## Kentucky Wins First Three Games In S.I.A.A. Tourney Wildcats In Finals With Georgia Tonight

### Defeat Tulane in Triumphant Entry into S. I. A. A. Adkins Eligible

SCORE 50 TO 28

Kentucky made her triumphant entry into the S. I. A. A. basketball tournament Friday afternoon by handing a decisive defeat to the quintet representing Tulane University of New Orleans, by the overwhelming score of 50 to 28. The wonderful floorwork of the Wildcats so bewildered the Greenbacks that they were unable to make any headway against the fast Kentucky team.

Tulane made the first goal but their lead was a short lived one for the Wildcats soon accustomed their passing and shooting to the enormous auditorium floor and in five minutes had left the Greenbacks behind. This lead was never overcome and at the end of the first half the score stood 30 to 16 in favor of the blue clad basketweavers.

The Louisiana team put up a game fight but they were outclassed by one of the best teams that has ever been seen on the Atlanta court. The passing, sidestepping, and goal shooting of the point manufacturing trio, King, Adkins and Hayden, was so mystifying that Tulane never had an inkling as to what they were going to do next. On the other hand the superb offense put up by Lavin and Ridgeway was too much for the Greenback cagers.

Coach Stegman of the undefeated University of Georgia team, said that he expected the finals to be played between Kentucky and Georgia Tuesday night. He expects the hardest game that his team has taken part in when they play the Kentuckians.

The line-up:  

Kentucky	Pos.	Tulane
Hayden (17)	F.	Lantrip (12)
King (13)	F.	Martin (10)
Adkins (18)	C.	Wachenheim
Lavin (2)	G.	Gill (2)
Ridgeway	G.	Dahlman

Score at end of first half: Kentucky 30, Tulane, 16.  
 Substitutions: Kentucky—Wilhelm for Smith. Tulane—Cohen (4) for Wilbur.  
 Referee—Yates. Umpire—Sutton.

### TRIANGLE SOCIETY MEETS AND PLEDGES

The Triangle engineering fraternity held its regular weekly meeting on the evening of February 14, at the home of A. C. Smith, 403 Woodland Avenue. This meeting was acclaimed the most delightful in the history of the Kentucky chapter. Refreshments were served, smokes were circulated and good fellowship reigned supreme.

A Triangle theatre party was arranged for Wednesday evening, February 16. It proved to be another successful entertainment. Triangle's next public appearance will be in relation to the national convention to be held at Illinois early in March.

The pledges of Triangle engineering fraternity are announced as follows:  
 W. E. Rowe, 21, Bristol, Ind.  
 E. R. Snider, 22, Lexington.  
 J. B. Slater, 23, Covington.  
 D. M. Ramsey, 23, Lexington.  
 D. J. Farmer, 23, Morganfield.  
 S. E. Flick, 23, Grant.  
 Howard Glenn, 22, Fort Wayne, Ind.  
 T. H. Oliver, 23, Lexington.

### SENIOR CLASS MEETING

All Seniors are requested to meet in the chapel, Administration Building, Friday at 3:30. Business of importance to be transacted.

M. K. EBLEN, President.

### KENTUCKY MEMBER OF SOUTHERN CONFERENCE

### Directors of Leading Colleges Organize Southern Conference

MEET AT ATLANTA

Dr. Funkhouser returned from Atlanta Sunday with the announcement that the University of Kentucky had been accepted in the Southern Conference which was organized last week for the promotion of organized athletics among leading Southern colleges. The Conference is similar to the western and eastern conferences, and has been the dream of southern athletes for many years.

Kentucky is fortunate in obtaining a place in the Conference, as the membership was limited to sixteen. Doctor Funkhouser, as the representative of Kentucky, took a prominent part in the proceedings of the Convention. President Ganfield, of Centre, was unable to secure the acceptance of his institution, as were the representatives of several other small colleges.

Colleges to enter the new conference were:  
 Georgia Tech, University of Georgia, Maryland, Virginia, North Carolina, Virginia Polytechnic Institute, North Carolina State, Washington and Lee, Clemson, Alabama, Auburn, Mississippi A. & M., University of Tennessee, Kentucky and Tulane University.

