## INTRODUCTION.

---

**W**HEN the late William C. Whitney decided to go into the pastime of breeding thoroughbreds he engaged *con amore* in the enterprise, showing the same acumen, perseverance, liberality and large aims that characterized all his other momentous undertakings in business and political life. In the years to come the country will award him a greater meed of praise than it does now for the far-sightedness, the executive ability, the indomitable will that did so much to make the American navy a power on the seas able to cope with any emergency that might arise.

So as time passes will breeders and turfmen learn more fully to appreciate the wonderful influence he exerted in the few years permitted him to enjoy the recreation he so dearly loved. Like those other eminent breeders, August Belmont and Marcus Daly, he lived to see only in part the successful fruition of his cherished and well-laid plans.

No research or labor ever deterred him from reaching the end desired. No price was too large for him to pay to obtain that which he wanted, and as he had certain aims, he recognized that which was best and what he wanted.

The result of his labors is shown in the great stud which unhappily has now come up for dissolution. The late Mr. Belmont builded wisely and well, and so did Mr. Daly, but without disparagement to the renowned breeding establishments which they founded it is safe to say that no other breeder ever devoted the same amount of energy, research, time and money to the accumulation of a like number of animals as represented in the wonderful collection made by Mr. Whitney.

Mr. Whitney had the enterprise to purchase Meddler and Hamburg at public auction for \$49,000 and \$60,000 respectively. In the light of subsequent events both horses, though purchased apparently for large prices, were very cheap at the figures, and what both have thus far accomplished we feel perfectly satisfied is but the beginning of still more brilliant honors in the stud for each.

Meddler is now not more than what may reasonably be calculated as in the middle of his career, with from ten to fifteen years of usefulness before him, and he is certain to prove a thorn in the sides of those breeders of means who fail to grasp the opportunity to secure him, for however good the horses they may now own the future will demonstrate that the Meddlers will meddle with and upset their Futurity and other rich stake calculations in the years to come.

In the racing days of Hanover, his astute owners saw the advisability of annexing Kingston to keep him from competing in

the rich stakes for which the great chestnut was entered. They had to pay a good price, but the investment was one of the best they ever made, for the brown was removed from Hanover's path and earned during his career nearly \$140,000 and is now one of the great sires of the world. For the turf and for breeding, as well as in other lines, it pays to buy the best, and the best is the cheapest at any price.

When M. Blanc outbid the English and paid \$187,500 for Flying Fox he showed wisdom, for in his first season in the stud the son of Orme sired those high-class colts Gouvernant, French Fox and Ajax (not to mention others), who between them have practically reimbursed the enterprising Frenchman for the apparently enormous outlay. Ajax is unbeaten this year and has earned for his breeder and owner more than \$140,000.

When Mr. Whitney outbid the wealth of the land and secured Meddler and Hamburg he displayed equal acumen, for he obtained both at a tithe of their value, as events have amply demonstrated. Hamburg was practically untried, although not as much so as Flying Fox. Meddler had shown ability under adverse circumstances. Both have greatly appreciated in value, as Meddler heads the list of sires this season and Hamburg is third.

Two other sons of the great Hanover, besides Hamburg, are in this sale. One of them, Yankee, won the Futurity, and is from the family of Domino, another Futurity winner and a wonderfully successful sire. The other is Blackstock, from the same family, they being out of full sisters, Correction and Mannie Himyar, by Himyar, sire of Domino. It is also the family of Hamburg, sire of the first and second in the Futurity of 1903 and of the Futurity winner of 1904, *the only horse to sire two Futurity winners and now but nine years of age.*

The other sires are imported Sandringham, full brother to the three great race horses Persimmon (sire of the renowned Sceptre), Florizel II and Diamond Jubilee; Ballyhoo Bey, winner of the Futurity, etc.; Kilmarnock, an international stake winner, and Nasturtium, the great son of imported Watercress. From such an octet breeders will be puzzled to make a selection. Judged by quality, breeding and racing performances, each is a gem, and worthy to head any stud in the land.

As for the remarkable collection of matrons, each and every one merits claim to distinction. Last winter Mr. Whitney "weeded out" his stud, retaining only such as he deemed would best serve his purposes, and these selected of the elect are now offered the public.

# Hamburg.

No. 1.

(Winner of the Great Trial, Double Event, Gt. Eastern Handicap, Realization Stakes, Brighton Cup, etc., and the only horse to sire two winners of the Futurity.)

Brown horse, foaled 1895.

Hamburg and his family seem to hold a first mortgage on the Futurity Stakes, the most valuable two-year-old annual event of the American turf. He did not win that race himself for the simple reason that he was not eligible, but he showed his ability to have added it to his laurels by defeating the winner and all the best in training a few days subsequently. He has already sired two successive Futurity winners (also the runner up in 1903). His dam is a half sister to the Futurity winner and great sire Domino, and her half sister, Correction, is the dam of the Futurity winner Yankee. Another Futurity winner, Butterflies, is from Hamburg's female line.

On the turf his speed was marvelous, his weight-carrying ability phenomenal and his stamina thoroughly demonstrated. His wins as a two-year-old were as follows:

Won at 5 furlongs heavy track, easily, in 1:03 $\frac{1}{4}$ ; 8 starters.  
Won at 5 furlongs in 1:02 $\frac{1}{4}$ , easily, from Previous, Sly Fox, etc.  
Won Great Trial Stakes in a canter by four lengths; 11 starters.  
Won Double Event (second part) in a canter, 129 lbs.; 10 starters.  
Won Flash Stakes, 4 furlongs in 50 seconds, easily; 4 starters.  
Won Congress Hall Stakes, 5 furlongs in 1:01 $\frac{1}{2}$ , with 134 lbs.; 7 starters.  
Won Rising Generation Stakes, easily, 6 furlongs, in 1:15, 127 lbs.  
Won Electric Handicap 6 furlongs in 1:14 $\frac{1}{4}$ , easily, with 132 lbs.  
Won Autumn Stakes Futurity course, easily, with 129 lbs.  
Won Great Eastern Handicap, Futurity course in 1:10 1-5, with 135 lbs.  
Won Prospect Stakes, 6 furlongs in 1:15, with 127 lbs.; 7 starters.  
Won Excelsior Stakes, 6 furlongs in 1:15 easily; 4 starters.

