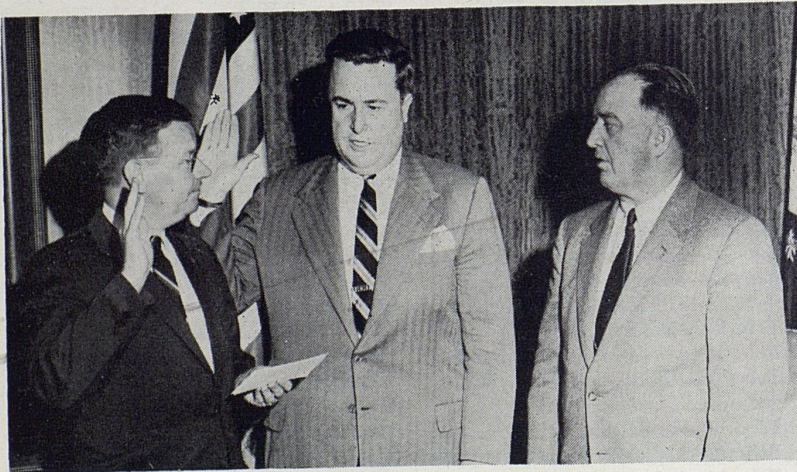

There is no time limit on the agreement but its terms provide that it may be amended or dissolved upon advance written notice by either party. Thus if at some future time a four-year college for Ashland becomes feasible, this move will not prevent such a development.

President Frank G. Dickey announced that the curriculum would emphasize engineering requisites such as mathematics and science.

The Cumberland site, offered by the people of Harlan county for an extension center there, is at Clover Lick. The target date for starting classes at the Harlan branch is the fall of 1953.

Allen Felch, former UK fullback who had his career interrupted when he suffered a severe neck injury while in military service, has moved to Lexington.

ODK Honors Alumni Director At Dinner

Miss Helen King, Director of Alumni Affairs at the University, was selected by members of Omicron Delta Kappa, senior men's leadership society, as their 1956-'57 Sweetheart of the Year and was honored by the Circle at its annual initiation banquet held last May at the Phoenix Hotel.

The ODK Sweetheart award is a tradition of the organization which was initiated on this campus before World War I. The honor is given to women members of the faculty or staff of the University for their contribution to the welfare of the University and interest in student activities on campus.

The practice was revived this year after a lapse of some years in which no sweetheart had been elected.

Past recipients of the ODK Sweetheart award were: Frances Jewell McVey, Sarah Gibson Blanding, Mildred S. Lewis, Ann Callihan, Carrie Bean, Marguerite McLaughlin and Sarah B. Holmes.

New York Names UK Alumna 'State Mother Of The Year'

Mrs. Margie Lee Smith Johnson, of Middleburg, New York, a 1927 graduate of the University of Kentucky, and wife of Schoharie county (New York) Judge J. Robert Johnson, has been named New York State "Mother of the Year."

Kentucky's Purchase district has provided the Mother of the Year for both Kentucky and New York this year, Mrs. Gena Finch Hilliard of Clinton, mother of UK alumnus Finch Hilliard was selected for the honor in the Commonwealth of Kentucky.

Mrs. Johnson is the mother of three children, all daughters, who have made outstanding records in their various professions. Jeanne was graduated cum laude from Syracuse University and now teaches English at Penn Yan, N. Y. Central School.

Martha Ellen was graduated from McDuffie and Vassar and spent two years on the secretarial staff of Selden Chapin, U.S. Ambassador to Panama and later to Iran.

The youngest, Margie Lee, is an accomplished flutist now studying under Marcel Moyse at Brattleboro, Vt., where she is also secretary of the Holstein-Friesian Association.

Mrs. Johnson is a native of Mayfield, Ky., where her ancestors pioneered in the settlement of the county. She was one of the first college students to be graduated from UK with a major in social science. At her graduation she was honored with the Skain prize of \$100 as the all-around girl student. With that money she went to New York for her first job with the State Charities Aid Association. In 1929 she married Judge Johnson.

She returned to public service in 1939 with the Schoharie County Department of Public Welfare, organizing its Department of Child Welfare. In 1951 she was named by Gov. Thomas E. Dewey to attend the White House Conference on Children and Youth.

She was president of her county hospital board when the Community Hospital was built and now is a social

W. C. Smith Heads Standard Oil, Ky.

William C. "Buddy" Smith, '27, formerly of Lexington, has been named president of Standard Oil of Kentucky.

Mr. Smith succeeds W. G. Violette who has been named chairman of the board.

The new president is a graduate of the University of Kentucky and has been a director and assistant to the president since 1953. He joined Standard Oil in 1931 as a salesman and later was city manager of the firm in Lexington. He was transferred to the executive office in Louisville in 1950.

Mr. Smith is a vice president and director of Keeneland Race Course, a member of the Keeneland Club and the Idle Hour Club in Lexington, and in Louisville holds membership in the Pendennis Club and the Louisville Country Club.

Commencement Week-End Highlighted By Picnic, Banquet, Dr. Dickey's Address

Two Alums Given Honorary Degrees

Alumni returning for the 1957 reunion festivities were treated to their first glimpse of Carnahan House, newly established Alumni-Faculty headquarters, at a picnic on Saturday noon, May 25, sounding off a day of festivities which were brought to a close with the Alumni banquet held that evening in the Student Union.

The annual meeting of the Alumni Association was held following the picnic, after which returning alumni, seniors, faculty, staff and friends of the University were entertained by President and Mrs. Frank G. Dickey at the traditional reception at Maxwell Place.

President Dickey was the principal speaker at the Alumni banquet, at which he told the alumni that "you are the stockholders in this tremendous and growing enterprise (the University), and only through your loyalty, your support and your encouragement can we do the job which is before us."

Sixteen classes gathered at the banquet—1896, 1897, 1907, 1912, 1913, 1914, 1915, 1916, 1932, '33, '34, '35, and 1951, '52, '53 and '54, to hear the University's new President tell them, in the words of President Wilson: "We grow great by dreams. All big men

are dreamers. They see things in the soft haze of a spring day, or the red fire of a long winter's evening. Some of us let these great dreams die, but others nourish and protect them—nurture them through bad days till they bring them to the sunshine and light which come always to those who sincerely hope that their dreams will come true."

Testimonials of appreciation to sixteen of the 25 living past presidents of the Alumni Association were presented by President Dickey to the following: Dr. G. David Buckner, Dr. George H. Wilson, H. C. Robinson, LeRoy Miles, Mrs. Charles Judson Smith, all of Lexington; Marcus C. Redwine, Winchester; Thomas H. Cutler, H. D. Palmore and Louis Cox, Frankfort; Homer L. Baker, Louisville; John R. Bullock, Cincinnati; Will Ed Covington, Ashland; Keen Johnson, Richmond; Rodman Wiley, Stamping Ground; R. R. Dawson, Bloomfield, and Newton W. Neel, Henderson.

