## 'Cats Stage Brilliant Finale On Gridiron

### Indomitable Fighting Spirit Returns in Crucial Hour and Sweeps On to Victory

### Vets Stand Like Stone Wall When Home Goal Threatened—Fuller Hero

With the most brilliant offensive playing demonstrated on Stoll Field the present season the far-famed spirit of the Kentucky Wildcats staged for the 1919 squad a magnificent gridiron comeback Thursday afternoon, when the boys in blue outplayed their University of Tennessee rivals and snatched victory from that strong team in the annual Thanksgiving Day game by a score of 13 to 0.

The University of Tennessee Volunteers and the University of Kentucky Wildcats were both forced to play under adverse conditions because of the number of crippled players in both squads, but each suffered equal loss. The field was soggy and the sky foreboding, but fighting spirit shined at white heat in the stands on both sides of the field, while on the gridiron there was the best of friendly rivalry, cleanness and game-ness being demonstrated throughout the game.

#### Best Yet on Offensive.

The excellent offensive playing of the Wildcats surpassed anything done this season by them and their defensive work was rivaled only by that done in the Vanderbilt-Kentucky game. The Kentucky line was there, as usual, like a solid wall of blue, and the Night Kentucky backfield had an offensive punch that opened the eyes of all the spectators in the crowd.

#### Fuller a Luminary.

Bruce Fuller, Freshman right half-back, was responsible for twelve of the thirteen points, carrying the pigskin for two touchdowns during the first quarter. The first marker was made in the first five minutes of play when the Wildcat brood romped down the field to the Tennessee 25-yard line. Here Fuller scooped up a Tennessee fumble and zig-zagged through the desperate Tennessee defense and over the goal for the first touchdown. The ball was allowed to touch the ground while preparing to kick goal after the touchdown, thus removing all chance of scoring an additional point.

#### Kelley Turns the Trick.

Again in the first quarter Kentucky scored a touchdown by brilliant offensive work. The Kentucky interference got together as it had never done before, each Wildcat getting his

Tennessee tackler, Fuller carrying the ball, shook himself loose from a clinging Tennessean, and ran sixty-five yards for the second touchdown of the game. Kelley did some remarkable blocking when he held the Tennessee safety at bay until Fuller had slipped over the goal line. Green kicked goal, and the score stood 13 to 0.

#### Busy on Tennessee's Field.

The remainder of the game was scoreless for both teams, although each threatened the other's goal seriously several times. Practically all the playing during the first three quarters was done on the Tennessee end of the field, and the Kentuckians far outclassed their opponents, but in the last quarter the Tennesseans made a last frantic effort to score but failed after having come within the Kentucky ten-yard line three times. But the Kentucky line held, and Tennessee's lot remained the same, —a goose-egg.

#### Lavin Shares in Glory.

Bobby Lavin, Kentucky quarter, deserves much praise for his excellent playing and generalship. He handled the Wildcats throughout the battle like a veteran in the saddle.

## ADVISORY COMMITTEE ENTERTAIN STUDENTS

### Women Give Weekly Teas in "Y" Rooms

Every Wednesday afternoon from 3 to 5 o'clock, the University students and faculty may enjoy an informal get-together, drink tea and eat small cakes or wafers at the tea which the Y. M. C. A. Advisory Committee of the Faculty Woman's Club has planned to give in the "Y" rooms of Alumni Hall every week during the year.

The Advisory Committee has made the rooms most attractive by the addition of potted plants and ferns and by putting fresh white curtains and cretonne draperies at the windows.

Last Wednesday, at the second tea, Miss Jewell, assisted by Mesdames Tigert, Vaughn, Mable, Hawkins and Patrick, entertained during the afternoon about 200 students and faculty. Mrs. Erle Vaughn rendered three vocal solos, "The Land of the Sky and Blue Waters," "A Little Bit of Heaven" and "Every Kiss is a Song."

The students who acted as assistant hostess were: Lucille Moore, Julia Willis, Lillie Cromwell, Anna Mae Dawson, Virginia Griffith, Eugenia Young, Elizabeth Cook, Margaret Ford, Elizabeth Yarbo and Roberta Thornton.

## EXECUTIVE COMMITTEE DISCUSSES FINANCES

### Patterson Hall Walk to Be Completed—Morrow to Meet Board

### CHANGE MADE IN DATE

An appropriation for funds, over and above the yearly budget provided for the University of Kentucky, will be asked from the next Kentucky Legislature, convening in January. The sum to be asked has not been announced, but will be made known at a meeting of the Board of University Trustees in December. The appropriation is needed for improvement at the University especially to erect new buildings.