In these races he defeated the Futurity winner L'Alouette, Previous, Bowling Brook, Archduke, Handball, Blueaway, Firearm, Briar Sweet, Kite-foot, Varus, Uriel, Sanders, The Huguenot, all stake winners of class, and others.

As a three-year-old Hamburg suffered but one defeat, his first start, for the Belmont Stakes on a muddy track. His other races in 1898 were as follows:

Won Spring Special at Gravesend, 1 1-16 miles in 1:49, in a galop by 8 lengths.  
Won Swift Stakes, Sheepshead Bay, 7 furlongs, with 126 lbs., pulling up.  
Won Realization Stakes, 1 $\frac{5}{8}$  miles in 2:51 1-5, easily by two lengths, beating Plaudit (winner that year of \$25,000), The Huguenot (winner of \$18,000), Geo. Boyd, Handball and Latson.  
Won Brighton Cup, 2 $\frac{1}{4}$  miles in 4:03 $\frac{3}{4}$ , by a sixteenth of a mile.

He was then retired, sound in wind and limb, the record of his performances for the two seasons being as follows:

Age.	Starts.	Wins.	2d.	3d.	Unplaced.	Amount Won.
2	16	12	3	1	0	\$42,100
3	5	4	0	1	0	22,425
Totals	21	16	3	2	0	\$64,525

Up to Sept. 10 of this year Hamburg has had out ten two-year-old winners and stands third on the list of winning sires, his get having won \$90,660, a sum which in all probability would have been considerably larger but for the untimely death of Bumble Bee, who won her only two starts in impressive style, and an accident to the Futurity winner Artful.

(Continued on next page.)

His winners for 1903 and 1904 are appended:

The get of Hamburg won in 1903 the sum of \$80,470.

Their earnings to Sept. 15, 1904, total \$97,305.

It was a natural sequence, as day follows the night, that the mantle of his great dead sire should descend by right to Hamburg, the best son of Hanover, the best son of Hindoo, the best son of Virgil, the best son of Vandal, the best son of imported Glencoe.

Hamburg is a descendant in the male line of Herod. His sire, Hanover, was the champion of his day, winner of 32 races up to five years of age of the value of \$120,912. No stallion can be recalled that ever before in his first season in the stud, or any other year, sired 21 winning two-year-olds. The class of performers he got was also remarkable, Halma, Handsome, The Commoner, Handspun, Urania, Hessie and Levina, being among the lot. This was in 1894, when he was fourth in the list of winning sires.

In 1895 Hanover was first in the list, and also first in 1896, 1897 and 1898. In 1899 he was second, imported Albert leading him by a few thousand dollars, owing to the large earnings of his son Mesmerist. In 1900 he was again fighting for first place, Kingston leading, with Hanover again second, and for a third time he filled second place in 1901, to Sir Dixon. Although he had no representatives two years of age his get won \$71,340 in 1902. Altogether his sons and daughters have won on the turf within a few thousands of one million dollars.

But the fame of Hanover does not rest here, for his sons and daughters are daily proving the wonderful value of the blood. His successful sons in the stud besides Hamburg include Handspring, Halma, Buck Massie, Handsel, Handsome, The Commoner and Handball, while his daughters are the dams of Ort Wells, Dick Welles, Tanya, Whorler, Arsenal, Armenia, Little Scout, Brunswick, Toluca, High Order, Possession and other stake winners.

Hindoo, sire of Hanover, was also the champion of his day, and here we have three champions in three generations, so it is not necessary to go to Virgil, Vandal, imported Glencoe and Sultan, all noted horses and sires. Hindoo won 30 races out of 35 starts, being second three times and third twice. His wins included the Kentucky Derby, Champion, Lorillard and Travers Stakes, Coney Island and Louisville Cups, each at 2¼ miles, etc. He has been prominent as a sire every year since entering the stud. Besides Hanover, his representatives include Jim Gore, Buddhist, Hindocraft, Merry Monarch, Sallie McClelland, Tar and Tartar, Mabel Glenn, Savarin, Benares, Ben Hadad, Howland, Macy, Cambrian, etc. His daughters are notably good producers.

In the female line Hamburg belongs to the great Dance family. His dam, Lady Reel, is by the high-class race horse Fellowcraft, the first to lower the 4-mile record of Lexington, which had stood unapproached for many years, and Fellowcraft's 7:19½ also stood as the best for many years. Fellowcraft is a full brother to the great Spendthrift (sire of Kingston, Hastings, Lamplighter, great race horses as well as sires), Miser (sire of Yorkville Belle) and Rutherford.

Lady Reel is also the dam of the stake winner Amanda V., Hapsburg, a winner at two and three, and Strathreel, whose first foal to race is Bill Curtis, a winner in 1903 and 1904.

Lady Reel is a half sister to the grand race horse Domino, the largest winner on the American turf, who won nine races at two years old, six at three years old and four at four years old, including the Futurity, Matron, Great American, Great Trial, Hyde Park, Produce and Great Eclipse Stakes, at two years old, winning \$180,085 at that age. He won at three years old the Withers, a mile in 1:40, the Flying Stakes, Ocean Handicap, a mile in 1:40 1-5, a match with Clifford, a mile in 1:39 2-5, the Culver Stakes, and divided the Third Special, 1½ miles in 1:55½, with Henry of Navarre. At four he won the Coney Island Handicap, 130 lbs. up, Sheepshead Bay Handicap, etc., and he is the sire of Doublet, Disguise II (winner of \$38,800 in England in 1900), Commando, Cap and Bells, The Regent, Noonday, Olympian, etc. Lady Reel is also a half sister to Correction, 30 wins, including half a mile in 46½ seconds, and dam of Stripes, Yankee (winner of the Futurity, etc.), and Wild Irishman, a two-year-old winner in 1904, these her only foals trained.

