C----- 1021

Summer Session 1931
First Term: June 15 to July 18
Second Term: July 20 to August 22

February, 1931

Published by the University of Kentucky, Lexington. Entered as Sec/ ond Class Matter at the Post Office, Lexington, Ky.
under the Act of July 16, 1894.

Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized June 30, 1920.

Vol. 23

# SUMMER SESSION CALENDAR

Saturday	May 16	Last date for ex-service men to make application for free tuition and room rent for first term.
Monday	June 15	
Tuesday	June 16 *	Registration for first term.
Friday	June 19	Classes begin.
	2016 13	Last date for making changes in registration or in schedule without payment of fee.
Friday	June 19	Last date for making application for ex-service benefits for second term.
Monday	June 22	Last date upon which a student may register for credit for the first term's work.
Monday	June 22	Last date upon which a student may be dropped without a grade by the dean.
Tuesday	June 23	Last date upon which a student may withdraw and receive a refund of matriculation fee for the first term.
Saturday	July 18	Examinations for first term.
Monday	July 20	Registration for second term.
Tuesday	July 21	Classes begin:
Friday	July 24	Last date for making changes in registration or in schedule without payment of fee.
Monday	July 27	Last date on which a student may register for credit for the term's work.
Monday	July 27	Last date upon which a student may be dropped without a grade by the dean.
Tuesday	July 28	Last date upon which a student may withdraw and receive a refund of matriculation fee for the second term.
Friday	August 21	Commencement.
Saturday	August 22	Examinations for the second term.
		the second term.

### OFFICERS OF THE SUMMER SESSION

Frank LeRond McVey, Ph. D., LL. D., President. WILLIAM S. TAYLOR, Ph. D., Director of the Summer Session. Doris Branaman, A. B., Secretary of the Summer Session.

### OFFICERS OF ADMINISTRATION

Frank Lerond McVey, Ph. D., Ll. D., President.

Paul Prentice Boyd, Ph. D., Dean, College of Arts and Sciences.

Thomas Poe Cooper, B. S. in Agr., Dean, College of Agriculture.

Frederick Paul Anderson, M. E., Dean, College of Engineering.

Alvin E. Evans, Ph. D., J. D., Dean, College of Law.

William S. Taylor, Ph. D., Dean, College of Education.

Edward Wiest, Ph. D., Dean, College of Commerce.

William Delbert Funkhouser, Ph. D., Dean, Graduate School.

Wellington Patrick, Ph. D., Director of University Extension.

Columbus Rudolph Melcher, A. M., Dean of Men.

Sarah G. Blanding, A. M., Dean of Women.

Mrs. P. K. Holmes, A. B., Dean of Women in the Summer Session.

Ezra L Gillis, A. B., Registrar.

David Howard Peak, A. M., Business Agent.

Margaret Isadore King, A. B., Librarian.

### Faculty

era

Adams, Jesse E., Ph. D.

Professor of Philosophy of Education

ALLEN, RICHARD S., Ph. D.

Associate Professor of Anatomy and Physiology

ALLEN, WILLIAM RAY, Ph. D.

Associate Professor of Zoology

Anderson, Walter Sewell, M. A. Professor of Genetics

Anderson, Grace, A. B.

Oritic Teacher in English

ARMSTRONG, WATSON, A. B.

Instructor in Agricultural Education

ASHER, E. J., M. A.

Instructor in Psychology

Barkenbus, Charles, Ph. D.

Assistant Professor of Organic Chemistry

BARKLEY, MARIE RHODES, B. S. in H. E. Instructor in Home Economics

BARNETT, BRINKLEY, B. M. E.

Assistant Professor of Electrical Engineering

Bedford, Matthew Hume, Ph. D.

Assistant Professor of Physical Chemistry

Best, Harry, Ph. D.

Professor of Sociology and Head of the Department

BLACKWELL, J. D., Ph. D.

Director of Vocational Education, Maryland

BOYD, PAUL PRENTICE, Ph. D.

Dean, College of Arts and Sciences and Head of the Department of

Mathematics

Brady, George Keyports, Ph. D.

Associate Professor of English

Brown, Marion C., M. A.

Instructor in Mathematics

BUREAU, ERNEST ADOLPHE, Ph. B., M. M. Professor of Electrical Engineering

CARTER, LUCIAN H., M. A.

Assistant Professor of Economics

CHALKELY, LYMAN, B. L. Professor of Law

CHAMBERLAIN, LEO M., M. A.

Assistant Professor of Education

Chambers, John S., M. D.

Professor of Hygiene and Public Health and Head of the Department

CHAMBERS, WILBUR W., M. A.

Instructor in Mathematics

CLEVELAND, F. F., M. S.

Instructor in Physics

CLIFTON, LOUIS, M. A.

Assistant Director Department of University Extension

CLYDE, PAUL H., Ph. D.

Professor of History, Ohio State University

Cole, Esther, Ph. D.

Assistant Professor of Economics

CONROY, KATHERINE, A. B.

First Grade Teacher in the University Training School

CRAYTON, SHERMAN G., M. A.

Principal of the University Training School

DANTZLER, LEHRE L., M. A.

Professor of Philology and Head of the Department of English

Language and Literature

DAVIS, JOSEPH MORTON, M. A. Professor of Mathematics

DEEPHOUSE, LAURA, B. S.

