

Steam Boat Haron
Cincinnati April 24th 1829

Dear Sir

Being now on my way to Pensacola, where I am going for the purpose of visiting the navy yard recently established there, I avail myself of the present opportunity of enclosing to you the certificate I promised to send you previous to your departure from Washington, in relation to the facts, and which I hope may be a means of rendering them somewhat more valuable to you

I left Washington on the 12th inst. at which time all your friends, with whom I am acquainted, were in the enjoyment of sound bodily health

Please present my respectful compliments to Mrs. Clay & believe me with

High respect & regard
your obt^l

J. H. Rogers

The Honble

Henry Clay

P.S. The vibratory motion of the Steam Boat while writing has been such that I fear you will hardly be able to read the enclosed.