Lady Reel is a half sister to Bandala, that won at two and three five races, including the Ladies' and Mermaid Stakes, and is the dam of the good winners Set Fast (also dam of Kinford and Court Plaster, a winner in 1904), San Luis and Wenonah, also dam of Belle of St. Louis and We Know It, she the dam of Merry England, a two-year-old stake winner in 1902, and a winner in 1903 and 1904.

Mannie Grey, a winner and sister to Goodnight (a winner and sire), also foaled Ten Strike (Tennessee Derby and 26 other wins), and Free Mason (Bartow Stakes, etc.), Madam Reel (dam of Mr. Reel, M. Theo and Clatter-foot, dam of Sabot), and Mannie Himyar, dam of Tros, the stake winner Blackstock, Partnership and Dorothy Gray, a two-year-old winner in 1904.

Mannie Grey's produce have won more money (\$279,710) than have the produce of any other mare in America.

Lizzie G. foaled the stake winner Good Night, Faustus, a great sire, and Alice Gray, dam of Black Crook, Maggie Gray, Jim Gray, John Gray and Guy Gray, winners, and the producers Edith Gray (dam of Sissieretta, the superior race horse Goodrich, 1½ miles in 2:30¼, Guesswork and Lady Godiva), and Anna Gray, dam of Side Pardner, Deceptive, Schnell Laufer (in 1899, 1900 and 1901) and Holstein, a two-year-old stake winner in 1900, and a stake winner in England at three. Sissieretta, above, is the dam of Clipper.

It is also the family of Butterflies (Futurity, etc.), Prince Lief, Pessara (a stake winner and sire), Los Angeles, Kildeer, Goldsmith, Barnes, Runnymede, Meriden, Farandole, Gold Heels, Shorthose, Pulsus, the great Water-boy, etc., etc.

Hamburg has been bred this season to Catarina, Clementina, Daisy F., Elizabeth L., Field Argent, Fiesole, Geisha, Hurly Burly, Hypocrite, imp. Isis, Kalula, Kildeer (dam of Goldsmith), Leonora Loring, Martha II (dam of Artful), Melba (dam of Stalwart), Miss Buttermilk, Morningside, Ondulee, Peg Woffington, Poetess, Semper Fidele, Snowy Corrie and Soncy Lass.

NOTE.—Numbers after names represent the Bruce Lowe figure system. Nos. 1, 2, 3, 4 and 5 are the leading racing families as represented in England's classic events. Nos. (3), (8), (11), (12) and (14) are the preeminent sire families.

## Sandringham (Imp).

No. 2.

(Full brother to Persimmon, Diamond Jubilee and Florizel II).

Brown horse, foaled 1896.

Were Sandringham offered at public auction in England he would realize in guineas what he is likely to bring here in dollars.

The English believe in and trust to blood lines to a greater extent than do Americans. It is the blood lines which have made possible a Hermis, as good a horse as shown in America in 1902, 1903 and 1904.

Persimmon, the full brother to Sandringham, was winner of the Derby, St. Leger, Jockey Club Stakes, Ascot Gold Cup, Eclipse Stakes, etc., and in his second season in the stud headed the list of English winning sires, supplanting his great sire, St. Simon, who had been first for nine seasons and was second to Persimmon in 1902. Persimmon is the sire of Sceptre, that sold as a yearling for the largest sum, \$50,000, ever paid at public auction for one of her age, and the largest winner of her sex ever known to the turf of England or America, having to her credit the 1000 and 2000 Guineas, Oaks, St. Leger, St. James Palace, Nassau, Hardwicke, Champion Stakes, etc. Persimmon was fifth on the list of winning sires in 1903, the first position being held by another son of St. Simon, and he is again prominent in 1904.

Florizel II., another full brother to Sandringham, was also a great race horse and is a very successful sire. He ran 22 races and won 11, including the Brighton Handicap, St. James Palace Stakes at Ascot, Royal Post Stakes at Newmarket, Jockey Club Stakes, Goodwood Cup, Manchester Cup, Gold Vase at Ascot, etc. He is the sire of Doricles (St. Leger, etc.), Prince Florizel, Shellmartin, Champagne, Floriform, Mackintosh, Volodyovski (Derby, etc.), and many other good winners.

Diamond Jubilee, a third brother of Sandringham, is one of ten horses that have won the triple crown—the 2,000 Guineas, Derby and St. Leger, as also the Newmarket Stakes and Eclipse Stakes at three, and a stake winner at two. He has not yet had any representatives on the turf.

Sandringham's oldest get are now two years of age and include Iota, Court Plaster and Sandria.

By the great St. Simon and out of such a mare as Perdita II., by the great sire Hampton, who got three winners of the Derby and imported Star Ruby, sire of Africander, the largest winner on the American turf in 1903, are sufficient credentials.

Perdita II. not only produced the two Derby winners, one of which is the sire of the great Sceptre (St. Leger, etc.), but also Florizel II., a great race horse and sire of a Derby winner and a St. Leger winner. It is doubtful if any other mare in the English stud book ever accomplished as much in the same time, and none other is comparable to her except the renowned Penelope.

According to the figure system, denoted in the tabulated pedigree of Sandringham on the opposite page, the running and sire family (3) is well represented and nicely balanced in both the male and female lines, reinforced on either side by that of family (8), with families (11), (12) and (14) also represented. In thirty-two quarterings he goes to running family 1 four times and to the No. 2 family five times.

The No. 7 family to which he and his brothers belong is that of West Australian, Beningbrough, Cotherstone, Williamson's Ditto, Mundig, Wild Dayrell, Donovan, etc.

