My Dear Friend: -

I was so glad when I received your dear letter for I was beginning to think you had forgotten me. I am very sorry to hear that you are sick, I had to quit the office for 2 months Apr. and May on account of my health visited my uncle in St. Louis a while and feeling some better now am working again but had to stay home today because I caught cold on my stomach was sick all night and too weak to go down today.

Many thanks for your kind
