Dear Brother

I wrote you so long
since I do not know when but have
never recd answer I strain
my head against a post in the
waxe house on the 17th of Decer cut it
and it give me the Oxycephalus in the
face my eyes were almost closed
for near 2 days I suffered for 3 or 4
days and did not get out of the
house for near 2 weeks am well
now & Laura has been better for
3 weeks then she has been for a
long time trade is only tolerable
good I am hawking some but
am very careful I might get
busted. I have some little money
enough to keep me from hard
work if I do not loose it and I
wil try and keep it

Write soon and
give me all the news.

Yours Brother