Whatever price is paid for Sandringham it is safe to predict that his value will double in the next two or three years, for he has in every instance been bred to mares of the choicest breeding, and he will be recreant indeed if he does not duplicate the stud successes of Persimmon and Florizel II. He has served the following mares in 1904:

Black Venus, Buella, Dissembler, Forget, Handspun, Homeopathy, Irish Reel, Jinks, imp. Lady Min, La Polka, La Sylphide, Lizzie Montrose, Madam Reel, Miss Hamburg, Ruperta, Sea Nymph, Tara Blackburn, Tulla Blackburn, Urania, Xela, the Meddler-Yorkville Belle filly and the Hamburg-Yorkville Belle filly.

# Imp. Meddler.

No. 3.

(An unbeaten race horse and the largest winning sire of 1904  
in the world.)

Bay horse, foaled 1890.

In the catalogue of a sale of some of the late Mr. Whitney's yearlings in 1901 Fasig-Tipton Co. said:

"WITH THE OPPORTUNITIES GIVEN HIM IN KENTUCKY, AND WHICH HE DID NOT POSSESS IN MASSACHUSETTS, HE (MEDDLER) BIDS FAIR AT NO LATE DATE TO EQUAL THE RECORD OF ANY SIRE IN AMERICA."

That was prophecy which has quickly been realized to even a greater degree than was outlined, for Meddler has not only equaled the record of any other sire in 1904, but has surpassed them all, and on September 10 is credited, through the turf earnings of his sons and daughters, with \$181,675, a much larger sum than has been won by the get of any other sire, either American or English, and the largest ever accredited to any sire in the history of the American turf except Himyar in 1893. His list for this year, omitting some minor winnings, is as follows:

Horse.	Age.	Am't.	Horse.	Age.	Am't.
Como .....	2....	\$ 730	Provost.....	6 ...	\$ 245
Colonial Girl.....	5....	49,530	Payne .....	4....	447

Hortensia .....	3....	1,680	Armenia.....	3....	1,990
Bedouin .....	2....	1,290	Neponset .....	7....	795

This is nearly \$40,000 more than is credited to his nearest competitor, while the leading English sires, Gallinule and St. Simon, by latest mail advices, are both under the \$100,000 mark, though the success of Pretty Polly (by the former) in the St. Leger will considerably augment that sire's total.

Appended is a somewhat hurriedly compiled and probably incomplete list of some of Meddler's principal winners:

Meddler started in three races as a two-year-old in 1892 and won them all:

June 24.—Won the British Dominion Stakes at Sandown Park (5 furlongs, with 115 lbs.), by three lengths, from Emita, Stirrup Cup and six others.

July 14.—Won the Chesterfield Stakes at Newmarket (5 furlongs, with 129 lbs.), defeating Kilmarnock, 124 lbs.; Inferno, and four others beaten off.

October 27.—Won the Dewhurst Plate at Newmarket (7 furlongs, with 128 lbs.), by half a length, conceding three pounds each to Raeburn (the only horse that ever defeated Isinglass, and also beating La Flèche in the same race), Buckingham and Harbinger.

Meddler is by St. Gatien, son of The Rover (by Blair Athol) and St. Editha, by Kingly Vale; second dam, Lady Alice, by Chanticleer; third dam the famous mare Agnes, by Clarion.

St. Gatien won every race for which he started as a two-year-old, was unbeatable at three; was only once beaten at four, and only twice at five years of age—three defeats in four seasons on the turf. His races included a dead heat with Harvester for the Derby, Gold Vase at Ascot; Cesarewitch Handicap (from a field of twenty, as a three-year-old); Gold Cup, at Ascot; Rous Memorial, Queen's Plate at Newmarket (2 miles), Alexander Plate (3 miles), the Jockey Club Cup (Cesarewitch course) three years in succession, etc., etc. He sold for \$70,000 for stud purposes, to go to Germany, where he sired many good winners, was taken back to England and subsequently exported to America, where he is one of the premier sires in Mr. Haggin's Rancho del Paso Stud of California.

Among his winners in Germany was Waschfrau, about the best filly of 1894 and '95. As a three-year-old she won 6 races, including the Diana Prize (Oaks) and St. Leger. Other winners by him are Gnom, Palwizweig, Sir Blaso, Sebah, Johannsburg, Interregnum, Amazone, Gazella, Aboudstern, Augebinde, Mehlmeier, X, Gaticano, Goldgrube, etc., etc.

The oldest of St. Gatien's get in this country are now four years of age and include Modicum, Rigodon, Grenade, Ishlana, Anirad, Honey Bee, Bronx, Gay Lizzette, Torchello, Miss Shylock, Asterisk, Niblick and St. Bellane, the last named a remarkably consistent, good two-year-old performer in 1904.

St. Gatien's dam is also the dam of St. Symphorien, Sylvabelle, St. Alyre, etc., and the grandam of Marcion, Marciana, etc.

Meddler's first, second and third dams each won the Oaks, the first two the 1,000 Guineas as well, while the third produced an additional 1,000 Guineas and Oaks winner in Wheel of Fortune.

Meddler's dam, Busybody, was one of the crack mares of the century. As a three-year-old she sold at auction for \$44,000. She was only beaten once, for the Dewhurst Plate—when, carrying top weight, she ran second, by a neck, to Queen Adelaide. Her victories included the Rous Memorial, Middle Park Plate, Great Challenge Stakes, 1,000 Guineas and Oaks. She also produced an unnamed winner by Saraband, and the producers Wasp and Scandal. Busybody is by Petrarch (son of Lord Clifden, St. Leger winner), winner of the Middle Park Plate, 2000 Guineas, St. Leger, Ascot Cup, etc., and sire also of many high-class animals, including Repulse (1,000 Guineas), Miss Jummy (1000 Guineas and Oaks), Throstle (St. Leger), The Bard (winner of 23 races), Florentine, Peter Flower, etc.

