

Minutes of the University Faculty December 10, 1945 - cont.

On recommendation of the College of Agriculture and Home Economics, the following changes were approved:

Change of Credit

Horticulture 110, The Principles of Vegetable Gardening, from 3 to 4 credits (Lectures 3 hours; laboratory 2 hours).

Horticulture 103, Pomology; Pome Fruits, from 3 credits to 4 credits (Lectures 3 hours; laboratory 2 hours)

Horticulture 120, Landscape Gardening, from 3 credits to 4 credits (Lectures 3 hours; laboratory 2 hours).

The College of Commerce requested the following new courses, which were approved by the University Faculty:

Commerce 159. Governmental Accounting (4). The requirements of adequate accounting systems for various governmental units, including the recording of usual transactions and the form and content of reports. Prerequisites: Com. 7b or graduate standing.

Commerce 20. Principles of Advertising (4). An introductory study of the function of advertising in its relation to the broad field of marketing. Emphasis is placed upon the scope and organization of advertising and its economic implications. Advertising media are briefly surveyed and various testing devices used in advertising are examined. Prerequisite: Com. 10.

Also on recommendation of the College of Commerce, the Faculty voted to drop Economics 114, War Economics (4).

President Donovan made a confidential report to the Faculty on the reasons for the recent reorganization of athletics at the University. He also discussed briefly the plans for building up and maintaining an effective athletic program.

Maple Moore
Acting Secretary

MINUTES OF THE UNIVERSITY FACULTY JANUARY 14, 1946

The University Faculty met in the Assembly Room of Lafferty Hall, Monday, January 14, at 4:00 p. m. President Donovan presided. Members absent were R. S. Allen, P. P. Boyd, Thomas P. Cooper, L. L. Dantzler, E. F. Farquhar, James H. Graham, W. B. Hamilton, W. A. Heinz, G. C. Knight, A. C. McFarlan, L. E. Nollau, F. D. Peterson, H. B. Price, Clay Salyer, R. E. Shaver, B. A. Shively, D. V. Terrell, Amry Vandenbosch, and S. B. Walton.

The minutes of December 10 were read and approved.

A. J. Lawrence, Chairman of the Rules Committee, presented the following report for that committee:

Minutes of the University Faculty January 14, 1946 - cont.

"The Rules Committee, of the University Faculty met in Dean Chamberlain's office on January 11 to consider a request from Dean Evans for a change of residence requirements in the College of Law. The present rule reads as follows:

Regardless of the length of time the student has attended the University, a minimum of forty-five of the last fifty-four quarter hours presented for the degree must be completed in residence at the University. The last eighteen quarter hours of residence work must be completed while registered in the college through which the degree is granted.

The Committee recommends that this statement be modified to read as follows:

Regardless of the length of time the student has attended the University, a minimum of forty-five of the last fifty-four quarter hours presented for the degree must be completed in residence at the University. The last eighteen quarter hours of residence work must be completed while registered in the college through which the degree is granted. This requirement applies to all colleges except the College of Law, in which college the student will be required to complete the last thirty-six hours of credit in residence at the University."

The University Faculty approved the Rules Committee's report. Dean Evans then raised a question in regard to the regulation that the last eighteen hours of residence must be done in residence in the college in which the degree is to be granted. He made the point that residence in the University should be sufficient and that the rule, if enforced, would work a hardship on some students. The Chairman announced that he would refer the question to the Rules Committee.

Requests for approval of two new student organizations were presented to the Faculty and were approved. These were a student affiliate of the American Chemical Society and the Canterbury Club.

Dean Chamberlain presented a list of ASTP courses for which credit values and University equivalents had not been established and requested approval of the departmental recommendations concerning these courses. These courses, with the credits and University equivalents as approved by the Faculty are as follows:

Department and Course	Number of Quarter Hours of Credit	University Equivalent
Math. A. S. T. 61	6	Math. & Astron. 5a-b or 17 and 3
Math. A. S. T. 62	6	Math. & Astron. 19
Physics A. S. T. 61	5	Physics 1a

Minutes of the University Faculty January 14, 1946 - cont.

Department and Course	Number of Quarter Hours of Credit	University Equivalent
Physics A. S. T. 62	5	Physics 1b
Geography 72	4	Geography 1a
English 61	No credit	
English 62	3	English 1a
History 72	5	History 5a
History 73	3	History 5b

Dean Chamberlain reported that the enrollment for the current quarter was 3524, including 1358 veterans. He stated that it was difficult to make an accurate prediction of the possible enrollment for the spring quarter, but that the correspondence seemed to indicate that we would have between 3900 and 4000 students. He stated that the summer school enrollment would probably reach 2200 for the first term and 1500 for the second term. Estimates were based upon the premise that veterans would in most instances wish to attend the summer quarter in order to complete their work in the shortest possible time. President Donovan supplemented these remarks with a statement that we should have approximately 5000 students by the opening of the Fall Quarter and that we might find it necessary to limit the enrollment to that number until such a time as adequate housing could be provided. He announced that the University was negotiating for the use of the barracks at Avon and that these would be moved to the University campus for the use of men students. President Donovan emphasized that desirability of doing everything possible to integrate the veterans into the student body and to make them feel that they are a part of the University. He stated that he would appoint a committee to be known as the Committee on Veterans' Affairs. He mentioned further that many rumors were being started on the campus and urged the members of the Faculty to help in preventing these rumors from gaining headway.

On recommendation of the College of Commerce, the following changes in the Marketing and Advertising Curriculum were approved:

1. Add Commerce 20, Principles of Advertising, to the required list of courses.
2. Drop Psychology 5, Psychology of Advertising and Selling, from the required list of courses.
3. Add to the list of suggested electives, Psychology 2, Applied Psychology course; Journalism 114, Newspaper Advertising and Promotion; and Markets and Rural Finance 101, Cooperative Marketing or other agricultural marketing course.

President Donovan announced that after eight or ten weeks of searching for a football coach, the Athletic Association had finally secured the services of one of the outstanding younger men in this field and that his name was to be announced in a Press Conference at 7:00 p. m.
