Members of the executive committee of the House President's Council confer with Miss Virginia D. Keller, adviser, about the Career Conference which begins April 5. They are (left to right) seated: Betty White, Peggy Johnston, Margaret Wilson, Miss Kealey. Standing: Barbara Mandl, Ruth Adams, Jane Finley, and Evelyn Crawford. The conference is sponsored annually by the House President's Council.

Vocational Information Conference To Be Held On Campus April 5-7; Federal Official To Talk

The Vocational Information Conference, originated primarily for the benefit of freshman and sophomore women students and sponsored by the dean of women's office and the House Presidents Council, will be held on campus April 5-7.

The conference, held for the past four years in conjunction with the Job Conference, is being held as a separate event this year to further aid the students in their choice of a career and to give them the latest authoritative information in vocational fields.

Washington Woman To Speak
Miss Frieda S. Miller, director of the women's bureau, U. S. Department of Labor in Washington, will be the principal speaker at the conference. Seventeen other persons have been scheduled to speak during the three day meeting.

Miss Miller will address a special convocation opening the conference at 4 p.m. April 5 in Memorial Hall. Her topic will be "Women of the World Today."

Vocational displays will be exhibited in the departments participating in the conference. The theme will be "Jobs? Information, Please!" Department heads and professors will hold individual conferences with the students from April 5-12.

Literary Series Features Talks By Sidney Cox

Prof. Sidney Cox, critic and teacher of creative writing at Dartmouth College, will give two lectures on the campus today.

The New England educator has come to Lexington under the sponsorship of the University literary-dramatic series. His first lecture is scheduled for 3:30 p.m. in room 303 of the Home Economics Building at 7:30 p.m. Both lectures are open to the public.

Tau Beta Pi Pledges Tapped (Gently) In Hammer Ceremony

The halls of Anderson Hall resounded with the penetrating boom of the Tau Beta Pi gong Monday. The mystery? Simply that the Alpha chapter of Kentucky Tau Beta Pi association, honorary engineering fraternity, has tapped forty pledges this week.

The tapping ceremony was the center of interest throughout the college. Active members of Tau Beta Pi, clad in cap and gown, invaded engineering classrooms in search of their pledges. When the select one was discovered he was tapped gently with the wooden sledge hammer carried by the active. Then he left the classroom with the active, who led him to the gong in the central study hall.

The chosen pledge then "banged the gong," and proudly wrote his name on the study hall blackboard as a Tau Beta Pi pledge.

Wildcats To Defend NCAA Title In Seattle

Kentucky's offensive masters vie with Oklahoma A. & M.'s defensive masters tomorrow night in Seattle for the NCAA basketball championship.

The Wildcats will be after their second consecutive NCAA title and their third national championship in four years. Hank Dan's Western Kentucky team are seeking their third NCAA crown. They won in 1945 and 1946.

This season the Wildcats have won 23 and lost two, compared to A. & M.'s 23-4 record.

Tomorrow night's encounter will be only the third meeting in the history of the two schools. Kentucky won the initial meeting in the consolation game of the 1944 NIT, 46-29. Bob Kurland and Floyd Buehler, former Murray star, and present Alabama coach, were the Aggie stars, and Bob Brannum, Jack Tingle and Jack Parkinson were the Kentucky standouts in those days.

The Aggies won the second meet, 57-51, in the 1946 Sugar Bowl. Most of Kentucky's present crew was around then, as were several of the Aggie team.

Thus, the championship clash will (Continued on Page Seven)

Guignol Selects Cast For Play By Hart, Kaufman

A complete cast has been selected for the coming Guignol production, "George Washington Slept Here," a comedy by Moss Hart and George Kaufman. A tentative opening date of May 2 has been set, according to Wallace Briggs, director of the drama department, who is producing a farm house in Comstock, near Newton and Annette Fuller, sophisticated New Yorkers. It is a very special honor, however, since George Washington once "slept here." Neither lead has ever lived on a farm and their adventures make up the comedy hit.