Report of the Legislative Committee of the University was made Monday by Dr. Frank L. McVey at a meeting of the Executive Committee. Only general discussion of the legislative program was conducted and announcement of details of the program will be made following the December meeting, Dr. McVey said.

Members of the Legislative Committee are Dr. Frank L. McVey, Richard C. Stoll, Senator H. M. Froman, Matt Cohen, Commissioner of Agriculture; J. R. Lyle, of New York, and W. H. Grady, of Louisville.

R. P. Ernst, of Covington, vice-chairman of the committee, presided in the absence of Chairman Richard C. Stoll.

D. A. Peak, business agent of the University, made the monthly report of the finance department. George B. Carey, president of Carey-Reed Company, attended the meeting and spoke briefly in regard to completion of the walk between Patterson Hall and the University campus. This walk is through the so-called "sunken gardens" and is a bed of sharp stones which co-eds claim wear out more shoe leather a year than would take to form a surface on the walk. In rainy weather the walk is a succession of water holes. The committee decided to make an asphalt surface on the present walk to complete its construction.

The committee called a meeting of the Board of Trustees of the University for Tuesday, December 18, at which Governor Edwin P. Morrow will be present. Announcement had been made that the board would meet Tuesday, December 9. This date conflicts with the inauguration of Governor-elect Morrow and it was desired that he be present at the next meeting. The governor-elect was called over the long distance phone while the committee was in session in regard to the December board meeting. Mr. Morrow stated that he would attend this session.

Eight appointments were made, six resignations were accepted and two leaves of absence were granted at the meeting.

## NEW MEMBERS DON LAVENDAR AND GOLD

### Strollers Pledge Thirty-Four at Informal Tea.

The Strollers entertained with a tea in honor of their thirty-four new members last Friday afternoon. After pledging the new members with the colors of the society, lavender and gold, a short program was given. "On the Road to Mandalay" was read by the president, Emery Frazier, and there was also a reading by Preston Cherry, one of the active Strollers, who has returned to school after several years' absence.

Prof. Enoch Grehan, the valuable critic and friend of the society since its organization, made his annual talk to the new members, in which he set forth the purpose and history of the University dramatic association.

Hot chocolate and sandwiches were served after the program.

## U. K. WELL REPRESENTED AT NATIONAL CONFERENCE

### Consumers' League to Have Elaborate Program in Louisville

Dr. Frank L. McVey, who is acting president of the Kentucky Cooperative Council, went to Louisville the latter part of last week to attend the joint conference of the National Consumers' League, the Kentucky Conference of Social Work and the Kentucky Conference on Americanization which began Thursday. Dr. McVey presided at the Sunday night session.

Professor McHenry Rhoads, State Supervisor of High Schools, presided at the Saturday afternoon session. Karl Zerfoss, State District Secretary Y. M. C. A., delivered an address on "The Y. M. C. A. Program for State Work"; Miss Linda Neville delivered two addresses, "The Prevention of Blindness," and "The Child and the Jail." Dr. Edward West spoke on "The State University as a Social Agency."

Dr. C. B. Cornell, as head of the Red Cross Institute; Miss Pauline Wherry, assistant director Bureau Research and Education, Lake Division, Red Cross, and members of the Institute went to Louisville Friday to attend the conference. C. Frank Dunn represented the Board of Commerce.

## MISS SIMRALL GIVES TALK IN KY. TOWNS

Miss Simrall addressed the State Federation of Women's Clubs at their Twelfth District meeting at Henderson, Ky., last Wednesday night. The subject discussed was "Woman and New Educational Issues."

The meeting of the Eighth District of this organization was held Thursday night, at Nicholasville. At this meeting, Dean Simrall delivered an address on the same subject.

## PRESS ASSOCIATION REORGANIZED MONDAY

### State Papers to Have Items About Students—Miss Marsh Chairman

Under the leadership of advanced students in the Journalism Department, a Press Association has been formed with the purpose of sending items of real news value concerning students in the University to the newspapers of their respective localities. When a student distinguishes himself in scholarship, athletics, dramatics or in any other activity, this news, of undoubted interest, will be forwarded to his home paper. To most students this will be an incentive to ambitious effort in University life.

