Special Meeting of Board Yesterday Afternoon Named George Vogel

ACTION TO BE KEHEHD  
BY PRESIDENT MVEVEY  
Contracts for Engraving and Printing of Kentuckian Are Let

George Vogel, Schenectady, N. Y., junior in the College of Engineering, and a member of Alpha Sigma Phi fraternity, was named editor of the 1934 Kentuckian yesterday afternoon by the student committee on Publications, after the election of J. D. Palmer had been declared void by the board.

J. D. Palmer, Providence, junior in the College of Commerce, was elected by the junior class at an annual election on April 11, and his election was declared valid and fair by the Student Council at a meeting Monday afternoon. Previous to the meeting of the Student Council the committee on Publications declared the election null and void after Horace Helm, president of the junior class, had petitioned to do so on the grounds that not all juniors had a chance to vote in the original poll.

Palmer stated yesterday afternoon that the results of the election will be appealed by him to the University Senate for action on the validity of the decision of the board. Reason for this action was given by Palmer as the fact that the Student Council had ruled the junior election to be fair and the Publications committee ruled it to be void.

A motion was made and passed at Thursday's session asking that Pres. Frank L. McVey be asked to concur in all selections made by the committee. If he rejects the election the election will be given to the junior class.

The contract for engraving was awarded to the Schenectady Engraving Company, Cincinnati, Ohio, and the contract for printing was awarded to The Kernel.

Every morning during the first few hours it is practically impossible to find a parking place in the McVey hall area. The problem is remedied? Certainly it can. Along the south side of McVey and Kastle halls there is a grass plot approximately 20 feet wide. A strip of this could be made into parking space without destroying the look of the grounds.

Furthermore, a great deal of space could be saved by painting white division lines on the cars parked on the bias. It could be so arranged that twice as many automobiles could be parked in the area than is now possible.

As an added feature a dual track meet will take place the afternoon of May 6 between the Big Blue varsity and Tennessee. There will be no admission to the meets and no fee will be charged the high schools, which wish to participate.

**MONOTONE**  
The monotone of the rain is beautiful. And the sudden rise, and slow lapse of the long multitudinous rain.

The sun on the hills is beautiful. Or a captured sunset, sea-flung. Battered with fire and gold.

With fire and gold by the sea.  
And the peace of long warm rain.

SEEN FROM THE PRESS BOX

By DELMAR ADAMS

Since this is the off season in sports at the University, there will be no athletic contests here Saturday. But Monday afternoon, the varsity track team will travel over to the stronghold of the Berea Mountaineers and engage in a dual meet.

The Big Blue stages a jamboree annually when they tie up with the other Blue and White team and the next week promises to live up to the precedent set. From here it looks as if Berea will take but two and possibly three. In the pole vault they have two men who have gone well over 11 feet and Evans in the high jump should win handsily.

Now is the time for all good men to try their hand in picking a possible Kentucky Derby winner. Since Press Box has never made a business it will be left to the other fellow, so a friend who does know his "cots" and "hay" will name his choice in the annual thoroughbred classic. Watch for pickings in the next edition or two.

Baseball is here and since there is no varsity team representing the University most of the eligible men for that sport on the campus are playing with independent teams. Bach DeMosey, Kreuter, Orr, Settle and others are the mainstays of teams within the circle of the Bluegrass DeMosey is hurrying for the Lexington Eppings and promises to become fully as great a ball player as he is a baseball artist.

Since Ralph E. Johnson left his sports editing post he is enjoying days of leisure. Wednesday night he took it into his head to observe the Stroller Revue rehearsal. After several hours there he made the following report:

Every good looking girl on the campus is in the cabinet and sorority scene. Bill Ardrey has done a splendid job of writing. The specialty numbers in the cabinet scene are extra - swell. Louise Johnson does a dance as keen as a fielded ever saw. Betty Fry is still the best dressed co-ed... you'll love her deep-south accent. It is reported that Bill Ardrey has instructions with the casting office that they should get every good-looking girl on the campus whether they could act or not... they got the girls good-looking all right; some

Indiana and Xavier Meet Varsity Today and Saturday; Frosh Easily Defeat University High

While the varsity netmen are working out in preparation for their matches with Xavier and Indiana, today and tomorrow, the freshmen are likewise swinging into action. In their first match, played against University High Wednesday afternoon, the freshmen were victorious 6 to 1.

Other freshmen have reported to Coach Downing, but not all of them have an opportunity as yet to show what they can do.

Five freshmen have reported to Coach Downing, but not all of them have an opportunity as yet to show what they can do. In the match Wednesday, Charles Randall played No. 1 position, but was defeated by his brother Dave, 1-6, 8-10. Fred Tullio, former state champion of Oklahoma, played No. 2 and defeated Mason Jacob, 6-2, 2-8, 10-8.

In the No. 3 singles Elvin Stahr easily handled Robert Snyder, 6-0, 6-1. James Moore, former state champion by the same score in the No. 4, and James Harralson conquered Sam Walton, 6-3, 6-2, 2-8, 10-8.

Two double matches were played, and Tullio and C. Randall defeated Jacob and D. Randall in the No. 1, 6-3, 6-8, 6-2. In the final match, Moore and Harralson swamped Tom Rents and Robert Olney, 6-0, 6-1.