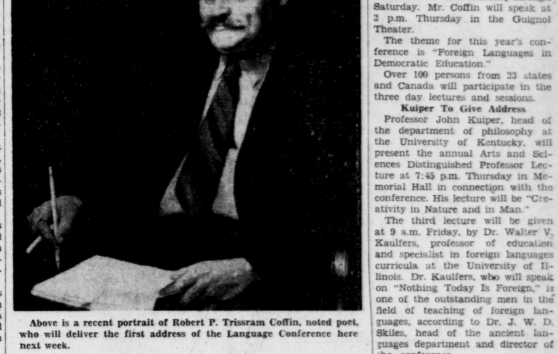

The cast is as follows:
Annette Fuller, Florence Scott, Lexington; Newton Fuller, Wallace Briggs, director of Guignol; Mr. Kimber, Harry Stanton, student; Mrs. Margaret Larkin, student; Steve Elderidge, Jo Knight, student; Katie Ruby Evans Hart, extension department; Mrs. Douglas Maxine Perrine, Margaret J. King, Library; Clayton Evans, Joseph Drew, student.

Bena Leslie, Eleanor Crain, Lexington; Hester, Jane Lee Porres; horticulture department; Raymond, Lexington school student; Uncle Stanley, Ed Henry, Transylvania student; Leggett Franz, Tom Sawyer, student; Tommy Hughes, Jack Rice, student; Steve Barrington, Diann McKaig, student; Miss Wilcox, Marian Honeycutt, student; and Mr. Prescott, Jewell Doyle, Lexington.

Language Conference To Begin Thursday

University is Host To 3-Day Meeting

Over 100 persons from 23 states and Canada will participate in the three day lectures and sessions.

Above is a recent portrait of Robert P. Tristrum Coffin, noted poet, who will deliver the first address of the Language Conference here next week.

SGA Balloting Set For April 12

Vacancies in the Student Government Association assembly will be filled at an election scheduled for April 12.

Qualifications for SGA membership are a 1.3 cumulative standing and one semester's residency. Applications may be made at the registrar's office.

Memorial Hall Movie: "Holy Matrimony"

"Holy Matrimony," starring Monty Woolley and Gracie Fields, will be shown at Memorial Hall March 29-30. The first show will begin at 7 p.m. and the second at 8:34 p.m.

Henry Elected YWCA President

Virginia Henry was voted president of the campus YWCA at the annual YW elections Wednesday.

The losing candidate for the presidency, Dorothy Doyin, became the new vice president.

Delta Tau Delta And Alpha Xi Delta Win First Place Awards In Annual All-Campus Sing

Delta Tau Delta was awarded the cup in the men's division of the annual All-Campus sing for the eleventh time Wednesday night in Memorial Hall, and Alpha Xi Delta took first place in the women's division. Sigma Nu and Alpha Delta Phi were runners-up in the men's and women's divisions, respectively.

Delta Tau Delta And Alpha Xi Delta Win First Place Awards In Annual All-Campus Sing

Delta Tau Delta was awarded the cup in the men's division of the annual All-Campus sing for the eleventh time Wednesday night in Memorial Hall, and Alpha Xi Delta took first place in the women's division. Sigma Nu and Alpha Delta Phi were runners-up in the men's and women's divisions, respectively.

Preliminary competition was conducted Monday and Tuesday nights to determine participants in the final judging. In addition to the four groups mentioned above, Sigma Alpha Epsilon and Lambda Chi Alpha were selected from the men's groups, and Delta Zeta and Chi Omega were chosen from the women's groups.

Delta Tau Delta, directed by Jack Peterabend, sang "Jonah Had a Whale of a Time in a Whale," "Delta Shelter," and "Hallelujah, Amen" (Handel), to win first honors in the men's division. Alpha Xi Delta, directed by Charlotte Watson, sang "Quest" and "Blue Moon" to win the women's division.

