Dearest Brother & Hazel:-

Received your letter of March 14th yesterday. Glad to hear all the news. I know you are proud to have the income tax paid. I know it don't mean much to have it off hands. Cause in a week or more you will have another one coming up. Hope you keep making all the money you can. What you can save will come in handy some of these days.

I heard from Walter two or three days ago. I wrote him last night telling him of the accident in his old Battalion Monday. I gave him the names of all the dead and injured. 14 of the boys are dead now. 12 to 15 more are in the Hospital. One has both eyes out both leg broke and a hole in his