The results of the proceedings of the convention, as given in the Atlanta Constitution, was as follows:

"The basis of the new association is a sweeping departure from all athletic standards that ever prevailed in the South; the new constitution is hailed by the makers as a remarkable forward step for purification of Southern athletics.

Dr. S. V. Sanford, University of Georgia, was elected president of the conference, N. W. Dougherty of the University of Tennessee was elected secretary and treasurer. The term of office for the president is one year and the office shall rotate from school to school. The office of secretary and

### Mighty Mercer Bows to Wildcats in Second Game

SCORE 49 TO 25

In her second contest of the S.I.A.A. tourney, Kentucky easily defeated Mercer University, of Macon, Georgia, by the one sided score of 49 to 25. The result of the game was never in doubt from the start of the game until the final gun was fired as the Wildcats early took the lead and continued to increase it until the end.

King led in the scoring making six field goals and nine foul goals out of a possible eighteen. He was closely seconded by Adkins, the lanky Kentucky center who caged eight baskets. Captain Hayden hung up five more goals and Lavin got his usual basket.

It would be hard to state just who started for Kentucky as all the Wildcats played up to their usual standard.

### EVERYBODY OUT!

Every Kentucky student, from the meekest Frosh to the most dignified Senior, is expected to be "out" Friday night, and to be in a jubilant, celebrating spirit.

The occasion is the return of the successful Wildcat basketweavers at 6:35 o'clock at the Southern Railway station. The Boosters Club is in charge of the reception and will provide automobiles to bring the squad uptown.

Students will form a procession to follow the victorious Wildcats, and it is safe to predict that the quiet of the South Broadway neighborhood will be treated mercilessly.

The welcome will be staged "rain or shine," victory or defeat in the finals. No one is able to say exactly what the outcome of the finals will be, but all are able to say that the 'Cats have put up a wonderful fight throughout the Tournament and that Kentucky is proud of them and wants to make this demonstration whether they bring back the S. I. A. A. championship cup or not!

Pass the word along: "Everybody out!"

### WILDCAT MAT ARTISTS MOP UP WITH CINCY

### Kentucky Wrestlers Victorious In First Mat Meet

The Wildcat wrestling team won a decisive victory from the University of Cincinnati mat artists last Saturday night in the Cincinnati gym, scoring five out of seven bouts, making the score of 36 to 12.

This was the first time in the history of the University that it has ever been represented in an intercollegiate wrestling match.

Cincinnati was rated the favorite of the meet, having defeated Ohio State by a larger score. Ohio State failed to score a single fall against Cincinnati team while the Kentuckians felled the Bearcats four times. No Kentucky man was thrown, although two bouts were lost on decisions.

Earl Winter of Lexington, received a probable fracture of the left shoulder when he refused to allow his shoulders to be pinned to the mat by Keith of Cincinnati. In a last heroic effort, just as his shoulders were about to touch the mat, he gave a frantic heave which injured his shoulder but kept his opponent from scoring a fall. Albert Magg, of Cincinnati, sustained a fractured left shoulder and left rib while engaged in a bout with Stith, of Kentucky. Both injured men were treated at the General Hospital and later taken home.

The inexperienced Wildcat team outclassed the Bearcats and showed the results of their intensive training for the meet to which they have been looking forward since last September. Coach Harold Enlow, also a member of the team, has been working with the squad since early last fall and it is due to his careful teaching that the team has developed to such a stage of perfection.

Two judges and one referee presided over the meet which was held before a fair sized crowd. At first it seemed as though the contest was going to be close, as each team scored in the first bouts, but the Kentuckians soon gained a lead which was never threatened.

### Kentucky Wins Semi-Finals From Mississippi Aggies

SCORE 28 TO 13

(Special To The Herald)

ATLANTA, Ga., Feb. 28.—Basketball teams from University of Kentucky and University of Georgia clash Tuesday night on the auditorium floor for the S. I. A. A. championship. The semi-final matches Monday night resulted in a 28 to 13 victory for Kentucky over the Mississippi Aggies, and a 26 to 21 victory for Georgia over Tech. Four thousand people witnessed the game with 2,000 more left outside the gates, unable to gain admittance. It was the largest turnout of fans ever seen in the South for a basketball doubleheader.