More than 1,000 degrees were presented at commencement exercises on Monday, and four honorary degrees were granted, two to alumni of the University; Miss Margaret Ingels, of Lexington, the first woman to receive a degree in mechanical engineering, and an authority on air-conditioning and refrigeration, and Curtis G. Benjamin, president of the McGraw-Hill Book Co., and a native of Providence, Ky. The other two honorary degrees were granted to Robert Penn Warren, native of Guthrie, Ky. and well-known novelist and poet, and Omer Carmichael, superintendent of Louisville public schools.

Senator Lister Hill of Alabama was the commencement speaker, and the Rev. Edward L. R. Elson, of Washington, D. C., pastor of the National Presbyterian church, preached the baccalaureate sermon on Sunday, May 26.

Dr. Stacie Erickson, former head of the College of Home Economics at UK was presented the Sullivan Medallion at commencement exercises, as the state's outstanding citizen, and at the same time it was announced that Richard L. Lehman, of Johnston, Pa., and

Barbara Roberts, of Lexington, were the recipients on Honors Day of the Sullivan Medallions presented annually by the University to the graduating senior man and senior woman as outstanding members of the class.

GOVERNOR HONORS UK ALUM, FRIEND

Curtis G. Benjamin, president of the McGraw-Hill Book Co., alumnus of the University of Kentucky who received an honorary Doctor of Laws degree on May 27, was also honored by his old friend and former teammate, Gov. Albert B. Chandler, with a Kentucky Colonel's commission last May.

Governor Chandler took the occasion of Mr. Benjamin's visit to the University for the presentation.

Mr. Benjamin, a native of Providence, Ky., was presented the commission at the home of Mr. and Mrs. Orba Traylor in Frankfort. Mr. Traylor was one of Benjamin's students when he was a high school principal in Providence. Governor Chandler and Mr. Benjamin played baseball together in western Kentucky in 1914 to 1917.

Barkley Room Is Dedicated At UK

Alben W. Barkley's memorabilia, papers, letters, cartoons, gavels and other valuable relics of an important era in American history, were dedicated at the University of Kentucky last May 27 when the Barkley Room was formally opened in the University Library following an address by Senator Lister Hill of Alabama, long-time Senate associate of the distinguished Kentuckian and UK commencement speaker.

"Alben W. Barkley's papers and letters contain much of the epic story of America, because Barkley's life overlapped four historic periods in the development of our nation," said Senator Hill.

The Alabama senator listed the "four historic periods" as:

1932 Class Gives \$525 To The Fund For Redecoration Of Carnahan House

Honors Mrs. Holmes, Miss King At 25th

The class of 1932, "back home" on May 25 for the celebration of its Silver Anniversary, set a record in enthusiasm and generosity by presenting to the Alumni Fund \$525 to be used in the redecoration of Carnahan House, and by honoring retiring Dean of Women Sarah B. Holmes and Alumni Director Helen G. King with luxurious gifts.

Mrs. Holmes, who will accept a change of work status on July 1, was presented with a check for \$350 and a television set by Class President Edwin W. "Buddy" Humphreys, of Georgetown, Ky., and Miss King received a television set and a set of matched luggage from '32 Class Committee Member Cecil Bell, of Scott county.

C. Robert "Bus" Yeager, of Attleboro, Mass., who was one of the moving spirits in the reunion plans, was unable to be present for the celebration, but had made two very lovely hand-painted cards describing the gifts, which were presented to the recipients during the Alumni banquet program.

Members of the class committee who worked toward the reunion and the surprise gifts were: E. W. Humphreys, Nancy Duke Lewis, Providence, R. I., C. Robert Yeager, Cecil Bell, John S. "Shipwreck" Kelly, Long Island, N. Y., John C. Bagwell, Arlington, Va., William B. Ardery, Washington, D. C., and Jack Robey, Franklin, Ky.

Following the Alumni banquet the class gathered in the Magnolia Room at the Campbell House for a reunion, at which Mrs. Holmes and Miss King were guests. Sterling silver door prizes were given at the private party, at which President Humphreys and his wife, the former Susan Grover, also a member of the '32 class, served as hosts.

Two Young Alums Receive AF Wings

Second Lieut. Richard Alan Rushing, of Lexington and Camden, Ark., and 2nd Lieut. Frank E. Cranfill, of Galveston, Tex., 1956 and 1955 graduates, respectively, from the University of Kentucky, have received their silver wings from the Air Force.

Lieut. Rushing obtained his silver pilot wings on June 13 at Goodfellow AFB, San Angelo, Tex., and Lieut. Cranfill received the silver wings of an Air Force jet pilot at Laredo AFB, Laredo, Tex., on the same date.

Lieut. Rushing and his wife, former UK student Margaret Ford of Lexington, have been assigned to the 825th

Lieut. and Mrs. Cranfill, the former Mary Lou Gover, also a UK alumna, and their son Frank Mark, have been transferred to the 2525th Combat Crew Training Wing at Williams Air Force Base, Ariz.

Fitzgerald, Elton Named Dep't. Heads

Prof. Bernard Fitzgerald, professor of music at UK, has been named head of the department by the Board of Trustees, and Dr. Charles F. Elton has been named dean of admissions and registrar.

The changes were announced following the resignations of Dr. Edwin E. Stein, head of the department of music, who resigned to become dean of the College of Fine Arts at the University of New Mexico, and Dr. Robert L. Mills, dean of admissions and registrar who resigned to become chairman of the Department of Education Administration, College of Education, University of Texas.

Prof. Fitzgerald's appointment became effective July 1. Before coming to UK he was director of the Symphonic Band at the University of Texas. While there he earned a national reputation in that field and served as editor of band and orchestra publications for Carl Fischer, Inc.

Dr. Elton assumed his duties June 1. Formerly he was head of the Department of Psychology at Birmingham-Southern College, then director of student counseling, University of Mississippi.

4. "The nuclear age of flight faster than sound, of man's first tentative thrust into outer space and with the building of the earth satellite."

Senator Hill said that "Barkley was at home in all these times. He retained always the resilience of youth, the zest for new things, the willingness to try uncharted paths. He looked always to the future."

Mr. Barkley's son, daughter-in-law and two grandchildren were present for the dedication ceremony which was held in the foyer of the Margaret I. King Library.

UK's Fiftieth Class Reunion Sets Attendance Record

The class of 1907, gay, young and indomitable, returned last May 25 for the celebration of its Golden Jubilee, and set an attendance record which future 50-year classes will have for an example.

