PREFACE

The publication herewith presented, an index to the probate cases filed in Brazos County, Texas, is No. 21 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to the filing date of the case and the case number. The following numbers in the series 1-1766 were not used as case numbers: 212, 217, 244, 276, 289, 375, 394, 414, 451, 500, 609, 610, 626, 628, 661, 683, 688, 707, 725, 737, 739, 744, 747, 759, 760, 763, 768, 781, 836, 923, 924, 936, 941, 951, 957, 965, 976, 1000, 1182.

In Brazos County, all probate records are in the custody of the county clerk. Probate case papers are located in the clerk's vault, in 69 steel file drawers along the north wall. The first five file drawers, marked 1A-182A, contain papers filed 1845-1906; the cases are arranged alphabetically by the first letter of the surname of the estate, and are numbered by numbers assigned by the clerk for filing purposes only. The next nine file drawers, marked 1 $\frac{1}{2}$ -143 $\frac{1}{2}$, contain papers filed 1860-78; the cases are arranged numerically by numbers assigned by the clerk for filing purposes. In the remaining 55 file drawers, marked 144-1940, cases filed 1868 to date are arranged numerically by case number, and chronologically by filing date since 1879, when the current system of numbering cases consecutively was inaugurated.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Brazos County follow:

Austin County, Bellville, all records extant.

Milam County, Cameron, records destroyed by fire in 1874.

Robertson County, Franklin, all records extant.

