Broncos Kick Cats As 64,816 Basketballers Win Sugar Bowl

Second Half Ruins Kentucky Eleven

By Tom Diskin

MIAMI, Fla., Jan. 5.—Santa Clara's Bronco kicked and ran hard all over the field here today to defeat the Kentucky Wildcats, 21-17, in the 16th annual Orange Bowl Gridiron classic before a record crowd of 64,816.

The Broncos from California knew how to kick and run.

Immediately after the starting snap, Coach Paul "Bear" Bryant stated that he believed "kicking was the decisive factor in the game. That's what beat us as much as anything else. I think Hagen, their kicker, was the outstanding back for Santa Clara."

Kicking Outstanding

With Halfback Hal Hayes doing the punting, Santa Clara was able to keep Kentucky away from pay-dirt throughout most of the afternoon. The California team set a new Orange Bowl record by averaging slightly better than 44 yards per kick during the game despite a gusty 20-mile-an-hour wind from the East.

The Broncos, called by Florida sports writers "the mystery team from the West," entered the game as a three to five and one-half point underdog but when it was all over, the Wildcats were down 17-0.

Every one here was asking "what happened to Kentucky in the second half?"

Cats Look Good

The Big Blue looked very good in the first two quarters. They completely outplayed and outlasted the California team and were expected to beat that out. Mike Wells, Santa Clara publicity man, said, "I thought we had run into another Oklahoma powerhouse for a while."

But in the fatal second half, it was a different story. The red and grey uniformed Santa Clara, who were expected to take a warm 14-degree Miami sun, had the "new look" in the final 30 minutes of action. They scored three times, while Kentucky tallied once.

Open Jobs Listed By Civil Service

The U. S. Civil Service Commission has announced examinations for the following positions: Engineer, \$2,650 and \$2,875 a year; Civil Engineer (Trainee), paying \$2,650 and \$2,875 a year; Physicist, Metallurgist and Engineer, paying from \$3,200 to \$4,200 a year.

Applications for these examinations will be accepted from college graduates who expect to complete required courses of study later in 1950.

Engineering Students Help Plan Bridges

Thirteen engineering students have been named to help draw plans for state bridges and highways.

The students are: Morris J. Cumbury, Douglas M. Fairlie, George T. Sparrow, Thomas B. Dean, Robert E. Bredend, Robert A. Brunson, Carl E. Chappel, Byrnes C. Fairchild, Clarence C. Fox, Theodore C. Gessler, Jr., Warren C. Grubb, Frank Kemper, and Robert J. Wood.

Rare Books Displayed In Fine Arts Building

A collection of original pages from rare editions of Bibles and Testaments recently presented to the University by Ross Sloniker of Cincinnati is now on exhibition in the Fine Arts Building, according to Prof. Edward W. Hanes, head of the University's department.

Engineers To Apply

All engineers are requested to apply now for the Engineer in Training Examination to be given on Thursday, Jan. 12, at the Liberty Hall, room 341, in the engineering building.

Dr. Pardue Named Head Of Oak Ridge Institute

UK Dean Succeeds Emory Professor

Dr. Louis A. Pardue, dean of the University Graduate School, and current vice chairman of the Oak Ridge Institute of Nuclear Studies, succeeded Dr. J. Harris Furks of Emory University, Atlanta, as chairman of the Institute Council.

The Oak Ridge Council is composed of one representative from each of the 24 Southern universities comprising the organization. Dr. Furks has resigned his post to become associate director of the General Education Board of the Rockefeller Foundation.

Faculty Training at Oak Ridge. Dean Pardue has made important contributions to the wartime atomic energy research program both at Oak Ridge and at the University of Kentucky. He has directed the Oak Ridge Institute of Nuclear Studies. Under his leadership, the University has participated in the Oak Ridge research program and the facilities there for the study of atomic energy.

Dr. Martin E. Weeks, recently appointed head of the Department of Astronomy, presented at the institute's first radio-jostle techniques course. Dr. Alfred Brauer, professor of zoology, and Dr. P. Riley, head of the Department of Botany, have received their sixth months of research in the Physics Division of the Oak Ridge National Laboratory. Dr. J. W. Cochran of the Department of Physics has also spent several months in physics research at the National Laboratory.

Thirteen engineering students have been named to help draw plans for state bridges and highways.