Big Crowds Attend

Capacity or near-capacity audiences attended the performances all three nights. Generous applause, led by contingents of the competing groups, seated in the audience, was awarded each group of selections. Competitive feeling ran high, and the announcement of each night's winners was greeted with enthusiastic cheers and screams.

A much smaller percentage of men's groups than women's groups entered the contest, but it was agreed by most of the audience that the men's groups were uniformly above average.

Users were members of Omicron Delta Kappa and Mortar Board.

The Sigma Nu's, runners-up in the men's division, were directed by Ted Hale. They sang "White Star of Sigma Nu," "O Bone Jesu," by Palestrina, and the French national anthem, "La Marseillaise."

Runners-up in the women's division, the Alpha Delta Phi's, sang "You'll Never Walk Alone," and "Sourwood Mountain." They were directed by Mary Montague.

Dr. Edwin E. Stein, head of the music department, presents cups to the winners of the annual All-Campus Sing. (Left to right) songleaders Mary Montague, Alpha Delta Phi, Mary Evelyn Rose, Alpha Xi Delta, Jack Peterabend, Delta Tau Delta, and Ted Hale, Sigma Nu, represent their groups.

Letters

Dear Editor:
Of all the disgusting things!!! I have checked up on the identity of the students who wrote the letter to you last week about "hopscootch tournaments" and find that they are seniors in journalism!
What is the University coming to when seniors in journalism indulge in such childish shenanigans?
Imagine! These two students should be worrying about their forthcoming comprehensives instead of dawdling away their time with thoughts of childish sports.
If two seniors in economics or animal husbandry or some similar course had written the letter, I would have thought nothing of it. But that two of my colleagues should stoop so low is abominable!
I recommend that the head of the journalism department give each of these students a special thesis to write before graduation so that they may occupy their minds with higher thoughts.
Degratedly,
ANOTHER JOURNALISM SENIOR

doesn't he bring his own coke so we can have a party?
Thirdly, we were extremely short of experienced help this year, and would have welcomed any surplus on the floor of our new fieldhouse!
Do we want low grade morons running loose on our campus? To all these questions, we answer as emphatic NO!
We advocate immediate expulsion of these two mental derelicts.

Dear Editor:
Some people would do anything to get their picture in the paper; I refer to the picture of those four pseudo-students standing in front of the Guignol Theater in fur coats that came out in last week's paper.
I wouldn't be surprised if they didn't try to pull something lewd when the play "George Washington Slept Here" comes to the Guignol in the near future.

Dear Editor:
The letter appearing in the Kernel last week about starting a "hopscootch" tournament here is the most stupid, outlandish, atrocious thing we've read in your paper so far. Who are these two jerks who believe that hopscootch will build up muscles and help draw straight lines? Do they suck lillipups in class, and they pucker about that pants?
The mental stature of these two retarded adolescents should be put to the test, and they should be placed in an institution more in keeping with their states of mind—

"Nicer but not so Expensive"

Alas, No Big Welcome

For some weeks last spring events were recalled as happening before or after "The Day The Team Came Home," in capital letters, rather like "The Year Of Hally's Comes" or "The Summer Of The Locust Plague" or something. The welcome-home affair developed into a day-long celebration of momentous proportions, not soon to be forgotten by those lucky enough to have taken part in it.
Unfortunately, the team's traveling schedule doesn't permit such a "Wildcat welcome" this year. To replace it, a "Wildcat Appreciation Day" has been set for a week from Monday to honor a team that in four years has given the University and Lexington more publicity than dozens of public relations offices and chambers of commerce could have pulled out of the hat.
Staged by a group of hard-working townspeople, the day has all the earmarks of another notable event. And students can still welcome the Cats when they get into town Sunday night.
But it still seems as if there'll be something missing—you could call it a festive air, or something similar—that definitely was present last year.

