Dear Brother:-

How are you and
Everett? You ^{letter} ~~card~~ rec'd
this a. m., I knew Harlin-
sky well - a traveler
and salesman. Have also
met Ferguson. - Have seen
several fires the past few
weeks - coming thick and fast.

Have definite thoughts of leav-
ing the Y. M. C. A., - am dis-
satisfied with a number
of things. Too much of a graft.
I prefer a. l. work of a
definite character. The Y. M. C. A.
is not near what it should
be. - Send me the address
of Miles. Have forgotten it.
How is Everett and school?
Hope to write Grandma &
Aunt Lucy soon. W. B. Bowden.
