

MARSHALL.

M- Stands for Marshall, thats what I'm called.
I have blue eyes, and curly hair, and over six feet tall.

A- I'm just an average Kentucky log
thats what I'll always be.
I have a wife, and three kids of my own
who love, and are proud of me.

R- means I'm not always right
but no man is perfect they say.

S- means I'm satisfied with what I am
thats more than some men can say.

H- means I've had my troubles in life
but I'm still a lucky man.

A- means I don't know all the answers in life
so I'll leave them to God, and his plan.

L- means I've tried to live a good life
but I've made mistakes, now and then.

L- means God holds my life in his hands
so I'm safe, cause He is my friend.

He stood beside me, when death was so near
and he still stands beside me today.

Once I didn't believe, cause I was lost
But now, thank God I'm saved.

These words on paper, spell out my name.
thats why they're put here in this frame.
