PREFACE

The publication herewith presented, an index to the probate cases filed in Wood County, Texas, is No. 250 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

In Wood County the probate case papers are filed in file boxes in the county clerk's office. The case papers are arranged numerically by case number. The following numbers in series 1-2459 were not used as case numbers: 2, 7, 252, 354, 440, 471, 498, 677, 788, 885, 1101, 1171, 1460, 1475, 1491, 1522, 1524, 1625, 1645, 2057, 2121, 2303.

Since the transfer of territory from one county to another has affected the venue in probate cases, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Wood County follow:

Nacogdoches County, Nacogdoches, records extant.

Henderson County, Athens, records extant.

Van Zandt County, Canton, records extant.

EXPLANATION OF THE MAP AREAS

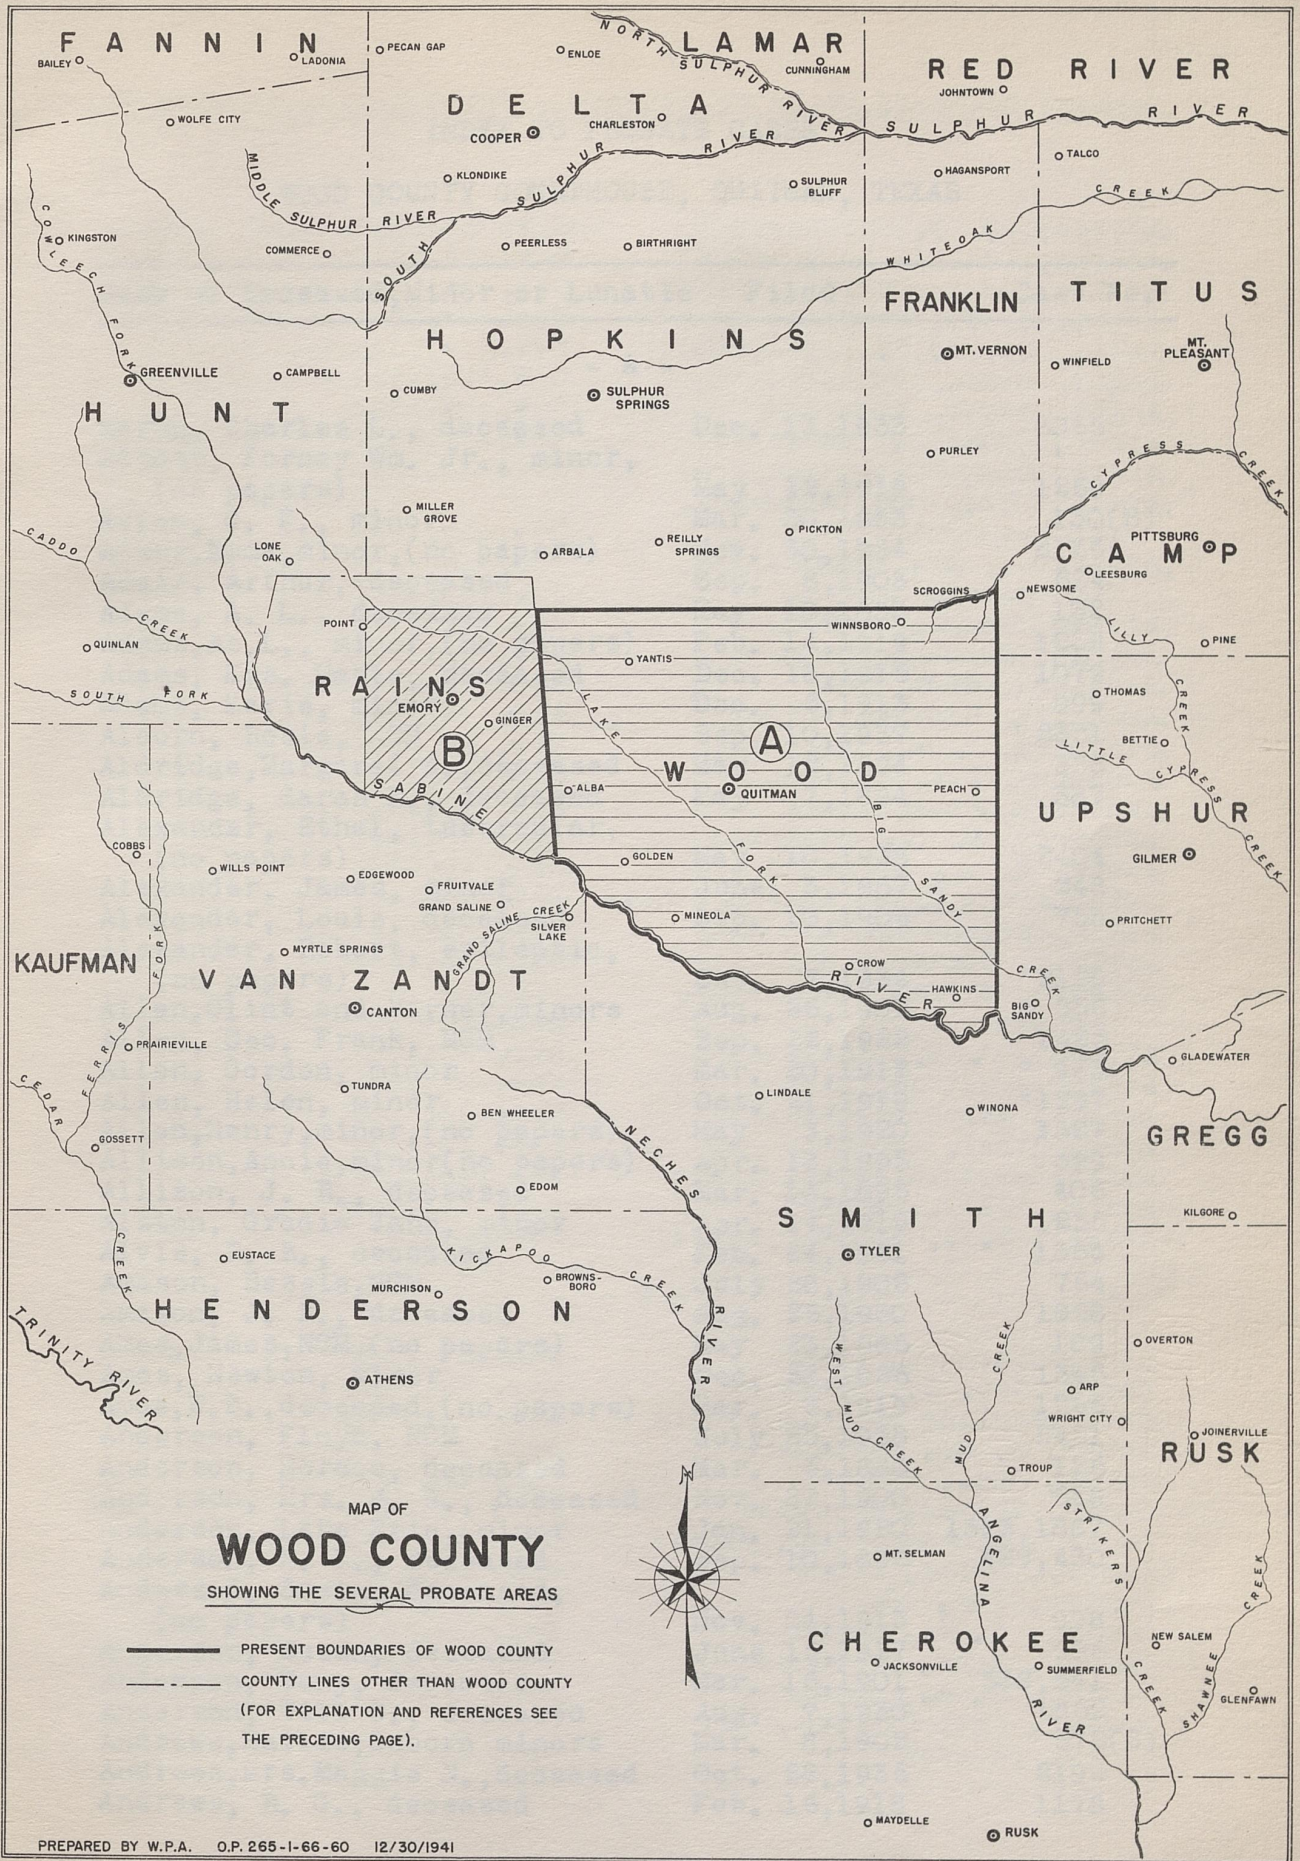

Note: Both of the areas given below were in the municipality and county of Nacogdoches until the creation of Henderson County.<sup>(1)</sup>

- (A) in Henderson County from 4/27/1846 (2) to 3/14/1848  
 " Van Zandt County " 3/14/1848 (3) " 2/ 5/1850  
 " Wood County " 2/ 5/1850 (4) " date
- (B) in Henderson County from 4/27/1846 (2) to 3/14/1848  
 " Van Zandt County " 3/14/1848 (3) " 2/ 5/1850  
 " Wood County " 2/ 5/1850 (4) " 6/ 9/1870  
 " Rains County " 6/ 9/1870 (5) " date

---

(1) It is assumed that the municipality of Nacogdoches had jurisdiction over the territory called "Department of Nacogdoches" which was defined on January 31, 1831. (See Gammel I, 281). Also the act creating Henderson specifically states it would be taken from Nacogdoches County. (See footnote (2) below).
