UK is No.1 in student housing, too.

EdR is proud to partner with the University of Kentucky in the largest on-campus housing transformation in public higher education.

In just three years, this extraordinary public-private partnership has created 10 high-tech residence halls with 4,592 beds and 17 dedicated living-learning communities. This campus revitalization provides collaborative learning and social spaces, and technology-infused settings that maximize the student experience.

In its sesquicentennial year, UK is continuing to gain momentum. It's teaming with EdR to become a national model for a thriving, public residential research campus.

LESS PAIN,
FASTER RECOVERY,
MORE NATURAL MOTION.*

THREE GOOD REASONS
TO CHOOSE AN **OXFORD PARTIAL KNEE**.

Why get a total knee if you only need a partial? With the Oxford Partial Knee from Biomet, you can keep up to 75% of your healthy knee – for a more rapid recovery with less pain and more natural motion.* And now, the Oxford is available with Signature** personalized technology. **You also get the industry's only Lifetime Knee Implant Replacement Warranty† in the U.S. – just for you, from Biomet.**

Risk Information:

Not all patients are candidates for partial knee replacement. Only your orthopedic surgeon can tell you if you're a candidate for joint replacement surgery, and if so, which implant is right for your specific needs. You should discuss your condition and treatment options with your surgeon. The Oxford Meniscal Partial Knee is intended for use in individuals with osteoarthritis or avascular necrosis limited to the medial compartment of the knee and is intended to be implanted with bone cement. Potential risks include, but are not limited to, loosening, dislocation, fracture, wear, and infection, any of which can require additional surgery. For additional information on the Oxford knee and the Signature system, including risks and warnings, talk to your surgeon and see the full patient risk information on oxfordknee.com and <http://www.biomet.com/orthopedics/getFile.cfm?id=2287&rt=inline> or call 1-800-851-1661.
