## PLATFORM AND COUNTER SCALES.

E. & T. FAIRBANKS & CO.,  
ST. JOHNSBURY, VT.

THESE scales have the universal confidence of the public. They have been long known and severely tested, *and are always right.*

The long experience of the manufacturers, their knowledge of the science of weighing, and their skill and faithfulness in workmanship, afford a sure guaranty that each purchaser shall have a Scale, —

1st. Which is convenient and accurate.

2d. Which is made faithfully, and of the best materials — not with cast-iron edges, which soon wear out, but with steel.

3d. Which is made scientifically, so that large loads, when divided and weighed in small drafts, will produce the same aggregate upon any of the angles of the platform.

4th. Which is not liable to derangement or to expense for repairs, but will remain, through years of constant usage, ALWAYS ACCURATE.

POCKET  
MEMORANDUM

1851

AND  
ACCOUNT BOOK.

CONCORD, N. H.  
JOHN F. BROWN.

## ECLIPSES IN THE YEAR 1851.

There will be four eclipses this year, two of the Sun and two of the Moon.

The first will be a lunar eclipse, January 17th, at 11h. 47m. in the morning, invisible to us, but visible in Asia.

The second will be of the Sun, February 1st, at 5m. past 1 o'clock in the morning, and as the sun will then be below our horizon, it will, of course, be invisible to us, but visible and annular to some parts of the earth.

The third will be of the Moon, July the 13th, on Sunday morning, visible, if the sky be clear, and by calculation as follows:

	H. M.	Sun slow of the clock 5 minutes.	Middle,	H. M.
Beginning,	0 59		End,	2 29
Ecliptic opposition,	2 25			4 4

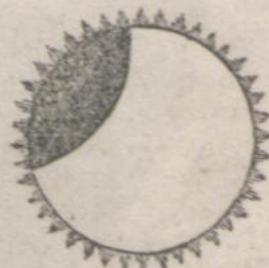

Duration, 3 hours 5 minutes. The middle of the eclipse will be about 15 minutes after day-break, and the end about 24m. before sun-rise; and the Moon will set nearly 31 degrees south of the west.

The fourth will be of the Sun, July 23, on Monday morning, visible, and the phases as follows:

	H. M.	Type of the Eclipse.
Beginning,	7 46	
Middle,	8 39	
End,	9 23	

Duration, 1 hour and 42 minutes. Digits eclipsed  $3^{\circ} 42'$  on the Sun's northerly limb.

The eclipse will begin on the upper part of the Sun's disc, to the left hand of a perpendicular line supposed to be drawn through its centre. As it respects the type of the eclipse, the bottom of the page is parallel to the horizon.

### Signs of the Zodiac.

1. ♈ Aries, head.	7. ♎ Libra, reins.
2. ♉ Taurus, neck.	8. ♏ Scorpio, secrets.
3. ♊ Gemini, arms.	9. ♐ Sagittarius, thighs.
4. ♋ Cancer, breast.	10. ♑ Capricornus, knees.
5. ♌ Leo, heart.	11. ♒ Aquarius, legs.
6. ♍ Virgo, belly.	12. ♓ Pisces, feet.

## DR. S. S. FITCH'S CELEBRATED WORK.

SIX LECTURES ON THE PREVENTION AND CURE OF  
Consumption, Asthma, Diseases of the Heart, Female  
Diseases, &c., &c.

80,000 COPIES SOLD WITHIN FOUR YEARS!

No medical work has ever met with such a reception as this extraordinary production. Its subject is one of fearful interest in our community; and so startling are its propositions and incontrovertible its conclusions, that it seems destined to create a new era in medicines. It affords the consumptive a *reasonable* hope. The *cause* of his disease is pointed out, and then the *remedy*. Consumption is shown to proceed in a great measure from mechanical causes; and in consequence, mechanical as well as medical remedies are to be used. The principles laid down in this book are founded on the observation of more than 5000 cases of Chest diseases previous to its publication, and in the treatment of 15,000 cases *since*. The author has found no reason to doubt the correctness of his theory; but each day confirms him more strongly in its truth. This is a book that should be in the hands of every one. All can understand it. No one at all predisposed to consumption should be without it a single day. Consumption would inevitably disappear, were the rules for its prevention in this book universally followed. And by far the greater part of those consumptives who are now given up by their friends could be relieved by Dr. Fitch's treatment; hundreds of letters from the first men in our country testify to the truth of this. The *healthiest* should own this book. Its observations for the *preservation* of health are invaluable. The price of the book is only 50 cents in paper covers, and 75 cents in elegant muslin bindings. The paper covered books may be sent by mail to any part of the country; postage, 9 1-2 cents. Orders, post paid, to S. S. FITCH & CO., 707 Broadway, will meet with prompt attention.

## DR. FITCH'S PATENT SILVER-PLATED ABDOMINAL SUPPORTERS.

These instruments stand unequalled. While they afford the most perfect support to the back and abdomen, they weigh but a few ounces, are so covered as not to press disagreeably upon any part of the body; but, on the contrary, after a few days, the wearer is only reminded of their presence by the most delightful sensation of comfort and perfect support. These instruments should be worn by all consumptives; in all cases of Weak Voice, Loss of Voice, Palpitation of the Heart, Pain or sinking, exhausted feeling at Pit of Stomach, Pain or Weakness in Small of the Back, Side, or Bowels. Ladies should always wear the Supporters after confinement, or after miscarriage. Every lady who is liable to miscarriage should wear one. A miscarriage will be almost impossible if she will wear a properly adjusted supporter all the time.

## DR. FITCH'S PATENT STEEL SPRING SHOULDER BRACE. DR. FITCH'S INHALING TUBE.

For remarks on these, see Dr. Fitch's "Guide to Invalids," which may be had *gratis* of all his agents.

Agents (Druggists preferred) wanted for the sale of these articles and Dr. Fitch's medicines throughout the United States. For sale in Concord, by JOHN F. BROWN, No. 4 Ayers Block, up stairs, and also by E. H. ROLLINS.