Instructor in Home Management

DICKER, JOHN B.

Superintendent of Shops; Head of Department of Practical Mechanics

DUNCAN, MRS. MAY K., M. A.

Assistant Professor of Elementary Education

ELY, FORDYCE

Professor of Animal Husbandry

Evans, Alvin E., Ph. D., J. D. Dean, College of Law

FARQUHAR, EDWARD FRANKLIN, M. A. Professor of Literature

FISK, EDWARD

Assistant Professor of Art

FREEMAN, WILLIAM EDWIN, A. B., E. E.

Assistant Dean of the College of Engineering; Head of the

Department of Electrical Engineering

FUNKHOUSER, WILLIAM DELBERT, Ph. D.

Dean of the Graduate School; Professor of Zoology; Head of the

Department

GALLAWAY, WILLIAM FRANCIS, M. A. Instructor in English

GILLIS, EZRA L., A. B.

Registrar and Secretary to the Senate

Grehan, Enoch Bacon, A. B.

Professor of Journalism; Head of the Department

Hammonds, Carsie, Ph. D.

Professor of Agricultural Education

HARRINGTON, MILDRED, B. S.

Instructor in Library Science

HARRIS, WILLIAM JEFFERSON, B. S. in Agriculture
Assistant Professor of Animal Husbandry

Heinz, Wilbus A., A. B.

Instructor in Hygiene

HILL, HENRY H., Ph. D.
City Superintendent of Schools; Lecturer in Education

Holloway, J. B., M. A.

Associate Professor of Education

Holtzclaw, James B., M. A.

Instructor in Political Science

Horine, John Sherman, M. E.

Associate Professor of Drawing

HORLACHER, LEVI JACKSON, M. S. in Agr.

Associate Professor of Animal Husbandry; Assistant to the Dean

JENNINGS, WALTER WILSON, Ph. D. Professor of Economics

JETT, CARTER COLEMAN, M. E.

Professor of Machine Design

Johnson, James Richard, B. M. E. Professor of Applied Mechanics

JONES, J. CATRON, Ph. D.

Professor of Political Science; Head of the Department

Jones, Theodore Tolman, Ph. D.

Professor of Ancient Languages; Head of the Department

Keffer, LeRoy, A. B., Seventh Grade Critic Teacher

KEMPER, DURBIN C., A. B.
Critic Teacher in Science

KINNEY, EDMUND J., B. S. in Agriculture Professor of Farm Crops

KIRKLAND, GLADYS, A. B.

Graduate Assistant in Botany

KNAPP, CHARLES M., Ph. D.

Associate Professor of History

KNIGHT, GRANT C., A. M.

Associate Professor of English

Koppius, Otto Townsend, Ph. D.

Associate Professor of Physics

Kuiper, John, M. A.
Associate Professor of Philosophy

LAMPERT, CARL ALBERT

Professor of Music; Head of the Department

Lands, A. M., M. A.

Assistant Professor of Anatomy and Physiology

LATIMER, CLAIBORNE, Ph. D. Professor of Mathematics

LAWRENCE, A. J., A. B.

Assistant Professor of Economics

LEONARD, MARJORIE, A. B.
Fourth Grade Training Teacher

LESTOURGEON, FLORA E., Ph. D.

Associate Professor in Mathematics

Ligon, M. E., M. A.

Professor of Secondary Education; Head of the Department

LOCKMEYER, ELSIE, B. S. in Agr. Second Grade Training Teacher

McFarlan, Arthur Crane, Ph. D.

Professor of Geology; Head of the Department

MoFarland, Frank T., Ph. D.

Professor of Botany; Head of the Department

MoIntyre, Robson Duncan, M. S.

Professor of Marketing and Salesmanship

McVey, Frank LeRond, Ph. D., LL. D. President of the University

MARTIN, FRANCES, A. M.

Kindergarten Training Teacher

MARTIN, JOSEPH HOLMES, Ph. D.

Professor of Poultry Husbandry

MARTIN, JAMES W., M. A.

Professor of Economics; Director of Bureau of Business Research

MEACHAM, REID PHILIP, M. S.

Assistant Professor of Geology

MELCHER, COLUMBUS RUDOLPH, LL. B., M. A.

Dean of Men, Professor of German Language and Literature;

Head of the Department

MITCHELL, JOHN RICHARD, A. B.

Assistant Professor of Chemistry

Moreland, Roy, A. B., LL. B. Professor of Law

Murray, Frank, LL. B., S. J. D. Professor of Law

Noe, James Thomas Cotton, A. M., Litt. D.

Professor of History of Education; Head of the Department

PALMER, EDGAR Z., Ph. D.

Associate Professor of Economics

PALMER, MARY E., A. M.
Fifth Grade Training Teacher

PARKER, ETHEL L., M. A.

Professor of Home Economics Education

PARKER, JOSEPHINE, B. S. Instructor in Music

PATRICK, WELLINGTON, Ph. D.

Director of University Extension; Professor of Education

PECK, ANNA B., M. A.

Critic Teacher in the Social Sciences

Pence, Sally Elizabeth, M. A. Instructor in Mathematics

Plummer, Neil, A. B.

Instructor in Journalism

PORTMANN, VICTOR R., B. J.

