

Head Quarters 6th Enniss Batt.
" " July 4th 1862.

To the Officers & Soldiers of Enniss Batt.

It has been customary upon this the anniversary of our first Independence to meet together with our wives, mothers & Sisters and commemorate the day with feasting and social enjoyments. That blessed privilege is on this day denied us, but let us unite in doing that which will call forth the thanks and prayers and alleviate the sufferings of those brave soldiers who are now bleeding and suffering from wounds we in the late battle near Rich mond and the remembrance of this day will be as sweet in after years as any that has passed.

I desire that the Capt^s of the different Companies composing my Batt will prepare Subscription Lists and give each individual member of their respective commands an opportunity to contribute their mite for this object.

The several Lists & sums of money will be returned to my Head Quarters to be forwarded to the Medical Director of the Army at Richmond Va.