A card system, like that used by the Registrar, to be used by the association, will contain individual records, is planned for the first of the year.

At the first meeting held Monday, the association organized with Frances Marsh, chairman, and Harry R. Cottrell, assistant chairman; a membership of seventy students was secured, which includes these names: James Dixon, Emery Frazier, Mary A. Bell, Elizabeth Card, Louise Connell, Ethel Fletcher, Jessie Dodd, Adele Slade, Fred Augsberg, Elsie Rocky, Virginia Griffith, Kathleen Renick, Frances Bethel, Katharine Tucker, Mary Heron, Elizabeth Marshall, William Soward, Herndon Evans, Clarice Bellw, Terrill Corn, Geneva Rice, Dorothea Murphy, Lily Cromwell, Mary E. James, Adeline Mann, Tom Martha Buckman, Orena Mahan, Taylor, Isabel Dicky, Donald Dinning, Lucille Rice, Lucille Moore, Emma L. Young, Margaret Smith, Ruth Kelly, Irene M'Namara, Kitty Conroy, Claribel Kay, J. P. Barnes, John McKinzie, Eleanor Cammack, Lula Blakey, Robert Rable, Hassie Wilkerson, Ruby Wood, Ingram, Segenfelder and Griffin.

## DR. SAMPEY SPEAKS IN CHAPEL TUESDAY

"The Will to Win; How Foch Won the War," was the subject of the address given in Chapel Tuesday by Dr. John R. Sampey, of the Baptist Theological Seminary, Louisville.

"Foch was the man who saved every crisis," said the speaker. "He was recognized by the world as having the genius of Napoleon. Every offensive which he started was completed. He believed in the motto 'Do or Die.' The victory of Life was never won by despairing."

The speaker gave an interesting account of the career of the famous general who proved his theories and believed that the morale of an army stands in a ratio with material things as three is to one. "Foch," said Dr. Sampey "taught his men to THINK."

## CORNELL LEAD STUDENTS IN COMMUNITY SINGING

### Musical and Literary Program Enjoyed at Joint Meeting

A most unusual and enjoyable meeting of the "Y" Association was held Sunday evening from 7 until 9 o'clock in the Recreation Hall of Patterson Hall.

The Hall, with its fresh curtains, new wicker furniture, pots of ferns and baskets of dwarf chrysanthemums and pink roses, was crowded with University and town people. Old time community singing, the songs including "Dixie," "Old Black Joe," "Keep the Home Fires Burning," "Juanita," "My Country 'Tis of Thee" was led by Doctor Cornell and accompanied by J. F. Curry at the piano and Catherine Denfon and Geneva Wells with violins. The devotional exercises were led by Robert Raible. Coffee, tea and sandwiches were served during the social hour which followed the meeting.

The following program was rendered:

Vocal Duet—"Every Hour Mercy's New"—Louise Will and Sallie Burns.  
 Reading—"The Last Hymn"—Katherine Reed.

Instrumental Duet—Martha Pollitt and Elizabeth Allen.

Vocal Trio—"Rocked in the Cradle of the Deep"—Adele Slade, Margaret Smith and Sara Metcalf Piper.

The delegates from the Y. M. C. A., selected by the Cabinet to attend the Eighth Convention of the Student's Volunteer Movement, were formally elected by the Y. M. C. A. at large.

"You have the chicken pox, Rastus?"

"Yas'um. Dat's de only thing I ain't got nothing else but some of."

## STAFF AND CROWN HAS DELIGHTFUL RECEPTION

### Francis Kimbrough Pledged by Honorary Fraternity

The alumnae and active chapter of Staff and Crown entertained delightfully Friday afternoon with an afternoon tea in the Recreational Hall of Patterson Hall. The chief feature of the afternoon was the tapping of Francis Kimbrough. Miss Kimbrough is a Senior in the Department of Arts and Science. Having entered the University last year for the first time, she was ineligible for membership on the regular Tap Day last Spring.

Immediately preceding this ceremony a short program was given consisting of a humorous recitation by Mary Turner, a song, "Rose in the Bud," by Minnie Cramer and a brief talk on the history and ideals of Staff and Crown by Eliza Piggott.

Refreshments of tea, sandwiches, mints and almonds were served, and the University Orchestra furnished music for dancing.

All girls of the University were invited, the purpose of the tea being to bring before the minds of the new girls especially the fact that in the University there does exist an honorary organization for women students, an organization with high standards of scholarship, personality and attainment. Members of Staff and Crown are anxious that the Freshmen should realize this and, perhaps, with these ideals in mind strive to make of themselves better college women.