Spinaway, Meddler's grandam, by Macaroni (2,000 Guineas, Derby, etc.), won the 1,000 Guineas, Oaks and 8 other races at three, and produced the winners Merry-Go-Round, Darnaway, Busybody, Arcadian and Arabian.

Queen Bertha, Meddler's third dam, by Kingston, was the best mare of her day, winner of the Oaks, etc., and in addition to Spinaway produced the

winners Gertrude (Yorkshire Oaks and 7 other races), Queen's Messenger (Prince of Wales Stakes at Ascot, etc.), Paladin (Ascot Triennial Stakes, etc.), Blanche fleur, Wheel of Fortune (1,000 Guineas, Oaks and eight other races, and beaten but once), Great Carle (Column Produce Stakes at Newmarket, etc.), and Grandmaster, Craven Stakes, etc. Of the above, Wheel of Fortune is the dam of the winners Oberon, Dodona and Patana and the sire imported Simon Magus, while Gertrude threw King Clovis, Childeric, Charibert (2,000 Guineas and 18 other wins), Duchess of Cornwall and Woodpecker.

It will be seen that the blood of Meddler leaves nothing to be desired. He comes from a sire producing family, which has given us, besides the above named, Whalebone, Whisker, imp. Glencoe, imp. Eclipse, Bay Middleton, Bend Or, Lord Lyon, The Bard and many others.

It is the great No. 1 racing family of the Bruce Lowe Figure System, which has furnished more winners of England's classic events than any other. Meddler has no fewer than eleven crosses of Whalebone, himself a member of the No. 1 family, and one of his full brother, Whisker, as well as seven of Touchstone, of the 14 family, three crosses of Melbourne and three of Blacklock, well fortified by the stout blood of Venison and Partisan.

In the fifth remove of Meddler's pedigree the great sire family 3 is represented twice, family 8 four times, No. 11 twice, No. 12 twice, and No. 14 three times, while the racing and sire family (1) figures five times, that of No. (2) twice, and the remaining figures are 6 twice, 10 twice, 13, 16, 17, 19, 21, 22 and 24.

Following Mr. Whitney's ideas of breeding, the stallions given full seasons one year have light ones the following year. Meddler, Ballyhoo Bey and Kilmarnock were well patronized in 1903 and were rested in 1904, when Hamburg, Nasturtium, Yankee and Sandringham had the majority of the mares. The reverse policy would have been pursued in 1905 had the owner lived. This policy conserves the powers of each horse and makes him thoroughly vigorous when called upon for service. As this was Meddler's year for comparative rest only a few of the mares in this catalogue are in foal to him, but he will be the better prepared for full stud duty in 1905.

# Ballyhoo Bey.

No. 4.

(Winner of the Futurity, etc.).

Brown horse, foaled 1898.

At his first start as a two-year-old Ballyhoo Bey finished third at Morris Park, 5 furlongs in 59½ seconds, beating Malden and King Pepper. The Guide says, in commenting on the race, "Bey needs more racing." He won his other two starts, the Futurity Stakes, from Olympian, Tommy Atkins, Elkhorn, Blues, All Green, Cap and Bells (afterwards winner of the English Oaks) and six others and the Flatbush Stakes, 7 furlongs in 1:26, with 120 pounds, giving weight to Tommy Atkins, Alard Scheck and Smile.

He was sick in the winter and did not appear on the turf as a three-year-old, but ran a few times at four. That he was moulded for a great race horse there can be no doubt, and that he failed to carry out the promise of his two-year-old career can only be attributed to the sickness which attacked him during that winter. His sire, Kingston, was a great race horse and a wonderful campaigner, a stake winner of 89 races and \$139,562, the second largest winner known to the American turf. In the stud he has been very successful, heading the list of winning sires in 1900. His get includes Admiration, Godfrey, Ildrim (Belmont Stakes, etc.), The Lady, Harlem Lane, Ondurdis, Tyr, Valcain, Campus, Kindred, Delagoa, Kearsarge, King's Courier, Port Royal, Stolen Moments, Dolly Spanker, Federal, Satin Slipper, Kingdom, etc.

Kingston's sire, Spendthrift, was the best horse of his day and he is the sire of Hastings (the leading sire of 1902), Lamplighter, Lazzarone, Bankrupt, etc., etc.

Ballyhoo Bey's dam was a superior race mare, and, like his sire, a great campaigner, winning no fewer than 22 races in good company.

Baby was a stake winner of many races, and is the dam of Meadowthorpe, a winner at two, a stake winner at three and five, a winner at six and now a sire. She is also the dam of Babbette (a winner and dam of Obstinate), Magic, Patrolman II., Cherub, winners, and Flozette, dam of Agnes D., a winner for four seasons, and Valley Forge, a winner in 1902.

Ecliptic won a private sweepstakes at four miles, the Mansion House Stakes and other races, and foaled eight other winners, including Sunbeam, dam of the winners Dora, Constantina, Polonia, Ellen D. (dam of In Front, Queen Vic, Record and John W. Dahney) and Flyaway, in addition to Sunmaid, dam of Urbanna, Baylor, Mollie Bawn, Bennings, Miss Wise and Espionage, winner of the California Oaks and 43 other races.

Ecliptic also foaled Virgo (dam of Tappahannock, Virago, Virgie and Verbena), North Anna (a winner and dam of Innovation, Perrier Jouet, George F. Smith, Northford, Nansen and Nellie Smith, winners, and Elize, dam of Majesta), and Amulet, also a winner and dam of Mario.

Virgie, above, is the dam of Robert Waddell, winner of the American Derby and many other races, and Innovation is the dam of Agnes C., Grandma II. and Innovator.

Nina, a high class winner, also foaled the grand race horse and A No. 1 sire Planet, and five other winners. Ninette (a winner and dam of Gayo, Albuera and Middy), and the producing daughters Oriana (dam of Outcast), Eugenia (dam of Eunice, Eusebia and Eula) and Algeria, dam of Algebra (dam of Sam Corey and Captain Sinclair) and Highland Lassie, dam of American Lady.