Choruses Could Do Own Work

The All Campus Sing has turned into one of the campus events most looked forward to in the spring. It gives listening pleasure to hundreds and the pleasure of group singing to hundreds of students who might otherwise not get the opportunity for it.
But there is one thing that the sponsoring groups—ODK, Mortar Board, Phi Mu Alpha and Phi Beta—could do to make next year's event more interesting, from a competitive standpoint. They could place a limitation on the professional help received by the competing choruses, and they could try to make this limitation stick.
The use of professional coaching handicaps those groups that don't have a system of financial support. It puts a premium on originality and hard work by the competing groups themselves. It causes the competition to break down into something like a contest to see which professional director can turn out the best chorus out of the raw material that hires him.
Outside help is supposed to be forbidden in other campus projects, such as the May Day floats, and many groups don't use it in the sing. Checking professional coaching in the All Campus Sing would place more responsibility on the individual groups and more emphasis on their abilities, rather than on the talent of their directors.

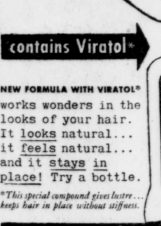

How's That Again?

All year long, big Nine campus papers have been commenting caustically on the lack of caliber of Kentucky's basketball opponents, and implying, by stating that UK hadn't seen anything until it had met a Big Nine big dog.

Veterans May Convert Insurance In Six Ways

Veterans who wish to convert their national service life insurance may now do so under any one of six permanent plans, according to a recent Veterans Administration release.
Before converting the policy, these points should be considered:
(1) The insurance may be converted in amounts from \$1000 to \$10,000, in increments of \$500.
(2) If the veteran desires to convert only part of his insurance, he may continue the remainder on a term basis.
VA insurance officials also point out that veterans now paying premiums on a monthly basis, on either term or permanent plans, can change to a quarterly, semi-annual, or annual payment schedule.

Seen leaving the Quadrangle are three new pledges of Tau Beta Pi. Inauguration ceremony had invaded the brick building. (Left to right) Ernest Coulter, Roy Cole, and Robert Johnson were oversteered Tau Beta Pi keys and carry sledge hammers... traditional impedimenta during the first week after pledging.

Tau Beta Pi

(Continued from Page One)
Inauguration ceremony had invaded the brick building. The exercise was previously held in the general engineering assemblies. Active of Tau Beta Pi then went through the audience tapping their pledges, who were led to the stage and introduced.
The 40 pledges must now go through a week of pledge training. During this time they must carry a ten pound sledge hammer with them constantly. They must also wear an 8-inch aluminum fascimile of the Tau Beta Pi "bent" or key. The sledge hammer must be wrapped with green ribbon. It is rumored that this is to honor St. Pat, the engineers' patron.
Secret initiation ceremonies will be held on March 26 in the Lafayette Hotel.
A Tau Beta Pi candidate must have a 2 standing and be a member of the junior or senior classes. He must have "breadth of interest both inside and outside of engineering."

Line Tapped By Wire

Jim Line, UK basketball player, had the distinction of being "tapped" by a telegram instead of a sledge hammer. He was in New York with the Wildcats playing for the NCAA tournament when tapping occurred.
Pledges are W. P. Lawson, R. L. Huette, P. Murray, W. F. Baxter, J. M. Elliot, C. R. Theobald, W. T. Robertson, J. R. Harrison, R. A. Wharton, E. L. Foster, H. Heinke, H. L. Kimberly, E. L. Coulter, F. R. Edwards, C. Brahear, H. L. Washburn, E. T. Lee, R. L. Cole, R. C. Johnson, L. W. Dawson, P. H. Threlkeld, W. G. Kappa, F. C. Curtis, E. George, D. Pruden, T. Deen, A. R. Maddox, M. M. Tau Beta Pi was founded at Lehigh University, Bethlehem, Pa., in 1883 for engineering students. The fraternity was organized to rival Phi Beta Kappa, arts and sciences honorary which does not accept engineers. Kentucky Alpha was established locally in 1902.