The hostesses were, active chapter: Margaret Woll, Mary Turner, Louise Will, Betty Davis and Virginia Helm Milner. Alumnae: Elizabeth McGowan, Ruth Duckwall, Lelah Gault, Linda Purnell, Minnie Cramer, Eliza Piggott, Elizabeth Fried, Lullie Logan, Katherine Logan, Mrs. Albert Shouse, Austin Lily and Elizabeth Waddy.

## PAN-HELLENIC BANQUET IS BRILLIANT AFFAIR

**Pledges, Actives and Alumnae Attend: Scholarship Cup Presented**

The Pan-Hellenic banquet and dance of the women's fraternities of the University at the Phoenix Hotel Friday evening was the most elaborate and beautiful student social affair of the season and was attended by about 200 active chapter members, alumnae and pledges. Each of the five fraternities was well represented, many girls coming from out of town for the occasion.

Two tables were arranged at right angles to the council table, at which two representatives from each fraternity were seated. Each of the long tables held eight vases of lavender and white chrysanthemums, and the centerpiece of the council table was a huge basket of dwarf chrysanthemums and pink roses. Fern leaves were placed at each plate. The programs were in blue, with the University seal, and the place cards were white with blue seals. The University orchestra, hidden behind a bank of palms and ferns, furnished music during the banquet and for the dance afterward.

One of the most enjoyable features of the banquet was the "goat" parade, in which the "goats" of each fraternity marched around the tables doing stunts. Alpha Xi Delta won the scholarship cup, which is awarded each year by the Pan-Hellenic Council to the fraternity having the highest average in scholarship the preceding year. The average of Alpha Xi Delta was 88.30. Alpha Gamma Delta, which has won the cup two years, was second; Kappa Kappa Gamma, third; Chi Omega, fourth, and Kappa Delta, fifth.

Miss Elizabeth Card, president of the Pan-Hellenic Council, was toastmistress and the responses, which were symbolic of the pins, were as follows:

"Open Sesame"—Miss Thompson Van Deren.

"Diamond Cut Diamond"—Miss Martha Buckman.

"Shoe of Luck"—Miss Catherine Tucker.

"The Mighty Pen"—Miss Mary Archer Bell.

At the council were seated: Misses Fan Ratliff and Helen Taylor, from Kappa Kappa Gamma; Misses Mary Archer Bell and Virginia Croft, from Alpha Xi Delta; Misses Elizabeth Card and Gertrude Wallingford, from Alpha Gamma Delta; Misses Margaret Smith and Katherine Tucker, from Chi Omega, and Misses Martha Buckman and Alene Fratman, from Kappa Delta.

# THE KENTUCKY KERNEL

Published every Friday throughout the College year by the student body of the University of Kentucky, for the benefit of the students, alumni and faculty of the institution.

The Kentucky Kernel is the official newspaper of the University. It is issued with a view of furnishing to its subscribers all the college news of Kentucky, together with a digest of items of interest concerning the Universities of other States and Canada.

**OPPORTUNITY FOR REAL SERVICE.**

It is with much gratification that the Kernel notes the reorganization this week by the Department of Journalism of the University Press Association, thereby marking one more step taken by the University of Kentucky toward rendering service and benefit to its students and the Commonwealth. Not only should this association be of value in keeping the University, its activities and students before the public in a worthy manner, but it will also serve as an incentive to those who might be disposed to lag behind, and urge the motto forward in some University activity and thus gain the same degree of publicity that will have been accorded others in their home counties.

It is not the purpose of the Association to exploit the work of any one college or department, but rather to keep the University and the work of its student body before the public eye. The name of every student and the county from which he comes are on the files of the Association, and a close watch will be kept on them by the representatives of their respective counties. Everything worthy of press comment done by the students will be noted, and all those who show tendencies to forge forward may rest assured that the folk at home shall know of it.

Miss Frances Marsh is Chairman of the Association and Harry Cottrell is Secretary. Already 76 counties have been organized and active work begun. The Kernel predicts that it will not be long before the entire State is organized and work is in full sway.

Although the principal burden of the work will necessarily fall on the Department of Journalism, all other departments and all classes will be asked to give all assistance possible and to enter into the work with the understanding that it is for the benefit of the University as a whole and not of any one class or department. It will be fully as much a University undertaking as is the "Little Theatre" and other activities and as an advertisement for both University and students cannot be excelled.