Assistant Professor of Journalism

POTTER, MERVIN ELWOOD, B. S.

Instructor in Physical Education; Director of Intramural Athletics

PRICE, H. BRUCE, Ph. D.

Head of the Department of Markets and Rural Finance

PRICE, WALKER A., M. S.

Professor of Entomolgy; Head of the Department

PRIDE, JOY, A. B.

Instructor in Art

RANDALL, FRANK H., LL. B., S. J. D. Professor of Law

ROBINSON, LEWIS CASS, M. S.

Assistant Professor of Geology

ROGERS, RUTH, B. S.

First Grade Training Teacher

Ross, Clay Campbell, Ph. D.

Professor of Educational Psychology

ROUSE, COLVIN PATTERSON, LL. B. Instructor in Economics

Scherago, Morris, B. S., D. V. M.

Professor of Bacteriology; Head of the Department

Schick, Blaine Wilbur, M. A.

Assistant Professor of Romance Languages

SEMMONS, MILDRED, B. S.

Assistant Professor of Library Science

SERVER, ALBERTA WILSON, M. A.

Assistant Professor of Romance Languages

SHANNON, ROBERT SYLVESTER, M. A. Instructor in English

SHERWOOD, T. C., M. S.

Instructor in Zoology

SHIPMAN, MARTHA, A. B.

Eighth Grade Critic Teacher

Singer, David Norton
Instructor in Automotive Engineering

SPICKARD, RONELLA, M. S.

Associate Professor of Home Economics Education

Sulzer, Elmer Griffith, A. B.

Instructor in Music (part-time); Director of Publicity Bureau

SUTHERLAND, WILLIAM ROBERT, A. B.

Assistant Professor of English

TAYLOR, WILLIAM SEPTIMUS, Ph. D.

Dean, College of Education; Director of the Summer Session

THURMAN, GORDON OWEN

Instructor in Machine Shop

VANDENBOSCH, AMRY, Ph. D.

Professor of Political Science

WADE, GERTRUDE ELIZABETH, M. A.

Assistant Professor of Home Economics

WALP, PAUL K., Ph. D.

Assistant Professor of Political Science

WATKINS, ISAAC G.
Assistant in Engineering Laboratories

Weaver, Ralph Holder, Ph. D.

Assistant Professor of Bacteriology

Webb, William Snyder, M. S.

Professor of Physics; Head of the Department

West, Mary Lucile, M. A.
Instructor in Education; Critic Teacher in Romance Languages

WHITE, MARTIN, Ph. D.

Assistant Professor of Psychology

Wiest, Edward, Ph. D.

Dean of College of Commerce; Professor of Economics

WILFORD, EDWARD JAMES, M. S.

Associate Professor of Animal Husbandry

Wilson, Louise, A. B.

Third Grade Training Teacher

Woods, Ralph H., M. A.

Associate Professor of Agricultural Education

YATES, LAWRENCE, M. A.

Assistant Professor of English

ZIMMERMAN, ALEC JULIUS, M. A.

Instructor in Organic Chemistry

#### GENERAL INFORMATION

#### LENGTH OF SESSION

The summer session of the University of Kentucky for 1931 will be ten weeks in length six days a week and will be divided into two terms, the first to begin June 15 and close July 18, and the second to begin July 20 and close August 22.

Classes during the summer session will begin at 7:00 a.m. The first hour will be from 7:00 to 8:15, the second hour from 8:25 to 9:40, the third hour from 9:50 to 11:05, and the fourth hour from 11:15 to 12:30.

The courses listed for each term may be found in this catalog. No courses other than those scheduled will be offered.

#### COURSES

Courses will be offered for graduates and for undergraduates in the College of Arts and Sciences, the College of Agriculture, the College of Engineering, the College of Law, the College of Education, and the College of Commerce.

#### FOR WHOM PLANNED

The summer session program of the University of Kentucky has been planned to meet the needs of the following groups:

- 1. Teachers in the public schools who wish additional training in their special lines of work and who desire to work toward college degrees.
- 2. Teachers in private and parochial schools who wish additional training in their special lines of work and who desire to work toward college degrees.
  - 3. Supervisors of grade school work in special subjects.
- 4. City superintendents who desire to acquaint themselves with recent progress in education and who have special problems for solution
- 5. County superintendents who desire to study the problems of the organization and administration of rural education and problems relating to the social life of the community.
- 6. Teachers in junior colleges who desire additional training in the particular fields in which they work and who are working toward higher degrees.
- 7. Normal school and college teachers who desire additional training in their chosen fields and who are working toward advanced degrees.
- 8. Undergraduates in agriculture, arts and sciences, commerce, education, engineering and law who find it desirable to shorten the period of their college courses.
- 9. Persons desiring training for Y. M. C. A., Y. W. C. A. and social welfare service, including playground directors.

### ADMISSION

Students will be admitted to the University as their previous training warrants. They will be admitted to the freshman class, to advanced standing, to special courses as special students, or admitted as graduate students.

All applications for admission should be made to the Registrar of the University. Credits should be filed in advance. Students entering as freshmen should present transcripts from their high school and those desiring advanced standing should have a transcript sent from each institution they have attended. Students wishing to take work that is to be applied toward a degree in another institution may present a permit from that institution in lieu of a transcript of credits.

