The following is a list of the names of the members of the committee on the part of the Board of Directors of the University of California, who were appointed in 1901 to investigate the conditions of the University of California, and to report thereon to the Board of Regents.

The names of the members of the committee are as follows:

Chairman: [Name]

Members: [List of names]

Secretary: [Name]

The committee was organized on [Date] and held its first meeting on [Date]. It has since that time held several meetings and has been engaged in a thorough investigation of the conditions of the University of California. It has held numerous public hearings and has received many suggestions from the faculty, the students, and the public. It has also conducted extensive research into the financial, administrative, and educational conditions of the University.

The committee has the honor to acknowledge the cooperation and assistance of the Board of Regents, the faculty, the students, and the public in its work. It trusts that the report which it has the honor to submit to you will be found of interest and value.

Very respectfully,
[Name]