The University of Kentucky has never received the attention of the press of the State that is warranted by the place it occupies in the affairs of the Commonwealth and the influence it exerts over the thought and progress of the time. It is to be hoped that the University Press Association will supply the long felt need of such publicity and assist in giving the University and its students credit throughout the State for deserving accomplishments and awaken the people of the Commonwealth to the benefits derived from their University.

## BUDGET SYSTEM TO BE PRESENTED AT Y RALLY

### Dr. Emile McVea Chief Speaker Tuesday Night; Expenses Itemized

Budget? Of course you don't know just exactly what it is, for we've never had one here before, but we're adopting all kinds of things with the new regime, and the budget is one of the particular pet children of the Y. W. So just come along to the rally which will be held in the Recreational Hall of Patterson Hall Tuesday evening at 6:45 and find out all about it. Dr. Emile W. McVea, Dean of Women of one of the large Eastern Colleges will make a brief talk and present the budget.

The budget system, which has been adopted in all leading universities and colleges, has proved very satisfactory. Instead of paying regular dues at the time of joining or renewing membership in the Association and instead of having to respond to money raising campaigns for various purposes from the Student Fellowship War Fund to the 10-15-25 cent campaign for the Children's Easter Egg Hunt,—a budget will be devised that will include all expenses incurred during the year and this pledge when paid will be the last that the members will be asked to make. Thus by using this system we are keeping step with the foremost associations of the largest universities of the country.

To raise this budget teams will be appointed with a captain for each and cards will be passed out by them to all students who will make their pledge payable at appointed times during the year. Results of the day's campaign will be posted each night by clocks placed in the lower hall of Patterson Hall. There will be two teams to canvass the three dormitories and results between these competitive teams will be registered on blue and white clocks. There will be a town team and a faculty team, the results for these being registered on black clocks.

During the three day campaign there will be four minute speakers who will leave no phase or detail unexplained. Adele Slade, Claribel Kay and Lucille Moore have been chosen as speakers for Wednesday, Thursday and Friday respectively.

The budget which was drawn up by the Cabinet and approved by the Advisory Board of the Young Women's Christian Association, is as follows:

Budget for Y. W. C. A. for 1919-20,	
Incidentals .....	\$ 25.00
Social Service .....	50.00
Social .....	75.00
Missionary .....	250.00
Foreign .....	200.00
Home .....	50.00
Contribution to National Organization .....	75.00
Program .....	25.00
Secretary .....	250.00
S. V. M. Conventio.....	150.00

Total .....

\$900.00  
So everybody—faculty and faculty wives, town people, University boys and the girls from the three dormitories are urged to come to the Rally Service and help make it a success and when the cards are passed you do your part toward the budget.

take Bath but finally declined because it was not Saturday. After some discussion, it was agreed that the one nearest Bath should take it—private.

## LANDMARKS

### PATT. HALL'S TREE.

In the yard of Patterson Hall stands a Ginkgo tree. Have you ever seen it? The chances are that you have not. But even if you have perhaps you do not know that this is one of the natural curiosities of North America. This tree is the sole survivor of an extensive family once rich in species and distributed over both temperate zones. But until a few years ago it was supposed to be extinct, as only fossil evidences had been found of it. And all the while that the erudite scientists were poring over their rocks and books, the tree they sought was standing in the yard of Patterson Hall, staring them in the face when ever the beauty of our University girls lured them away from their books and led them to seek surcease from their labor. All of which goes to show that studies are entirely useless in scientific investigation and that after all one can learn a lot from the ladies.

But to return to our tree. This tree is a part of the religions of China and Japan. It is most often found growing near a shrine. May one venture to suggest that the same is true here? Taoism and Buddhism have nothing on the worship which is rendered the glorious goddesses of Patterson Hall.

The next afternoon that you, gentle proselyte of Cupid, go visiting to Patterson Hall, look for our famous tree, if you can find no better target for your eyes. And you fair damsels, when not otherwise occupied in breaking hearts or wrecking hopes, look around you for this unusual and remarkable tree. The popular name of this tree is Maidenhair, a name derived from the appearance of its branches viewed from a distance. It does not flower until it is forty years old, is very hardy and right now is being sought everywhere for ornamental purposes. One traveler says that in twenty years of traveling in the East he never saw a dead Ginkgo. At certain seasons it bears an edible nut which is used for food in the Asiatic Countries where there is a greater number of living plants.