Rare Books Displayed In Fine Arts Building

A collection of original pages from rare editions of Bibles and Testaments recently presented to the University by Ross Sloniker of Cincinnati is now on exhibition in the Fine Arts Building, according to Prof. Edward W. Hanes, head of the University's department.

Engineers To Apply

All engineers are requested to apply now for the Engineer in Training Examination to be given on Thursday, Jan. 12, at the Liberty Hall, room 341, in the engineering building.

Spectacular Shot Beats Villanova

There's nothing sweeter than a Sugar Bowl victory, unless, of course, it's one in the Orange Bowl. Kentucky's youthful pack of Wildcats went down New Orleans and succeeded where veteran Wildcat teams with the finest swimmers on the bench had twice failed before, squeezing by Villanova 37-36, and downing Bradley 71-49 for the big silver trophy.

A play that was the star of the tournament. He slipped under the goal with the deciding tally in the opening round defeat Villanova, and fired the shots that killed Bradley. Wait Hirsch, one hander put, longed, and a crisp shot, he single armlessly showed the Cats from a 40-foot distance to a 20-47 lead before never relinquished.

Members of the SUB activities committee meet with Miss Margaret Bruce Cruise (extreme left), social director, to make last minute plans for College Standards week which begins on campus Sunday. Seated at the table are Joan Cook (left) chairman, and Jeanne Hubbard, committee secretary.

Elephants To Thunder On Memorial Hall Screen

"Elephant Boy" featuring Sabu, will be shown today in Memorial Hall at 3 p.m., 7 p.m., and 9 p.m. Admission is 30 cents.

UK Soloist To Perform

Miss Helen Lorraine Houden, lyric soprano, who joined the University music staff this September, will be featured in this week's Sunday musical.

Miss Houden, who is a graduate of the Juilliard School of Music, was first heard in Lexington as soloist with the University Chorus in the Christmas program. Accompanied for Sunday's program, which will begin at 4 p.m., will be Ford Montgomery, also a member of the University Department of Music.

Proficiency Examination Schedule Is Announced

The foreign language proficiency examinations of the College of Arts and Sciences will be given at 4 p.m. in McVey Hall, Room 111, on the following days:

Jan. 17	F	Villanova-56
Jan. 18	F	Rice-4
Jan. 19	F	Hirsch-5
Jan. 20	F	Spivey-14
Jan. 21	F	Person-20
Jan. 22	F	Walt-22
Jan. 23	F	Barnstable-11
Jan. 24	F	Hannan-2
Jan. 25	F	Walt-22
Jan. 26	F	Whittaker-8, Layne, Strong, and Towne.

WAC Captain To Talk Here

Capt. Sue Lynch, WAC from Ft. George G. Meade, Maryland, will talk with women students who are interested in the Army and Air Force. Capt. Lynch will explain the present plan by which college graduates go through an officers' indoctrination course at Camp Lee, Va., the completion of which leads to a WAC commission.

Training Program Positions Are Open

Students interested in applying for admission to the third annual New York State Public Administration Internship Program, a training program to strengthen public service training, should contact Dr. Lyle W. Croft, head of the UK Personnel Office.

Application blanks, intern placement forms, and booklets in connection with the 1950 and 1951 internship program will be received this month, according to Dr. Croft.

Harvard To Give Grants In Business Administration

The second annual scholarship program, the actual amount of the Harvard Graduate School of Business Administration, has been announced by Dean Donald K. Davis.

Providing \$20,000 in awards to a maximum of 55 men entering the school in September, the Harvard Graduate School of Business Administration is designed to insure "that well-qualified students with sufficient financial resources will be able to continue their education in the extreme field of business administration."

Each region of the country is selected by its own scholarships under the plan and recipients are selected by competition on a regional basis. The regional scholarships include:

- Southern (ten scholarships): Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee and Virginia.
- The Graduate School of Business Administration has always prided itself on having its doors open to men from all economic levels from all parts of the country.

Dean Davis said.

New College Standards Week To Begin With Tea Sunday

Members of the SUB activities committee meet with Miss Margaret Bruce Cruise (extreme left), social director, to make last minute plans for College Standards week which begins on campus Sunday. Seated at the table are Joan Cook (left) chairman, and Jeanne Hubbard, committee secretary.