Grace Darling, out of Ninette, produced Grace Darling, the dam of King B., Diable, Young Grace (also dam of Charagrace), that good horse Diablo, winner of the Brooklyn Handicap and many other races, and Lady Grace, dam of Bay Archer, His Grace, Gould, John Cavanaugh, Charley Moore, etc.

George F. Smith (23 wins), Constantina (17 wins), Malvolio (9 wins out of 11 starts at two) and Flyaway (a stake winner) are a few other of the scores of good ones from the family.

Ballyhoo Bey was bred to a number of Mr. Whitney's best mares in 1903 and he should not be long in making a reputation as a sire.

## Yankee.

No. 5.

(Winner of the Futurity Stakes, etc., and \$41,729, and from the family of Hamburg, Domino, etc.).

Bay horse, foaled 1899.

Yankee's career was short but brilliant. As a yearling, he sold at public auction for \$20,000. At two years of age his races were as follows:

Won easily at 5 furlongs from a field of ten.

Won at 5½ furlongs from Chilton, Dixieline, King Hanover and five others.

Won the Futurity in 1:09 1-5 from a strong field of eighteen.

Second for Matron Stakes, with 129 lbs., top weight, to Hero, 16 starters.

Second to Endurance by Right (his stable companion) for the Champagne Stakes, 7 furlongs, Mr. Whitney declaring to win with the former.

At three Yankee ran but once, third at 1 mile in 1:39, conceding weight to Roxane and Old England and to the other four starters.

Correction, Yankee's dam, was one of the fastest mares of modern times, a good weight carrier and great campaigner. She won 39 races, was 37 times second and 21 times third, meeting and defeating the best.

Her wins included the Clover Stakes, etc., at two, nine wins at three, seven at four and eleven at five, at which age she was but five times unplaced in thirty-five starts, showing remarkable vitality, defeating Kingston, Tormentor, Fairy, Wah Jim, Sirocco, Aloha, Tulla Blackburn, Dr. Hasbrouck, Loan-taka, and all the fastest horses of the year. Her other two foals on the turf are the winners Stripes and Wild Irishman, two years old in 1904.

Besides being the dam of a Futurity winner she is a full sister to the Futurity winner Domino, whose earnings at two amounted to \$180,085, and at three to \$19,250. In the stud he sired the great commando (Zephyr, Gt. Trial, Montauk, Brighton Junior and Junior Champion Stakes at two, and the Carlton and Belmont at three), Cap and Bells (winner of the English Oaks), Olympian, Doublet, Unmasked, Disguise II., etc., etc.

Correction is a half sister to Bandala, that won at two and three five races, including the Ladies' and Mermaid Stakes, and is the dam of the good winners Set Fast (also dam of Kinford and Court Plaster), San Luis, Wenonah (also dam of Belle of St. Louis, and We Know It, dam of the stake winner Merry England) and Alabama, dam of MacAna and Jim Kelly.

Mannie Grey, a winner and sister to Goodnight (a winner and sire), also foaled Ten Strike (Tennessee Derby and 26 other wins), and Free Mason (Bartow Stakes, etc.), in addition to Lady Reel, a stake winner and dam of the winners Strathreel, Amanda V. and the great Hamburg. From Mannie Grey also came Madam Reel (dam of Mr. Reel, M. Theo and Clatterfeet, dam of Sabot), and Mannie Himyar, dam of Tros, Partnership, Dorothy Gray and the stake winner Blackstock.

Mannie Grey's produce have won more money (\$279,710) than have the produce of any other mare in America.

Lizzy G. foaled the stake winner Good Night, Faustus, a great sire, and Alice Gray, dam of Black Crook, Maggie Gray, Jim Gray, John Gray and Guy Gray, winners, and the producers Edith Gray (dam of Sissieretta, the superior race horse Goodrich, 1½ miles in 2:30¼, Guesswork and Lady Godiva), and Anna Gray, dam of Side Partner, Deceptive, Schnell Laufer (in 1899, 1900 and 1901), Holstein, a two and three-year-old stake winner in England.

It is the family also of Butterflies (Futurity), Prince Lief (a great stake winner and sire), Pessarra (another great stake winner and also a successful sire), Los Angeles (about the best mare of her day), Kildeer (mile in 1:37¼), Barnes, Runnymede, Meriden, the flying Sofala, Farandole (sire of Banastar), Goldsmith, Pulsus, Shorthose, Waterboy, Gold Heels (winner of the Suburban Handicap and Brighton Cup in 1902).

## Nasturtium.

No. 7.

(Winner of the Double Event, Flatbush Stakes, etc., and from the family of The Commoner and Kinley Mack).

Chestnut horse, foaled 1899.

Nasturtium ran five times as a two-year-old and so demonstrated himself the best colt of his age that he was purchased by Messrs. Whitney and Haggin for \$50,000 and sent to England to compete for the Derby, but was taken sick and never started, Mr. Whitney subsequently becoming sole owner.

At his first effort Nasturtium made a show of his field (comprising Gold Seeker, Smart Set and ten others), winning at 5 furlongs at Gravesend in 1:01 4-5, easily by three lengths. A few days later, on a slow track he ran second to Blue Girl, in front of Major Daingerfield and five others. He next won the Double Event, 5½ furlongs, in 1:04 1-5, easily by six lengths, beating Par Excellence, Fly Wheel, The Goldfinder, Jack de Mund and two others. His next start was in the Futurity, getting off last in a field of nineteen and not being persevered with, although he improved his position and finished tenth, Yankee winning.

His fifth and last essay was in the Flatbush Stakes, 7 furlongs in 1:25 3-5, which he won cantering, defeating Goldsmith, Endurance by Right, Dixieline, Hyphen and four others.