Kentucky was dead on its feet Monday night and played far below form showed during earlier games of the tournament. After stepping briskly away to a big lead and finding the Aggies helpless before their attack they slowed down and began missing easy shots. The first half ended with Kentucky leading 12 to 6. Then the Aggies braced and broke out with a flashy passing game that seemed to have Kentucky on the run. Then the Wildcats came back toward the close, and stretched out their lead to respectable figures. The Tech-Georgia game, marked with the intense rivalry that always characterizes meetings of these schools, was the main drawing card, and Tech surprised the dopsters when she held Georgia to such a close score.

### STROLLERS MAY TAKE "CRICHTON" ON TOUR

Following the lead of Pineville and Middlesboro, several towns in the eastern part of the State are becoming interested in the production of the Stroller play, "The Admirable Crichton." Mt. Sterling has inquired as to terms. The Strollers may take the play on a short tour during the Easter vacation.

### S. I. A. A. TRACK MEET TO BE AT SEWANEE

The annual S. I. A. A. track meet will this year be held at the University of the South, Sewanee, Tennessee, on May 14 and 15.

The track prospects for this year are extremely good. Only one valuable man will not answer when the roll is called. The missing Wildcat is Neal Knight, the dimutive mile stepper who has done excellent work on the Wildcat squad the last four track seasons.

Among the letter men reporting for duty are: Clare, the holder of the S. I. A. A. record for both high and low hurdles; Thornton, half mile mauler; Dorman, high jumper; Cameron, pole vaulter; Snider, quarter mile and Hayden, javelin thrower. There are also several Freshmen reporting for practice daily who show great promise. Coach Buchheit should have no trouble in developing a championship team with such a wealth of material.

The meet last year was held in Atlanta and was won by Sewanee, Kentucky, with five participants, won fourth place out of twenty colleges which were represented, Centre, the other Kentucky college represented, failed to make any points.

The Wildcat track squad is already at work preparing for this meet as well as for several others which are yet to be scheduled.

## Wildcats Receiving Cordial Welcome From All Southern Sport Writers

### Atlanta Newspapers Play Up Wonderful Wildcat Machine; Describe Playing of Kentuckians as Showing "A Slick Brand of Ball," and "Passing With Uncanny Speed and Pulling Complicated Combinations."

That the Kentucky Wildcats are being received with open arms and with fairness and appreciation in spoken criticism and sporting comment is demonstrated by the numerous and complimentary opinions and paragraphs which are daily filling the columns of such southern newspapers as: The Atlanta Constitution, The Atlanta Journal, The Atlanta American, etc.

The Constitution, of Saturday, carried a full page streamer headline announcing the overwhelming of Tulane by Kentucky. The Journal, of Sunday, featured a twenty-square-inch picture of the Kentucky squad and of Coach Buchheit. The Sunday Constitution displayed a picture equally as large of the squad, and also an insert of Captain Basil Hayden in the act of tossing the ball.

The following paragraphs which have been clipped from the sporting pages of Southern newspapers, are the comments of some of the most competent sporting critics of the country.

**Kentucky Opens Southern Eyes**  
 "Principal interest of the afternoon centered in the fray between the University of Kentucky and Tulane, chiefly because Kentucky was a little-known quantity in the tournament had a record achievement that was expected to make them a formidable factor in the final result of the tournament.

"And it started out like it was going to be a battle royal, too. Tulane drew first blood with a brilliantly executed goal from field before the contest had been on more than a pair of minutes and for the first five minutes pretty well kept the possession of the ball.

But the moment the Kentuckians became accustomed to the huge Auditorium court and began their marvelous passing, the conclusion was foregone.

"The Lexington quintet has one of the most peculiar attacks yet uncovered on a basketball court. The men who start in the guard positions are actually forward. It is a baffling thing to watch. Then in King, Hayden and Adkins, the men from the dark and bloody ground, possess three of the most scintillating goal shooters imaginable, while the defense seems almost as good as the attack.

**THE LOVE OF THE GAME**

Surprising the Southern athletic world the Kentucky team became from an unknown quantity the strongest contender for the S. I. A. A. championship by defeating Tulane, a team by many picked to win the cup, in the first game, and trouncing mighty Mercer in the second leg of the Southern championship.

