Dear Dr Thompson.

I am afraid this is the only picture  
I have left of the chest you desire but it is  
not want length. Thank you in any case for  
your fine letter. I hope that some day I will  
indeed be able to meet your family. But  
it must always be remembered that my  
two trips to Lexington this spring were  
notably unusual & it will probably be a  
very long time before I get there again.  
It is always a pleasure to send you  
manuscripts & other such odds & ends  
with very best Christmas wishes & blessings  
In Christ our Lord

Arise, all you who sit in darkness,