#### TO THE FRESHMAN CLASS

An applicant for admission to the freshman class of any of the colleges of the University except the College of Law must offer credit for fifteen units of high school or other secondary school work, so chosen as to include the five basic units prescribed by all the colleges. Only students who hold certificates of graduation from an accredited high school will be admitted without examination. No student will be admitted as a candidate for a degree with less than fifteen units.

#### TO THE COLLEGE OF LAW

The College of Law is co-educational. Both men and women are admitted either in the regular session or in the summer session. The same requirements for admission to the summer session prevail as for the regular session—the completion of two years of college work, 60 semester hours, including 6 semester hours of English. This 60 hours is exclusive of Physical Education and Military Science.

Students from other law schools of the American Association of Law Schools are admitted on the same terms as students of the University of Kentucky College of Law.

#### TO ADVANCED STANDING

Candidates who can present equivalents of any part of the college work may secure advanced standing and thereby reduce the number of hours required for graduation. They may secure this advanced standing by one of two methods:

a-By examination on each subject for which credit is desired.

b—By transfer from an accredited college or university. An official statement must be submitted to the Registrar certifying in detail the work for which credit is desired.

#### AS SPECIAL STUDENTS

A graduate of another university or college may enter the University to pursue any special work. Other persons may be admitted as special students under the following conditions:

a—They must be prepared to do the work desired, and give good reason for not taking a regular course.

b-They must be at least twenty-one years of age.

#### AS GRADUATE STUDENTS

The Graduate School is open to students who are graduates of this or any other university or college of recognized standing. Applicants from institutions other than this University are required to file an official transcript showing (a) all undergraduate work covered, (b) graduate work taken, if any, and (c) degrees received.

If the record submitted to the Registrar entitles him to admission he should confer with the Dean of the Graduate School and his major professor concerning preliminary requirements that he may have to satisfy and as to the graduate courses that he should take.

For further information, see statement of the Graduate School.

#### BY CERTIFICATE

Persons who desire to enter the University by certificate instead of by examination must have their credits certified by the superintendent or principal of the school in which they may be secured. Blank forms for such certificates will be furnished by the Registrar of the University on application. These certificates should be properly made out, signed and mailed to the Registrar as early as possible and not later than one week before registration. Only graduates of accredited schools or those who have completed the accredited course will be admitted upon certificate. A diploma, such as is given at graduation to high school pupils, cannot be substituted for this certificate.

#### BY EXAMINATION

If not a graduate of an accredited high school the student must present entrance credits for 15 units, including those prescribed, and pass examination in four subjects as follows:

- 1. ENGLISH (including composition).
- 2. MATHEMATICS (algebra and plane geometry).
- 3. Two Subjects of at least one unit each to be selected by the student. The list of entrance subjects may be procured from the Registrar.

If the student is not a graduate of the school from which he comes, he will not be admitted on entrance examinations within one year after leaving such school unless he presents a statement of honorable dismissal.

#### RESIDENCE REQUIREMENTS FOR GRADUATION

Two semesters of work at the University of Kentucky will satisfy the residence requirements for the bachelor's or the master's degree. Three summer terms are considered equivalent to one semester. For the bachelor's degree thirty semester credits must be completed in the senior year (the work to be done in the college from which the student is to be graduated). For the master's degree, at least twenty-four credits must be completed, in addition to the thesis.

### GENERAL REQUIREMENTS FOR A DEGREE

All applicants for a degree must have satisfied the following requirements:

#### 1. NUMBER OF CREDITS.

An applicant for a degree must have the required number of acceptable credits. One semester's work in a beginning modern foreign language cannot be accepted until the student has received a passing grade in the work of the second semester.

#### 2. REQUIREMENTS FOR GRADUATION.

A. B. & B. S.	*127	semester hours
B. S. in Agriculture	*139.3	semester hours
B. S. in Home Economics	*133.1	semester hours
A. B. in Education	*127	semester hours
B. S. in Commerce	*127	semester hours
LL. B.	*80	semester hours (60 A&S credits
		required for admission.)

B. S. in Engineering. \*Completion of courses outlined in University catalog.

\*With equal number of quality points.

#### 3. CLASSIFICATION AS A REGULAR STUDENT.

An applicant must be a regular student and cannot be doing work as a special student. The student must have a standing of 1.0 after all penalties have been subtracted. All advanced work that is accepted is counted with a standing of 1.0.

#### 4. FINANCIAL DELINQUENTS.

An applicant must not be a delinquent financially at the Book Store, Business Office, Post Office, Library, Athletic or Military Department or any other office at the University.

#### 5. GROUP REQUIREMENTS.

All group requirements and requirements in Military Science and Physical Education must have been met.

#### 6. RESIDENCE REQUIREMENTS.

The residence requirements must be fulfilled. Permission for all extension taken in the Senior year must be obtained from the Dean and must not violate the Senior Residence Rule.

#### 7. EXTENSION WORK.

Not more than 12 credits may be taken by extension in any one calendar year. This is the maximum amount that may be counted, whether it is taken at the University of Kentucky or elsewhere.