Sciences Society Sets Membership Deadline April 15

Sigma Gamma Epsilon, recognition society for students in geology, mining, and metallurgy, announced this week that anyone interested in becoming a member should apply before April 15.
The general requirements for membership specify that a student must have an overall standing of 1.66 and a 2.0 standing in the student's science major for the past two semesters. The applicant must have a minimum of 11 semester hours in an earth science.
Sigma Gamma Epsilon has as its purposes the scholastic, scientific, and social advancement of its members, the extension of relations of friendship and assistance between the universities and scientific schools with recognized standings in the United States and Canada, and is devoted to the advancement of the earth sciences.
Those who are interested in becoming members, and who meet the qualifications, should apply in room 5A in Miller Hall.

Leadership Society To Fill Vacancies

Eight vacancies now exist in Lamp and Cross, senior men's leadership society, according to Don Robinson, president. Applications for the vacancies are now being accepted.
Application blanks may be picked up at the office of the dean of men, Administration Building. Deadline for the entries is April 4.
Membership requirements are a 1.5 standing for students who are second semester juniors or seniors at the present time.

Trustees Accept \$10,000 In Gifts

The University of Kentucky accepted gifts and scholarship awards totaling \$10,275 at a meeting of the Board of Trustees Saturday.
Gifts include \$100 from Jonas Weil, Lexington, for the Jonas Weil Memorial Award for 1949, to be given to a senior in agriculture who has been in residence at UK for his entire college career and has the highest accumulative standing; \$2500 from the General Education Board, New York City, including \$1500 for a workshop to improve leadership at the elementary level, and \$1000 for a workshop for training school librarians.
The Agriculture Experiment Station received \$600 from the Pacific Coast Borax Company for use in connection with tests of response of alfalfa to borax; and \$4000 from the Robert Gold Research Foundation, Cincinnati, for use in a project for improved conception in Kentucky purebred ewes.

UK Team Figures In Bridge Tournery

Results from the 1949 National Intercollegiate Bridge Tournament show that UK has the only team to have two couples play in the Southern Zone finals.
W. B. McMullin and D. J. Mason placed fifth, and Raymond F. Connell and Roy A. Wallace placed eighth in the Southern Zone.

WSSF Contributions Reach \$1977 Mark

Total contributions for the World Student Service Fund have reached \$1977.12, Miss Margaret Wilson, secretary of the YWCA, has announced. Students have contributed \$1512.33 and the faculty and staff have donated \$232.50, and the proceeds from the Barter Theater play, "Arms and the Man," totaled \$232.29.
Late contributions are still being sent to the fund, Miss Wilson stated.

Louisville Firm Submits Low Bid

Lowest base bid on the construction of a new service building at the University is \$723,000 submitted by the George H. Bonner Company of Louisville, Frank Peterson, controller, announced this week.
Five other contractors also submitted bids.
The service building bids and two other bids on the construction of an addition to McLean Stadium were considered at a meeting of the executive committee of the Board of Trustees this week, Peterson said, but final action will not be taken until April 5.
Tentative plans for the service building state that the building will be erected at the intersection of S. Upper and South Limestone Street.
Low bid on the stadium addition, which includes construction of approximately 4000 seats on the south side and a new press box, was submitted by the Perkins Company of Frankfort which bid \$291,400.

Literary Society To Honor Patterson

An oratorical contest and tea will be held to celebrate the birthday anniversary of the late President James K. Patterson by the UK Paterson Literary Society Saturday at 4 p.m. at Guignol Theater.
The contest is held every five years as authorized in Patterson's will. A request was set aside to provide prizes for the winners.
All faculty and staff members, their wives and guests are invited to attend.
SDA To Elect Officers
The Students for Democratic Action will elect officers Thursday in the SUB at 5 p.m., according to President Ray Robinson.
Attempts to reorganize the club will be made at this meeting. Members are students interested in progressive political action.

