My dear Father:

I have not been well for some time and
feel the need of you, to tell me things that
I don't know my-self. Mr. Landes plays
beautifully on the violin, I was up at
Aunt Lucy's last night, to hear some music
I received two letters from you, yesterday
and could not make out in the last one
who called John Q. an ass. You did
not say, which of N. W. Bell's houses it was
that burned down. He don't often get
the Cincinnati Paper here I don't think
I have seen one since I came. Who
will be the nominee for President?

Write soon. Love to all. Your boy,
Willie
