DEMOCRATIC STATE COMMITTEE

331 MADISON AVENUE

NEW YORK CITY

JAMES A. FARLEY
CHAIRMAN

August 10, 1931.

Mrs. Samuel M. Wilson,
Lexington,
Ky.

My dear Mrs. Wilson:

I would consider it a very great personal favor and one which I hope to be able to reciprocate sometime, if you would send me at your earliest convenience, the name and address of the District or County Chairman in the territory you represent on the State Committee (and Woman Associate Chairman if you have them in your State), or if you represent more than one district, of all of the local Chairmen in your territory.

I am trying very hard to build up a model State organization in New York, and I feel that almost every State has learned from practical experience some particular way of doing some thing which is an improvement on general practice.

The heads of the State Organization in your State have been most kind in cooperating with me by furnishing information as to the machinery of their headquarters and I am now anxious to learn from those in direct contact with the voters of the methods they employ both in disseminating literature, and in getting out the vote on Election Day. I feel that this can only be obtained from the County or District Chairmen and Committeemen themselves.

I hope that you will not consider this too great a favor to ask and remember that it is all in the interest of a better organization and stronger Democratic Party.

If you are ever in New York, I hope you will not fail to visit our Democratic State Committee Headquarters, located at #331 Madison Avenue, directly across from the Hotel Biltmore, New York City, and that you will feel at liberty to call on me to give you any assistance or do anything I can to make your stay pleasant while in this City.

Yours very truly,