Whether the nuts from the specimen we have here will ever help to solve the food problem of Patt Hall the writer does not know, but he feels sure that the soft-hearted callers at Patt. Hall will feel more certain of themselves and not quite so lonesome if they will remember that right outside the door is the oldest nut bearing tree in the world, ready at the end of forty years to produce a new crop to take the places of those who become entangled in the toils of the Patt Hall divinites and are lost to sight down the long dreary road that leads to the altar.

**NOTICE.**

There will be an important meeting of the Strollers in the Stroller Room Wednesday afternoon at 3:30 o'clock. The president announces that it is absolutely necessary for every member to be present at that meeting since the revision of the constitution and other important business matters will be discussed.

**NOTICE.**

There will be an important meeting of the Kernel Staff Monday, at the fifth hour, in the Journalism Room. Every member of the staff must be there.

**OLD "K" MEN UNITE FOR  
COMPACT ORGANIZATION**

Initial Steps Are Taken  
to Aid University in  
Future Athletic  
Achievement

**PLANS ARE IN MAKING**

A meeting of all the old "K" men of the University of Kentucky was held Thursday morning, November 27, at the Phoenix Hotel. Eighteen "has-beens" in Kentucky athletics, and especially of Kentucky football teams of the past, answered the call of Athletic Director S. A. Boles, of the University of Kentucky promptly at 10:30 o'clock.

R. C. Stoll was elected temporary chairman of the meeting and Dr. E. Conley Elliott secretary. The chairman announced that the purpose of the meeting was to perfect a permanent organization to be known as the "K Association," which would include as members all alumni of the University of Kentucky who wore the coveted "K" for participation in any of the athletics of the institution. The duties of the Association would be, he said, to assist in any way possible the advancement of clean athletics in the University and to see that their Alma Mater took her proper place in the realm of collegiate sports. It was explained that the Association would not be an inactive organization, but would be a live, energetic, loyal machine which would work in perfect harmony with the faculty, coaching staff and students of the University and would help materially in making winning teams in the future.

The actual forming of this Association was left in the hands of a committee of three, Messrs. Wallace Muir, S. A. Boles and Cronley Elliott, who will submit their plans to the members at a meeting to be held soon. One of the suggestions offered to the committee was that an Athletic Committee composed of an equal number of representatives from the faculty, the Alumni and the student body perform the duties of an Advisory Board for the sports of the institution.

Most of the old "K" men present at the meeting Thursday were gridiron stars of the past. They were: R. C. Stoll, Wallace Muir, Marry Spier, A. A. Bablitz, William Rodes, Karl Zerfoss, Pete Rodes, Shelby Post, William Collins, Jake Geyser, Howell Spiers, Rasty Wright, Maury Wilson, J. A. Britton, William "Doc" Rodes, Chas. Strauss, George Smith and Dr. E. Conley Elliott

## DEPARTMENTAL CLUBS

## Pre-Medical Society.

The Pre-Medical Society met Monday evening at 7:15 o'clock in the Natural Science Building. Doctor Cornell made an interesting talk on the advantages of psychology and the workings of the nervous system.

## Agricultural Society.

The Agricultural Society held its regular weekly meeting Monday evening at 7:30 o'clock in the Agricultural Building. Virginia Shanklin discussed the "High Cost of Living" and C. W. Richards spoke on the "Effects of Agriculture on History."

## White Mathematics Club.

Professor Downing spoke on the "Singularity of Singular Solutions" at the meeting of the White Mathematics Club Tuesday afternoon at 3:30 o'clock in the Civil and Physics Building.

## John Hays Hammond Society.

Prof. C. Anderson spoke on "Labor Unions" at the meeting of the John Hays Hammond Society, organization of the Junior Engineers, last Wednesday afternoon at the seventh hour in Mechanical Hall. Many interesting facts about the conditions which exist between the Laborites and Capitalists were brought out by Professor.

## Henry Clay Law Society.

The Henry Clay Law Society met last Thursday evening at 7:30 o'clock in Room 308 of the Natural Science Building. A eulogy on William Jennings Bryan was delivered by P. H. Vincent and Dean Slagle discussed the "Rights, Duties and Privileges of an American Consul in Foreign Lands."