Led by their class president, A. M. Kirby, of Palo Alto, Calif., and their joint class secretaries, Mr. and Mrs. Robert Hart of Pisgah, Ky., the class gathered early, arriving in time to breakfast together at the Lafayette Hotel on Friday morning, May 24.

Seventy-two members of the class were graduated in 1907, and of that number 50 are living, and 38 were present for their Golden Anniversary, 29 men and nine women. There were sixteen women in the '07 graduating class and all are living.

Friday at noon Louis E. Hillenmeyer, of Lexington, a class member, entertained the reunion class, their wives and husbands at a Buffet luncheon at his home, and that evening the class held its reunion dinner at the Lafayette Hotel.

Climax of the week-end for the 50-year class was the presentation of their Golden Jubilee certificates from the

commencement platform on Monday, May 27. The class was cited by President Dickey for its loyalty and large attendance, and new Alumni Association President Robert H. Hillenmeyer presented the Half Century Club certificates, highlighted by the fact that his father was among the class members.

Those present were: Hery Letton, J. J. Yager, Charles E. Schoene, A. M. Kirby, T. B. McClelland, Logan Lewis, A. L. Donan, J. W. Thorne, Ben Scherffius, Col. B. E. Brewer, Anne Crenshaw Phelps, P. C. Six-College Alumni Unit Formed In Ky.

UK, State Colleges Organize Council

Representatives of the five Kentucky tax-supported colleges and the University of Kentucky have formed a Joint Alumni Council for the purpose of serving mutual objectives, and have elected officers of the Council.

The move came after representatives of Eastern Ky. State, Kentucky State, Morehead, Murray and Western Ky. State Colleges were invited to the campus of the University last February, for the purpose of discussing mutual objectives and, if deemed advisable, of forming such a Council.

Each school sent representatives to the meeting, and it was agreed that a Joint Alumni Council of state-supported institutions of public higher education would be a good thing and another meeting, for the purpose of perfecting such an organization was held during KEA, April 10 in Louisville. M. O. Wrather, alumni secretary at Murray State College was named temporary chairman of the group.

A constitution and by-laws were prepared at the Louisville meeting, and a further meeting was set for June 5, also in Louisville, at which time officers were to be elected and the constitution approved.

Such action was taken on June 5, and the following officers were elected for a one-year period: M. O. Wrather, Murray State College, president; Helen G. King, University of Kentucky, vice president; and W. H. Goodwin, Kentucky State College, secretary. Three members of the executive committee were elected, as follows: Robert Cochran, Western Ky. State College; John Robinson of Danville, Eastern Ky. State College, and Carl Woods, Morehead Ky. State College.

According to the constitution of the Joint Alumni Council, each school will be represented on the board by five members, the president of the institution, the president of the Alumni Association, the alumni secretary or director and two members of the Alumni Association chosen by its executive committee. The UK representatives are: President Frank G. Dickey, Alum-

Improved Livestock Is Goal Of New Experimental Farm

By JOE REISTER, '34

The Courier-Journal Lexington Bureau

The University of Kentucky's new 1,152-acre Experiment Station Farm on Newtown Pike will be used as an animal-science research center "looking toward improvement in the quality of livestock" raised commercially by Kentucky farmers.

That announcement was made last March by Dr. Frank J. Welch, dean of U. of K.'s College of Agriculture and Home Economics, during an informal inspection of the land acquired recently by the State for \$1,851,300. In attendance were Governor Chandler and other State and U. of K. officials.

On December 21, Governor Chandler announced purchase of the 780-acre Coldstream Farm of Mr. and Mrs. Henry H. Knight and an adjoining 372-acre tract Hugh A. Grant, Bradford, Pa., had contracted to buy.

To Be Run as One Unit

Dean Welch said that the two tracts "will be operated as a single unit in carrying out our plan to set up the research center."

The U. of K. official stated, "Acreages on the farm have been tentatively assigned to research work in dairy, swine, sheep, beef cattle, animal pathology, and light horse-husbandry units."

In addition, he said, there will be some research work in tobacco and entomology. Pasture and crop research will be carried on by agronomists in co-operation with the animal-industry projects.

In citing two reasons for designating the farm as an animal-science research center, Dr. Welch said:

"One reason is that barns and other buildings on the property lend themselves well to such work, and the other is that the rolling topography, typical of the central Bluegrass, while suitable for grazing, is not generally adapted to intensive plot work necessary in crop research.

Long Needed More Land

"We have long been needing more land on which to carry out intensive research into the practical problems

that beset farmers in the commercial production of livestock," Dean Welch declared.

"We also needed land to conduct research that will further enhance the quality of our livestock. From earliest days, Kentucky has been famous for her fine livestock, but we need continually to strive for improvements so that Kentucky shall remain a source for the finest bloodlines."

Knight, owner of famous Almahurst Farm, a Thoroughbred establishment in nearby Jessamine county, and Mrs. Knight have presented U. of K. an outright gift of a foundation herd of registered Shorthorn cattle.

Animals Valued at \$33,000

Valued at \$33,000, the 32 purebred animals consisted of 20 breeding females, six calves, and six bulls.

In accepting the herd, Dr. Welch said:

"This gift of excellent-quality Shorthorn cattle is a long step toward accomplishing our intention to stock our new farm with top-quality animals."

Later, Knight announced at a luncheon that he and Mrs. Knight "intended to feed out 100 Angus (Aberdeen Angus) calves, sell them, and give the proceeds to the University to help equip the Coldstream mansion that will be converted into a clubhouse."

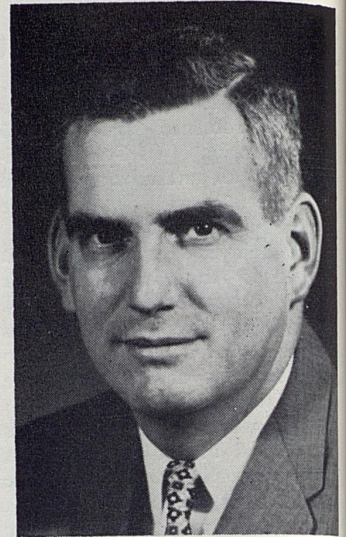

To Become Clubhouse

He referred to the fact that U. of K. officials announced February 22 that the 22-room mansion of Coldstream Farm would be converted into a clubhouse for use of University faculty, staff members, and alumni.

Besides Governor Chandler, Knight and Dr. Welch, others present at the meeting and the luncheon were Dr. Frank G. Dickey, U. of K. president; Dr. W. P. Garrigus, associate director of the Kentucky Agricultural Experiment Station and head of the animal-industries department; Harry Davis, executive secretary to Governor Chandler, and State Commissioner of Agriculture Ben J. Butler.

'51 Grad Promoted By U.S. Steel Co.

Robert Witt, Jr.

