My Dear Wife,

Your very welcome letter of the 9th post marked the 10th inst to hand 1 hour & 40 minutes since, and although I mailed to you on yesterday a 6 page letter, it is with undiminished pleasure that with currante Calamo I address you again so soon though in a little more condensed style.

I have made acquaintance here with 3 physicians, two allopathic and one Homopathic but marry Eclectic, consequently how do you still esteem Sharpe, and will he do any more for your throat than the physicians you have heretofore consulted? or do you think so?