#### 8. Application for a Degree.

Application for a degree must be filed in the Office of the Registrar at the time announced for the filing of applications. The student is responsible for making application for the correct degree. That is, if a student is working for the degree, Bachelor of Arts in Education, he should apply for this degree and not make application for the degree, Bachelor of Arts, granted in the College of Arts and Sciences. If, for any reason, a student does not receive the degree at the time indicated on the application, it will be necessary for him to file another application, as we are not responsible for carrying over applications from one session to another.

Note—In the rush of work it may be impossible to take into consideration all the elements that enter into your problem. Your record will be checked according to the above outline and you will bear the responsibility of having satisfied the requirements outlined above.

### REQUIREMENTS FOR GRADUATION

### COLLEGE OF ARTS AND SCIENCES

#### DEGREES

The college offers courses leading to the following degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Arts in Journalism, Bachelor of Science in Industrial Chemistry.

#### THE DEGREE OF BACHELOR OF ARTS

For the degree of Bachelor of Arts the student is required to gain a total of 127 credits and 127 points, that is, a standing of 1, subject to the following conditions:

### OUTLINE OF REQUIREMENTS FOR GRADUATION

		The second secon
	Manage 17	DESCRIPTION
I.	THEN HIRAL	REQUIREMENTS.

GENERAL ILEQUIREMENTS.		
Matriculation Lectures	.3	credit
Military Science (men)	5.6	credits
Physical Education	2.8	credits
Hygiene	1.3	credits
English	6 to 12	credits

#### (12 if only 3 units entrance.)

- II. GROUP REQUIREMENTS Lower Division Freshman and Sophomore years
  - 1. Foreign Languages, 6 to 18 credits. (6 in 1 language if 3 or more units entrance; 12 if only 2 units entrance; 18 if only 1 or no unit entrance).
    - French, German, Greek, Italian, Latin or Spanish.
  - History and Social Sciences, 6 to 12 credits (6 in one department if 1 unit entrance in History; 12 including 6 credits in History, if no entrance in History).
     Economics, History, Political Science or Sociology.
  - 3. Mathematics, Philosophy or Psychology, 6 credits in one department.
  - 4. Physical Science, 6 to 10 credits in one department. Astronomy, Chemistry, Geology or Physics.
  - 5. Biological Science, 6 to 8 credits in one department. Bacteriology, Botany, Physiology or Zoology.
- III. Major 20 credits, Upper Division, Junior and Senior years. Any department, exclusive of elementary courses.
- IV. Minors 20 credits, Upper Division, Junior and Senior years.

  May be in two departments or related groups, exclusive of elementary courses. Consult Head of Major Department.
- V. ELECTIVES IN OTHER COLLEGES OF THE UNIVERSITY. Not more than 30 credits.

- VI. In the Arts-Education course the student must take 20 credits in one minor.
- VII. RESIDENCE RULE. The Senior year must be spent in residence in this college.
- VIII. TOTAL CREDITS REQUIRED, 127.

culture amounting to 91.3 credits.

#### COLLEGE OF AGRICULTURE

To receive the degree of Bachelor of Science in Agriculture, a student must complete 139.3 credits of work with a standing of 1. These credits are classified as follows:

Total	139.3	credits
Free electives	29.0	credits
Electives required in agriculture	30.0	credits
Prescribed subjects, agriculture	32.3	credits
Prescribed subjects, non-agriculture	48.0	credits

Students who have not had physics in high school will be required to take a six-credit course in college which will reduce the number of free elective credits to 23. The free electives may be in agriculture. It will thus be seen that there is opportunity to take work in agri-

To receive the degree of Bachelor of Science in Home Economics, a student must complete 133.7 credits of work with a standing of 1.

The amount of work a student will be permitted to carry is indicated in the outline of courses. However, if a student has maintained a standing of 2 during a semester, he may, upon permission of the dean, carry additional hours the following semester.

The maximum and minimum hours for special students are the same as for regular students.

Prior to the senior year all candidates for the degree in agriculture must satisfy the dean that they have had at least one year's work on the farm or work for two summer vacations of three months each.

A student desiring to do work in any department of instruction should select his course of study upon the advice of the head of the department.

#### COLLEGE OF ENGINEERING

COURSES OF STUDY AND DEGREES

The College of Engineering offers instruction leading to the following baccalaureate degrees:

Bachelor of Science in Civil Engineering.

Bachelor of Science in Mechanical Engineering.

Bachelor of Science in Mining Engineering.

Bachelor of Science in Metallurgical Engineering.

The courses of study leading to these degrees are identical during the freshman and sophomore years. Familiarity with such fundamental subjects as chemistry, drawing, English, mathematics, physics and practical mechanics is essential to the successful study and practice of any branch of the engineering profession. Furthermore, after two years of college work a student is better able to make a definite choice of the branch of engineering which he is best fitted to follow. During the junior and senior years the courses are planned to give the special training that is suited to each branch of the profession.

For a detailed description of the curriculum, write for a catalog of the regular session.

#### COLLEGE OF LAW

The summer session in the College of Law for 1931 occupies ten weeks. Certain courses may be completed at the end of the first five weeks, and in their place others will be taken up for the second five weeks period. Certain other courses will occupy the entire session.