All-Campus Party To Meet Tuesday

The All-Campus Party will meet at 7 p.m. Tuesday in the SUB, according to James Eddieman, ACP chairman. He said the object of the meeting will be to make plans for the coming SCA election, and asked that "All students who believe SCA should be made into an active force representing all the students instead of a minority, take part."

The Spice Of Life

By Ruby Graham and Jobie Anderson

When we see couples spooning on the lawn in front of the SUB, we know the spring has sprung.

Speaking of spring, love is again manifesting itself in the wholesale exchange of pins, with a traffic jam both ways.

Newly pinned: Betty Morgan and Jack Whitman; Mary Odell and Eli Jackson; Charlotte Eskine and Jim Hefferman; Betty Beuchel and George Martin.

Newly unpinned: Maria Storz and Jim Mokas; Jean Stubbs and "Crusty" Christ.

A quickie on the list is the pinning and unpinning of Mary Ann Mosby and John Burrier.

A gentle hint: Irvin Scribner ought to give his SAE pin to Bobby Ann Rose.

"Crusty" Christ is perfecting his "elevator act" for presentation at one of the Ben Ali vaudeville shows. He repeated it again Saturday night. The favorite sport at the Tri Delta house is leafing. It must be spring: Nancy Bird has lost her head. She came to the Sigma Nu costume party as a rabbit—the one and how Long spent the evening trying to find the head to her costume.

Charlie Pritchett is still trying to build a larger and better "Mouse" trap.

Joan Cook makes a perfect sweetheart of Sigma Chi. Dressed rather strangely and wearing a huge SX pin, she appeared at the Sig Ep party escorted by "Sigma Chi" Charlie Waley, universally known as Cad. Whaley decorated his pin with a big black spider.

Howard Locke likes to remember every moment of his phone conversation with Suzanne Patch. That recorder comes in handy.

At last we have an exclusive quote from Earl Sira — and of course it's about Dusty Rhodes: "So many fiddle I can't even hear my own part." What's the matter, Earl? Some people like to play second fiddle! Don't you?

John Milovich's date Saturday night couldn't think of a thing to say except how furious she was with Mike Mills, 'cause she supposedly had a date with him. Mike was escorting Barbara Stewart at the moment.

Fred Perkins held open house in Cooperstown after the "Seaboard and Blade Dance. The kids came too.

Bob Nave woke up Sunday afternoon screaming "What happened?" George Tugle was quite in character Saturday night. Did why the question mark?

It seems that four KA's have parted with their pins in the last two weeks. But Frank Benton and Jolly Reges helped balance the amount spree by retrieving their emblems from Nancy Roberts and Mary Ann Goodson, respectively. This is the third time Frank has made the exchange with Nancy.

How did a trophy from the SAE House get in the Sigma Chi living room over the weekend?

Fred Nichols finally got a girl for the Sigma Nu costume party.

Engaged: Ann Vaughn and Billy Grubb; Charlotte Garrett and Jim Odell.

Who keeps sending Mac Larkin candy?

Rosemary Hilling went to campus Monday night to hear Charlie Oberst. Maybe the Deltas will know who escorted her!

Helen Holtzky is the latest Tri Delta on Bill Usher's agenda.

Skitch Henderson seems to be the main topic of conversation for tonight, especially among the Phi Deltas and SAE's.

Lois Wilson and Herb Mills, who came attired as huss and jockey respectively, won the Sig Ep masquerade contest. Joe Hibbs and Martha Bradley were colored angels — we call it miscegenation.

Jesse Bollinger has decided that there are better things to do on Friday night than to date Sue Cooper.

There was a trail of leaves at Yorkland Saturday night. Eve was forbidden by the Casino as the lookout for the wandering Adam. Her question: "I love 'em and leaf 'em!" Bob Breeden is smitten with Anne Jennings.

Wayne Crow went to Louisville to see the high school games, but he parted with Peter Massey's gas instead.

