Central State College

Wilberforce, Ohio

In choosing a college, a student, his parents and advisers should give thoughtful consideration to its program of education, its character building potentialities, its intellectual atmosphere, the scholarly standing of its faculty, the beneficial effects of its student life and student activities, and the opportunities available for education in leadership and social action.

Central State College offers all of these opportunities to its students in the largest measure.

The college is co-educational, inter-denominational and inter-racial in its opportunities and purposes.
