PREFACE

The publication herewith presented, an index to the probate cases filed in Atascosa County, Texas, is No. 7 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors and other principals are arranged alphabetically with reference to the filing date of the case and the case number. Differentiation between probate cases assigned duplicate numbers is accomplished by the addition of a letter following the case number. Case numbers preceded by "O" were assigned to previously unnumbered cases. The following numbers in the series 1 to 1156 were not used as case numbers: 55, 82, 102, 104, 123, 132, 134, 135, 138, 193, 256, 262, 282, 284, 293, 349, 373, 383, 393, 413, 438, 450, 465, 546, 575, 577, 579, 588, 653, 660, 663, 683, 689, 943, 972, 1001, 1002, 1017, 1045, 1085.

In Atascosa County all probate records are in the custody of the county clerk. Case papers are filed in numerical sequence in plainly marked steel file drawers in the clerk's office.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should be filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Atascosa County follow:

Bexar County, San Antonio, all records extant

San Patricio County, Sinton, approximately 50 percent of records destroyed by fire in 1870, including probate records prior to 1847

 - (5) Research fails to provide legal authority for placing this area in Atascosa County. However, it was included for the following reasons: 1) The earliest official map available--Map of the State of Texas, prepared under direction of Brvt. Maj. G. L. Gillespie, Capt. Engrs. U.S.A., Chief Engineer, Mil. Division of the Gulf; compiled and drawn by Helmuth Holtz, 1865--shows the area in Atascosa County. 2) Modern official maps show it in Atascosa. 3) Research indicates it was not included in any of the three counties bordering Atascosa, and 4) that it was not reattached to Bexar County.