Robert Witt, Jr., has been appointed preparation engineer at United States Steel's Lynch district, T. E. Johnson, general superintendent, announced recently. In his new position, Mr. Witt will assist in the supervision of quality control, operations and maintenance of the coal preparation plant located in Corbin, Kentucky.

Mr. Witt was born in West Irvine, Kentucky, and attended elementary and high school there. He received a B.S. degree in mining engineering from the University of Kentucky in 1951.

He began his career with the Corporation at Mexico, Kentucky, in 1951 as a mining engineer and later was promoted to chief chemist and metallurgist. In 1954 he was transferred to the Frick district in Uniontown, Pennsylvania, as assistant research engineer, the position he held at the time of his recent appointment.

Alum Directs NSA's Regional Office

Reb J. McGohon

Reb J. McGohon, '49, formerly of Wilmore, Ky., a Navy veteran of World War II and a UK graduate in 1949, is the new director of the National Security Agency's Regional Recruitment Office in Cincinnati.

Mr. McGohon began work with the Agency in the field of Personnel Administration upon his graduation from UK. He assumed his duties in January in Cincinnati. Recruitment activities from the Cincinnati office cover an area from Michigan to Florida and is one of three such offices located outside the Washington, D. C., locality.

The National Security Agency offers permanent career opportunities in the Washington metropolitan area. Since the work performed by the Agency in the communications field is unique, the major portion of responsible supervisory and management positions are filled by employees from within the Agency. Promotional opportunities are based primarily on merit and ability to perform more responsible duties as they are assigned.

Positions are available in a number of different fields: clerical, property and supply, communications, technical, printing, engineering, business machine operation, electronics and several other categories. Beginning salaries

'50 Grad Authors History Of Dance

Joseph E. Marks III

Joseph E. Marks, III, of Lexington, a 1950 graduate of UK, is the author of a new book concerned with the historical study of dance education entitled "America Learns To Dance," which has just come from the Exposition Press, Inc.

Mr. Marks, 33 years old, has had extensive experience in the performance and study of the dance, having danced in the premier performance of Ted Shawn's Minuet For Drums and in Myra Kinch's Along Appointed Sands. However, he is primarily a director of dance and drama and a teacher of dance and physical education.

He was graduated from Columbia Military Academy, served three and one-half years in the U.S. Navy, studied at the American School of Ballet in New York with Shawn, Miss Kinch, Ruth St. Denis, Jose Limon, Margaret Craske and Danivola, and then returned to UK from which he received

range from \$3,175 to \$7,570 per year depending upon education and experience. Civil Service examinations are not required.

Young men and women who, during previous military service, acquired skills pertinent to available positions are encouraged to apply.

ALUM MADE FELLOW IN TECHNICAL GROUP

Clifford A. Duke, '23, chief of the electrical laboratory and test branch of the Tennessee Valley Authority, has been raised to the grade of Fellow in the American Institute of Electrical Engineers.

AIEE, the world's largest engineering society, awards the grade of Fellow to members who have served with distinction in the electrical engineering profession. It is the Institute's highest grade.

Mr. Duke was cited "for his contributions to the organization of a testing laboratory and staff for a large power system."

A graduate of the University of Kentucky, Mr. Duke first joined TVA in 1939 as chief test engineer. In 1941 he was assigned his present duties under which he has developed a testing organization of approximately 280 employees. He is author of several technical papers and articles appearing in national magazines and is a member of the American Society of Testing Materials.

Mr. Duke and his wife, the former Mary Stofer, of Lexington, also a UK alum, make their home in Chattanooga, Tenn.

Fred Luigart, '50, of Lexington, until recently manager and editor of the Woodford Sun, Versailles, has joined the Hazard Herald staff.

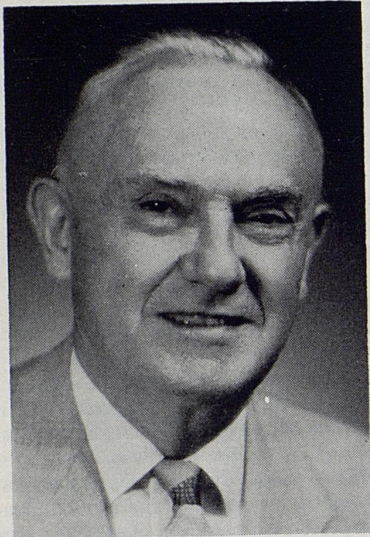

R. W. Wild, UK Director of Public Relations, presided at the Internal Communications session of the 41st annual convention of the American College Public Relations Association in Omaha, Neb., last June.

Bart N. Peak, UK YMCA secretary, resigned last March to become a candidate for the Democratic nomination for Fayette county judge.

his degree in 1950. He holds the M.S. degree from Springfield College.

He has had his own dance studio in Lexington, has been director of dance and drama for the Lexington Board of Park Commissioners, was director of Physical education and recreation at the Junior School of Fork Union, Va. Military Academy, and has been house manager and maintenance superintendent of the Jacob's Pillow Dance Festival in Lee, Mass., every summer since 1948.

Alum Is Honored By U. Mississippi

R. W. Tinsley, '12

Raymer Wendell Tinsley, '12, a member of the modern languages department faculty at the University of Mississippi for 32 years, was honored by the University at its 109th commencement exercises last May 26, when Chancellor J. D. Williams, UK '26, presented a citation to the former Kentuckian as an expression of gratitude for long and devoted service to the institution.

Mr. Tinsley was born at Hartford, Ky., holds the B.A. from UK, the M.A. from the University of Illinois and has studied at the University of Chicago, University of Paris, France, University of Besancon, University of Mexico, University of Bonn and the University of Freiburg.

He served as instructor in French and German at Ole Miss in 1915-17, a special agent for the U.S. Department of Justice, Bureau of Investigation from 1917 to 1927, and returned to Ole Miss that year where he served as professor of French and German until his retirement last May.