Ticket Holders Take Heed! Illegal Parkers To Feel Ax

If you are carrying a spare campus parking ticket around in your car at present you had better pay it before "Tuesday," January 10, 1950, or come up with a good sob story, otherwise you will get soaked.

Beginning Jan. 10, the Student Government Association will take over the administration of traffic regulations and violations on the campus.

Proficiency Examination Schedule Is Announced

The foreign language proficiency examinations of the College of Arts and Sciences will be given at 4 p.m. in McVey Hall, Room 111, on the following days:

Jan. 17	F	Villanova-56
Jan. 18	F	Rice-4
Jan. 19	F	Hirsch-5
Jan. 20	F	Spivey-14
Jan. 21	F	Person-20
Jan. 22	F	Walt-22
Jan. 23	F	Barnstable-11
Jan. 24	F	Hannan-2
Jan. 25	F	Walt-22
Jan. 26	F	Whittaker-8, Layne, Strong, and Towne.

Play Tryouts To Be Held Tonight

Tryouts for Medea, the opening play performance in the new Guild Theater will be held tonight at 7:30 in the theater auditorium of the Fine Arts Building.

The play was translated from the Greek by Melba McCull, graduate student in the Department of Ancient Languages, and was adapted by Lola Robinson, assistant director of the production.

Caravan Plans Greek Salutes

Vaughn Monroe's "Camel Caravan" will salute college fraternities and sororities each Saturday night on the CBS broadcast.

On the broadcast of January 14, the song of Sigma Chi Fraternity, "Sweetheart of Sigma Chi," will be offered; Phi Delta Theta Fraternity's "Serenade" will be broadcast January 21, and on January 28th, the program will salute the Chi Omega Sorority by presenting "To Life's Blithe Hey-Day."

Self-Portraits Hang In Louisville Museum

Prof. Raymond Burnhart, Virgil Eppenhahn, and Dorel Fitz, of the art department, John Gordon, senior art major in Arts and Sciences, and Charles Gordon Boggs, former student, have self-portraits on display in the J. B. Speed Art Museum in Louisville.

The display is a special exhibition of recent self-portraits by Kentucky artists. It will continue through Jan. 15.

Engineers Elect Senior President

Bob Gibson, Lexington senior, was recently elected president of the graduating class of the Engineering School of the University of Kentucky.

Other officers include Roger Stark, president; Paul Trickett, secretary; and Dave Bingham, treasurer.

UK Commerce Group To Hear Address

William Embry of Embry and Company in Lexington will address the Commerce Chamber of Commerce at a meeting at 7 p.m. in room 121 of the SUB Tuesday.

Mr. Embry will speak on opportunities in retailing.

Typical Ed, Coed Will Be Elected

In the first contest of its kind on campus, the University's Typical Ed and Typical Co-ed will be named during the annual Standards Week which begins Sunday.

The boy and girl, voted most typical by the students, will be presented at the College Standards Week dinner on Wednesday, Jan. 12.

The winners will be chosen by student and faculty members of the Student Union Board.

Spurred By SUB Committee

College Standards Week, sponsored by the SUB Activities Committee, will be a week-long affair with a formal tea in the SUB Music Room, and ends with an after-dinner coffee and musical in the Past Hall lounge Thursday evening.

The aim of the contest is to give college students an opportunity to form good standards in their social conduct. The program was originally conducted every year in the women's dorms, but was discontinued during the war.

Veterans Not Returning Should Report To VA

Any veteran in training under Public Law 348 who does not plan to return to school next semester should report this fact to the Veterans Personnel Office, room 201, Administration Building, immediately.

Students who will complete graduation requirements this semester and who desire the Veterans Administration to be billed for graduation expenses should report to the Veterans Personnel Office between Jan. 9-23.

Students Must Notify Secretary

Any person who notifies a ticket in the future or who now has an unpaid ticket and does not have the money to pay the fine before Jan. 10, or within the week time limit after that date, notify the secretary. The notification will be acknowledged and the additional \$1 penalty for late payment will not be charged.

Parking penalties will be enforced in the usual manner. Students owing fines or receive a transcript of credit until the fines are paid. After Jan. 10, as heretofore customary, revenue from traffic violation fines will still go into the student loan fund.