Earl Caudill can't seem to make up his mind between Doty Brown and Joan Haffer.

If anyone understands the Jean Stevens-Omar Tatum case, how about an explanation?

Alfred Prewitz was seen squiring thirteen Kappas one day last week.

Helen Fulliam has a gleam in her eye for Frank.

Couples at the Sig Ep party: Jo Patterson and Jack Moore; Arlen Millam and Bob McDonald; Yo Coulter and Ralph Shelby.

In his autobiography, Johann Sebastian Bach admitted that all credit for his tremendous success rightfully belonged to Dirty Gillespie.

Ed Fossett is the new Kappa Sig mascot. "Bunny" is fond of carrots we hear.

"Wet Ridge" Holbrook seems to have given up Marilyn Bauer these days.

Isn't it about time for Marilyn Hollingsworth to break up with Dobbie?

After a three-week trial, it seems that the Jeanne Wilson-Jim Stiles affair is definitely cold.

DZ's Elect Officers PKT Pledges Elect

New officers of Delta Zeta are Nita Powers, president; Ida Manchek, vice president; Nell Blair, corresponding secretary; Ruth Voss, recording secretary; Barbara Preston, historian; and Shirley Porter, rush chairman.

Band To Honor LXA

Vaughn Monroe, band leader, will salute Lambda Chi Alpha fraternity on his national radio broadcast at 6:30 p.m. tomorrow.

The fraternity celebrated its Founders Day last week.

How Modern can "Jazz" get?
Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM" — a Capitol Recording . . . and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm," comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite — Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

How Mild can a cigarette be?
WELL, SKITCH, THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDEST CIGARETTE I'VE EVER SMOKED!

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

IT'S THAT HARMONY WHICH SKITCH HENDERSON AND LOVELY NANCY READ, HIS FEATURED VOCALIST, GET TOGETHER AND SING THE PROMISE OF CAMEL MILDNESS.

SMOKE CAMELS FOR 30 DAYS — and you'll know!
In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days — an average of one to two packs a day — noted throat specialists, after making weekly examinations, reported
NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking

CAMELS

Money-Back Guarantee!
Try Camels and love them as you smoke them. Scientist Says Southeast Stands To Benefit Most From A-Power

The Southeastern United States, which can lay a valid claim to being the birthplace of atomic energy, stands to benefit most from its development, one of the nation's outstanding nuclear scientists told a University of Kentucky audience recently.

Dr. Alvin M. Weinberg, associate director of the Oak Ridge National Laboratory and a veteran of more than seven years experience with the Manhattan Project, He was addressing a College of Engineering convocation at Memorial Hall.

"Nuclear fission is after all primarily a source of power -- of electrical kilowatts," Dr. Weinberg stated. "It is sometimes said that the best single measure of the general cultural and economic status of a country or region is the total power consumption per capita."

Means Industrialization
The general large power output means great industrialization. As an area becomes industrialized there is diversification of opportunity for its people. There is added an increased wealth measured by the difference in value between the raw material of the region and the manufactured product. Two, the region because of the diversity of opportunity is less sensitive to natural catastrophe such as widespread crop erosion and depletion of fertility.

Outlines Research
He outlined the research facilities of the Oak Ridge National Laboratory and stated that it, along with others of its kind, has a three-fold function: (1) to carry out research

TIPS ON TOGS

PERFECT -- Yep, corduroy coats are perfect for year round wear, especially for spring. No other type can give you so much good practical service and their popularity is still growing -- Markheim has sent me some selected items, marrow, rust or grey -- money invested in a corduroy coat is a wise investment.
FEAR NOT -- Don't hesitate to try out the new pastel shades in men's suits--people from one end of the country to the other are welcoming this break from the old dead, dried up colors the "lowly male" was forced to wear. -- comes the commercial -- speaking of pastel shades, makes me think of the new gator-bleached shirts we have in stock, finely tailored by Marlow in hues of yellow, blue, pink, grey, green, lime, gold, beige and maroon -- another good thing is, they are washable!

and flattering fit -- I have heard some of the pals read this little bit of advertising effort now and then -- so -- gals if you are looking for a smart spring suit -- don't forget -- I think you'll like -- take your pick of tan, marrow, rust or grey -- money invested in a corduroy coat is a wise investment.