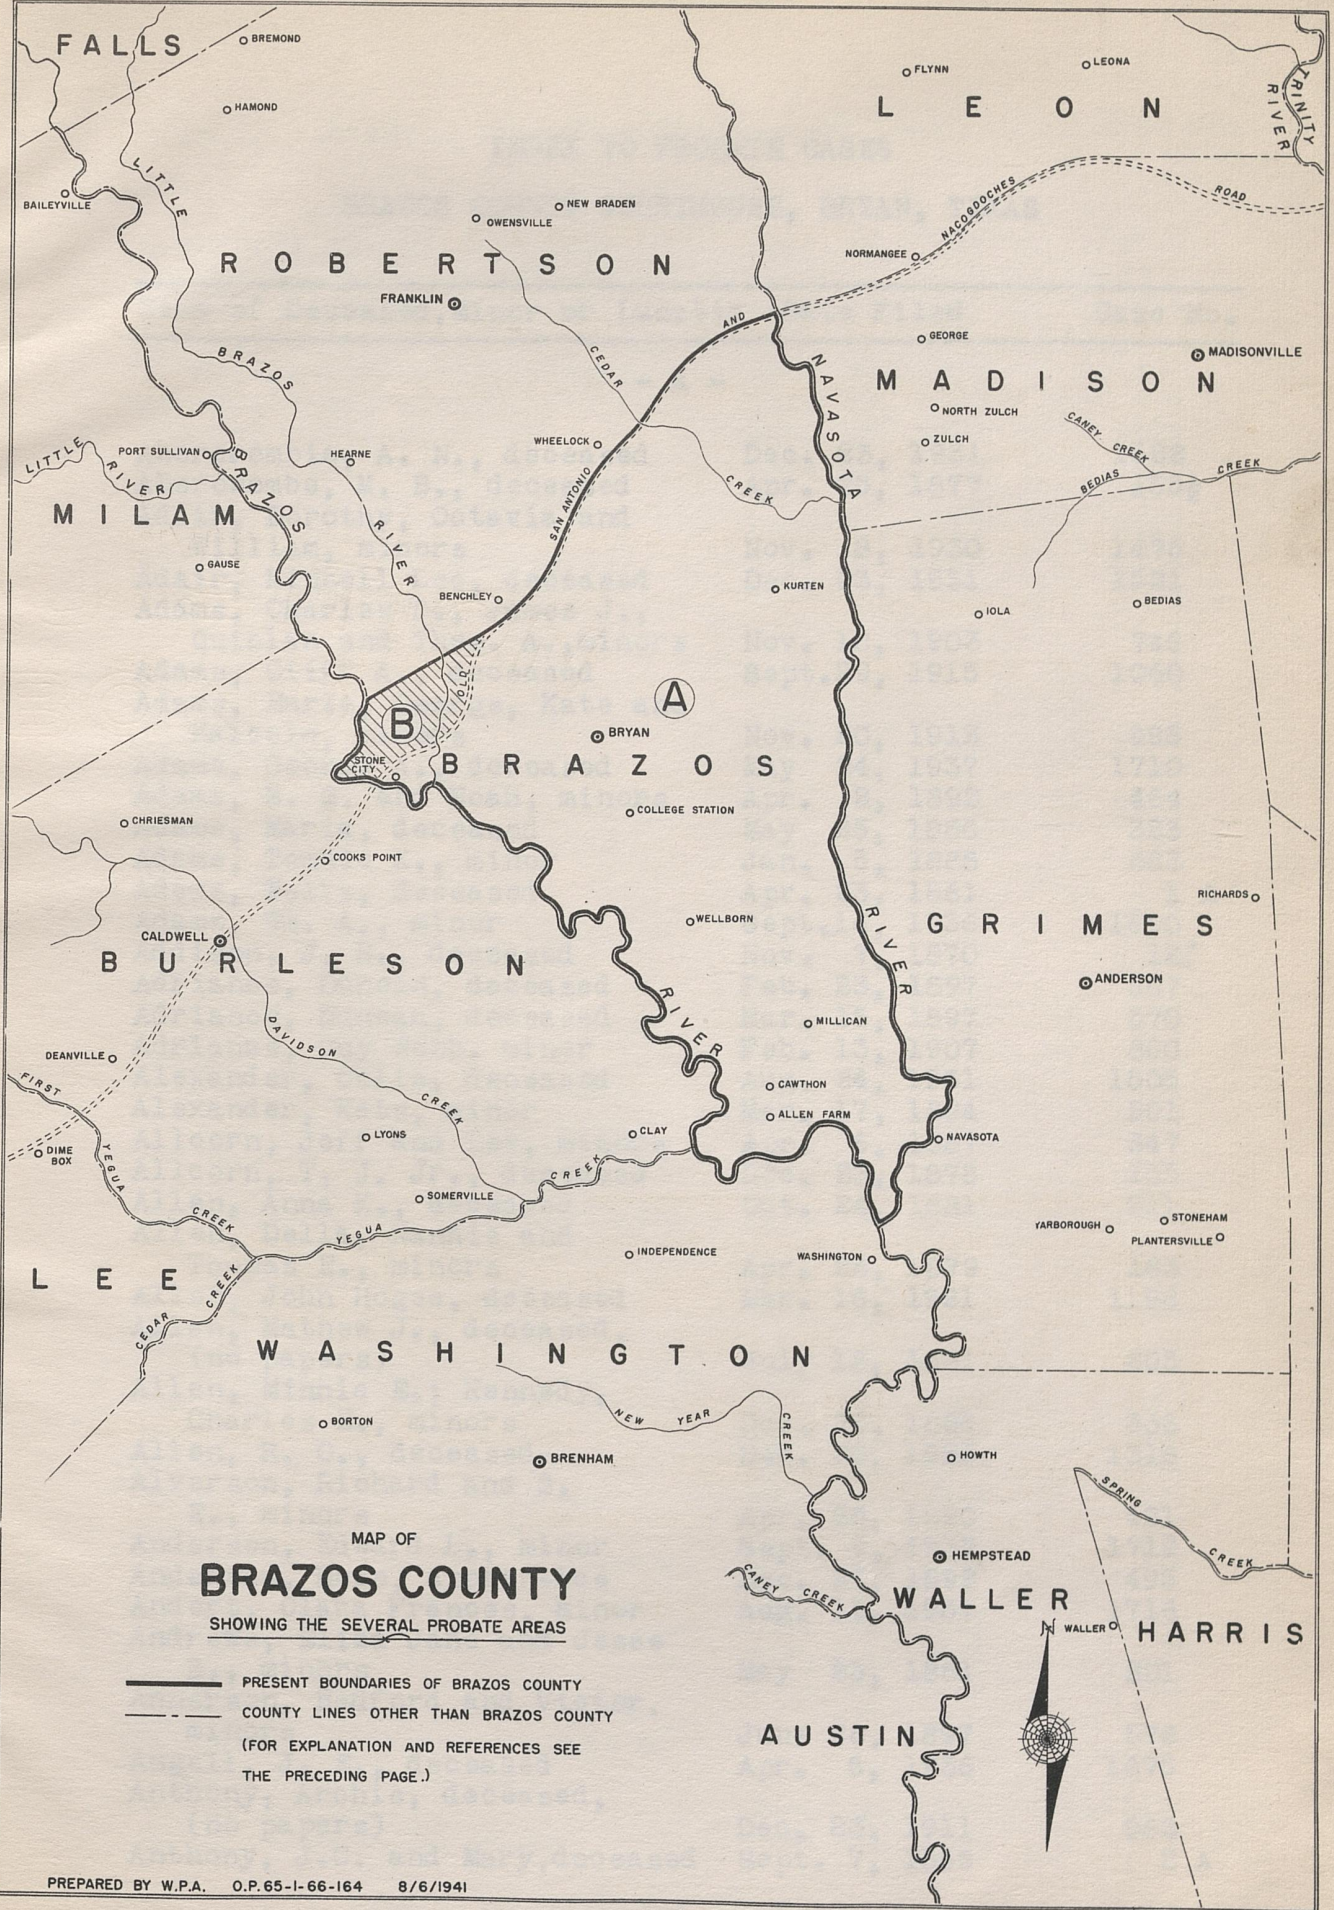

Washington County, Brenham, all records extant.
