Didn't have anything to  
do so thought I would write to

the best cooking fellow. He  
brings the groceries every day.  
Oh boy! Say I haven't wrote  
to Phil & yet I wonder what  
she'll think. Oh well I should  
worry. I don't know anything  
else except that I wrote to  
Wilber I haven't got

Dearest Edna,

Well kid I received  
your letter Sat. & am ans. as soon  
as I have time. Lemoria Cain  
You know Lett Knose's wife's  
sister from Richmond is  
here & we've been running  
around together a lot. Sat.  
we went to Richmond & Sat.  
nite Kenney & Dave R. came  
upt & we had dates & sun.  
we went to Richmond for  
all day & dinner at her house  
& Sun. nite she had a date  
with Brounie. Not Dog. You  
better watch her & think. Keb

got a date with her for Wed.  
Last nite Dave & Kenney & her  
came down after me & we took a  
walk & then got some ice cream  
& went up to her house & ate it.  
oh, yes Sat. nite after the show  
we went up to Dave's & danced.  
Jimmy came back yesterday morn  
& she was in town last evening  
& came up. Well I don't know  
much more news now but  
am expecting a letter from Ruth  
to see if she's coming down this  
week end or not. It's been  
so damned hot you can't do any  
thing. Dave is awful nice around  
the girls I sorta like him Kenney  
was sick Sun. nite & went to  
the doctor last evening.

I wonder what's the matter?  
Ha! Hal Well kid nothing much  
has happened but last week  
there was a medicine show  
in town & Wallace Woodson  
was here. Talked to him & he  
swiped one of them pictures.  
damn him anyhow. Well  
I've want to write another  
letter so I'll have to quit for  
now as there isn't anything  
left to say.

your Sweetie  
Gilda  
ans. soon.

Dearest Edna.

But you think I never was going to ans. your letter but I just haven't had time. I received your letter last wed. I was sick all day wed & stayed in bed. Ate too much watermelon mon. nite. Bob, Jimmy & Kenney & I went to Funk's mon. & ate watermelon & mushmelons when we came home. Then after wed. had to make up my work and Kenney came up every nite and worked Sat. and Sun. Cleaned up house went to S. S. & church and then Mary Janet & I took a ride in the afternoon & Kenney & I went to show "The little French girl." Came home & stayed up till 1:00 Kenney left today Boo "Hoo!" For nite I am studying and thought I'd ans. your letter. School don't seem right without you kids. How is Brownie? There isn't much news but Doll brought a wash. Are you coming

when the folks come after the furniture?  
Oh, yes, I got me a purple hat. Turns  
up in front and comes a way  
down on one side. Its velvet &  
satin. Pretty good lookin. Tell  
Mickey Miller is sponsor & Doc. is  
President again this year. We miss  
her too. Its raining like everything up  
here. I'm terribly sleepy. No wonder  
though. The ford still runs. went C.C.  
Sun. & down to De' Haffs. Next time  
you write I'll ans. sooner but you  
know just how it is when you have  
a million & one things to do and no  
time to do them. Will sweet thing  
ans. soon and I'll try & do better  
next time.

Yours old Pal  
Julia.

Dearest Eddie,  
Bet you think I've never  
going to write again. But I am.  
Have been busy studying. Study  
all the time. Don't go anywhere  
very much but stay at home &  
study. You know how it is as  
you've gone through it. It's the  
hardest year I've gone to school.  
Never studied before all year as  
much as I've studied these 3 mo.  
But don't want you to feel hurt  
about it. I think of you every  
day. & wish you were here. Miss  
you whole lots. Tonight is the first  
lecture course. Seniors having  
supper. Got beat last Fri. night at  
Connersville. Too Bad. I went to  
Indianapolis last Thur. & stayed  
till Sat. noon. Working on Sat.  
I don't get to do much. Dad & I went  
to Muncie Sun. Wrote you a letter  
a long time ago but misplaced  
your letter & forgot your address.  
so didn't send it suppose you

get this. When are you coming  
up to stay a week-end or a long  
time. Haven't had but 2 dates  
since Kimmey went to school they  
were with Bob W. He took me to  
new Castle to a show & to the B. B.  
last ~~Wed.~~ <sup>Wed.</sup>

mi. mile. I'm pretty good.  
Now ain't I? Tell Jimmy not to get  
sore but I'll write her some other  
ev. I don't want to write to you  
both at once because then I'd write  
the same news. Nothing has  
happened up here that I know of  
that would interest you. Haven't  
anything new except a brown  
hat I turned in Gold. I've got to  
do my studying before supper so  
I'll have to make this short. Ans.  
when you can. I'll write as often as  
I can & you do the same. Think  
of you even if I don't write.