Cats Rebound To Win Eastern NCAA Meet

Groza, Line, Barker Lead Wildcats In Whipping Villanova And Illinois

By Tom Diskin

New York—The Kentucky Cats turned in their best Madison Square Garden performance of the season last Tuesday night in the NCAA Eastern Division final as they soundly trounced Illinois, 76-47.

Some 15,126 people saw the Big Blue, an 8-point favorite, turn on the heat and inflict the worst defeat for the Illini of the 1948-49 campaign, clipping the Big Nine champions by a 29-point margin.

Winning this game enabled the Ruppmen to meet the Western Division survivor, the Oklahoma Aggies, at Seattle tomorrow night for the NCAA championship.

Alex Groza turned in another good game for UK, scoring 27 points while holding Wally Osterkorn and Fred Green to five, and seven points respectively.

Jim Line continued his outstanding play and finished with 15 points, 19 of which came in the first half.

Ralph Beard and Walt Jones played in nine each, while Cliff Barker followed with eight. The latter, who played two fine games in

the NCAA meet, held the much publicized Dike Eddleman, Illini guard, to just six points, those being three long fielders in the final semester.

Beard also turned in a nice defensive game, holding the Collier's All-American, Bill Erickson, to just two goals and one free throw.

The Illini scoring was well scattered. Walt Kersulis led with nine; Green had seven; Roy Gatewood and Eddleman six each, and Osterkorn and Erickson five each.

The losers jumped to a 2-4 lead as Green hit a one-bander, but UK soon overtook them and led the rest of the way as the count went from 5-3, 18-10, 30-15, and 40-12 at the halfway mark.

In the final half, UK pushed it to 43-25, 44-28, 63-39, and 67-43, with two and one-half minutes remaining.

Scoring:

KENTUCKY (76)	(47) ILLINOIS
Jones (9).....P	(9) Kersulis
Line (15).....P	(5) Osterkorn
Groza (27).....G	(7) Green
Beard (9).....G	(6) Eddleman
Barker (8).....G	(5) Erickson

Substitutions: Barnstable 2, Hirsch 6, Illinois—Sunderlage 2, Marks 2, Poley 3, Beach 2, Cottell, and Anderson.

Officials—Bogovich and Gentile.

Cat Defensive Record Smashed by Villanova

Everyone has been so busy counting up the records Kentucky basketballs have been setting this year, that everyone overlooked a record that another team—set—against Kentucky.

Villanova scored more points against Kentucky than any other team in history, Monday night when they scored 72 points in a losing battle. Kentucky won, 69-72.

The previous record of 56, set by Michigan State in winning, 66-99 in 1945, fell exactly one week earlier when Loyola upset the Cats, 67-56, in the opening round of the NIT.

All told, only a jail-house team have ever broken the 60-point mark against Kentucky. The Cats won two of the six games.

A former apprentice to a mariquette career, Dolly Madison gave the first performance of a Punch and Judy show in New Zion, Ind., March 30, 1817.

Paintings By Amy Exhibited In Louisville

Paintings and lithographs by Clifford Arny, assistant professor of art, will be shown at the Memorial Auditorium in Louisville during April, in an exhibition sponsored by the Art Club, a group of Louisville artists and teachers.

Prof. Arny's works, which were recently displayed at the Evansville Public Museum, Evansville, Ind., include "Ballad Singer," "San Francisco," and "Jacob and the Angel." The Seagram Company has purchased Prof. Arny's oil, "Landscape with Anacias," for its collection of works by Kentucky artists.