Editor To Give Students To Address Baptist Conference

Bernard DeVoto, winner of the 1948 Pulitzer Prize for history, will deliver two public lectures here. The first, "The Easy Chair" in Harper's magazine since 1935. DeVoto appears here as the fourth headliner in the current UK literary-dramatic series.

The author's "Across the Wide Missouri" won the Pulitzer Prize in 1946.

DeVoto is a graduate of Harvard University and Middlebury and Kenyon Colleges. Having a long list of prose works to his credit, he is a former editor of the Saturday Review of Literature.

Most Popular Professor Nominations Held Tuesday

Nominations for candidates for the annual "Most Popular Professor" contest will be held Tuesday evening at 6:30 in room 123, SUB. Any student wishing to nominate a professor for the title is asked to attend this meeting.

The "Popular Professor" election will be held on Jan. 16 with voting booths in the Student Union and the campus post office. The winning candidate will resign as Rex of the annual Mardi Gras Ball on Feb. 17, sponsored by the Newman Club.

Notes Are Still Accepted For 'Miss Christmas Seal' Contest

The contest for "Miss Christmas Seal" is now in the "home stretch" with Ann Guthrie, Kappa Kappa Gamma, the leader by 23 votes, followed by Helen Helppa of the Delta Delta Delta sorority. Nancy Brewer of Kappa Alpha Theta is in third place, and Eleanor Gash, Alpha Delta Pi, is in fourth place.

The other contestants, in respective positions, are: Bobby Bean, Alpha Gamma Delta; Joan Graham, Kappa Delta; Martha Gaunt, Alpha Xi Delta; Barbara Harris, Chi Omega; Sue Davis, Zeta Tau Alpha; Virginia Meade, Delta Zeta; and Virginia Meade, Delta Zeta.

W. W. McInden, executive secretary of the Lexington-Fayette County Tuberculosis Association, sponsor of the contest, in a recent note said: "We want to see it clear that it is not too late to answer the seal sale letters sent you during December. Everyone realizes that during the busy Christmas season it was possible to overlook or delay sending contributions for the Christmas seal. Now that the Christmas season is over, I feel confident that the students at UK will make up for it."

Notes should be mailed to the Lexington-Fayette County Tuberculosis Association, 212 N. Upper Street, by Jan. 5.

The winner will be presented with a monetary award.

Having Read The Book

In defense of statements made in the Kernel and in disputing accusations made in the letter printed this week and referred to in the editorial "Book Review" of the last Kernel issue:

1. "Masterpiece of manipulation"—signed statements will show that Dr. Plummer was led to believe by the SGA committee that the Kernel staff (no member of which had been consulted) was using SGA as a lever to promote semi-weekly publication of the paper and that he (Dr. Plummer) offered complete co-operation. Mr. Grote, the printing plant manager, was told that Dr. Plummer was anxious that the paper be published twice a week and promised to do all he could, although not believing that such procedure was possible before next fall.

2. SGA incapable of handling parking situation—not even suggested in the editorial. It was stated that SGA had "left itself open to criticism" and that "the plan's disadvantages might outweigh its advantages." The same means of enforcement will still be used, therefore why should it not be capable of handling the situation?

3. The judiciary committee suspected of future political partiality—not so. We quote: "There will remain room for bias which dissatisfied students likely will cite at every opportunity." It was neither believed nor stated editorially that they would be impartial.

4. "Toothless farces"—practically admitted as such in the same letter. They were, officially, resolutions and not suggestions. If, as stated, control is impossible or unthinkable, why try?

5. Faculty members as jurors—was not one included in the plan as it now stands?

6. "This suggestion (semi-weekly Kernel) met with faculty approval, but was not at first warmly received by the staff itself who looked with askance upon the extra amount of work involved."—To this date, only one member of the Kernel staff has ever been approached by the committee or any of its members, and he did not look askance upon the work involved.

7. There was absolutely no forthright suggestion to the editors of the Kernel, because only one of us was involved in conversation by the committee, and that after both Dr. Plummer and Mr. Grote had been approached.

8. In defense of the statement in the editorial "Book Review" concerning the use of propaganda techniques (see any book on propaganda): a. Name-calling (to discredit without explaining)—"The editorial, 'For a Change' found Student Government Association

At The Top

Regardless of the outcome of the Orange Bowl game, the University of Kentucky's name has become a national sports-page-by-word. 1949's remarkable records in the three major sports—football, basketball and baseball—have placed the Wildcats in line for the best publicity the University has ever received.

