

DEMOCRATIC NATIONAL CAMPAIGN COMMITTEE
HOTEL BILTMORE
NEW YORK CITY

WOMEN'S DIVISION
MARY W. DEWSON, DIRECTOR

MURRAY HILL 2-7400

Cestine Marie

Sept. 18. 1933

Dear Mrs. Wilson -

I never heard of Miss Mary
S. Hughes. This appointment game boils
down to jobs for the friends of the state
leaders with a few, very few, concessions
to the friends of the administration, and an
occasional veto by the administration.

Nevertheless between us I think you will
see some real enforcement of the codes growing
up in the shelter of the bellyhoo. Anyhow
there are plans. But it is an enormous
thing to try to create as finely finished as
Minerva when she appeared.

They had to start and I trust the Roosevelt
crowd to do a great deal in building up
and weeding out.

My best to you both.

Sincerely

Mary Dewson
