¹ Includes employment on WPA projects operated by other Federal agencies and financed by allocation of WPA funds. Prior to January 1940, data do not include nonrelief employment.

² Percent of total employment at beginning of month.

³ Includes separations for such reasons as private employment, active military service, new sources of income, illness, death, etc.

⁴ Separated in accordance with section 15 (c) of the ERA Act of 1939, section 15 (b) of the ERA Act, fiscal year 1941, and section 10 (b) of the ERA Act, fiscal year 1942, requiring separation after 18 months of continuous WPA employment.

⁵ Revised.

Revised through Mar. 7, 1942.

¹ Average weekly employment during the calendar month on projects operated by the Work Projects Administration and WPA projects operated by other Federal agencies and financed by allocation of WPA funds. Revised through Feb. 10, 1942. Source: Work Projects Administration.
² Number of different persons employed during the calendar month. Source: National Youth Administration.
³ Average enrollment during the calendar month by State from which enrolled. Source: Civilian Conservation Corps.
⁴ Preliminary. Average weekly employment during the fiscal month ending Dec. 15, 1941, on projects financed with WPA funds. Data not yet available for other Federal agency projects financed in whole or in part with emergency funds; latest available report showed total employment of approximately 1,000.
⁵ Includes recipients assisted from Federal, State, and local funds for programs administered under State plans approved by the Social Security Board and recipients assisted from State and local funds for programs administered under State laws without Federal participation. Does not include cases receiving medical care, hospitalization, and burial only. Revised through Jan. 15, 1942. Source: Social Security Board.
⁶ Partly estimated. Number of resident families and single persons receiving general relief. Does not include cases receiving medical care, hospitalization, and burial only. Revised through Jan. 25, 1942. Source: Social Security Board.
⁷ Net number of cash grant payments made to individual cases for subsistence and number of cases receiving commodities or Surplus Marketing Administration stamps issued by the Farm Security Administration. Ordinarily only 1 cash grant payment per month is made to a case. Source: Farm Security Administration.
⁸ Average weekly employment during the fiscal month ending Dec. 15, 1941. Includes employment on projects financed by RFC funds. Source: U. S. Department of Labor, Bureau of Labor Statistics.
⁹ Partly estimated. Does not represent total of State data, since cases receiving medical care, hospitalization, and burial only are not included.
¹⁰ Includes WPA estimates for Arizona and California, for which data are not available.
¹¹ Includes unknown number of cases receiving medical care, hospitalization, and burial only.
¹² Includes unknown number of cases receiving medical care only; number believed by State agency to be insignificant.
¹³ Estimated.
¹⁴ Includes 3,779 cases aided under program administered by State Board of Public Welfare and 6,329 cases aided by county Commissioners. Duplication in cases is believed to be large.
¹⁵ Does not include cases receiving assistance in kind, and for a few counties, cases receiving cash payments.
¹⁶ State program only. Does not include program administered by local officials.