By the time this issue of The Kernel is out the strong Mississippi A. and M. team will probably also be defeated, leaving only Georgia to stand between Kentucky and the championship cup. Georgia has been rated the champion by all dope from the beginning. The Kentucky team has been a dark horse in the tourney. But while Georgia and her "five-man defense" is respected, the final outcome of the game is no longer in doubt on Kentucky's campus.

In another sport, also, a Kentucky team has come to the fore. The wrestling team so decisively defeated Cincinnati last Friday evening that it leaves no doubt as to its character. Cincinnati was unable to get a fall out of us and we got four falls from the Bearcats. Ohio State, on the other hand lost to Cincinnati, the State men not being able to throw a one of the Bearcats. The fact that Cincy has had the advantage of experience in three matches should also be taken into consideration.

The baseball team, practically undefeated last year, shows promise of being even better this season with a number of new men and eleven letter men back fighting for places.

So in every sport Kentucky spirit is fast coming to the fore to place Wildcat teams in capital letters on the Southern athletic map. There was some criticism of the Athletic Council's position when it took a decided stand against ringers and paid athletes at the beginning of this year but the results have shown that the Council was right. Teams of true blue Kentucky men who play for the love of the game and the honor of their Alma Mater are now representing the old school in the field of sport and it is the fervid hope of The Kernel that Kentucky will henceforth always be able to hold its head high and be as proud of its athletes and their victories as it is this day.

The Ex-Service Men's Club will hold an important meeting Wednesday evening at 7 o'clock in the Little Little Theatre.

**CONCERT SUNDAY BY COLLEGE ORCHESTRA**

The first orchestra concert of the season was given before a very appreciative audience in the Chapel of the University, Sunday afternoon at 3:30. The concert was under the direction of Professor Carl Lampert, head of the Department of Music at the University.

The program consisted of a "New Set of Irish Folk Songs" which are probably the most exquisite of all the group of Irish compositions, and musically speaking, clearly depict the life and play of the great Irish people. The feature of the concert was a violin solo by Professor Lampert. He played "Fantasies on Airs from 'Faust'" with his usual charm and skill. "Oriental Airs" by the orchestra, are, in the words of Professor Lampert "the original or classical jazz." Another very pleasing number was a "Selection from 'Martha.'"

**KENTUCKY MEMBER OF SOUTHERN ASSO.**

treasurer is also for one year and rotates from school to school.

The cardinal principles of the new association as adopted Saturday morning by the representatives of the schools involved are:

The adoption of a one-year rule. The abolishment of summer baseball for college athletes.

A three-year eligibility rule, allowing a player only three years of varsity athletics.

An antimigratory rule, making it impossible for any college athlete to leave one college and then attend another and play any athletic team of that school.

It was further agreed that the maximum number of colleges to be allowed to enter the association would be sixteen—the sixteenth to be chosen from applicants after a complete investigation into the athletic affairs of that school had been made.

The new conference will become effective Jan. 1, 1922. The completed football schedules for the fall making it impractical and impossible to get an earlier start.

A college baseball player will be allowed to play occasional games during the summer months on teams that do not have as a member of their organization any professional athlete. But even before he can play these games he must secure the permission of the faculty chairman of athletics, and after the game must make a complete statement in regard to his expenses, and all momentary exchanges which might have been made during the period in question.

**WANDERERS BLOCKED**

The migratory rule is expected to check the practice among athletes in this section of the country, of hopping from one school to another as their athletic prowess might improve. Little opposition was made to the adoption of this section of the constitution.

The three-year limit is another iron-clad rule which will serve to make the new conference the greatest of its kind. Not only will player be ineligible after three years as a member of the varsity, but these three years of membership on a team must be within the four years subsequent to his matriculation at that college. This will halt an athlete's return to school after graduation for another year of athletic contests.

Adoption of the one-year rule by these leading colleges in the South is another eligibility rule which falls in line with those in vogue in the East and Middle West. Georgia Tech had previously adopted this regulation.

