Mr. Mark Keller

Mr. Robert Straus

Gentlemen:

Your names have been given to an correspondent as ones who might know the whereabouts of my son, Elliot Stone. He was in a hospital and released as convalescent in N. Y. City on July 29. I have not heard from him for a year.

His wife has died and a letter from one of her daughters states that expenses are paid but money (just what I don't know) was supposed to be divided between 2 daughters and is held up amount of 1/3 (as I believe he is entitled to by law). She wanted proof of his death or whereabouts. I answered & said that he was alive & would try for address.

Can you help? If you know or hear I will send her address the daughter who wrote.

Thanking you & trusting you will take a minute to answer. It is his business but he might as well have it as it is his.

Very truly yours,

(Mrs.) A. F. Brown (Elliot's mother)
