TELL
THE GOOD NEWS
TO EVERYONE

*I am proud of the good news! It is God's powerful way of saving all people who have faith, whether they are Jews or Gentiles. The good news tells how God accepts everyone who has faith, but only those who have faith. It is just as the Scriptures say, "The people God accepts because of their faith will live."
Romans 1.16, 17 (CEV)*

The American Bible Society's sole purpose since its founding in 1816 has been to provide easy access to the Word of God for people everywhere, both at home and abroad. To fulfill this worldwide mission — one undertaken with the support of concerned individuals and the churches of America — the Society is engaged in the translation, production and distribution of the Holy Scriptures in faithful texts in hundreds of languages, most at greatly subsidized prices, all without doctrinal note or comment.

Through the United Bible Societies, a global partnership of national Bible Societies of which the ABS is a leading member, the Society's outreach presently extends to more than 200 countries and territories throughout the world and includes the provision of Scriptures in Braille, on records and cassettes, and specialized Scriptures for the newly literate people of the world, both children and adults.

This global effort involves the distribution each year of more than 500 million Bibles, Testaments, Scripture Booklets and Selections in more than 500 languages. The aim of this massive effort, simply stated, is to enable every man, woman and child to receive a copy of God's Word and thus to find direction in their lives.

This vital Scripture ministry is made possible by the gifts of individuals and churches who desire to make God's Word more widely known and loved throughout the world.

The American Bible Society's sole purpose since its founding in 1816 has been to provide easy access to the Word of God for people everywhere, both at home and abroad. To fulfill this worldwide mission—one undertaken with the support of concerned individuals and the churches of America—the Society is engaged in the translation, production and distribution of the Holy Scriptures in faithful texts in hundreds of languages, most at greatly subsidized prices, all without doctrinal note or comment.

Through the United Bible Societies, a global partnership of national Bible Societies of which the ABS is a leading member, the Society's outreach presently extends to more than 200 countries and territories throughout the world and includes the provision of Scriptures in Braille, on records and cassettes, and specialized Scriptures for the newly literate people of the world, both children and adults.

This global effort involves the distribution each year of more than 500 million Bibles, Testaments, Scripture Booklets and Selections in more than 500 languages. The aim of this massive effort, simply stated, is to enable every man, woman and child to receive a copy of God's Word and thus to find direction for their lives.

This vital Scripture ministry is made possible by the gifts of individuals and churches who desire to make God's Word more widely known and loved throughout the world.

ANNIVERSARY THEME
The Word of God...ALIVE...ACTIVE

Indeed, the word of God is living and active, sharper than any two-edged sword, piercing until it divides soul from spirit, joints from marrow; it is able to judge the thoughts and intentions of the heart.

Hebrew 4:12 (NRSV)