The next meeting of the directors of the Southern Intercollegiate Conference will be held in Atlanta the first Friday and Saturday in December. All track and field rules shall be those adopted by the National Collegiate Athletic Association.

The directors here were the guests of the Georgia Tech Athletic Association at a luncheon at the Capital City Club Saturday afternoon. The directors gave a rising vote of thanks to Dr. J. B. Crenshaw and S. S. Wallace of the Tech Athletic Association.

**TRACK PRACTICE STARTS**

Track practice has started. The men are loosening up the stiff joints, indoors, and as soon as weather permits they will trip along the cinder path. A championship team is expected this time, for we won fourth place in the All-Southern Meet of last year with only five men.

**MIGHTY MERCER**

but the work of Adkins was especially noticeable on account of his uncanny accuracy at shooting the hoop. He caged them from all angles and astonished the spectators by his freakish back handed shots which he made with ease.

The Wildcats outclassed their opponents in every line of play. They were faster, their shooting was far superior, and they put up a defense that was impossible for the Macon quintet to solve. The score at the end of the first half was Kentucky 23, Mercer 7.

In the second period Mercer tightened up and showed real form but the lead was too great for them to overcome, and they had to be satisfied with little more than half as many points as the Kentuckians. Once more the Wildcats demonstrated their superiority in the net game.

It will have to remain in splints for three weeks but it is hoped that Walt will get back to school soon with the aid of crutches.

**GREENWICH VILLAGE REVIVED BY ARTISTS**

Alluring attractions have been added to make Greenwich Village Night to be given Saturday night, unique in campus entertainments. The glittering cabaret, futuristic art exhibit, amusing fantasy, Aria da Capo, praised by the New York Times when it was presented in the Little Theatre of that City—even this is not enough to satisfy the Art Department presenting the affair.

Three dances have been added to the program, an Apache dance, in which Herndon Evans tosses Louise McKee about very recklessly, all to furious time, as mad lovers of the underworld; Martha McClure dances in gorgeous costume as "The Peacock" and Miss Fanny Bruce Lowridge, of this city, will exhibit rare grace in "The Dance of the Flame." Music will be furnished by the Misses Lampert.

Damsels in purplish smocks, gay parrot girls will sell sweets and serve supper and make the roof garden and cabaret attractive. The Saturday afternoon cadet hop will only begin the carnival of pleasure, which it is hoped will serve as a victory for the basketball team. Supper will be served to the cadets and their girls; every provincial west of New York longs enviously to taste the naughty pleasures of the village and now is the opportunity, a financial bargain, only \$1 to 75 cents.

**Chattanooga to Play Kittens Here Friday**

The University of Kentucky girls will play the Chattanooga girls here Friday night, March 4. The Kittens were defeated by Chattanooga in the South, but it is hoped that when the two teams meet Friday our girls on their home floor will show up well. The University team is planning a short social hour after the game for the visiting team.

**KITTENS LOSE FAST GAME TO WESLEYAN**

The Kittens met defeat at the hands of the Wesleyan College girls quintet Saturday night, February 28, at Winchester, by the score of 28 to 9. The game was fast and frequently verged upon roughness.

In the first half the University girls put up a strong fight but the superior goal-shooting and team work of their opposers made them come out on the small end of the score.

**PETERS' ARTICLE IS PUBLISHED AGAIN**

The Kentucky High School Quarterly published by the Department of Education has issued its January number. It contains an excellent article on "The Professional Growth of Teachers" by R. F. Peters, '20, originally published in "School Board Journal." Mr. Peters is now superintendent of school in Cloverport, Ky. "Desultory Chats on Teaching," by Professor J. T. C. Noe and his poem "The Great American Home," are features which lighten the tone of the magazine. The brief article by Professor Rhoads on "High School Development in Kentucky," will be of interest to all Kentucky teachers.

## TEAMS CHOSEN TO DEBATE CINCINNATI

Four Men Picked to Meet Bearcats March 18 and 19

### VINSON TO BE ORATOR

L. C. Fielder, R. T. Johnson and W. Chism will compose the Kentucky team which will debate Cincinnati here March 18, and Clay Porter and another yet to be chosen will represent Kentucky at Cincinnati on the next night, March 19.