The University of Mississippi citation presented by Chancellor Williams to Prof. Tinsley states that it is "an acknowledgment of its debt and an expression of its gratitude to him for more than thirty-two years of distinguished service as a member of the

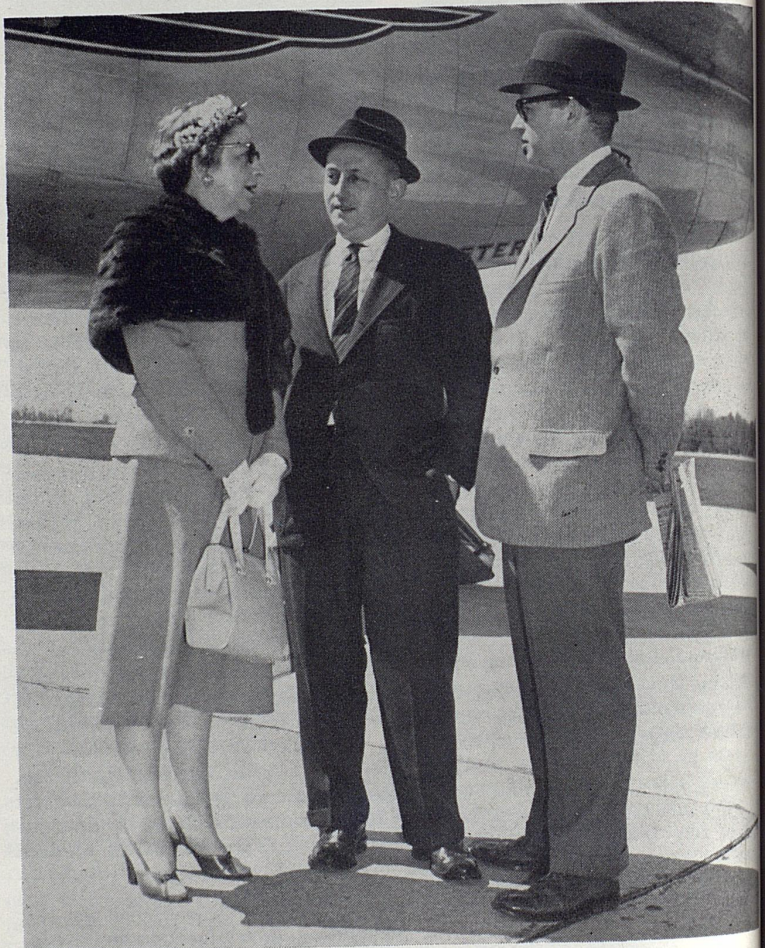

faculty in modern languages, including four years as head of the Department of Student Personnel and two years as director of the Summer Session, and particularly for his scholarship, his wisdom, his loyalty, and his leadership in the promotion of the study of modern languages . . ."

Homecoming—November 23.

Elbert E. Harber, Jr., '51, of Lexington, a Korean War veteran who is now studying for a degree in electrical engineering at UK, has been selected to receive the first Schlumberger Collegiate Scholarship for the 1957-58 academic year.

Awarded on the basis of scholarship character and need, Harber will be the first UK student to receive the \$500 award.

Noted Alumnus Visits UK

Dr. Frank C. Davidson, '30, professor of drama at the City College of New York and the American Theater Wing is shown above, being greeted at Blue Grass Field by Helen G. King, Director of Alumni Affairs and Arch Rainey, '46, technical director for UK's Guignol Theater, as he arrived in Lexington last spring to begin a three-day series of lectures on radio, drama and stagecraft to UK classes. Dr. Davidson is also a consultant to the U.S. State Department.

Annual Report To The Alumni

The annual meeting of the University of Kentucky Alumni Association was held in conjunction with the Alumni picnic and outing, May 25th, at Carnahan House on the Coldstream Farm, the newly acquired alumni-faculty house. Mr. Will Ed Covington of Ashland, outgoing president of the Alumni Association, presided at the meeting.

Mr. H. D. Palmore, of Frankfort made a motion that the minutes of the April meeting and the minutes of the annual meeting, May 26th, 1956, be filed as published. Seconded by Mr. Homer Baker of Louisville, the motion carried.

Miss Helen C. King gave the annual Director's report as follows:

Fellow Alumni of the University of Kentucky:

Sixty-eight years ago, on June 4, 1889, sixteen graduates of the University of Kentucky met on the campus of what was then known as State College of Kentucky, and organized an Alumni Association.

The report on that meeting states: "The Association, now in its infancy, needs all possible help and support from its members and if this is given, we sincerely believe that it may yet assume proportions of which you will be justly proud and become a power for good in promoting the interests of our Alma Mater. Let all lend a helping hand, and let every graduate become an active member of the Association . . ."

Across the years the voice of Dr. A. M. Peter, first president of your Alumni Association echoes today—and now, as then, I urge you to lend a helping hand and to become an active member of this Association dedicated to the single purpose of promoting the best interests of your Alma Mater.

In many ways the year just closing has been a satisfying one in that we have accomplished some of the things which we set out to do. In another way, it has been a disappointing one, because we have failed to realize our projected budget, and through this failure have been unable to embark on new objectives.

You will recall that at this annual meeting two years ago the membership voted to initiate in June 1956 a new type of fund program, raising the membership dues from \$2 and \$3 to \$5 per annum, with the hope that we would increase our membership and at the same time increase our income to the point where we would have surplus monies with which

to supplement funds for University projects.

Contrary to our hopes and expectations, membership fell off this last year for the first time in a decade, and instead of realizing the \$30,000 we had anticipated from memberships, our total receipts from memberships realized, as of April 30, 1957 were only \$16,335.75.

Prior to 1956-'57 the scholarship fund had consistently over-realized its total of \$2,800, which amount is necessary for us to maintain our Alumni Association scholarship annually, but this year only \$1,986.00 was contributed for that purpose, with the result that we have had to make up the total from miscellaneous contributions.

Your Alumni Executive Committee and its subcommittee on finance has spent many long and weary hours this past year trying to analyze this deficit, and we of the Alumni Association staff are aware of the fact that part of the fault is ours. We not only increased membership dues but we changed the mailing piece sent out with your annual membership notice, and the combination of the two proved to be discouraging and disconcerting.

Membership notices to approximately 25,000 alumni have been mailed out from the office this month and each of you should have received yours by now. They follow the old form, are clear and concise, and we are hopeful that they will bring in better results, however, it is up to you, as individuals and representatives of classes, not only to send in your own membership but to see to it that your fellow-alumni do the same. It is impossible for us to see all of you personally, but each day many of you are in contact with former UK students. Please act as our agents and help us to overcome the record of 1956-'57 which does credit to no one and which is a black mark on the record of an Association which has consistently gone forward in recent years.

The shining mark on our record in 1956-'57 is the fruition of an eight-year dream. For that many years I have been talking to individuals and alumni groups such as this about my dream of an Alumni-Faculty House where all of us could gather for business and social meetings, for recreation and the enjoyment of friendships, and where faculty and staff could have a large and lovely house in which to entertain.

Here, as you sit before this handsome

mansion, you know that at last that dream has come true.

Last winter Gov. A. B. Chandler, our loyal alumnus-Governor and the Commonwealth of Kentucky purchased and gave to the University these 1,125 rolling bluegrass acres for an experimental farm, and subsequently the mansion and eight surrounding acres were designated by President Dickey for an Alumni-Faculty House.

I reported to you last May that our distinguished and loyal alumnus, Dr. J. W. Carnahan, of Chicago, president of Lyons & Carnahan Publishing House, had presented to the University, through the Alumni Association, a gift of \$15,000 to initiate a financial drive for such a house and then, with the coming of the new year our windfall of this 22-room mansion became a reality.