Examinations will be held as soon as the courses are completed. The summer session is a regular part of the work of the school, and the same quantity and quality of work is required in the summer session as in the regular session. An effort has been made to provide a full program, not only for the first year students, but also for second and third year students. Approximately one-third of the year's work can be accomplished in the summer session. Three summer terms are considered the equivalent of one semester.

#### COLLEGE OF EDUCATION

The College of Education grants two degrees: A Bachelor of Arts in Education and a Bachelor of Science in Education.

Students who major in education and select their group work in English, mathematics, the social sciences, the natural sciences or the languages will be entitled to consideration for the degree of Bachelor of Arts in Education.

Students who major in education and select their group work in art, agriculture, engineering, home economics and physical education will be entitled to consideration for the degree of Bachelor of Science in Education.

For a degree in education the student is required to present a total of 127 credits with a standing of 1.

#### THE DEGREE OF BACHELOR OF ARTS IN EDUCATION

The following is an outline of requirements for the degree of Bachelor of Arts in Education with a major in secondary education:

1. GENERAL REQUIREMENTS

English	6	credits
Science		credits
Social Science	6	credits
Psychology		credits
General Hygiene		credits

	Physical Education	1.4	credits
	Military Science (Men)	5.6	credits
	Total	9.3	credits
2.	TEACHING MAJORS		
	First Teaching Major 24 to	30	credits
	Second Teaching Major 24 to	30	credits
3.	Professional Major		
	Psychology of Study	3	credits
	Survey of Education	3	credits
	Educational Psychology	3	credits
	Tests and Measurements	4	credits
	School Organization	3	credits
	Directed Teaching		credits
	Educational Sociology		credits
	Total	24	credits
4.	FREE ELECTIVES	24	credits
5.	TOTAL CREDITS REQUIRED		127

The following is an outline of requirements for the degree of Bachelor of Arts in Education with a major in elementary education:

PROFI	ESSIONAL REQUIREMENTS	Credit
1	Psychology of Study	3
42	Teaching Arithmetic in the Elementary School	
37	Teaching English in the Elementary School (Spelling	
	Writing and Composition)	ALCOHOLDS TO SCHOOLS
44	Teaching Social Sciences in the Primary Grades	
	or	
40	Teaching Social Sciences in the Upper Grades	2
172	Teaching Reading in the Elementary School	
118	Tests and Measurements (for elementary teachers)	
173	Children's Literature	3
119	Foundations of Elementary Education (Ch. Psy. 5-12 yrs.	) 3
17	Industrial Arts in the Elementary School	THE RESERVE OF THE PARTY OF THE
133	Directed Teaching in the Elementary Grades	

Suggested Electives:

140a Philosophy of Education

10a Moral and Esthetic Education

101 School Organization

(It is suggested that not more than 36 hours in education be offered by any student for credit.)

#### COLLEGE OF COMMERCE

The degree of Bachelor of Science in Commerce is conferred upon students who present 127 credits with a standing of at least 1 and who complete all the required courses. Required subjects vary somewhat according to the curriculum selected. Unless two units in the ancient or foreign languages are offered for entrance, one year of language in college is required. It is strongly recommended that all commerce students elect at least one year of language.

#### THE GRADUATE SCHOOL

THE GROWTH OF THE GRADUATE PROGRAM

The demand for graduate work at the University of Kentucky has grown rapidly in recent years. High school teachers, supervisors, principals and superintendents of schools, and teachers in normal schools

and junior and senior colleges are seeking the education and training represented by higher degrees. To meet this demand, the several colleges of the University are providing larger programs of work for graduate students.

Admission to the Graduate School (See general admission requirements page 12).

College graduates who desire to confine their work to undergraduate courses and who do not expect to become candidates for higher degrees should not register in the Graduate School, but with the Dean of the College in which their courses are listed:

GENERAL REQUIREMENTS FOR THE MASTER'S DEGREE

Students having completed the equivalent of an A. B. or B. S. degree from an accredited liberal arts college or a standard teachers' college, may become candidates for the degree of master of arts or master of science.

Two plans are provided for satisfying the requirements for a master's degree, as follows:

- 1. Twenty-four credits in graduate courses exclusive of the thesis, one academic year (36 weeks) in residence, and an acceptable thesis.
- 2. At the option of a department (not of the student) the master's degree may be granted for the completion of forty-five credits in graduate courses with an average standing of B or better, three semesters (54 weeks) in residence, and no requirement of a thesis.

GENERAL REQUIREMENTS FOR THE DOCTOR'S DEGREE

The degree of Doctor of Philosophy is offered with major work in the following departments: Chemistry, Education, Economics, Mathematics, Physics, Psychology, and Political Science. Minor work may be carried in any department offering graduate courses.

The degree of Doctor of Philosophy is conferred upon a candidate who, after completing not less than three years of graduate work devoted to the study of a special field of knowledge, passes the required examination in the subjects, presents a satisfactory dissertation, and is deemed worthy of recognition as a scholar of high attainments in his chosen province.

The Doctor's degree is intended to represent not a specified amount of work covering a specified time, but the attainments through long study, of independent and comprehensive scholarship in a special field. Such scholarship should be shown by a thorough acquaintance with present knowledge in his special field of learning and a marked capacity for research.

A minimum of three collegiate years of resident graduate work, of which at least the last year must be spent at the University of Kentucky, is required for the doctorate. The full time of each of these years must be spent in study. Part time students and those holding assistantships or engaging in other outside activities will of course be required to take a proportionately longer time.

