Petit Gulf Jan 1st 1825

Dear Sir
Yours of yesterday is to hand, also yours to Mr Barrett, he left here next morning after you did. I was sorry to hear of your disappointment with Mr Morrison, I have sold one of your Ploughs expect I will be able to sell more or more business doing here than when you left. No steam power yet from below, more flats from above than at any time since my arrival here

Respy yours

Wm. W. W.