Dr. Carnahan, living up to his promise of contributing annually to such a project until it should reach fruition, has contributed another \$15,000 this year and expects to continue his contributions for the next two years until the \$60,000 needed for furnishing and redecorating the house will have been given.

As a result of Dr. Carnahan's generosity, the University committee appointed by President Dickey to see through the project has officially given this lovely home the name "Carnahan House", and today you, as an official alumni group, are visiting it for the first time.

In addition we have received other contributions for the refurbishing of the house totaling \$3,428.00, including a \$2,000 gift this spring from another distinguished alumnus, Mr. Stephen A. Rapier of New York. It should be a source of great satisfaction to the alumni that we have already turned over to the University \$33,428.00 for the project. However, let me remind you that we will need continued contributions to keep the house up to the standard we have set.

Resident membership in the house was opened to active members of the Alumni Association in Fayette and the six adjoining counties, but all active alumni outside of that area, will be privileged to use the facilities of the house when they are in Lexington, provided they call by the Alumni Office for a guest card.

The 1957 Alumni Loyalty Fund scholarship has been granted to a young man from Owensboro, Ky., and we are expecting great things from him. I'm sure

you would like to know that our scholarship graduate of last year, Paul Eggum of Corbin, Ky., now a medical student at Northwestern University, has been awarded the first James K. Stack scholarship ever awarded at Northwestern. We have every reason to be proud of him.

Founders Day this year honored two alumni who have been outstanding in the field of library work. Miss Margaret I. King, '98, UK librarian from 1909 to 1948, for whom our University library has been named and David H. Clift, '30, executive secretary of the American Library Association.

It is fitting to report at this time that your Alumni Association received three awards at the national meeting of the American Alumni Council last July at French Lick, Ind. A special recognition award for an original low-cost membership campaign put on 1955-'56; an award for an individual mailing piece sent to all alumni in connection with our scholarship fund drive; and recognition along with the University of California, University of Missouri and Ohio State, for "outstanding service rendered to an institution and to the cause of education by organized alumni effort." Our recognition came from our participation in the educational program concerning the necessity of establishing a medical center at the University of Kentucky.

During the year the executive committee of your Association wrote a new by-law, providing for associate memberships in the organization of men and women who had not attended the University but who have demonstrated vital interest in its development and progress. These associate members do not vote or hold office, but are contributors to our Alumni Fund and are most welcome adjuncts to the work of the Association.

Each of you received from the office this spring an official notice that a subscription to the Kernel would no longer be included in your annual membership. This action was taken because the mailing of 5,000 Kernels weekly had become such a burden to the staff, that we found ourselves abandoning more important projects and spending man-hours and money which we could not afford to lose. As of June 1, any alumnus wishing a subscription to the Kernel must send his \$3 direct to the Kernel Office.

It is pleasant to report that during the past year an alumnus living in west Kentucky wrote to the office stating that he has set up a perpetual scholarship for the University in his will, as a memorial to him and his wife. He prefers to remain anonymous, but we are deeply grateful

to him for his generosity and hope he will become an example to others.

This spring, at the invitation of your Alumni Association, representatives of all the state supported public institutions of higher education held a meeting on campus, for the purpose of discussing the organization of a Joint Alumni Council in Kentucky. Such an organization resulted from this original meeting and we feel that it will be mutually beneficial for all the institutions participating.

Homecoming has been set for Saturday, November 23, the date of the Kentucky-Tennessee game and I hope all of you who come back will participate in the various events which will be announced in the August Alumnus.

Your director attended numerous club meetings in Kentucky this past year, and arranged for three district meetings in western Kentucky to introduce President Dickey to the alumni in that area. In addition, I have attended out-of-state meetings in Cincinnati, Atlanta, Athens, Georgia, Washington, D. C., New York City, Knoxville, Tenn., and Clemson, S. C.

I would like to take this opportunity to thank our new President, Dr. Frank C. Dickey, for his wonderful interest in and unbounded cooperation with the Alumni Office, and for the many times he responded to our requests to make trips throughout Kentucky and elsewhere in the interests of the Alumni. It is a joyful thing to have the understanding and interest of your president, and in this the Alumni of the University of Kentucky are blessed.

It is my pleasant duty to announce the new officers of the Alumni Association for 1957-'58. Robert H. Hillenmeyer, president; Richard E. Cooper, vice-president; and the three elected members of the executive committee, chosen for three-year terms: T. H. Hardwick, Herndon Evans, and J. Carlisle Myers, Jr.

During the past year you also elected Dr. Ralph Angelucci to represent you on the Board of Trustees for a four-year term. May I say here that Dr. Angelucci succeeds himself and has been a truly great and loyal representative of this association.

I wish to express my personal appreciation, and yours, to the outgoing officers, Will Ed Covington, president; Wm. P. Curlin, vice-president; and the three elected members of the executive committee: Gerald Griffin, Mr. Evans and Mr. Cooper. These men, as well as all the other members of the committee have given yeoman service, and without them, their advice, assistance and loyal interest, this association could not have gone forward.

I also want to express my personal thanks to Mr. B. A. Shively, our treasurer; Mr. Clay Maupin, our auditor; Dr. Frank D. Peterson and Dr. Leo M. Chamberlain, University vice-presidents; the Board of Trustees, members of the faculty and staff with whom we have worked, and to my associates in the Alumni Office without whom there would be no organization.

The annual report of the Association of Alumni of the State University of Kentucky, published in 1958 has the following to say about the part of the alumni in the making of a great University: "State University of Kentucky should soon become one of the leading educational institutions of the country. . . . In this work none can do more than the Association of Alumni.

"This body is composed of hundreds of the most valued and influential citizens of our State and the surrounding country. They are engaged in various walks of life, coming in contact with the educated and the uneducated, and by reason of their position and training are particularly fitted to become important factors in building up the various interests of this State, and to do that part naturally expected of those who have been blessed with the advantages enjoyed while connected with this institution.

"It is the natural inclination of man when once they have launched out into the business whirl of life, to forget to measure the duty they owe to others who have been less fortunate in their contact with life's problems; but our members, in whatever lines their lots may be cast, should not drift into that condition where they might overlook this duty and fail to give others some idea of what our school offers in paving the way for higher lines in life. There has never been a time in the history of our institution nor in the history of our state when their duty was more imperative . . ."

A very wise and very loyal graduate wrote those words 49 years ago. They applied then—they apply today. Not once in the 92-year history of the University of Kentucky, has the responsibility of alumni been greater nor their duty more clearly defined. A country, a commonwealth or a university is as big and broad, its contributions are as generous and the impressions it leaves are as lasting as the mark it makes on the hearts and souls of its children.