Especially to be congratulated are the players who stunned the entire country with their basketball win in the Sugar Bowl. The University community has rallied behind with a thrill a minute is one old Kentucky custom we can enjoy safely.

tion incapable of handling the parking situation." b. Clattering generalities—"Since, therefore, the problem can neither be erased nor overlooked, it would seem to logically follow that Student Government, as spokesman for the student body, should undertake to handle it, despite the fact that it will be a duty which will not always be graciously commended." c. Card stacking (distortion)—"We were not aware that the scope of Student Government's activities is expected to be of so extensive a nature." ("In my own name," he said). d. Plain folks (identity with others)—"It is the observation of the committee," etc.

Granted, too much space has been taken for the issue, but some didn't read the editorials. We, too, believe that much more could have been said in much less space.

LETTERS to the Editor

Whereas STUDENT BAR ASSOCIATION University of Kentucky Lexington, Kentucky RESOLUTION

Editor, The Kernel: WHEREAS, it has been brought to the attention of the Student Bar Association of the University of Kentucky that the Editor of the Kentucky Kernel has refused to

publish a letter in which he made editorial comment in the December 12, 1949, issue of the said Kentucky Kernel, and

as the Editor of the Kentucky Kernel in that he failed altogether to even summarize the contents of said letter, and in that he presented only one view of the controversy, his own, and

WHEREAS, the Kentucky Kernel, in its capacity of student publication, has a duty to truly reflect the sentiments of the student body in that both sides of student issues should be presented, and

WHEREAS, the Student Bar Association feels that in this respect the Editor of the Kentucky Kernel has failed to live up to the high standards of journalistic ethics and ordinary fair play.

NOW THEREFORE, be it resolved by the Student Bar Association in special meeting assembled, without endorsing the merits of the contents of the letter in controversy, that the letter should be published in the columns of the Kentucky Kernel for the consideration of all students, to whom the aforesaid editorial comment was presented.

For the Student Bar Association Robert Hubbard, President Patricia Moore, Secretary.

WHEREAS, of importance to the student Bar Association, the letter brought to its attention by persons unnamed is hereby published in full. The Kernel accepts no responsibility, in any way, for its contents. Further comments for their consideration will be found in the editorial columns—Ed.)

Preface To Second Book December 12, 1949

TO THE EDITOR: This is a copy of a letter submitted last week which inadvertently bore no signature. I trust that you will give proper consideration to this second signed copy.

Walter Patrick The Book

Editor, The Kernel: In the December 2nd issue, the Kentucky Kernel expressed editorially its sentiments concerning two measures recently introduced by the Student Government Association. Not only the worth of these measures is being questioned, but also the means whereby they were sought to be effected.

As one of the authors of Student Government's "masterpiece of manipulation", I would like to answer editorial comment was presented.

24 Hour Service Tires, Batteries, Brakes Starter, Lights, Ignition

ALUMNI NEWS

THEN and NOW PERSONALITIES

Happy New Year everybody! If 1950 proves to be as good to the University of Kentucky...

1949 saw the University of Kentucky complete its handsome new Fine Arts building...

The year '49 witnessed the graduation of the largest class in the history of the University...

Alumni from all over these United States were in New Orleans and

body cannot trust its own elected officials and representatives. The administration appoint faculty members...

In regard to the employment of a secretary, we refer all interested persons to room 203 of the Administration Building...

Bernard Freedman, '40 president of the New Orleans club, planned a beautiful party for the group...

On New Year's Day the Miami alumni sponsored a get-together for all local and visiting alumni...

Alumni from all over these United States were in New Orleans and

represent a useless "beating of the drums" by Student Government, but even the most visionary of the organization's members would find it difficult to imagine a manner in which the personal standards and behavior of each student could be individually supervised...

In suggesting a semi-weekly Kernel, Student Government sought to act in the interests of those students who believe that it is the function of a school paper to print all news items concerning student activities which merit publication...

In appointing a committee to confer with the Journalism department and the staff of the Kentucky Kernel, it was the intention of Student Government Association to request that less news space be devoted to advertisement and more attention be given to items of student interests.

This committee was informed that advertising is contracted upon an annual basis, and furthermore, that the manner in which the Kernel printing presses are set up renders impractical the publication of a paper of more than eight pages.

