Gd Gulf April 12/63

Col.

Genl. Bowen directs me to  
state to you that it will be necessary  
for your court to meet tomorrow  
and adjourn over until Tuesday - & that  
if any more members are needed, he  
will send across the river at once  
for any you may name. He  
understands that there is a quorum  
present but some of the members  
may be objected to therefore  
a ~~list~~ others will have to be  
sent for

Very respectfully