Come up & see me when ever you  
can a standing invitation. Yours

your old Pal

Dear Edna,

Bet you think I'm a good one but have been practicing for our play & gave it wed. & Thur. nites. It was good. It was the Renaissance Gibson party. I had the Mrs. Gibson Blair Harter Mr. & Helen & Louise our daughters. Harry Scott Helen's & Louise's cousins and Gus Brown Duke of Waterbury. Hildred was Louise's friend. Marvel Holiday was Irish Molly maid & Wallace her sweetheart it was funny. We had dancing too. We had to have the Sophomores & every class in school except the Freshman to help us. even 7 & 8. Ha! We made \$52.50 clear. Pretty good. Have you heard the latest news about Helen Knapp? Suppose you have nothing else has happened that is of interest. Just stay home & study. never go any place. Only when Kenney comes home. Yes, we sat in the restaurant with Brownie & Gen. C. was at her house for Sun. dinner & near her aunts. Am sleepy tonite have been up every nite. this week. till 11 & 12. Well I have a new dress. Black Satin with red & Green on it. It is cute & a new pair of

pumps. Rather pretty also. When  
will you be home for Xmas?

Why hasn't Ginny written? I'm  
not going to write to her any more  
till she does my letter. Am sorry  
if she got sore at me for not  
writing but I have done my  
best. Write ever chance I get.

Try to once a week but sometimes  
I don't get it done. Now all the  
rush is over I am going to try to  
write to you kids & Ruth 1 a week  
at least if not more. But you know  
how it is when you go to school.  
Every thing all upset & everything.  
Well I must close & write one  
more letter torite have written  
3 already.

Dearest Edna,

Will ans. your letter as I received it about a week ago. Thought all week I would ans. it but just now doing it. How are you and all the others? Everyone here is fine. Heard you are coming up Sat. Hope so want to see you awfully bad. Come in and see me. Sure kid you can come any time to visit just drop me a card and come. I'll be glad for you to come. I want you to come so don't forget. Don't be backward about it. Say, last nite. High School went to Church Methodist Revival and Bill Werking took me home. Gene + Buella were there and we took Buella home. Gene got out of the car to go to door with Buella and said he guessed kid walk home. So Bill + I just started on and took a ride for about half an hour + then went back after him and Buella came out and said

he had gone on home. So we  
stood there and talked for a  
long time. Then started home  
& picked him up halfway to  
town. Had lots of fun out of it.  
Ha! If someone had jumped  
out you wouldn't a seen much  
of him. Just dust. Ha! Some  
joke. Its raining out tonite. Eugene  
Cummings Father died the other  
nite & our class took him flowers  
tonite. Helen C. & Katherine B. & I.  
Well I must close & go to bed I'm  
tired & sleepy. Took gym last nite  
and am sore all over. Can't  
hardly move. Come up whenever  
you want to. Yours a ever

Julia

Dear Edna & Ginny,

How are you by now? I am allright. Bet you think I am a good one for not answering you letter but I changed classes after Xmas and have been tryint to catch up with my studying. Havent read my lessons for a week some of them. Did you have a good time at the dance? I had a pretty good time. Didn't see you after church the other Sun. because it took you so long to get over there that I had to go and get home and do all my work. When are you coming back up here again? There is no news that I know of. Oh, yes have you heard the scandal ? Dorothy Thomas is expecting a kid. Isn't that awful? Paul Folke is who she goes with. The kids found a note in the hall that one of them had written to the other and it said something about it. Havent seen much of Browne since the night of the dance. D.L. Cartmels have a Daughter. Smith has gone to Toledo to work. Bee is going as soon as shee can. We beat Liberty Fri. nite . The boys played better than they did the other night at the tourney. Howard Dodridge took Marvel H. and Shorty & I. Bud and Shorty are on the outs you know. Well he went down there today I guess to make up. Bouy I'd tell him a few things if I were Musetta. He just wanted to quit her so he could have a good time at the tourney with all the girls. I'd show him a few things. I dont like him any way and to have him treat Shorty that way makes it worse. Kenney and I are O.K. I study like the dickens and dont know any thingd then. Passed in everry thing first half. Juniors had a supper the other night and we made 10 dollars ha! For the Junior & Senior Reception guess they wont get much of a reception but they dont need

one do they? Must quit and get ready for Christain Endeavor  
it is almost six. This is the most I have writtn on the  
typewriter to any one. Are you not honored? Wish I were  
goinging some place tonight Well I must stop and go to  
Endeavor or they will can me. We have aGirls Basket ball  
team and we are planning to play some games sometime may-  
be before summer or maybe next Xmas? Well Good By,

Your Friend,
