

The Aloha Camps

FAIRLEE, VERMONT

Wednesday

Dear Mom,

I just got back from an eight mile trip. Four miles on bikes and four on feet climbing mountains. I love it here. I'm working hard to become what Mary is in woodcraft and canoeing, fishing — etc. I don't think I'll do any riding, but the teacher is my favorite course.

Did you send those things. I certainly need them. Why doesn't home write Dad & Maumy? I'll answer their letters right away. I have just gotten your two. my bike certainly is grand to have. There are lots of them, too. I'm going on lots of trips. Do you think you could send 20 packs of Dentyne? I've eaten all my tent mates. she got a whole box of tawnty pack. It sure would be grand. We can chew on the tent field and on bikes & rides to keep from getting out of breath. Please don't see Taffy.

I wrote to Mrs Caldwell about them.

I'm going to sleep, now, & ~~bye~~

Love,

Betty

P.S. Mary's best friend is darling -
