

Baltimore 12th May 1836

My dear Sir

I have received yours of the 10 & 11th the first enclosing a twenty Dollar Bill for money advanced by me to Bancroft which led over that account, and the second enclosing a letter for Bancroft which I shall send this evening by mail. I send you to know that he was to return here after taking your leaving to Shepley, Town for Black Hawk. There will be no difficulty about Derby, travelling if I am correctly informed about him, you will find Derby Pedigree in Skinner's edition of the English tree Book Page 843. dom Argandoza foaled in 1831 by Peter Selby & bred by Lord Derby, his memoir will be found in the 6th vol of the Sporting Magazine April No 1835. — The English man you will also find in the English tree Book page 874 - dom Dodo, foaled in 1828 by Adrapson, bred by Mr Head of Donham, I was under the impression she was bred by Mr Watt. I shall show the Pedigree of the Bengonia maid in a day or two having written to my Mother for it, both Mary