This was followed by a debate, the subject of which was, Resolved: That the Board of Commissioners of the City of Lexington should pass an ordinance designating sections of the city in which the negroes should not be permitted to dwell. G. W. Smith and Thomas Burchett upheld the affirmative side of the question while H. G. Bryan and Guy Ledwidge decided in favor of the affirmative. 4 argued for the negative. The judges decided in favor of the affirmative.

The program was concluded by J. C. Humphrey who told a number of new jokes and humorous stories.

## Romance Language Club.

At the regular bi-weekly meeting of the Romance Language Club, Mary Lyons sang two songs in French in a charming manner. The rest of the program was the reading of the constitution by the president.

Robert Raible was elected to fill the vacant office of Publicity Agent. The officers of the club are: Roberta Wilson, president; Claribel Kay, vice-president; and Katherine Herring, secretary and treasurer.

## ENTERTAINMENT FOR ALPHA GAMMA DELTA

Miss Jeanette Welsh, pledge of Alpha Gamma Delta fraternity, entertained the active chapter with a card party at her home in Nicholasville Saturday afternoon.

Anna Mae Dawson won the prize, a box of hand embroidered handkerchiefs, for the highest score. After the game hot chocolate, sandwiches and mints were served.

Those present were Gertrude Wallingford, Kathleen Oglesby, Hallie Kay Frye, Marie Barkley, Mary Helen Whitworth, Elizabeth Card, Elizabeth Cook, Lucille Moore, Anna Mae Dawson, Helen Porter Roberts, Jessie Frye Moore, Jeanette Welsh. Other guests were Lillian Combs, Edna Davis, Geneva Wildren and Elizabeth Bryant.

## NOTICE

Until further notice the Little Theater office hours will be as follows:

Monday and Wednesday afternoons, 2:50 to 5:30.

Tuesday and Thursday afternoons—1:30 to 3:30.

At these hours Professor Mable will be in the Little Theater or in the office adjoining to confer with all who are interested in dramatic work, to hear those who wish to try for parts, and to direct rehearsals. Candidates for parts in the January plays should report as soon as possible.

**The Memory Lingers.**—Two young ex-service men in Eldorado are packing their duds in feverish haste to get off to college before dad's order of government bacon arrives.

## GLEE CLUB WILL GIVE ELABORATE OPERETTA

"Feast of the Little Lantern" Directed by Professor Lampert

"The Feast of the Little Lantern," an operetta, will be produced by the Woman's Glee Club of the University of Kentucky in the near future. Professor Carl A. Lampert, director of music at the University, is in charge of the production. Assisting the Glee Club will be the University Orchestra. Work on the chorus has been begun and Professor Lampert plans to select the leads this week.

This is the first venture of its kind undertaken by University musical societies for several years. The time and the place of the production have not been announced.

## In Selecting a University

For a college education, there are five things to be taken into consideration:

1. The men at the head of the Institution.
2. The scholastic standing and ability of the Teaching Staff.
3. The location and advantages of environment.
4. Equipment, buildings, laboratories and libraries.
5. Cost.

In all these respects the University of Kentucky commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

The Government needs trained men and women; college training will bring the result.

**ALPHA DELTA SIGMA  
PLEDGES FIVE SENIORS**

Active Journalistic Students Put on Blue Ribbons

James Dixon, A. Gavin Norment, Harry Cottrell, William Soward and Emery Frazier were pledged to Alpha Delta Sigma, the men's honorary journalistic fraternity, Tuesday morning. This fraternity was formed in the University in 1912, for the purpose of promoting highest ideals of journalism among men students and now contains an active membership of seven men, Professor Enoch Grehan, Jassie Tapp, Donald Dinning, Ed Parker, Bob Raible, J. P. Barnes and Herndon Evans.

A Gavin Norment, Henderson, is editor-in-chief of The Kernel at the present time and is classified as a special in the Arts and Science College. James Dixon, Bowling Green, is a member of the faculty of the English Department, on the staff of The Kernel, and is a senior A. B. William Soward, Maysville, a senior A. B., was especially prominent in the writing of the English Club pageant last year. He is on the Kentuckian staff. Harry Cottrell, a senior in the College of Agriculture, is a member of The Kernel staff, and was selected as assistant chairman in the newly-reorganized Press Association. Cottrell has returned to school this year after two years' service in the army here and overseas. Emery Frazier, a senior Law student, from Lawrenceburg, is especially known in University circles for his Stroller talent. Frazier is also assistant business manager of The Kentuckian, and is a frequent contributor to The Kernel.