The varsity match with St. Xavier will be called at 2 p. m. this afternoon and with Indiana University tomorrow at the same time.

Coaches-Faculty To Meet On Court

(Continued from Page One) Seale. Offhand, the winner of this match should be Seale for his steam-roller tactics should prove too much for the lighter man. But Singer is a fighter and will be in the thick of the match.

Two boxing contests will be staged and their instigators will be their own names. "Bill" Hansen who will endeavor to send "Corkscrew" Server to the cleaners, and "Young" Thomas, the seton-pug who has challenged Heinz of the Hygiene department to a fistic duel.

Music for the occasion will be furnished by the faculty band. This organization has flourished during the past year and has added a few more washubs to the bass drum section. A new piece, "The Kitchen Sink" will be played.

Members of the faculty squad are Professor Asher, May, Roy, Farris, Sullivan, Shannon Conrad, Forman, Cunov, Koppous, Singer, Allen, and McFarlan.

The coaches have Gama g, Shively, Rupp, Campbell, Richards, Seale Mann, Hansen, Hackensmith and Potter ready for action.

Of the freshmen who tried out yesterday, Norris McGill, Clarence Ayres, J. D. White, and Fred Thompson looked to be the pick of the lot. Times and distances were rather disappointing due to the fact that the boys haven't had very much time to get into shape.

Commerce Schools Holding Convention in Lexington Hear Ruggles, Milton, and Donham

Prof. Clyde O. Ruggles, Harvard University; George Fort Milton, president and editor of the Chattanooga News; and Dr. Wallace B. Donham, graduate school of Harvard, are three principal speakers of the joint session of the 10th annual convention of Beta Gamma Sigma, national honorary commerce fraternity, and the 15th annual meeting of the American Association of Collegiate Schools of Business, now being held at the University of Louisville.

The session which will continue through Friday was formally opened at 6:30 p. m. yesterday at the Phoenix hotel, and will continue through Saturday. Professor Ruggles gave the opening address, choosing as his subject, "The Outlook for University Education in Business."

Mr. Milton will speak at 5 p. m. today at a banquet to be held in the Commons. His subject will be "The Integration of the University with the Business Life of the State." President McVey will also speak on the program.

The "Cat Track Team To Meet Berea Men" (Continued from Page One) rish in the sprints. Parrish's performance against Galloway of Tech was very encouraging although he placed third. His time was 10, the best he has done this year, and he may be able to lower this time during the rest of the season. Doug will also run the high and low hurdles and if he continues his phenomenal work he will lower his own record in the highs and better the school record in the 220 lows.

The "Cat" quarter miler have had little success so far this year, but Foster and Tom Cassidy are showing improved form, and Ellis Johnson, the third Blue and White 440 man, is getting into better shape and may cut out of the boys before the season is concluded.

Charlie Gates, sophomore middle distance man who surprised track followers with a neat win in the half-mile Saturday, has improved greatly and should get his second win of the year against the Mountaineers. Mahan, who won this year against Vanderbit should take a second in the 880 or might possibly win if he is a crack runner.

Mahan will run the mile also and Capt. Howard Baker, who is the most consistent distance performer to represent the Wildcats, will be the second man. Miller probably will run both the half and the mile. Vinson and Baker will run the two-mile for the Cats and Baker should win an easy victory. Berea's distance men should place in both the mile and two-mile runs on basis of their season's records.

Berea should win two events, as the Cats have only one talented man in the pole vault and high jump while the Mountain team has two capable men in both events. In the high jump Briscoe Evans has jumped over five feet, 7 inches which is better than any of the "Cat jumpers have been able to do. Berea has two pole vaulters who call Ashland 5419.

Regimental Parade Will Be Held Today

The second regimental parade, which will be held today at 4 p. m. on Stoll field, will be reviewed by members of the local Optimist club and their families. The parade will be governed by the rules set forth for the first regimental parade, which was held last Friday.

Capt. H. D. Scheibla announced that in the parade last week the platoons having the best lines were ranked as follows: First, third platoon, Company A; Second, First platoon, Company C; and Third, First platoon, Company E.

The rating of the companies was in the following order: First, Company A; second, Company C; and third, Company B.

CAT GOLF TEAM MEETS U. OF C. SATURDAY

The Wildcat golf team will play the University of Cincinnati team on the Fort Mitchell country club course in Covington on Saturday morning.

The Blue and White will have Captain Stettin playing number one, Meredith, number two, Haggard, number three, and "Freddie" Hardwick, number four. The two man teams will be Settle and Hardwick, and Meredith and Haggard.

Cincinnati's players are Davis, Kugler, Rappoport, Clark, Ginsberg, Joslin, Martin, McCoslin, Van Benken and Rousch. Which of these men will play the various positions, has not as yet been announced.

Two more games will be played by the Wildcat divot diggers, both of which are with the Eastern Teachers college squad. One of these matches will be played here and the other in Richmond. The dates of these matches have not yet been arranged.

The freshman golf team is coming along in fine style and should have little trouble winning the four matches on their schedule. They will play the University of Louisville frosh and the Male High golfers. A home and home series will be played with each of these teams sometime in May.

Dean Alvin E. Evans of the Law college, will leave for Washington, D. C. Wednesday, May 3, to attend a meeting of the American Law Institute. He will return on Sunday, May 7.