The question to be debated is: "Resolved, That Congress should limit immigration to 10 per cent of the annual average number of each ethnic group which entered the United States during the period 1907-1914." In the Lexington debate which will be held in chapel the Kentucky team will uphold the affirmative side of the question and in the Cincinnati debate which will be held before the Cincinnati Chamber of Commerce, Kentucky defends the negative.

Patrick Vinson will represent Kentucky in the state oratorical contest which will be held at Berea March 5. There he will speak against men from Transylvania, Georgetown, Kentucky Wesleyan, Centre and Berea.

The winner of this contest will enter the sectional contest held in Iowa in April.

Vinson will also represent Kentucky in the Southern Intercollegiate Oratorical Contest which this year will be held March 11 at Chapel Hill, S. C. There he will compete again representatives from Virginia, North Carolina, Johns Hopkins, Vanderbilt and Alabama.

Last year Clifford Smith, representing Kentucky, won both of these contests and it is hoped that the Blue and White will make as good a showing this year.

The men are coached by Professor W. H. Mikesell, to whom is due much of the credit for Kentucky's success in this field.

### WILDCATS RECEIVING CORDIAL WELCOME

Continued from Page 1

nessee by the unknown Millsaps college quintet and the dazzling work of the University of Kentucky in defeating Tulane 50-28 were the out-standing features of the opening of the Southern Intercollegiate Athletic Association's first basketball tourney yesterday afternoon at the Atlanta auditorium. Demonstrate "Slick" and "Uncanny" Brand

"University of Kentucky lived up to all expectations and in Friday's play showed a slicker brand of ball than any other team on the floor. They passed with uncanny speed and pulled complicated combinations which brought them unstinted praise. Kentucky won her game right under the basket which is the way basketball games ought to be won."

### Kentucky Sharing Favoritism With Georgia

"Following the afternoon games there was a marked change in sentiment as regards to the final outcome of the tourney. Georgia had been an early odds on favorite but after the remarkable showing of the University of Kentucky against Tulane, predictions were freely made that the Red and Black would have to be at the very top of its game to defeat the quintet from Lexington."

### Kentucky Scores Brilliant Victory

"Uncanny shooting by center Adkins, a defense that could hardly be improved upon and brilliant foul and field goal shooting by left forward King gave University of Kentucky a fairly easy victory over Mercer.

"Freak shots, back-handed and otherwise, were made by Adkins, a tall, swift Kentucky pivot man. His total number of points for the day was 18.

"King was the cake-winning point manufacturer with an output of 21, 9 of which were fouls.

"The team from the Bluegrass region simply outclassed their opponents. They were faster, their shooting was superior, and they displayed defense which was more than baffling to the Macon contingent.

### Fast and Furious Playing

"The game was fast and furious and was featured by the splendid team work and excellent passing of the winners. Kentucky got the lead from the jump and was never headed."

"Georgia, University of Kentucky, Auburn, Tech and Mississippi—all came through with flags flying, each of the games played Friday being won by a conclusive and decidedly lop-sided score. There was no question in any of the seven games played about which was the better team when the whistle blew."

## FIRST MATINEE-TEA IS TO BE GIVEN THURSDAY

### Dramatic Production Class and Woman's League Arrange Programs

The first of a series of matinee teas for the student of the University will be given from 4 to 6 o'clock Thursday afternoon in the Little Theatre and Woman's League room in White Hall under the auspices of the class in dramatic production and the Woman's League of the University.

The matinee program will be a presentation of "The Play Room," a one-act play in which the parts will be taken by Margaret Cole, Elizabeth Guthrie, Wilna Brown, Elizabeth Greene, E. H. Smith, and J. R. Albright. The selection is one of the Harvard plays and deals with woman's yearning for home and children and is arranged from the French setting to an American plan. The matinee will be given promptly at 4 o'clock and the tea will be served after the performance. The committee in charge of the tea is composed of Kathleen Renick, Isabelle Dickey, Irene McNamara, Margaret Lavin, Kitty Conroy, Jennie Simmons, Margaret Long, Martha Van Meter, Elizabeth Jackson, Claribel Kay, Helen Porter Roberts, Lucy Whitworth, Anna Louise Connor and Myrtle Clar.