While it is expected that a well prepared student of good ability may secure the degree upon the completion of three years of study, it should be understood that this time requirement is a minimum and is wholly secondary to the matter of scholarship. Neither time spent in study, however long, nor the accumulation of facts, however great in amount, nor the completion of advanced courses, however numerous, can be substituted for independent thinking and original research.

Work done in other institutions of learning may be accepted toward the doctorate at the University of Kentucky but no work is credited which has not been done in a college or university of recognized standing or in a research laboratory.

#### TEACHERS' CERTIFICATES

The act governing the certification of teachers by the University of Kentucky passed by the General Assembly of 1926 provides for the issuance of certificate to students classified in the College of Education, University of Kentucky, as follows:

A COLLEGE ELEMENTARY CERTIFICATE, valid for two years of teaching in any elementary school of the State, shall be issued upon completion of at least thirty-two semester hours of work, including six semester hours in education. This certificate shall be renewed for two years upon completion of at least sixteen or more additional semester hours of college work, at least eight of which must be earned in residence.

A STANDARD CERTIFICATE, valid for three years of teaching in any public school of the Commonwealth, shall be issued upon completion of at least sixty-four semester hours of college work, including twelve semester hours in education. This certificate shall be renewed upon evidence of thirty-two additional semester hours of college work, including six semester hours of education. It may be extended for life when the applicant has met the requirements for a baccalaureate degree in the College of Education and presents in addition thereto three years of successful teaching experience after graduation from the University of Kentucky.

A COLLEGE CERTIFICATE, valid for three years of teaching in any public school of the Commonwealth, shall be issued to persons completing a curriculum in the College of Education and receiving a degree therefrom. This certificate shall be renewed for life after three years of successful experience in educational work in the public schools. Credit for one year of graduate work may be accepted in lieu of one year of successful experience as above provided.

### RESIDENCE REQUIREMENTS FOR CERTIFICATES

A minimum of sixteen credits for the Elementary Certificate, twenty-three credits for the Standard Certificate, and thirty credits

for the Life Certificate must be done in residence at the University of Kentucky.

Not more than fifty per cent of the work required for any certificate may be done through extension whether by correpondence, class extension, or a combination of the two.

All work for renewal of certificates at the University of Kentucky shall be done in this institution.

In the work required for the renewal of certificates issued by the University of Kentucky not more than fifty per cent may be done by extension.

#### DESIGNATION OF COURSES

The courses in each department are numbered as in the University catalog, those primarily for undergraduates, from 1 to 99; those for both graduates and undergraduates, from 100 to 199; and those primarily for graduates, from 200 on. All courses are fully described in the subsequent pages.

#### STUDENT LOAD

The normal load for the average student is six semester hours for each term. Students presenting a standing of 2 (average of "B") or better will be allowed to carry seven semester hours either term, which will be the maximum load for summer session students. No student will be allowed to earn more than thirteen hours during the two terms.

No student will be allowed to carry more than the normal load without filing a petition for extra work with the dean of his college and having it approved by the Scholarship and Attendance Committee. Persons entering five days late will be required to carry one credit less than the amount specified above.

#### REDUCED RAILROAD RATES

The Southeastern Passenger Association has granted railroad rates of one and one-half fare for round trip tickets for the summer session of 1931. This rate applies to the entire southeastern territory with the exception of stations in Virginia and Washington, D. C. Tickets will be on sale June 12 to June 18, inclusive, and July 1 to July 23, inclusive. The final limit on all tickets will be August 29. These tickets must be validated by the regular passenger agent at Lexington before the return journey is commenced.

Please write to the Director of the Summer Session for proper identification blanks before you come to the summer session.

#### FEES

The tuition fee for each college, with the exception of the College of Law, is \$18.25 a term. In the College of Law the fee is \$25.25 a term.

Any student registering for a course in the College of Law shall pay the tuition fee for this college. This applies not only to students majoring in law but to students in all other colleges.

#### REFUNDS

During the first eight days after the opening of either term of the summer session, students may receive a refund on the amount paid in fees, not to exceed 80% of all fees paid. In no case shall the amount refunded exceed 80%, and in no case will refunds be made after the first eight days.

#### LATE REGISTRATION

Students entering the University after the regular registration period will be charged an additional fee of \$2.00 for the first day and \$1.00 a day thereafter, the total not to exceed \$5.00.

No student will be permitted to matriculate after Thursday of the first week of the term without special permission of the heads of departments concerned and the Dean of the College. No student will be allowed to register for credit for the first term's work after June 22 nor for the second term's work after July 27.

#### CHANGES IN REGISTRATION

After three days following the regular registration period, a fee of \$2.00 will be charged for transfer from one college or school to another.

#### LATE CLASSIFICATION FEE

Students who fail to arrange classification within the scheduled time will be charged a fee of \$2.00. No change in registration will be permitted after the dates indicated in the calendar.

#### FEE FOR CHANGE IN CLASSIFICATION

After three days following the regular registration period a fee of \$2.00 will be charged for any change in schedule.