This is your clarion call to duty—written 49 years ago but expressing better than I the need—the urge for you to give—of yourself, your time, your devotion and your material possessions so that in giving to your Alma Mater you will gain strength from the fountain head.

Mr. H. D. Palmore of Frankfort, made a motion that the Director's report be approved as read. Seconded by Mrs. Stella Gilb of Lexington, the motion carried unanimously. Mr. B. A. Shively, treasurer of the Alumni Association, gave the accumulative treasurer's report as of April 30, 1957, which is incorporated in the annual treasurer's report as follows:
June 15, 1957

To the Directors
University of Kentucky
Alumni Association
Lexington, Kentucky

I have examined the balance sheet of University of Kentucky Alumni Association, at May 31, 1957, and the related statement of income and expense for the fiscal year ended that date. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and the related statement of income and expense fairly present the financial position of University of Kentucky Alumni Association at May 31, 1957, and the results of its operations for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Oliver Clay Maupin, Jr.

Mr. B. A. Shively made a motion that the treasurer's report be approved as read. Seconded by Mr. Homer Baker of Louisville, the motion carried unanimously.

Mr. James A. Beazley, gave the Fund Director's report as follows:

THE U.K. ALUMNI FUND REPORT BY JAMES A. BEAZLEY

In the academic year of 1956 and '57 there has been much happening at UK. President Frank G. Dickey became our seventh president. A medical, dental, and nursing school has been added. The College of Pharmacy, formerly located in Louisville, is moving into a new building on the campus. More than 1,000 acres of Bluegrass land was acquired for the College of Agriculture, to be used for the benefit of a statewide extension program in addition to the college program.

Twelve acres of this farm, with the \$100,000 home and the recreational facilities surrounding it, has been made

into a place where the staff of the University and the alumni may relax, visit, picnic, swim, play games, or hold meetings. Several other buildings are under construction on campus, and a number of others are being planned. The enrollment has reached an all-time high of 8,200 students with a still larger enrollment in view for next year, estimating an increase to 15,000 by 1965.

Your Alumni Association tried to anticipate this growth and expansion by setting up a program which was announced last year (1955-56) and went into effect this year. This program would keep the alumni informed of the University's progress, also some of the problems that go along with a growing and expanding University—and the increasing demands placed upon your University to serve not only the young men and women but to render service to all people in many and varied areas—at the same time solicit funds from our alumni (1) to operate the alumni program, (2) funds for our scholarship program, and other uses such as decorating the alumni-faculty house and many needs for which there are not adequate funds in the University budget.

The UK Alumni Fund—The Alumni Association created the UK Alumni Fund which handles all money contributed by alumni and friends of UK. As you know, a minimum amount of \$5.00 per alumni (\$7.50 husband and wife) is requested. This money is to be used to operate the Alumni Office, inform the members—correct the ever-changing addresses—visit alumni clubs, numbering about 100—provide a homecoming welcome—put on a football and basketball banquet—hold an annual alumni reunion—and the other unscheduled things that come up during the year. Additional contributions go, as designated by the donor, for scholarships, physical improvements, and general University needs. All contributions are tax-deductible.

At the beginning of the year 1956-57 it was estimated that there would be approximately 5,000 alumni we could count on to contribute not less than \$5.00, and that it would be reasonable to anticipate 1,000 new active members. With 6,000 members and \$30,000 in mind the Alumni Association spent in mailings and services to alumni accordingly. Certainly it was necessary to do this if we were to increase the number of annual contributors. This is what happened. In many counties the membership increased and there was a large percentage of alumni contributing who had not been members the year before. But about one-third of the 1955-56 membership did not renew.

In 1956-57 there were 5,266 who contributed \$29,952. The first 3 months,

Annual Report

(Continued from Page 25)

June to September, netted only 2,448 contributors for \$12,300. The next 3 months, September to December, netted an additional 592 contributors for \$7,500. By March 21 of this year we had 3,342 contributors and \$23,600. If the 1,206 graduates who were given memberships this year and the 718 life members are added to this total we would then have a grand total of 5,266 active alumni members. As you can see, there were only 3,342 of those 5,000 alumni that we were counting on.

My thanks to those 3,342 annual contributors, and to the life members and the 1956 graduates who supported the 1956-57 Alumni Fund Program as contributing members. I would also like to thank those persons who contributed to the Alumni Scholarship Fund, the Alumni Building Fund, and those who made additional contributions to be used where they would do the most good.

The Students at UK Today—There are two things that I believe will improve our Alumni Association and will substantially increase alumni interest in the coming years. Both of these pertain to the students here at the University of Kentucky.

(1) The Student-Alumni Foundation, which I organized last April, and it was this organization that sponsored the 1957 Little Kentucky Derby.

(2) The dollar-a-year plan for graduating seniors, which I told you about last year at this time.

The Student-Alumni Foundation was formed with the purpose of uniting: the students, the faculty, the administration, the alumni, and friends of the University. The students wanted to have an annual event which would accomplish this purpose. Indiana University had such a program in effect, built around a bicycle race. This race was patterned after the Indianapolis Speedway Races and was called "The Little 500." Fundamentally it did what the Student-Alumni Foundation wanted to do at UK. It promoted a spirit, developed a loyalty, provided an annual event, and provided funds for a student scholarship program. We called ours "The Little Kentucky Derby"—patterned after the world-famous Kentucky Derby. Bicycles replaced thoroughbreds, the horseshoe of roses gave way to a new theme, that of establishing and supporting a student scholarship program.

The Little Kentucky Derby was highly successful this year. We will make about \$1,200 after all expenses are paid. It will be divided three ways—one-third to scholarships for worthy UK students—one-third to be put back into the event

for the coming year—one-third to the Alumni Association. Don't miss this event next spring, it will probably be held the last week-end in April.

Dollar-a-Year Plan—The Student-Alumni Foundation also backed and promoted the dollar-a-year plan for graduating seniors, whereby they would be given a reduced rate for the first five years following graduation: \$1.00 the first year, \$2.00 the second year, \$3.00 the third year, \$4.00 the fourth year, \$5.00 the fifth year—when they would reach our regular \$5.00 minimum contribution. The dollar-a-year plan will be fairly successful this year, and I predict much more effective next year and in years to come, as our Student-Alumni Foundation grows. However, we cannot count on the plan for much help during the year 1957-58.

Alumni Fund Program for 1957-58—If we are to have a successful alumni program in 1957 and '58 our support must come from you and those other persons making up the 25,000 alumni in our mailing file. We must have the support of the 5,266 who helped this year, and at least another 5,000, to boost our total to not less than 10,000 active members in 1957-58. I am sure that all of you are already active members or planning to be active for the coming year. May I ask a favor of you—if you have not contributed for 1957-58, give your \$5.00 or more today. Then ask two friends to do the same and suggest that they ask two others. Do this for UK, won't you?