Noted Columbia Professor Dies.  
(Columbia Exponent.)

Professor Calvin Thomas, Professor of Germanic Languages at Columbia and foremost educator of America, passed away November 4 after an illness of less than 48 hours. Professor Thomas's edition of Goethe's Faust has been frequently cited by German Goethe scholars as probably the best for school and college use that has ever been produced.

and always came in for his share of the defensive work. Pribble, again played a star game at fullback, being used for line bucks many times in succession, and always netting a gain. Kelley and Murphree played the usual stellar game in the line, and gave further proof in Thursday's game that they deserve a place on the All-State team. All other men on the team deserve praise for the excellent work, but space does not permit individual reference nor a complete account of the game in the current issue of The Kernel.

Between halves the Kentucky students were given an opportunity to give vent to their pent up enthusiasm and spirit with which they were bubbling over. Headed by the University Band and cheer leaders in blue and white, nearly three hundred students staged an old-time snake dance. In the middle of the field cheers were given and the band played "My Old Kentucky Home" while the spectators stood with uncovered heads.

—BECAUSE—

The selection of suitable drug store goods is better here than usual for the very simple reason that not only do we stock practically anything and everything that any drug store anywhere could offer you. but we arrange and display them in such a way as to make selection easy, rapid and satisfactory. The quality of everything we sell is high-grade. True, there are medium priced and low-priced goods, but value for value, price for price, there are better offerings here than elsewhere. When the question of drugs is considered there is but one quality and that is the highest that science can produce.

**ABOUT THE CAMPUS**

Jesse Tapp, Senior Ag., left Wednesday night for Chicago where he will represent Scovell Chapter of Alpha Zeta, the National Honorary Agricultural Fraternity, at their annual meeting at the Hotel La Salle. The University Chapter has a representative at the meetings each year and Tapp was chosen in recognition of his high class consistent work in his classes. Tapp will remain over for the National Stock Exhibit.

John Alfred Brittain, a Mechanical of '18, has recently honored our campus with a visit. Britt, as he was affectionately known by the students, is well remembered, in fact the memory of his glorious deeds with the Wild Cats will never fade into the slightest tinge of oblivion and anyone who ever saw him in action knows him as the greatest lineman living. Britt addressed the students of Mechanical Hall Tuesday and his talk was thoroughly enjoyed and given close attention.

An outstanding announcement which followed the session of the Executive Committee of the University was that Professor C. J. Norwood, State Inspector of Mines and former Dean of the College of Mines and Metallurgy, will return to his former position January 1. Professor Barr, who has been acting head of the department, has been granted leave of absence for one year. Professor Barr will become general manager for the Kentucky Block Cannell Coal Company, Cannell City, Ky.

Dean Thomas P. Cooper and members of the faculty of the College of Agriculture, have received invitations to attend the meetings of the Mississippi Valley Association in Washington, December 1-3. It is unlikely, however, that University men will attend.

Governors, senators, congressmen, mayors of principal cities and agricultural men from twenty-two Mississippi valley states will be present at this Washington conference.

W. D. Nichols, head of the Department of Farm Management of the College of Agriculture, returned Saturday morning from an investigation trip to northern colleges. He attended the meeting of the American Farm Economic Association in Chicago and inspected the College of Agriculture at Ames, Iowa, and the University of Illinois at Urbana.

Rommie Clark, '15, visited the University last week. Captain Clark served during the war and has just received his discharge and accepted a position as assistant county agent of Daviess county, his home county. Clark is an Ag., well remembered by the old boys, as is his running mate, Pedley. The two were prominent in college and fraternity activities while in the University.

The University will be in communication by wireless with distant parts of the State and country by the first forthcoming from those in charge.

All material for the station has arrived and will be assembled and put into operation as soon as possible. A club, composed of students interested in wireless, has been organized and a special room fitted up at Mechanical Hall so that the members may practice as much as they wish in their spare time. It is hoped that

after the station is in operation trans-Atlantic messages can be picked up and messages sent to practically all parts of the world.

**TECH STUDENTS PLAN TO FORM ALUMNI ASSOCIATION.**

(Technique.

Recently there has been a movement started among the alumni of Georgia Tech for the establishment of an Alumni Association. For many years there has been some agitation, but not until now has the project assumed any form leading towards its proper formation. Dr. Matheson has been advocating the need of such an institution for some time, but owing to the varied and distant locations of the men after graduation, it has been very hard to receive an encouraging response.
