PUBLISHED WEEKLY AT THE MARGARET I. KING LIBRARY, UNIVERSITY OF KENTUCKY, LEXINGTON, KY. 40506

ABOUT THE LIBRARIES

LIBRARY FACULTY MEETING

The April meeting of the Library Faculty has been cancelled. The next meeting is scheduled for May 30. Committee reports will be on the agenda for both the May and June (tentatively set for June 27) meetings.

Paul Willis

PLAY BALL!

Contrary to fast spreading rumors, the King Kongs and Super Gnomes will match forces Sunday in the annual softball game. Kong expectations are running high; reportedly a large number of players have signed up. The Super Gnomes are fielding a team sans ace pitcher Colonel Cooper and slugger Susie Allen. Needless to say, those Gnomes are worried!

Come support your favorite team (the King Kongs) and BRING FOOD.

BOOKSALE

Don't forget that the Library Staff Organization is participating in the Library Associates booksale April 24 and 25 and needs your books (paperbacks only) and a small part of your time. If you have any paperbacks or would like to help with the sale, contact Sandra Muenks, 257-3831.

KENTUCKY SAMPLER

We are now putting together the supplement to the Kentucky Sampler. I have a recipe that is not signed. The recipe is for a Squash Casserole. If you submitted this recipe and want credit for it, let me know before Wednesday May 23.

Toni Powell (8-2758)

AN IMPERFECT MACHINE IS BETTER THAN NONE AT ALL!

During spring break Periodicals/Newspapers/Microforms placed a Bell & Howell Spacemaster microfiche reader-printer on a table in the public area for patron use. A sign explains basic operation and that the copies should be paid for at the service counter (price is ten cents per copy). Although this machine is far from perfect (service men have begun to find their way to the department), many patrons have used it and found it satisfied their need for take-away copies, especially when copying from microfiche. In the absence of any other microform copier in the public area, this one may serve for awhile.

COKE MACHINE

As of the beginning of this year Administrative Services has taken over the coke machine in the staff lounge of King Library North. Report any trouble or requests for refunds to that office.

LUNCH HOUR PROGRAM

The first LSO-sponsored Lunch Hour Program will be April 30th in the Cataloging Conference Room on the third floor of King North. The program will be on making silk flowers and will last from 11:30 AM to 12:30 Pm. Bring your lunch and relax and learn about the art of silk flowers. The program is free to LSO members but, sorry folks, there will be a 50 cent charge for non-members to cover expenses. (Members please bring your membership card to ensure your admission).

MEMBERSHIP CARDS

The LSO membership cards are out and being distributed. If you have paid your dues during March and have not received a card, let me know. Those of you who have recently paid your dues should be getting one in the near future. Those of you who have not yet joined--it's not too late.

Toni Powell

WHITE HOUSE CONFERENCE ON LIBRARIES & INFORMATION SERVICES

"A Report to the People" sponsored by the Kentucky Department of Libraries and Archives and Kentucky's delegates to the Conference will be given at fourteen locations throughout the Commonwealth. The meeting at the Hyatt Regency, May 22, from 7:00-9:00 PM is the nearest one to the University of Kentucky.

CALENDAR OF LIBRARY EVENTS

Please notify Barbara Galik of any library-related activities which should be included in the calendar in the Reference Department. This calendar is available for all to consult. A more detailed explanation of the purpose and scope of this calendar can be found in the Green Bean #316 of March 28, 1980.

NEW SPEC KIT

The Reference Department recently received SPEC Kit 62-"On-line Bibliographic Search Services."

SPECIAL LIBRARIES IN THE 1980's - BARREN RIVER LAKE

A state-of-the-art review of library technology, presented by Professor Clayton Shepherd, of the Indiana University Graduate Library School, will highlight a meeting titled "Special Libraries in the 1980's," set for May 1 and 2 at Barren River Lake State Park.

The meeting will be sponsored by the Special Section of the Kentucky Library Association and the Kentucky Chapter of the Special Libraries Association.

Also on the program is Robert Carter, of the Council on Higher Education. Carter will speak on telecommunications for Kentucky libraries.

Topics such as microform technology and practical applications of technology will also be discussed at the meeting.

The cost is \$5.00 for one day and \$8.00 for two days for members and \$7.00 for one day and \$10.00 for two days for non-members. Pre-registration for the meeting is not required, but rooms must be reserved before Wednesday, April 23 by calling Theresa Wiley at (606) 252-5535, ext. 229. Rates are \$16.54 for a single room and \$24.94 for a double.

For further information, contact Lee Hisle, LTI Library, 8-4919.

CAREER DEVELOPMENT SURVEY

University employees have a promising opportunity to bring about personal satisfaction through a career with the University. You can get help in attaining skills which may be lacking to qualify for suitable jobs throughout UK. The Employee Development Center offers advice, help, training, and other resources to enable you to attain your career aims.

The Career Development Survey asks you to provide specific information about yourself which will be used to plan training and development programs. Your contribution to this planning data will be appreciated. If you wish to complete a confidential Career Development Survey, contact the Employee Development Center, 257-1851.