There are two approaches which I would suggest as a supplement to the chain membership campaign we used last year:

A telephone campaign where a group of 5, 10, 15 or 20 alums would set aside 1, 2, or 3 evenings from 7:00 to 10:00 p.m. and canvass the alumni in your community by telephone asking for their \$5.00 contribution to the 1957-58 Alumni Fund.

An alumni honor roll—I would like to ask you as representative alumni if you think that an annual honor roll listing those persons contributing \$5.00 or more should be published, as is done in most universities and colleges today where there is an Alumni Fund program. This would be sent to all alumni, and I think would be an inducement to getting more contributors. Send me a postcard and let me know what you think.

There is no substitute for alumni support. In closing, I like to think that each alumnus will estimate what his total giving should be this year, and then allot the University of Kentucky its proportionate share. Annual giving by the alumni is important. The Alumni Fund is not a capital gifts program, but there

is no other type of gift as important as those made by the alumni. Alumni giving sets the pace. If the University graduates have a generous giving attitude toward the school, other contributions from corporations, foundations, and individuals of means will follow.

This is why annual giving is essential, why every dollar given counts in a large way, why there is no substitute for alumni support.

Coach Blanton Collier of Lexington made a motion that the Fund Director's report be accepted as read, seconded by Dr. Peterson, the motion carried unanimously.

Under new business, Mr. Covington presented the new officers for 1957-58 as follows: President, Mr. Robert H. Hillenmeyer, Lexington; vice-president, Mr. Richard E. Cooper, Somerset; three executive committee members to serve for a three-year term as follows: Herndon Evans, T. H. Hardwick and J. Carlisle Myers, Jr., all of Lexington.

At this point Mr. Robert H. Hillenmeyer, the newly-elected president, addressed the members of the Alumni Association and welcomed the reuniting classes. Mr. Hillenmeyer also announced the names of the nine appointive members to the Executive Committee as follows: Mrs. Elmer T. Gilb, Lexington; Mr. James B. Allen, Winchester, Ky.; Mr. Homer L. Baker, Louisville; Mr. William P. Curlin, Frankfort; Mr. Beattie M. DeLong, Fort Thomas, Ky.; Mr. David B. Graham, Jr., Clinton, Ky.; Mr. N. W. Neel, Henderson, Ky.; Mr. Barkley J. Sturgill, Prestonsburg and Mr. Virgil O. Watson, Ashland.

There being no further business to discuss, Mrs. Adams moved that the meeting be adjourned, seconded by Mr. Neel, the motion carried unanimously.

Respectfully submitted,

LESTER E. HEILMAN, 49, Tompkinsville, Ky., druggist, died last October at his home.

A native of Henry county, he was graduated from the College of Pharmacy in 1934. He has owned and operated drug stores in Gratz, Ky., and Pleasureville, Ky., before opening the store in Tompkinsville in 1946.

He is survived by his wife, a daughter and two sons.

Funeral services were held at the Tompkinsville Methodist church and burial followed in the Pleasureville cemetery. Masonic rites were held at the grave.

MRS. MARY E. WEDEKIND DILLY, first lady of the University of Kentucky College of Pharmacy, died last April at her home in the Weissinger-Gaubert Apartments in Louisville.

The widow of the late Dr. Oscar C. Dilly, who was dean of the College of Pharmacy from 1917 until his death in 1925, Mrs. Dilly became registrar of the college at the time of her husband's death and continued with the school until her retirement in 1950.

Mrs. Dilly made her home with her niece, Miss Estelle Wedekind, an alumna of UK.

She was beloved by hundreds of Pharmacy School graduates and carried on an extensive correspondence with them. During World War II she was instrumental in bringing many of "her boys" together in far places, through exchange of addresses.

Besides Miss Wedekind Mrs. Dilly is survived by another niece, Mrs. Will D. Gilliam, whose husband is associate professor of history at UK, and by seven nephews.

For a greater University of Kentucky—annual alumni giving is essential, every dollar given counts in a large way, there is no substitute for alumni support.

Too early?

Well, perhaps, if you want to be strictly literal.

And yet, when she reaches college age will she be too late? Too late to get the kind of higher education so vital to her future and to the future of her country?

It all depends.

There is in the United States today a growing threat to the ability of our colleges to produce thinking, well-informed graduates. That threat is composed of several elements: an inadequate salary scale that is steadily reducing the number of qualified people who choose college teaching as a career; classrooms and laboratories already overcrowded; and a pressure for enrollment that will *double* by 1967.

The effects of these shortcomings can become extremely serious. Never in our history has the need for educated leadership been so acute. The problems of business, government and science grow relentlessly more complex, the body of knowledge more mountainous.

The capacity of our colleges—all colleges—to meet these challenges is essential not only to the cultural development of our children but to the intellectual stature of our nation.

In a very real sense, our personal and national progress depends on our colleges. They must have more support in keeping pace with their increasing importance to society.

Help the colleges or universities of your choice. Help them plan for stronger faculties and expansion. The returns will be greater than you think.

If you want to know what the college crisis means to you, write for a free booklet to: **HIGHER EDUCATION**, Box 36, Times Square Station, New York 36, New York.

UNIVERSITY OF KENTUCKY ALUMNI ASSOCIATION

Lexington, Kentucky

July 1, 1957

Dear Fellow Alumni and Friends:

It is with genuine appreciation and the deepest sense of humility that I acknowledge the honor you have conferred in electing me your President for the coming year.

The growth and development of the University has been tremendous during the past few years and must be even greater in the immediate future. This progress offers a direct challenge to you and me—to every Alumnus of the University—to assist in every way possible in developing a larger, more effective Alumni Association. An Association which will help our University in its all-important task of training more and more young men and women to take their place of leadership in our State, Nation and in the world. Never before in history have we been so greatly in need of well trained, clear thinking, Christian-minded leadership.

To meet the demands placed upon us, I present the following objectives for the coming year: (1) To acquaint ourselves with and be sincerely interested in the needs of our Alma Mater, and to do everything possible to help her accomplish these aims; (2) to increase membership and fully support the annual giving program of our Association; (3) to increase the number and size of our Alumni clubs; (4) to add to the number of scholarships; (5) to assist in the further development of the Medical School and the Carnahan House (Alumni-Faculty House); (6) continuation and enlargement of Alumni activities such as our banquets, Homecoming and class reunions.

You have my pledge that no effort will be spared to further the cause of our University, and I have the greatest faith in you, our Alumni, without whom we cannot function, that we shall successfully meet the challenge.

Sincerely,

Robert H. Hillenmeyer

Robert H. Hillenmeyer, President