His sire, imported Watercress, was a stake winner, by the great Springfield and from the renowned Queen Mary family in the female line. He is the sire of the two great race horses Waterboy and Watercolor, Watershed (Cambridgeshire Handicap in England) Elizabeth M. (a winner here and abroad), Yellow Tail, Watercure, Reliable, Waterside, etc. His dam is by imported Order, sire of the great Ornament, by the Derby winner Bend Or and from the family of St. Simon.

Margerique is a half sister to The Commoner, a stake winner of 18 races and but four times unplaced in thirty-two starts, one of his second being to Henry of Navarre for the Suburban Handicap, in front of Clifford, Belmar, Hornpipe, Sir Walter, etc. The Commoner is now a prominent sire, his get including Jiminez, Maud Gonne, Prince Silverwings, Talpa, Wainamoinen, Paris, Commodore, The Caxton, Belle's Commoner, Doyle's Commoner, Shavana, Kurtzman and other superior performers.

Margerine, the second dam, is also the dam of Rhoda B. and Argadeen, both winners in England, and the winner Boom-ta-ra. Rhoda B. is the dam of Jennico.

Algerine, sire of Margerine, won the Belmont Stakes and a two-mile heat race of three heats. He is the sire of many good winners, including Torso, \$44,595, and Aurelia, \$20,430. Algerine was by the four-miler Abd-el-Kader, brother to the four-miler Abd-el-Koree, both of these belonging to the family

of Lexington and sons of imp. Australian, while Algerine comes from the family through the celebrated race mare Nina.

Nasturtium's third dam, imp. Sweet Songstress, also foaled the winner Ozone, and is a half sister to imp. Malibran, dam of the winners Songster, Malacca and Songstress, a stake winner and dam of Mary Black and Kinley Mack, the premier race horse of America in 1900, winner of the First Special and Beverwyck Stakes, the Autumn Cup, and the Brooklyn and Suburban Handicaps, and the only horse that ever won both these two great races, and he did it the same year.

Sweet Songstress' sire, Doncaster, not only won the Derby in 1873, but sired Bend Or, another Derby winner who got the unbeaten Derby winner Ormonde, who in turn sired the mighty Orme, who got Flying Fox, who swept the classic races and then sold at auction for \$191,250. His daughter Ornament is also the dam of Sceptre (winner of the 2,000 Guineas, 1,000 Guineas, Oaks, St. Leger, etc., in 1902), and Star Ruby, a stake winner up to 4 miles, and sire, among others, of Africander, the largest three-year-old winner of 1903. Imp. Ben Strome, son of Bend Or, headed the list of winning sires in 1903.

Melodious also threw Allan Bane, winner of the Rottingdean Nursery Plate, etc.

Harp, the next dam, was a good winner up to five years of age, and produced the winners Dermot Ashore, Jolie (dam of the winners Silverleg, Jollification, Sidrophel and French Gray), Harmony and Melody, dam of Patchwork, Sivori, Fan Fare, St. Cecilia and Paganini, winner of 22 races up to five years of age, including among them the Goodwood Stakes, 2½ miles; Stewart's Cup, Great Ebor Handicap, and Her Majesty's Plate, 3⅝ miles.

Harmony was a good winner and produced the winners The Tartar, Young Venison, Duet, Glee Singer, The Happy Land, Black Swan and Glee, dam of Chorus and the Promised Land, winner of the 2,000 Guineas, Goodwood Cup, etc.

Thence this rich pedigree traces to the famous Cypron, who foaled King Herod, the sensation of his time.

Nasturtium has been given a fine opportunity in the stud, having this year been bred to Admiration, Ballyhoo, imp. Cambushinnie, imp. Cornelia, Edith Gray, Endurance by Right, Equality, Florrie, Grievance, Hanoana, Lady Longfellow, Mannie Himyar, Miss Miriam, Reine d'Or, Souffle, The Lioness and the St. Simon—Lady Reel filly.

(For Description See Next Page.)

(A stake winner, half brother to three winners, and from the family of Domino, Hamburg, Yankee, etc.).

Bay horse, foaled 1899.

Blackstock did not start until the Fall of his three-year-old form. In five races he was not once unplaced. At his first effort he ran second over the Withers mile in 1:41 $\frac{3}{4}$ , in front of Moon Daisy and four others, conceding weight to the four-year-old winner.

He won at 1 mile and 60 yards in 1:45 1-5 from a field of eleven; won at 7 furlongs, on a heavy track; was second at 1 mile and 40 yards, and third at 7 furlongs in 1:26.

At four he won the Excelsior Handicap, 1 1-16 miles, from Heno, Yellow Tail, Injunction, Herbert, Ethics, Hunter Raine, Royal, Articulate and five others; was only beaten a head by the very speedy Durazzo at 6 furlongs in 1:13, carrying 126 pounds to the winner's 90, beating Lady Uncas, Bon Mot, Himself, Mamari, Saccharometer, Gay Boy, etc., etc.; ran second at 6 furlongs in 1:14 4-5, when carrying 133 pounds, six lengths in front of Old England and Dublin, and was third and last in his only other start, 1 mile on a muddy track, Herbert, two years older, and with the same weight, winning.

Blackstock was thus never outside the money, and while a good, consistent performer, never showed in public anything like his best private form.

All of Hanover's sons tried in the stud have sired winners more or less numerous, and of more or less quality, and, bred as he is in the female line, possessed of the necessary conformation, quality and substance, Blackstock should with time and opportunity prove the equal of any of his great sire's sons. Mr. Whitney early had the foresight to appreciate the possibilities of the blood of Hanover, and the preponderance of it in his stud, both in the male and female lines is marked. Wherever he could learn of a desirable Hanover mare and nine-tenths of them are desirable, he secured her.

Blackstock is bred in the same lines as Hamburg and Yankee. All are sons of Hanover, and Mannie Himyar, dam of Blackstock, like Lady Reel (dam of Hamburg) and Correction (dam of Yankee), is a daughter of famous Mannie Grey, also dam of the great Domino, full brother to Mannie Himyar.

