GREEN SCREEN

11/11/92

This GREEN SCREEN is going to be a tad shorter than usual, so I'm wondering if there are any commentators on the library scene out there who would like to send in items of general, or even particular, interest?

Beginning today, we'll include occasional items of interest from the archives. So if you have a collection of old GREEN BEANS, send them over to me, Jill, in King Reference.

FROM THE ARCHIVES ..... July, 1976:

New Staff Members. The following people are joining our staff this month: Margot Gelpke and Roxanna Jones, both former student assistants in Circulation, will be working in stack maintenance.

Blue Grass Librarians' Picnic. .... a picnic in the grounds of KDLA in Frankfort... just talk and relax on the beautiful grounds of the library. Bring a box lunch for your family.  
(Would this be the old KDLA or the one we all know and love today?)

APPOINTMENTS AND ANNOUNCEMENTS

LEW BOWLING read the announcement of the Med. Lib. Assn. meeting and figured that one of the other MLAs needed equal time. So he announced that the Midwest Chapter of the Music Library Association will be holding its annual meeting in Lexington, hosted by the UK Music Library, October 21-23, 1993, and he will be Chair of the Local Arrangements Committee; he is also serving as Chair of the Public Services Committee. Lew hopes all these MLAs don't become too confusing and suggests all we need now is an announcement from the Modern Language Association!

ORGANIZATIONS by G. Stevenson Smith.  
Z683.S63 1991

This adaptation of accounting techniques to library management provides a perspective for decision making and for measuring success in administration. The time value of money concepts is used, while performance analysis and leasing are other topics covered.

THE STRUCTURE OF INTERNATIONAL PUBLISHING IN THE 1990s edited by Fred Kobrak and Betty Luey.  
Z278.S88 1992

Deals with the impact and implications of consolidation and internationalization among publishers. About acquisitions on the macro level but of interest to all who make acquisitions on the micro level.
