Dear Sir:

Yours of July 31st inquiring for
tools & materials delivered to Wilgus
was referred to our brother Roy and he
writes saying that he has papers in
his desk at home which will enable
him to make up a complete state-
ment of the matter which he will
do the next time he is in town.
If he does not come down we will send
him such papers as refer to the
matter and have him compile a
report from them. From what he says
we would judge that Mr Wilgus'
memory does not serve him in re-
gard to having returned them.
We can show a receipt for every
thing he got and unless he can
do the same he will have them to