Mannie Himyar did not race. She has had three foals on the turf besides Blackstock, these being Tros (by Prince of Monaco) a winner at four and six years of age, the winner Partnership, by Henry of Navarre, and Dorothy Gray (by Hamburg) a two-year-old winner in 1904.

Mannie Grey's full sister, Correction, was one of the fastest mares of modern times, a good weight carrier and great campaigner. During her career she won 39 races, was 37 times second and 21 times third, meeting and defeating the best, her earnings aggregating \$47,350. Her wins included the Clover Stakes, etc., at two, 9 wins at three, 7 at four and 11 at five, at which age she was but five times unplaced in 35 starts. Besides Yankee (winner of \$41,729), Correction is the dam of Stripes and Wild Irishman, a two-year-old winner in 1904.

Domino, the full brother to Mannie Himyar, won the Futurity and other races at two, at which age his earnings amounted to \$180,085, and at three to \$19,250. In the stud Domino was an unqualified success, but unfortunately died young. His get included the great Commando (winner of the Zephyr, Gt. Trial, Montauk, Brighton Junior and Junior Champion Stakes at two, and the Carlton and Belmont at three), Cap and Bells (winner of the English Oaks), Olympian, Doublet, Unmasked, Disguise II., etc., etc.

Fuller particulars of the family are given in the notes of Hamburg and Yankee.

It is the great Galopade family, that of Butterflies (winner of the Futurity, etc., and \$50,850), Waterboy (\$53,435), Goldsmith (\$46,593), Short-hose (\$29,865), Pulsus (\$28,375), Gold Heels (\$46,595), Barnes, Runnymede, Los Angeles and other good ones without number.

Won at four years of age, at 1 mile in 1:39 4-5. In the Brighton Handicap she finished fourth to Jack Point, The Kentuckian and Imp, conceding the first and second 11 pounds, and beating the three superior race horses Ethelbert, Kinley Mack and Standing, the time of the 1¼ miles, 2:04 3-5, being the best on record at the time. Three days afterward she ran her last race, finishing second to Standing at 1 1-16 miles.

Admiration's first foal is Heart's Desire, by Hamburg, a two-year-old winner in 1904.

Kingston, sire of Admiration, was a stake winner of 89 races of the value of \$139,562, and has always been prominent as a sire, heading the list in 1900, in which year his get won \$111,386. One of the first of his daughters to have produce of an age to race is the dam of Aristocracy, the Double Event and Saratoga Special winner in 1903.

Hypocrite, Admiration's dam, was a good race mare and great campaigner. She was a stake winner at two and won 11 out of 24 races at three, including the Ashland Oaks (1¼ miles) and Kingston Stud Handicap, 1 mile. At four years of age she won three races, including the Montgomery Handicap (1¼ miles) at Memphis, and captured eight races at five, two at 1¾ miles. She defeated in her races Macbeth II. (Kentucky Derby, etc.), Wahoo, Brown Duke, Wary, Judge Murray, Egmont, Favor, Lavinia Belle, Cassius, Uncle Bob (American Derby, etc.), Flood Tide and many other good ones.

Hypocrite is also the dam of the winners Humbug and Dissembler and the stake winner Alabarch.

Hypatia also produced the winners Slickaway (at five, seven, eight, nine and ten years of age) and Gen. Miles, Deceit (dam of All Over, Treachery and Farm Life, a winner for three seasons) and Hannarinda, dam of Arsenal, a two-year-old stake winner, and of the Metropolitan Handicap at three.

Hypatia is a half sister to Kelpie, dam of Astrakhan, the high-class winner and sire Duke of Montrose and Janet, 4 miles in 7:25, and dam of the winners High Hoe, Sir Peter, Speculation, Leon T., Spaldie (dam of Lizzie D., Carrie H., Fred K., Latson, Mover and Nugget, and Lizzie D., dam of Newbury, Charter Oak and Devonshire), and Golden Reel (also dam of Frequent and Goldaga), and the producer Sinaloa, dam of The Duffer, Earth (also dam of Top Soil), and Charlie, winners, Sonora (dam of Jack Fry and the stake winner Esherin), and Spenola, dam of Corinne C. Spaldie-more, out of Spaldie, is the dam of the stake winner Star Bright and Cryptogram.

Kelpie also foaled the winners Overture, Ovation, Annette (dam of Shoemaker, Tralee, Sycamore and Belle of Lexington, winners, and Ortawin, dam of Bremen, Mack Briggs, a good winner in this country and also in England, Spurs, Etruscan, Gotowin and the producers Bracket and Magdelane), and Kelp, dam of Onaway, Luella B., Ondawa, Upward and Sloe, winners, and the producers Orchid (dam of Babieca, Osmond, Prince of Melrose and H. L. Coleman), Kempie (dam of Minnie Alphonse, Kava and Commercial Traveler), and Keepsake, dam of Tody Smith, Valkyrie (also a producer), Handball (a stake winner of \$28,000 and a sire), and Reminder. Sloe, Minnie Alphonse, Luella B., Kava and Overture are also producers.

From Kelpie also came Miss Austine, dam of Faraday, Teuton, good winners and sires, George H. Ketcham (a winner in England and here); Tupto and Aconite, dam of Voorhies and Hollywood.

Sister to Ruric foaled the winners Grinstead, Tilford, Viceroy and Hilderic, and the producers Ermengarde (dam of Brocade, from whom come The Friar, Burch, Jennie B., Wolsey, Bertha B., etc.), and Gillyflower, dam of Fatinitza, King Kyrle, Japonica, etc.

It will thus be seen that this branch of the renowned Levity family has kept pace with the reputation of other lines, to which trace so many of the best stake winners of the past thirty years.

Bred to Nasturtium. Last service April 19.

A book of a thousand pages would scarcely suffice to set forth the performances of the descendants of the Layton Barb mare, to which Louise N. traces, in this country alone. It is one of the most popular, fashionable and prolific of families.