(Continued from Page Two)

Immediately assume the procedural detail work relating to the parking problem is considered an extravagant move, designed merely as a "last ditch" endeavor to convince the students, the administration, and Student Government itself that the organization is not a functionless body...

In refuting the above enumerated accusations, it might be well to first point out that the primary function of a student governing body is that of service-to-the-students.

It is also worthy of note that the parking problem has been for

some time a primary source of student dissatisfaction and that, under existing limited University facilities, it will remain as such.

Unfortunately, however, the political ingenuity of both Constitutionalist and Independent members of the Association has been unable to defy the laws of space and mathematical proportion governing the parking areas.

Since, therefore, the problem cannot be erased nor overlooked, it would seem to logically follow that Student Government, as spokesman for the student body, should undertake to handle it, despite the fact that it will be a duty which will not always be graciously commended.

But there could be no justification for the existence of an organization which would fail to assume responsibility in the name of those very students whom it represents.

If, as it is editorially believed, a Judiciary Committee of representative students cannot render objective decisions concerning parking lines, then perhaps an appeal should be made to President Donovan, requesting that, since the student

Cats Beat Miss. State For Sixth Straight Win

By Kent Hollingsworth

Let's face it. It wasn't Santa Claus who wrapped up six straight victories with a shiny new Sugar Bowl on top, and handed them to Coach Adolph Rupp for Christmas. It was a young, fighting, never-say-die Wildcat basketball team that worked hard for every one of those games, that gave The Baron his happiest Christmas in years.

Kentucky purred, spluttered, and started again like an electric fan with a short in it, but nevertheless, continued to cool off all opposition during the holidays.

The big question of the year has slowly evolved into a definite answer. Seven-foot Bill Spivier is Kentucky's most valuable player; without him, the Cats wouldn't even have been in the game against DePaul, Villanova, Bradley, or Arkansas.

Kentucky purred, spluttered, and started again like an electric fan with a short in it, but nevertheless, continued to cool off all opposition during the holidays.

Everyone of the sophomores looked good. Guy Strong kept the Cats quiet against St. John's. Skippy Whitaker put in the deciding points against DePaul and Villanova.

Walt Hirsch and Bobby Watson hurried the Wildcats to the front and they steadily pulled away to win their first SEC basketball game of the season last Wednesday night in Owensboro, by an 87-55 score.

Hirsch led all scorers with 21 points and Watson, operating well in front of the home folks, hit 11 times, all in the first half, as Kentucky rolled to their easiest win in the last seven games.

Sparked by Bobby Watson, Kentucky came from behind against Arkansas team in Little Rock Jan. 2. Watson hit long shots again and again, scoring half of Kentucky's 23 points in the second half, to bring his total to 29.

Bill Spivier, again high point man of the evening with 22 markers, kept the Cats in the contest, taking big hunks out of the Razorbacks' ten point lead during the first period. However it was little Bobby Watson who brought home the bacon.

He scored nine straight points to give the Kentuckians a 49-49 edge they never relinquished. The Wildcats held a 53-49 lead when the two minute death bell rang. A fielder by Price was assisted by Spivier's hook shot but Hutspeth's jump shot set the score at 52-53 with one minute to play.

The Wildcats then froze the ball until the final seconds when Captain Barnstable scored on a rebound as the buzzer ended the game.

Trounce Big Ten WEST LAFAYETTE, IND., Dec. 23—Kentucky's Wildcats built up a 24-17 lead over the Purdue Boilermakers here tonight and then went on to sustain a late Purdue rally for a 60-54 win over the Big Ten team before 10,000 fans here in the mammoth Purdue Fieldhouse.

Kentucky, displaying its "hottest" brand of ball this season, hit eight of its first 12 shots, with tenerson hitting two straight long follows followed by two more from way out by Captain Dale Barnstable. Kentucky ran its lead to 16-7 before a demoralized Purdue team began to pull itself together.

However in the second half Purdue began to back away at the Kentucky lead with Guard Howe Williams finding the range on jump and hook shots. Big Walt Hirsch kept the Wildcat lead at about ten points all the way through, as he hit five beautiful shots in that ferid second half and did a lot of rebounding work, winding up the leading scorer with 14 markers.