#### MARKING SYSTEM

Results of work will be recorded in the Registrar's office as follows:

- A. Exceptionally high quality, valued at 3 points for each credit.
- B. Good, valued at 2 points for each credit.
- C. Fair, valued at 1 point for each credit.
- D. Unsatisfactory, indicates a deficiency and gives no points, but gives credit for graduation if with such credits the student's standing is 1 or more.
  - E. Failure, valued at 0 points and no credits.
  - I. Incomplete.
  - X. Absent from examination.

The standing of a student is defined as the ratio of his total number of points to his total number of credits. For example, a student who makes an average mark of C thruout his course of 120 semester hours, would have 120 points and 120 credits, and a standing of one.

An average mark of B would give the student 240 points and 120 credits and a standing of two. When a semester's work is to be considered a "standing" is understood to be the ratio of the number of points gained to the number of credits scheduled.

#### ROOM AND BOARD

The University residence halls will be open during the summer session.

Application for a room in women's residence halls should be made to the Dean of Women, and for a room in the men's residence halls to the Dean of Men. Each application should be accompanied by a reservation fee of five dollars. If a check is sent in payment of this fee it should be made payable to the University of Kentucky. Refunds of this fee will be made only in case notification is given the Dean of Women or Dean of Men at least ten days before the term opens for which the reservation is made. Upon occupancy of the room by a student, this fee will be held as a breakage deposit, to be returned at the close of the term.

In the women's residence halls, the cost of a room ranges from \$12.50 to \$15.00 a term, according to the room occupied. There are a few single rooms which may be had for \$15.00; the others are double rooms, each occupant paying \$12.50 a term. No definite room assignments are made until after June 8. No room is held after 7 p. m. June 15 unless special arrangements have been made with the Dean of Women. All women students are required to stay in the women's halls unless special permission is obtained from the Dean of Women.

Residence halls for women are furnished, with the exception of linen and blankets. Students having rooms in the women's halls are expected to bring with them the following articles: sheets, pillow slips, blankets and towels. All other necessary articles will be furnished.

Rooms in the men's dormitory cost \$12.50 to \$17.50 a term for each person in a room according to the room occupied. Bed linen is included. Reservations not claimed by June 15 will not be held unless arrangements are made with the Dean of Men.

Meals at the University Cafeteria. Meals will be served at the University cafeteria during the summer session.

Rooms and Board in Lexington. A list of desirable rooms and boarding places in the city is kept in the office of the Dean of Women and the Dean of Men. Good double rooms range in price for the term from \$12.50 up; single rooms from \$15.00 up. Men who have not made reservations should apply, upon arriving in Lexington, at the office of the Dean of Men for information relative to available rooms.

University Health Service. The services of a physician and nurse will be available to the students registered in the summer session during both terms. Consulations may be had at the offices of the Department of Hygiene.

#### PLACEMENT SERVICE

There is a constantly growing demand for the services of the graduates of the University of Kentucky. The Placement Service is operated through the College of Education, and every attempt is made to procure for the students and for the graduates of the University the type of employment which will enable each one to achieve the best results.

The University desires to be of greatest service to the public schools of Kentucky by training an efficient group of teachers and by placing each one of these in the type of position where he can do his best work. Each student in attendance at the University who desires a position should register with the Placement Service on the first floor of the Training School Building. Superintendents and principals of schools desiring teachers should write to the Placement Service, College of Education, for the credentials of persons available.

#### EX-SERVICE MEN

Ex-service men, under the provisions of Kentucky Statutes, receive free tuition and room rent. This applies to the summer session as well as to regular sessions. It applies only to persons who were residents of Kentucky at the time of their enlistment. In order to receive the benefits of the law, such persons must file written application with the Registrar of the University at least thirty days prior to the opening of the summer session. Such application must be accompanied by the certificate of discharge.

### SCHEDULE OF LECTURES AND RECITATIONS

#### EXPLANATIONS AND ABBREVIATIONS

Colleges are arranged according to order in the catalog and the

departments of each College are arranged alphabetically.

Days of recitations are indicated by the initial letters of the days, D, standing for daily. The buildings are indicated as follows: A, Administration; Arm, Armory; AC, Art Center; Agr., Agriculture; BH, Boyd Hall; CP, Campus Playhouse; C & P, Civil and Physics; E, Education; ES, Experiment Station; FEL, Farm Engineering Laboratory; KH, Kastle Hall, LB, Law Building; NG, New Gymnasium; WG, Women's Gymnasium; M, Mining; McVH, McVey Hall; ML, Mining Laboratory; MH, Mechanical Hall; NH, Neville Hall; NS, New Shop; OC, Old Chemistry; PH, Patterson Hall; S, Science; SF, Stoll Field; SP, Stock Judging Pavilion; SL, Serum Laboratory; TS, Training School; WH, White Hall.

#### RECITATION HOURS

First Hour:	7:00- 8:15
Second Hour:	8:25-9:40
Third Hour:	9:50-11:05
Fourth Hour:	11:15-12:30

#### Noon Hour

Fifth Hour:	1:30- 2:45
Sixth Hour:	2:55- 4:10
Seventh Hour:	4:20- 5:35

Only courses marked with an asterisk are open to freshmen. Only courses with numbers below 100 are open to sophomores. Courses with numbers between 100 and 200 are open to juniors, seniors and graduate students.

Courses numbered 200 or above are open to graduate students only.
