

Cambridge City, Indiana.  
January 20, 1926

Dear Sweetie—

Just heard the other night that you had an accident. Was very sorry to hear it. I wish you God speed to get well. How is Mickey, heard she was bruised up a little. Buck Deereast told me all about it.

It is now half past six will have to hurry to get ready for the car. Interurban to Richmond. Working hard these days you know.

Saw La Vern Harter in town yesterday not quite as fat as she use to be. Freda B. is working at Jenkins Bros. Insurance Co.

Thanks very much for your Xmas Card - Little  
slow in doing it but I didn't get to see you up  
here. Wanted too though, no kidding.

Ginny as fat as ever - Ha! Ha! - 200 LBS.

Some day maybe if she gets any fatter.

Well, I have got to close this nonsense.

This D --- pen is not worth a

Cus.

Hears to good luck to get well.

X

Dear Eddie:

I suppose you think I'm not answering your letter because you didn't answer mine right away, but that's not the reason.

I have been quite busy the past month. I'm going to school once a week, which demands about two evenings of studying, besides trying to play basket-ball with the varsity team.

But then, with all these duties, that should not keep me from writing should it? I guess I'm guilty again.

I heard the good news of the possibility of your being here this Sunday, is it merely a possibility or is it a fact? I hope it is the latter, Perhaps it was this

possibility that spurred me to write  
this instant. I just got home from  
work about half an hour ago and  
am waiting for supper, and then  
for a quick change of clothes and  
remove the worst of the days impurities  
from off my face and be at school  
at 6.15 o'clock it is now 5.30.

So hoping to see you this Sunday

Yours in a hurry

L.S.

Dear Eddie

Again it is me writing. You probably have forgotten who I am and where I live etc., but if you think hard and remember 'way back when' I used to write to you.

Now aren't you surprised? Or are you angry at me? I hope it's not the latter. Honest Eddie I've been writing this letter since the first of June when I think it was about due, but I just have gotten down to the actual deed this evening. I'm not in the position to write while at work as you do (No, I'm not jealous because you can do so) but am in hopes this will lessen my punishment, and you know how hard it is to sit and write these hot nights. Well I have at least entered my plea of guilt with hopes the judge will show mercy (Any hopes, judge?)

Now getting away from the above bingo and speaking of the present and future. When are you coming to Indianapolis or am I going to Cincinnati? Seems along time since I've laid eyes on your ever pleasant face and it won't be long before summer is over. I suppose if it had not been for Mother's poor health I would have been there, and she shows very little if any improvement, which lessens my chances somewhat but here's hoping anyway.

Have you had your vacation yet? Perhaps your enjoying yourself right now at some  
(over)

Lake with a big full moon and what goes with it, or maybe your just making final preparations before pulling in the gang- plans and ready to forget the daily grind at the office for two weeks or more or is it all over with? My vacation doesnt begin until Aug 25 for the following two weeks have no plans made as yet but expect to go somewhere.

Whats been doing in Liny? I suppose you have been cooling off by means of swimming (I believe that is one of your hobbies) am I right? I have not been in the water yet but hope to in the next few weeks, I would have been in by now <sup>but</sup> the moths found my suit before I did and you should see it (I mean its lucky for me you havent seen it) it looks like someone shot through it with buck-shot, you know that ~~holy~~ I mean holey effect.

Well Eddie I believe I'll save some of this chatter until next time, I believe I could write you a whole book to-night, I guess you're glad I'm not attempting to prolong your agony any more

So until next time

As ever

Les

P.S. Did you know your old friend Starold Brandt was married June 20, I'll bet that gives you heart throbs doesn't it?

Write soon and if you havent had your vacation yet, have a good time

will be out but I think most of  
we girls will stay right here.  
Ha! Ha!

It sure must be awful to  
get out and be initiated that  
way, to do crazy things in public.

There is a girl here from Hughs  
that lives in Arondale and  
another from Walnut Hills,  
do you know either place.

Also a girl from East High.  
One room across the hall from  
me. She is awful cute.

What is your aunts name or  
address and also your  
grandmother?

Received Julia's  
letter at the same time I did  
yours. Also one from Wilfred  
Wichy and Marie Oer.  
Just imagine all at the same  
time.

Say, were having more  
fun here today. You know  
Hughs H. S. has a fat. of some  
kind and they have their  
initiation out here at Glendale

every year and today is the day  
have about 50 of them dressed  
just imagine and nice caps. They  
look killing. And this morning  
we girls went to the drug store  
here came a pack of them. They  
in front of us, 4 of them in  
front of each of us and pro-  
-magine how they felt and  
us We tried to walk on  
crawled along also. So we  
to listen. Then here came some

colored <sup>women</sup> people and of course the rest  
had to do the same to them and I  
wish you could have been there.

It was killing. Of course they were to  
propose to every one they saw and  
the way they did it was killing. And  
then we started on and right in  
front of the drug store stood some  
more and we were all proposed to  
again. Just imagine that. Proposed  
to 4 or 5 times in 1 hr. And I guess  
that this afternoon another bunch

Went to a bridge and 500 party  
at the Garden Club last nite.  
I played bridge most of the  
time. Several of us kids went.  
Had a lot of fun. Then tonight  
the school is having a card  
party here. More fun. Oh  
every one plays cards here.  
Can you play 500 or bridge?  
I suppose you read Fudus  
letters from me so you know  
more than I can tell you.

Say old kid, if you have Brownie, why  
for Goodness sake hold on to him. He  
sure is some cute kid. I hope I get a  
date with him while I'm home at  
Christmas. Kinda work and hint for  
wint you? Ha! Ha! I'll have to  
answer Julia's letter tomorrow as  
written only 4 this morn. I get  
more letters.

Just think I'm home from  
Dec 14 until Jan 8. 1 whole  
month. It is to good to be true.  
I really think it is real mean for  
H. H. S to be beaten that way.  
But you'll make up for it later.  
I hope there is some party's at  
Christmas.

Well the warning bell has rang  
for luncheon so will close.  
Yours until spit curls.

Hilda

Eddie -

don't bother to save  
Friday night for me. I  
cannot go to the show - I  
have other plans -

According to our talk  
this, then, means that it  
will be after our  
vacations before we see  
each other - longer - perhaps.

Good-bye and have a good  
time -  
- Beva x