Numerous fouls were called throughout the hard fought contest, reserve center Roger Layne fouling out early in the second half, forcing Spivier to come back in with four fouls already charged against him. However, he displayed a nice piece of guarding on Andy Butchko, the Purdue pivotman, and never did get that fifth foul.

Walt Hirsch easily played one of his best games since donning a Wildcat uniform and when he fouled out with only a minute and a half to go, he received a tremendous ovation from the Purdue fans—intermingled with some boogie for the foul committed against Butchko when he drove under the basket.

Most of the fans as they filed out of the Fieldhouse were saying that Kentucky definitely looks like a power again this year and—even though Purdue was defeated—seemed to like the Kentucky club and the way they played ball.

Edge DePaul LOUISVILLE, Dec. 21—a couple of substitutes scored when the pressure was on to give Kentucky a 49-47 victory over the DePaul Demons, in a game that left 7500 fans limp, here at the Louisville Armory.

Rough and tumble Spec Townes put the Cats ahead 41-40 after they had been trailing the whole game, at one time by 10 points, with a crisp and a free throw. However the quick-shooting Demons fired away to a 47-45 lead when the fatal two-minute rule took effect.

Then sophomore Skippy Whitaker drove in and shoved up a shot with a man all over him to tie the ball game up with 30 seconds remaining. Covadaria—leading scorer of the evening with 16—trying to freeze the ball, dribbled right into Whitaker, and a foul, which easily could have been called either way, gave Whitaker the opportunity to score the winning point, with five seconds left to go. Spec Townes, fouled on the throw in, added another free throw just to make the two-minute rule look silly, and the final score read Kentucky 49—DePaul 47.

It was a loosely played contest, both teams making glaring mistakes in the barest of fundamentals, however spirit and fight made up for the sloppy play, making it one of the most thrilling games ever played by a Kentucky team.

Big Bill Spivier was the old stand-by for the Wildcats. He jumped the basket with 15 points and did almost all of Kentucky's rebounding in the second half after Hirsch fouled out. Kentucky-49

Dance For Engineers Planned Saturday An informal dance, honoring members of the 1950 graduating class of the College of Engineering will be held from 8 to 12 p.m. tomorrow in the SUB.

Tinker Bargerley's orchestra will play and the dance will be open to all engineering students and invited guests. Engineering seniors will sponsor the dance.

"Truth is stranger than fiction," and to many people it's a total stranger.

Intramurals

Entries for the basketball free throw tournament must be in by noon Jan. 9, according to the new deadline set by intramural director Bill McCubbin. The foul shooting begins Tuesday night at 7 o'clock in Alumni Gym with the finals held the following evening at the same time. All male students are eligible to enter.

Wrestling entries must be in by noon Jan. 13, with the weigh ins that afternoon between 4-5 o'clock in the basement of Alumni Gym. Matches start Jan. 16 and all participants are urged to work out as much as possible in the gym prior to that date.

The ping pong doubles tourney is still in progress with eight pairs still in the running for the championship. All semi-final matches must be played off by Jan. 10 or immediate forfeits will result. The finals will be played on Jan. 12.

All team managers interested in entering in the round robin basketball schedule which will start next semester, must have the minimum number of five names listed in Mr. McCubbin's office along with the team name, by Feb. 10. As many team members as desired can be listed, but the total must be cut to 10 after the team has played two scheduled games. Independent and fraternity teams alike must win a certain percentage of their round robin contest before they will be eligible for tourney play in March.

All students are urged to participate in this intramural sport.

It's all right to have a train of thought if you have a terminal. Women find there are many laps in the race to the altar.

Faculty Personals

Prof. Martin, director of the University Bureau of Business Research, is serving as chairman of the Conference on Measurement of County Income, which is conducting a county by county survey of individual incomes in seven southern states including Kentucky.

When completed, the study is expected to provide a more accurate measure of southern income than any now in existence and may also contribute to future economic development in the south.

Prof. Haun is vice president of the Association which is composed of practitioners and teachers of accounting throughout the United States.

Dean Ehrig J. Stahl of the College of Law was principal speaker Monday at a mass inauguration service for the newly elected officers of Whitley County at Williamsburg.

Prof. Rannels, head of the Department of Art, conducted a lecture recently at the Speed Museum, Louisville.

The topic of his lecture was "Styies in Portraiture."
